Trustees Annual Report for the period

Period start date			Period end date				
From	01	June	2024	To	31	May	2025

Section A Reference and administration details

Charity name **Hawker Typhoon Preservation Group**

Other names charity is known by **HTPG**

Registered charity number (if any) **1167143**

Charity's principal address

Unit 24 Star Road Trading Estate
Star Road,
Partridge Green, West Sussex
Postcode RH13 8RA

Names of the charity trustees who manage the charity

	Trustee name	Office (if any)	Dates acted if not for whole year	Name of person (or body) entitled to appoint trustee (if any)
1	Sam Worthington-Leese	Project Director & Trustee		
2	Mark Charles John McMurrugh	Trustee		
3	Andrew John Sheridan	Trustee		

Section B

Structure, governance and management

Description of the charity's trusts

Type of governing document
(eg. trust deed, constitution)

Constitution Adopted on 17th May 2016

How the charity is constituted
(eg. trust, association, company)

Incorporated Organisation

Trustee selection methods
(eg. appointed by, elected by)

Appointed by current Trustees when required

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees consideration of major risks and the system and procedures to manage them.

Having regard to the CIO's organisation and activities, it is the view of the Trustees that the major risks to which the CIO may be exposed are largely financial and regulatory in nature. Systems of internal control provide reasonable assurance against loss and exposure to regulations and they include:

1. Regular review of the financial position of the charity
2. Segregation of duties between Trustees
3. Procedures for the authorisation of all transactions
4. Identification and management of regulation changes

The trustees continue to be vigilant and to keep the financial position of the charity under review to ensure that the major risks, to which the charity is exposed, are mitigated.

The Trustees have created posts within the CIO and appointed volunteers to be vigilant and to review any changes in regulations which may affect the CIO activities.

Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

1. To preserve and protect a Napier Sabre powered Hawker Typhoon Mk1b aircraft and return her to full working order for the benefit of the public and to demonstrate and display her to the public; and
2. To advance the education of the public in Hawker Typhoon aircraft and their crews for the benefit of British Heritage, remembrance and historical knowledge and in particular:
 - a. Its associated provenance and historical context;
 - b. Its aviation and engineering heritage,
 - c. Its significant heritage interest,
 - d. Its operational and maintenance procedures and processes
 - e. Its design, engineering and technologies

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning all the charity activities for the year 2024-2025 we have continued to reference the Charity Commission's guidance on public benefit at Trustee meetings.

The full focus of activities during the year has been to continue to advance the education of the public in the Hawker Typhoon aircraft and their crews, to preserve and protect the project airframe (serial number RB396) and to raise funds towards the first stages of rebuild.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- contribution made by volunteers.

Some supporters of the charity have continued to make a significant contribution towards the objectives of the team. They volunteer their time to help (some as post holders) which include maintaining the organisation's headquarters, manage the shop, host events, attend public events (on behalf of the charity) and attend organised presentations to further the objectives. Without their valuable contribution of time, energy, enthusiasm, expertise and on occasions a financial contribution, the project would not have been able to achieve the exposure to the public that has been continued this year.

The trustees wish to place on record our thanks for all the supporter volunteers for their help and their continued support.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

The Project were able to continue their focus on fundraising, and managing to complete the rebuild of RB396 at Airframe Assemblies. Work has now moved to ARCo at Duxford

The team have continued to focus on sourcing major donors, while not forgetting the grassroot supporter who keep the charity afloat.

Brief statement of the charity's policy on reserves

It is the policy of the Team to maintain the general unrestricted funds at a level to provide sufficient reserves to meet the future anticipated demands on the charities resources.

