

L.E.O Projects

Registered Charity Number: 1166992

Trustees' Annual Report for the Year Ended 01/01/2024

Objectives and Activities

L.E.O Projects is a UK-registered charity dedicated to supporting humanitarian and wildlife initiatives in Sri Lanka, including aid for underprivileged children, animal welfare, and community development.

The charity remained inactive during this financial year due to the personal loss of the founder's mother in 2019, which temporarily halted operations and fundraising. No new projects or fundraising activities were undertaken during the year.

Achievements and Performance

There were no activities or expenditure in this financial year. The trustees intend to resume the charity's work once the administrative compliance matters with the Charity Commission are brought up to date.

Financial Review

The charity had no income or expenditure during the period. The bank account remains dormant with a nil balance.

Plans for the Future

The trustees are in the process of reactivating the charity's compliance status and plan to recommence activities in 2025, focusing on child welfare and animal rescue projects in Sri Lanka.

Structure, Governance, and Management

The charity is governed by a Constitution adopted on registration and is managed by the appointed trustees listed on the Charity Commission register. No changes to trustees occurred during this period.
