Trustee's Report

The Trustees present their annual report together with the financial statements for the year ended 31 December 2020. The Trustees confirm that the Annual Report and financial statements of Wellington Management UK Foundation ("the Company") comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) as amended by Update Bulletin 1 (effective 1 January 2015).

Objectives and Activities

The objects of the Company are to advance, promote or carry out such Charitable Purposes as the Trustees in their absolute discretion from time to time think fit. "Charitable Purposes" means purposes which are charitable under the laws of England and Wales.

The Company is established to benefit the general public through the making of grants to a wide variety of organisations consistent with its objects. In shaping the objectives of the Company, the Trustees considered the Charity Commission's guidance on public benefit and as a result the objects of the Company are broad in scope, but its policy and activities are focused on making grants to support programmes and organisations in local communities that improve the education and educational opportunities for economically disadvantaged youth.

Achievements and performance

During the year the charity made donations to 24 (2019: 25) organisations. Organisations supported during the period were: (UK based unless stated)

Action for Kids	London Music Masters
Action Tutoring	London Youth Rowing
Debate Mate	Primary Shakespeare Co
Die Arche (Frankfurt)	Protégé DNA
Doorstep Library Network	ReachOut
ELATT	Real Action
Fight for Peace	Resurgo Trust
Future Frontiers	Scene and Heard
Jonk Entrepreneuren (Luxembourg)	Street League
Just Like Us	Superar (Zurich)

The supported organisations all met the objectives of the Company and the grant making policy (see below). They achieve this by engaging in a wide range of activities including Drama, Employability Skills, Literacy, Music, Sport, Tutoring, Life Skills and General Support.

Financial Review

The Company received £972,587 (2019: £567,259) of donations and grants in the period and made grants to organisations of £963,750 (2019: £613,500) during the current financial period.

The Company has committed £312,000 and £252,000 to organisations in 2021 and 2022 respectively subject to satisfactory fulfilment of charitable activities, annual reviews of the projects concerned and subject to sufficient funds being received in donations to meet those commitments.

Trustee's Report

Grant making policy

Grants will be made to support programmes and organisations that improve education and educational opportunities for economically disadvantaged youth. Grants will be made to registered charities or other voluntary bodies. The Trustees consider that the Company should support charities where grants will have maximum impact. They will consider smaller grant-making charities which may be overlooked by the general public in their charitable giving, and grant-making to innovative projects. The Trustees will also look to fund overseas charities in Europe. Full details of the grant making policy can be found on the Company's website at www.wellington.com/en-gb/community-engagement.

Investment policy

Most of the Company's funds are to be spent in the short term so there are few funds for long term investment. Having considered the options available, the Trustees have decided that the Company's funds may be held in certificates of deposit, money market funds or cash on deposit, or other investments as approved from time to time.

Reserves

There is no minimum level of reserves which Trustees seek to maintain. The Trustees deem this appropriate as the total value of grants is determined by the funding available. This policy is reviewed by the Trustees from time to time. Reserves as at 31 December 2020 were £61,888.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Risk management

The Trustees have conducted a review of the major risks to which the charity is exposed. Where appropriate, systems or procedures have been established to mitigate these risks.

Plans for the future

The Company plans to continue the grant-making policy referred to above, namely making grants to support programmes and organisations in local communities that improve the education and educational opportunities for economically disadvantaged youth. The Company has consistent support from WMIL employees in terms of donations and also engagement via the Grant Recommendation Committee charity reviews and would like to build relationships with the charities it funds to have a meaningful impact within the sector.

Statement of Trustees Responsibilities

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgments and estimates that are reasonable and prudent;

Independent Examiner's Report

I report to the charity trustees on my examination of the accounts of the company for the year ended 31 December 2020, which are set out on pages 8 to 16.

This report is made solely to the charitable company's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006 and the charitable company's trustees as a body in accordance with section 154 of the Charities Act 2011. My independent examiner's work has been undertaken so that I might state to the charitable company's trustees those matters I am required to state to them in an independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charitable company, the charitable company's members as a body and the charitable company's trustees

as a body for my independent examiner's work, for this report, or for the opinions I have formed.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

Since the Company's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of the Institute of Chartered Accountants in England and Wales, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act;
or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

2.2 Going Concern

In order to assess the appropriateness of the going concern assumption basis, the Trustees have considered the Company's financial position, reserves and forecasts for the foreseeable future. They have considered the assumptions underlying those forecasts and the impact of the potential risks affecting them.

In their assessment of going concern the trustees have considered the current and developing impact on the charity as a result of the COVID19 virus. This has not had a significant, immediate impact on the charity's operations but the trustees are aware that if the current situation becomes prolonged then this may change.

Having regard to the above, the trustees believe it appropriate to adopt the going concern basis of accounting in preparing the financial statements.

Notes to the Financial Statements

2.3 Fund Accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Company and which have not been designated for other purposes.

Donated services or facilities are recognised when the Company has control over the item, any conditions associated with the donated item has been met, the receipt of economic benefit from the use of the Company of the item is probable and that economic benefit can be measured reliably. Donated services and donated facilities are recognised on the basis of the value of the gift to the Company which is the amount the Company would have been willing to pay to obtain services or facilities of equivalent economic benefit on the open market; a corresponding amount is then recognised in expenditure in the period of receipt.

In accordance with the Charities SORP (FRS 102), the general volunteer time of the Friends is not recognised and refer to the Trustee's report for more information about their contribution.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year-end are noted as a commitment, but not accrued as expenditure