Having regard to the likely levels of incoming resources and direct charitable expenditure, the Trustees are satisfied that the funds held at 31st May 2025 as reflected in the balance sheet are available and adequate for the Trustees to fulfil the obligations of the Charity and maintain its operations. Freely available funds held at 31st May 2025 were £126,607

Details of any funds materially in deficit

Not Applicable

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The project will continue to raise funds and will conduct a review of best practises for this. Advice and guidance has been sought from other similar projects, regarding large scale fundraising. Small events and merchandise will continue to play a part, but in a lesser role. Whereas specific fundraising targeted towards HNW individuals, companies, or those with familial links to the Typhoon will be explored.

The Trustees recognise that the Cost of Living crisis, has had an effect on shorter term fundraising, but they continue to seek the advice and guidance to allow the project to continue to raise the funds required.

The Trustees will continue to authorise investment in any activities that will promote the charity's objectives and increase the public awareness of the aircraft, crews and project whilst adhering to our reserves policy.

Section F**Other optional information****Plans for 2025-2026**

A review of current and planned fundraising activities is underway. Large scale investment is sought and the project director continues in seeking the advice and guidance required through his contact network, in order to facilitate this.

Section G**Declaration**

The trustees declare that they have approved the trustees report above.

Signed on behalf of the charity's trustees

Independent Examiner's Report

Report to the trustees of

The Hawker Typhoon Preservation Group
Charity number 1167143

On the accounts for the year ended

31st May 2025

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31st May 2025 set out on pages 6 to 8.

Responsibilities and basis of the report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act. In carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act. The procedures undertaken do not constitute an audit.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that, in any material respect:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Independent Examiner's Report

Report to the trustees of

The Hawker Typhoon Preservation Group Charity number 1167143

I report to the trustees on my examination of the accounts of the charity for the year ended 31st May 2024 which set out on pages 6 to 8.

Responsibilities and basis of the report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act. In carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act. The procedures undertaken do not constitute an audit.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that, in any material respect:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

- relationship with any related parties;
- trustees consideration of major risks and the system and procedures to manage them.

Having regard to the CIO's organisation and activities, it is the view of the Trustees that the major risks to which the CIO may be exposed are largely financial and regulatory in nature. Systems of internal control provide reasonable assurance against loss and exposure to regulations and they include:

1. Regular review of the financial position of the charity
2. Segregation of duties between Trustees
3. Procedures for the authorisation of all transactions
4. Identification and management of regulation changes

The trustees continue to be vigilant and to keep the financial position of the charity under review to ensure that the major risks, to which the charity is exposed, are mitigated.

The Trustees have created posts within the CIO and appointed volunteers to be vigilant and to review any changes in regulations which may affect the CIO activities.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. To preserve and protect a Napier Sabre powered Hawker Typhoon Mk1b aircraft and return her to full working order for the benefit of the public and to demonstrate and display her to the public; and
2. To advance the education of the public in Hawker Typhoon aircraft and their crews for the benefit of British Heritage, remembrance and historical knowledge and in particular:
 - a. Its associated provenance and historical context;
 - b. Its aviation and engineering heritage,
 - c. Its significant heritage interest,
 - d. Its operational and maintenance procedures and processes
 - e. Its design, engineering and technologies

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning all the charity activities for the year **2022-2023** we have continued to reference the Charity Commission's guidance on public benefit at Trustee meetings.

The full focus of activities during the year has been to continue to advance the education of the public in the Hawker Typhoon aircraft and their crews, to preserve and protect the project airframe (serial number RB396) and to raise funds towards the first stages of rebuild.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- contribution made by volunteers.

Some supporters of the charity have continued to make a significant contribution towards the objectives of the team. They volunteer their time to help (some as post holders) which include maintaining the organisation's headquarters, manage the shop, host events, attend public events (on behalf of the charity) and attend organised presentations to further the objectives. Without their valuable contribution of time, energy, enthusiasm, expertise and on occasions a financial contribution, the project would not have been able to achieve the exposure to the public that has been continued this year.

The trustees wish to place on record our thanks for all the supporter volunteers for their help and their continued support.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

The Project took the step to focus on fundraising and to maintain a pause on the rebuild. This decision enables the charity to save funds by not having work done in a start/stop manner.

