Achievements and performance

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

As our primary income source is from letting the hall to members of the community the Management Committee remain committed to trying to maintain and increase the number and variety of lettings.

The effects of the Covid outbreak and subsequent lockdowns had a drastic effect on our normal activities with some users reluctant to resume activities or closing down completely. Grants paid by HM Government via Gateshead Council served to lessen the impact of this over the year.

Section E

Financial review

Brief statement of the charity's policy on reserves

As the Management Committee have only been operating for a little over five years and having begun from a zero base we had modest funds in reserve but these have been supplemented by Covid Grants. The Committee are however aware of the need to continue to improve the facility and look to utilise a substantial portion of grants received to assist with major repairs and improvements. This is kept under close scrutiny at regular Committee meetings.
