Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	<p>Our objectives as contained in our Constitution/Governing Document are as follows:</p> <ol style="list-style-type: none">1) To provide financial help and support to very poor and underprivileged children and young people through our sponsorship in education scheme in developing countries i.e., Bangladesh, Kenya and the Philippines.2) We also seek to provide medical treatments and procedures as well as support and advice on health issues through our Mobile Clinic work, mainly in Bangladesh and Kenya.3) We provide small scale emergency relief aid and assistance in times of need mainly in these countries.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The expansion of the Shop premises last year significantly bolstered the organisation's ability to sustain the level of our support overseas this year. However, as the trustees have now decided, due to the health issues of one of our Trustees and the resignation of another, to reluctantly close our Charity Shop operation in December 2023, which was the main source of income for the Charity. This will mean that next year will inevitably see a scaling down of all our work overseas.</p> <p>This year had seen an increase in medical treatments and procedures which seemed to have been the greatest need at the time.</p>

		<p>The increase in the number of children we supported last year, will be maintained until the end of the next financial year 2023-24, after which we envisage a reduction in operations of the charity itself and eventual closing of our overseas work.</p> <p>We continue our solar energy project providing electricity to poor homes in Southern Bangladesh and Kenya.</p> <p>We increased our financial support again to Dorcas Ministries International. We are privileged to be in partnership with Dr and Mrs Edgerton, supporting their work in Kenya and Africa.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	<p>All the Trustees are aware with regard to the guidance issued by the Charity Commission on the public benefit. Due to the closure of our Charity Shop at the end of December 2023 and the circumstances leading to that decision, we have not been able to attend any of the courses offered by the Charity Commission this year. We will endeavour to do so in the coming months to help us to improve and further our knowledge and awareness of our responsibilities currently as Trustees.</p>

Policy on grant making	Para 1.38	The trustees have decided in light of our recent decision to scale down our overseas work in the coming year, to postpone any decision on grant making at this time.
Policy on social investment including program related investment	Para 1.38	N/A
Contribution made by volunteers	Para 1.38	The continuing hard work and support of our dedicated volunteers has been invaluable this year in the areas of office administration and IT operations. The day-to-day running of the Charity Shop has been supported by the hard work of our volunteers up until our closure in December 2023. Through their contribution the Charity has been able to maintain its ongoing work in the countries where we operate.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>We continue our financial support for a number of students, including 40 in Bangladesh, and 10 college/university students in the Philippines. This has improved the educational outcomes and career prospects of these young people.</p> <p>Our Medical Support work continues mainly in Bangladesh with 7 treatments and medical operations this past financial year: including a second follow up operation for a hydrocephalic child to remove fluid from the brain, the provision of wheelchair and other aids, etc. – all of which have improved the quality of life of the patients.</p> <p>We have continued our financial support and cooperation with Dorcas Ministries International, by supporting them financially in the expansion of their school building, dormitory extension, and kitchen refurbishment, contributing £2,948 in total towards the cost of these projects. This has significantly improved the educational environment, and living standards of the students, by providing better facilities.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	<p>At the end of the financial year 2022-2023 our total income was £27,698.97. After deducting Shop costs and expenses of £24,494.84, we had a small surplus of £3,204.13. Our overseas Projects support/expenditure in Bangladesh, Kenya and the Philippines for this period amounted to just over £9,000 of which £6,052.34 was taken from the previous year's surplus.</p>
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	<p>We are holding the reserves for disaster appeals and emergencies in the countries where we work.</p> <p>At the end of each financial year we hold the remaining surplus/reserves for use as and when a need arises during the course of the next financial year.</p> <p>In this period 2022-23, we had to draw on our reserves to meet our current financial commitments for overseas work which had been undermined by the Charity's expedient decision to close down.</p>
Amount of reserves held	Para 1.22	Approximately £12,000
Reasons for holding zero reserves	Para 1.22	N/A
Details of fund materially in deficit	Para 1.24	N/A
Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	<p>The continued work of our Charity Shop was met with considerable challenges in the last financial period. We have however reported positive results for this financial period, with a healthy reserve of approximately £12,000 and a small surplus of just over £3,000, which has enabled us to sustain our work overseas for another year.</p> <p>We have had several extenuating circumstances which have had a significant impact on our ability to maintain the day-to-day work of our charity i.e. organisational capacity and fewer volunteers. Specifically, our Charity Shop manager, who is also a Trustee for the charity, deteriorated in health, leading to a curtailment of our operating hours and opening days this year, the result of this was a reduction in our income by as much as 40%.</p>

		<p>In addition to this, we have had the resignation of one of our trustees due to his work commitments and have been unable to successfully attract more trustees. Our plans to host an open day were put on hold again since last year. The two remaining trustees have concerns going forward given these circumstances and have therefore decided to downsize our operations overseas and with the intention of closing the Charity altogether.</p>

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **30 / 09 / 2023**.

Responsibilities and
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	At the end of the financial year 2021-2022 our total income was just under £50,000. After deducting Shop costs and expenses of just over £20,000, we had a healthy surplus of £29,000. Our overseas Projects support and expenditure in Bangladesh, Kenya and the Philippines for this period amounted to just over £13,000 with further education costs expected to be met in the early part of the next financial period 2022/2023.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	At the end of each financial year we hold the remaining surplus/reserves for use as and when a need arises during the next financial year. £12-15,000 is currently being held and earmarked for the future purchase and transportation of an ex-NHS Ambulance for a hospital in Kenya. Some logistical problems in Kenya are holding this process up i.e., issues at the port of entry and clearance from the government department. We are seeking assurances from the port authority that there will be no extra charges and the vehicle will have safe and secure passage.

Explanation of any uncertainties about the charity continuing as a going concern	Para 1.23	At the time this report is being written (June/July 2023), in view of the present, uncertain financial climate worldwide, we are seriously considering the long-term future of the Charity. Although we had a good year in 2021-22, we are now seeing a slow-down this year 2022-23. The current financial year is proving challenging, with less customers frequenting our Charity Shop and fewer donors supporting our work. We are struggling to attract suitable prospective Trustees to

		share the responsibilities of the Charity in the area of administration. As we approach our AGM later this year, we are planning to hold an Open Day to publicise our work and encourage more interest and support for the Charity.

Responsibilities and basis of report

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **30 / 09 / 2022**.

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (other than that disclosed below *) which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