The team have continued to focus on sourcing major donors, while not forgetting the grassroot supporter who keep the charity afloat.

With the move of premises completed the charity has a smaller unit for the housing of parts and shop stock, the majority of large parts stored at Duxford where they can be examined as required.

Brief statement of the charity's policy on reserves

It is the policy of the Team to maintain the general unrestricted funds at a level to provide sufficient reserves to meet the future anticipated demands on the charities resources.

Having regard to the likely levels of incoming resources and direct charitable expenditure, the Trustees are satisfied that the funds held at 31st May 2023 as reflected in the balance sheet are available and adequate for the Trustees to fulfil the obligations of the Charity and maintain its operations. Freely available funds held at 31st May 2023 were £61,497

Details of any funds materially in deficit

Not Applicable

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The project will continue to raise funds and will conduct a review of best practises for this. Advice and guidance has been sought from other similar projects, regarding large scale fundraising. Small events and merchandise will continue to play a part, but in a lesser role. Whereas specific fundraising targeted towards HNW individuals, companies, or those with familial links to the Typhoon will be explored.

The Trustees recognise that the Cost of Living crisis, has had an effect on shorter term fundraising, but they continue to seek the advice and guidance to allow the project to continue to raise the funds required.

The Trustees will continue to authorise investment in any activities that will promote the charity's objectives and increase the public awareness of the aircraft, crews and project whilst adhering to our reserves policy.

Section F**Other optional information****Plans for 2023-2024**

A review of current and planned fundraising activities is underway. Large scale investment is sought and the project director continues in seeking the advice and guidance required through his contact network, in order to facilitate this.

When able, the rebuild will be recommenced. This is scheduled for Spring 2024 and will be dependent on a larger than normal cash reserve being held.

Section G**Declaration**

The trustees declare that they have approved the trustees report above.

Signed on behalf of the charity's trustees

Independent Examiner's Report to the Trustees of the Hawker Typhoon Preservation Group

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31st May 2023 which are set out on pages 6 to 8.

Responsibilities and basis of the report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- the accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the accounts do not accord with those records

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed

Charity name Hawker Typhoon Preservation Group

Other names charity is known by HTPG

Registered charity number (if any) 1167143

Charity's principal address

Unit 24
Star Road Trading Estate
Star Road
Partridge Green
West Sussex
Postcode RH13 8RA

Names of the charity trustees who manage the charity

	Trustee name	Office	
1	Sam Worthington-Leese	Membership Secretary & Trustee	
2	Richard Spreckley	Trustee	Resigned 23 Jan 2023
3	Alex Davies	Trustee	
4	David Hands	Trustee	Appointed 23 Jan 2023

Section B Structure, governance and management

Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	Constitution Adopted on 17 th May 2016
How the charity is constituted (eg. trust, association, company)	Incorporated Organisation
Trustee selection methods (eg. appointed by, elected by)	Appointed by current Trustees when required

Additional governance issues (Optional information)

You **may choose** to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees consideration of major risks and the system and procedures to manage them.

Having regard to the CIO's organisation and activities, it is the view of the Trustees that the major risks to which the CIO may be exposed are largely financial and regulatory in nature. Systems of internal control provide reasonable assurance against loss and exposure to regulations and they include:

1. Regular review of the financial position of the charity
2. Segregation of duties between Trustees
3. Procedures for the authorisation of all transactions
4. Identification and management of regulation changes

The trustees continue to be vigilant and to keep the financial position of the charity under review to ensure that the major risks, to which the charity is exposed, are mitigated.

The Trustees have created posts within the CIO and appointed volunteers to be vigilant and to review any changes in regulations which may affect the CIO activities.

Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. To preserve and protect a Napier Sabre powered Hawker Typhoon Mk1b aircraft and return her to full working order for the benefit of the public and to demonstrate and display her to the public; and
2. To advance the education of the public in Hawker Typhoon aircraft and their crews for the benefit of British Heritage, remembrance and historical knowledge and in particular:
 - a. Its associated provenance and historical context;
 - b. Its aviation and engineering heritage,
 - c. Its significant heritage interest,
 - d. Its operational and maintenance procedures and processes
 - e. Its design, engineering and technologies

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

In planning all the charity activities for the year 2021-2022 we have continued to reference the Charity Commission's guidance on public benefit at Trustee meetings.

The full focus of activities during the year has been to continue to advance the education of the public in the Hawker Typhoon aircraft and their crews, to preserve and protect the project airframe (serial number RB396) and to raise funds towards the first stages of rebuild. We have committed to maintain a presence at as many public events that our trustee and volunteer base will allow and continue a much larger footprint at major air shows in the UK which will enable us to grow the volunteer and supporter base.

Within the time this return covers the trust has held a Black Tie fundraiser and also helped one of the last Typhoon pilots, Bernard Gardiner, to celebrate his 100th birthday at the RAF Club in London.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grant making;
- policy programme related investment;
- contribution made by volunteers.

Supporters of the charity have continued to make a significant contribution towards the objectives. They volunteer their time to help (some as post holders) which include maintaining the organisation's headquarters, manage the shop, host events, attend public events (on behalf of the charity) and attend organised presentations to further the objectives. Without their valuable contribution of time, energy, enthusiasm, expertise and on occasions a financial contribution, the project would not have been able to achieve the exposure to the public that has been continued this year.

The trustees wish to place on record our thanks for all the supporter volunteers for their help and their continued support.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

Trustees and project team assessed the continual impact of COVID-19 on their fundraising abilities and despite a strong performance have elected to pause the rebuild to preserve cash. ARCo at Duxford continue to work on small parts as their time allows.

Annual Supporters' Club renewal window opens at the end of October, however, the annual Supporters' day was again cancelled due to Covid19 rules.

The day prior to the members' day was the charity's AGM, led predominantly by Sam Worthington-Leese, trustee.

With the factor facing the trust that the base at Uckfield was to be closed, a new location was sought for the housing of parts and shop stock, the majority of large parts have been sourced a home at Duxford, and the last part of the 21/22 was spent emptying the Uckfield unit and returning it to landlord's specifications.

Brief statement of the charity's policy on reserves

It is the policy of the Trustees to maintain the general unrestricted funds at a level to provide sufficient reserves to meet the future anticipated demands on the charities resources.

Having regard to the likely levels of incoming resources and direct charitable expenditure, the Trustees are satisfied that the funds held at 31st May 2022 as reflected in the balance sheet are available and adequate for the Trustees to fulfil the obligations of the Charity and maintain its operations. Freely available funds held at 31st May 2022 were £54,954.

Details of any funds materially in deficit

Not Applicable

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The project will continue to raise funds and will conduct a review of best practises for this. Advice and guidance has been sought from other similar projects, regarding large scale fundraising. Small events and merchandise will continue to play a part, but in a lesser role. Whereas specific fundraising targeted towards HNW individuals, companies, or those with familial links to the Typhoon will be explored.

Due to the pandemic, 2020/21 and the current Cost of Living crisis, the above advice and guidance has been sought, by the trustees, to allow the project to continue to raise the funds required. Early indications are that the refocus of activities, although yet to fully bed in, has been successful.

The Trustees will continue to authorise investment in any activities that will promote the charity's objectives and increase the public awareness of the aircraft, crews and project whilst adhering to our reserves policy.

Section F**Other optional information****Plans for 2022-2023**

A review of current and planned fundraising activities is underway. Large scale investment is sought and one of the trustees (Sam Worthington-Leese) is seeking the advice and guidance required through his contact network, in order to facilitate this.

