WILLIAM HOWARTH CHARITABLE TRUST

TRUSTEES' ANNUAL REPORT

FOR THE YEAR ENDED 5 APRIL 2023

The trustees present their annual report and financial statements of the charity for the year ended 5 April 2023. The reference and administrative information set out on page 1 forms part of this report.

The financial statements have been prepared in accordance with the accounting policies set out in Note 1 to the financial statements and comply with the charity's trust deed, the Charities Act 2011 and Accounting and Reporting by Charities; Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

Objectives and Activities for the Public Benefit

The trust was established for charitable purposes only and plans to use its investment income and resources to support, through the making of donations, a wide range of charitable purposes. In shaping our objectives for the period and planning our activities, the trustees have considered the Charity Commission's guidance on public benefit, including the guidance 'public benefit; running a charity (PB2)'.

William Howarth Charitable Trust was established in 2015 from legacies provided by the late William Howarth. The trustees have the power to spend, or retain, both capital and income. Donations were made in the period to 5 April 2023 totalling £8,700 (2022 £24,100).

Achievements, Performance and Plans for the Future

The results for the year and financial position of the charity are as shown in the annexed financial statements. The charity continued to distribute funds in the year and invest funds using professional investment advisors.

Reserves Policy and Going Concern

Reserves are needed to bridge the gap between the spending and receiving of income and to cover the trustees planned donations and other expenditure. The trustees intend to establish a policy to meet these needs.

In preparing the accounts, the trustees consider that the charity has a reasonable expectation of continuing to hold sufficient reserves and receive sufficient incoming resources to enable it to continue operations for the foreseeable future.

Structure, Governance and Management

The trust is a registered charity, established on 16 December 2015 and registered as a charity on 10 May 2016. The charity is governed by the policies made from time to time by the trustees, together with the terms of its trust deed which set out the objects and power of the charity.

The trustees, who met at regular intervals to formulate policy and decisions during the period, were Andrew Mark Glyndwr Cusworth, David Whittingham and Charlotte Marie Keating.

The trustees are responsible for the appointment and removal of trustees.

All trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their role.

WILLIAM HOWARTH CHARITABLE TRUST

TRUSTEES' ANNUAL REPORT (continued)

FOR THE YEAR ENDED 5 APRIL 2023

Risk Management

The trustees have a risk management strategy which comprises: an annual review of the principal risks and uncertainties that the charity faces and; the establishment of policies, systems and procedures to mitigate those risks identified in the review.

The principal risks faced by the trust lie in the performance of investments, operational risks and the capacity of the Trust to make future donations. Financial sustainability is the major financial risk for the charity. This is mitigated by retaining expert investment managers and having a diversified investment portfolio. A key element in the management of available resources to ensure sufficient funds are available to meet planned spending.

Non-financial risks arising from operational matters are managed by ensuring procedures and accreditations are up to date, having robust policies in place and, regular awareness training for trustees in these operational areas.

Trustees' Responsibilities in Relation to the Financial Statements.

The charity trustees are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of incoming resources and application of resources of the charity for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue to operate.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the trustees on 4 February 2024 and signed on their behalf by:
