Management decisions are taken by a committee of all trustees, which normally meets six times per year.

### **Objectives and Activities**

Summary of objects:

The advancement of education of the public by the encouragement of the arts with particular reference to steel pan music, by particularly but not exclusively: the teaching, practice, promotion and presentation of concerts and other activities of a charitable nature which will promote this art.

Summary of activities:

Northern Steel Network (NSN) was formed as an independent charity on 1st March, 2016, to take on the work of the Steelbands North project of North Tyneside Steelband, with trustees drawn from several steel bands in the region. The charity became registered with the Charity Commission on 17th May, 2016.

NSN does not have a permanent base, and operates in the North of England, mainly in North Tyneside, Newcastle-upon-Tyne and Northumberland.

### **TRUSTEES' ANNUAL REPORT FOR THE YEAR ENDED 31st DECEMBER, 2022**

#### **Objectives and Activities (continued)**

Summary of activities (continued):

Northern Steel Network (NSN) organises regional steel pan activities: Northern Steel Orchestra, an annual Festival of Steelbands, steel pan workshops, co-ordination of steel pan tuning visits and the provision of networking and information. NSN also owns and maintains three sets of instruments for use by schools and education authorities throughout the North of England.

The flagship activity is Northern Steel Orchestra (NSO), which gives talented young steel pan musicians across the Northern region the opportunity to play at an advanced level and have wider performance opportunities, particularly at a national level. NSN promotes its activities via its website, [www.northernsteelnetwork.org](http://www.northernsteelnetwork.org), and via its facebook pages, Northern Steel Network and Northern Steel Orchestra.

Trustees have considered the guidance issued by the Charity Commission with regard to public benefit, including the guidance on fee charging. The charity relies on a mixture of subscriptions, donations, grants, workshop fees and cost recharges to support its activities. The subscription for players in the orchestra (£30 per annum) covers a very small proportion of the orchestra's costs, and trustees consider that this level of subscription is appropriate and does not discourage potential players. Small charges are also made to attend steel pan workshops.

#### **Achievements and Performance**

NSN's regular activities came to a halt in March 2020 as a result of the Covid-19 pandemic and subsequent government restrictions. NSN was unable to organise any activities throughout the remainder of 2020 and for most of 2021 and 2022, as it had no access to instruments and venues remained closed or unavailable for use. Even after venues began to reopen in September 2021, NSN was unable to resume most of its regular activities as a result of restrictions by venues. These restrictions were eased in September 2022 and NSN resumed its work with the region's steel pan musicians in 2023.

In February 2022, NSN was pleased to act as an intermediary to facilitate the payment of a grant by The Gillian Dickinson Charitable Foundation to Newcastle All Stars Steel Orchestra, following the theft of its trailer. In December 2022, NSN organised a visit to the region by a pan tuner.

NSN had ambitious plans to expand its activities in 2020, with an extended Festival of Steelbands and an intention for NSO to play at Junior Panorama again. Fortunately, NSN's key funders agreed to support postponed activities, and NSN is looking forward to putting its plans into practice with a full programme of events.

Disappointingly, a total of only 5 individuals participated in NSN activities during the year.

NSN is a member of Making Music and Sound Sense and the British Association of Steelbands, has links with North Tyneside VODA and works closely with local steel bands in the North-East.

**TRUSTEES' ANNUAL REPORT  
FOR THE YEAR ENDED 31st DECEMBER, 2022**

**Financial Review**

Trustees consider that it is appropriate to hold cash reserves equivalent in value to one year's expenditure, to meet fluctuations in income and expenditure and to provide funds to replace assets as necessary. The total amount of reserves carried forward at the end of the year was £16,486.48, which consisted of £4,114.94 in restricted income funds and £12,371.54 in unrestricted funds. The financial performance during the year was satisfactory, given the continuing lack of activity. In March 2020, as a result of the Covid-19 pandemic and subsequent government restrictions, the charity became unable to carry out almost all of its normal activities. The charity was able to resume some activities in September 2021, but its main income during 2022 was from the hire of its outreach pans. Trustees gratefully acknowledge the donation of £32.80 from Dave Edwards and also support from the Readman Family Grassroots Fund at the Community Foundation Serving Tyne & Wear and Northumberland, The D'Oyly Carte Charitable Trust and the Freemasons of Northumberland, who all agreed to support postponed activities. As a result of this, the charity remains in a strong short-term financial position.

The charity is heavily reliant on income from donations and grants, without which it would be unable to carry out most of its main activities.

Trustees have reviewed the charity's operations and plan to offer as full a range of activities as possible within the constraints of the grant funding available and donations received.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that, in any material respect,