When able, the rebuild will be recommenced. This will be dependent on a larger than normal cash reserve being held, due to the cost of living crisis.

Section G**Declaration**

The trustees declare that they have approved the trustees report above.

Independent Examiner's Report

Report to the trustees of

The Hawker Typhoon Preservation Group
Charity number 1167143

On the accounts for the year ended

31st May 2022

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 31st May 2022 set out on pages 6 to 8.

Responsibilities and basis of the report

As the charity trustees, you are responsible for the preparation of the accounts in accordance with the Charities Act 2011 ("the Act").

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that, in any material respect:

- the accounting records were not kept in accordance with section 130 of the Act; or
- the accounts did not accord with the accounting records; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

HAWKER TYPHOON PRESERVATION GROUP
TRUSTEES' ANNUAL REPORT
YEAR ENDED 31 MAY 2021

OBJECTIVES AND ACTIVITIES

1. To preserve and protect a Napier Sabre powered Hawker Typhoon MkIb aircraft and return her to full working order for the benefit of the public and to demonstrate and display her to the public; and
2. To advance the education of the public in Hawker Typhoon aircraft and their crews for the benefit of British Heritage, remembrance and historical knowledge and in particular:
 - a. Its associated provenance and historical context;
 - b. Its aviation and engineering heritage,
 - c. Its significant heritage interest,
 - d. Its operational and maintenance procedures and processes
 - e. Its design, engineering and technologies

In planning all the charity activities for the year 2020-2021 we have continued to reference the Charity Commission's guidance on public benefit at Trustee meetings.

The full focus of activities during the year has been to continue to advance the education of the public in the Hawker Typhoon aircraft and their crews, to preserve and protect the project airframe (serial number RB396) and to raise funds towards the first stages of rebuild. We have committed to maintain a presence at as many public events that our trustee and volunteer base will allow and continue a much larger footprint at major air shows in the UK which will enable us to grow the volunteer and supporter base.

Supporters of the charity have continued to make a significant contribution towards the objectives. They volunteer their time to help (some as post holders) which include maintaining the organisation's headquarters, managing the shop, hosting events, attending public events (on behalf of the charity) and attending organised presentations to further the objectives. Without their valuable contribution of time, energy, enthusiasm, expertise and on occasions a financial contribution, the project would not have been able to achieve the exposure to the public that has been continued this year.

The trustees wish to place on record our thanks for all the supporter volunteers for their help and their continued support.

HAWKER TYPHOON PRESERVATION GROUP

TRUSTEES' ANNUAL REPORT (continued)

YEAR ENDED 31 MAY 2021

ACHIEVEMENTS AND PERFORMANCE

All events that had been planned for 1st April 2020 were delayed due to the COVID-19 pandemic. Platinum Club (the extra Supporters' Club tier) was launched, as was the new website and limited edition merchandise. Notable achievement, at the height of the first lockdown, was £60,000 raised or pledged surrounding the 1st April events.

The trustees and project team assessed the potential future impact of COVID-19 on their fundraising abilities and elected to pause the rebuild to preserve cash, pending the unknown effect of the pandemic.

A project Patron and two project Ambassadors were announced. Their role is largely a silent one, although their appointment is a PR benefit to the charity and adds credibility to an already impressive performance.

The Annual Supporters' Club renewal window opened at the end of October 2021, however, the annual Supporters' day was cancelled due to Covid19 rules. The day prior to the members' day was the charity's AGM, led predominantly by Sam Worthington-Leese, trustee.

Covid-19 continued to hamper the charity's activities but this did not stop the continued efforts of the volunteers to work towards raising the needed funds.

Supporters' Club renewal window grace period for annual members closed at the end of February, with over 1000 current members.

FINANCIAL REVIEW

It is the policy of the Trustees to maintain the general unrestricted funds at a level to provide sufficient reserves to meet the future anticipated demands on the charities resources.

