Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

1. To relieve poverty particularly but not exclusively amongst homeless people in Blackpool and the surrounding areas in such ways as the trustees shall think fit including the provision of a meal and hot drink; facilities for washing and support or signposting to relevant information and other advisory services
2. To promote such other charitable objects as the Trustees from time to time consider appropriate.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Amazing Graze has been supporting Blackpool as a whole and continued to support the homeless community including the vulnerable, elderly and families in poverty. During the Covid pandemic, we have been supporting more people in distressing situations and increasing our services through the week to enable to serve food and resources on other evenings via pizza grazie. Pizza Grazie supports our homeless community with hot food and food supplies if available Thursday – Sunday outside the normal opening hours of our soup kitchen.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

Amazing Graze has excelled and picked up the pace of service and supported our community proudly.

We have gained acknowledgments from our local regional newspapers by winning an award as part of the best of Lancashire for community champion. This was awarded due the continued commitment and support we offered our community during the covid pandemic.

Pizza Grazie continues to feed the homeless four nights per week. All proceeds go into the charity and cover running costs, reducing the need to ask for funding and letting us focus on what we do best.

As we are all about food poverty we have proven a pizza shop within our building would benefit our community better than having a second hand shop to enable the charity to financially benefit for general ongoing bills.

New links and contacts continue to be made to move forward with supported housing being available and a positive increase of support for our homeless community.

The big red emergency night bus has gained great support from a local housing developer, Rowland homes, supporting us financially and match funding any donations in order to convert the bus to 10 sleeping pods for emergency accommodation. Due to increases in material costs and further funding required we have planned the launch for approx.. September 2022

Section E

Financial review

Brief statement of the charity's policy on reserves

We are comfortable with the charities £5000 reserve which will cover the years rent.

Details of any funds materially in deficit

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

We have been truly supported this year with some large donations and would like to thank everyone who has supported us.

The donations received has enabled us to fulfil our key objectives by supporting the vulnerable and homeless throughout the year.

Many people personally have donated either monies or much needed items, this also needs to be recognised and we would like to thank everyone.

Rowland Homes is a very generous property developer in our area and without them we would not be able to continue with the big red emergency night bus.

TRUSTEES' REPORT

FOR THE YEAR ENDED 31 MARCH 2021

The trustees present their annual report and financial statements for the year ended 31 March 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

Objectives and activities

The charity's objects are to relieve poverty particularly but not exclusively amongst homeless people in Blackpool and the surrounding area. The policies adopted in furtherance of these objects are to provide human resources, buildings, facilities and open space for people in need, to provide services together with advocacy, advice and information and there has been no change in these during the year.

The charity operates principally by the provision of meals for the homeless and the provision of a safe space in which to operate.

The trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

The trustees are pleased to be able to report significant growth in the charity during the year as they move towards a more permanent base and the provision of a wider range of activities in support of the homeless and those in need.

Financial review

At the end of the period the charity had cash reserves of £22,137 and the trustees aim to maintain sufficient reserves to enable the charity to continue to operate for between 3 and 6 months.

During the year significant sums have been expended on the establishment of the Pizza Grazie venture. The trustees have taken the view to expense the cost of this.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.