Having regard to the likely levels of incoming resources and direct charitable expenditure, the Trustees are satisfied that the funds held at 31st May 2021 as reflected in the balance sheet are available and adequate for the Trustees to fulfil the obligations of the Charity and maintain its operations. Freely available funds held at 31st May 2021 were £158,945. Funds of the charity totalled £659,447.

HAWKER TYPHOON PRESERVATION GROUP

TRUSTEES' ANNUAL REPORT (continued)

YEAR ENDED 31 MAY 2021

The project will continue to raise funds and will conduct a review of best practices for this. Advice and guidance has been sought from other, similar, projects, regarding large scale fundraising. Air shows, small events, and merchandise will continue to play a part, but in a lesser role. Whereas specific fundraising targeted towards HNW individuals, companies, or those with familial links to the Typhoon will be explored.

Due to the pandemic, 2020/21 saw a refocus for the project. Air shows and events could not happen. For this reason, the above advice and guidance has been sought, by the trustees, to allow the project to continue to raise the funds required. Early indications are that the refocus of activities, although yet to fully bed in, has been very successful.

The Trustees will continue to authorise investment in any activities that will promote the charity's objectives and increase the public awareness of the aircraft, crews and project whilst adhering to our reserves policy.

Plans for 2021-2022

A review of current and planned fundraising activities is underway. Large scale investment is sought and one of the trustees (Sam Worthington-Leese) is seeking the advice and guidance required through his contact network, in order to facilitate this.

When able, the rebuild will be recommenced. This will be dependent on a larger than normal cash reserve being held, due to the COVID-19 pandemic.

Physical events have been cancelled due to the pandemic. However, online sales are strong and will continue to be promoted. The new tier to the Supporters' Club has proved popular and will continue to be promoted.

HAWKER TYPHOON PRESERVATION GROUP
INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES
YEAR ENDED 31 MAY 2021

I report to the charity trustees on my examination of the accounts of the charity for the year ended 31 May 2021 which are set out on pages 6 to 12.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1) accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- 2) the accounts do not accord with those records; or
- 3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 MAY 2021

1. ACCOUNTING POLICIES

Basis of accounting

The accounts (financial statements) have been prepared in accordance with the statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011 and UK Generally Accepted Practice as it applies from 1 January 2019.

The accounts (financial statements) have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair view'. This departure has involved following Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

The Hawker Typhoon Preservation Group is an unincorporated registered charity and meets the definition of a public benefit entity under FRS 102.

Going concern

The trustees are of the opinion that the charity has sufficient resources to continue its activities for the next 12 months from the date of signing these accounts.

Incoming Resources

Donations and subscriptions are recognised when receivable.

Resources Expended

All expenditure is accounted for on an accruals basis and includes VAT as the charity is not VAT registered. The majority of costs are attributable to specific charitable activities. Governance costs are associated with the governance arrangements of the charity and include independent examination, strategic management and Trustees' meetings.

Tangible fixed assets

Major expenditure on tangible fixed assets is capitalised. This includes aircraft parts purchased for the restoration project.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

No depreciation is charged on the aircraft during restoration.
Event equipment - 10% straight line

NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 MAY 2021

1 ACCOUNTING POLICIES (continued)

Debtors and creditors

Trade and other debtors are recognised at the settlement amount due.
 Creditors are recognised at their settlement amount.

Stock

Stock purchased for sale on the online shop is valued at cost.

Cash at Bank and in hand

Cash and cash equivalents comprise cash on hand and deposits.

Fund accounting

Funds held by the charity are either:

Unrestricted general funds – these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.

Designated funds – these are funds set aside by the trustees out of unrestricted funds for specific future purposes or projects.

Restricted funds – these are funds that can only be used for particular restricted purposes within the objects of the charity.

Taxation

As the Society is a charity, it is exempt from taxation - other than VAT, which is included in the relevant costs in the Statement of Financial Activities - to the extent that any income and gains are applied to its charitable objectives.
