Achievements and Performance

	SORP Reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society.	Para 1.20	Throughout the year the Committee had the funds to subsidise a total of 12 formal functions, and several informal events. Attendance would have ranged from 60 to 150 personnel with a subsidies budget of £29,000. Specific events would under normal circumstances be extended to include guests, Junior Ranks (JRs) and members of the local community. These initiatives would enable the JRs to gain an insight into the traditions and etiquette of the Mess which contribute towards the promotion of morale and welfare of the JRs on the Station. For guests and the local community, the events would promote engagement within the South West bringing local government personnel, other agencies and individuals together to support the Stations output and for the formation of good relationships within the local area.

		<p>Due to COVID-19 none of the formal events were undertaken by the TEL Combined mess.</p> <p>Donations were made during the Financial Year to the JRs Christmas party and Community Support events.</p> <p>A specific contribution is made from the Mess Members towards the Station Sports Fund for the operation of non-core activities on the Station. In addition, a one-off payment of £300 is made to the CO's charity fund for the benefit of the nominated charity for that financial year.</p> <p>The fund has been utilised to provide improvements to the Mess.</p>

		<p>To manage this risk the Station, utilise the Service Funds Risk Register designed to capture all identified risks to the Charity. Assessment of risks are monitored, and mitigation action put in place to reduce the risks to a lowest acceptable level.</p> <p>In addition, OC SFAS, as the Trustee's delegated representative on Service Funds, carries out additional management checks on the Mess Fund clerk and the Bar Manager to further mitigate the risk of poor accounting, fraud or theft.</p> <p>The trustee is satisfied that the actions outlined above, in conjunction with the operation of the Service Funds Internal Audit Board, provide systems and procedures to manage the principle risks to the charity.</p>
Other		<p>The charity received authorisation to write-off two debts during financial year 2020/21. The first write-off was an overspend from the 2017 Christmas Draw fund, the other write-off was a mess debtors error that occurred with the change of Contracts from ISS to ESS in 2008. This was highlighted throughout by the SF accountant who recognised that the starting balances on HO/TO were incorrect. This was no fault of ESS but the failure of the process on HO/TO of Contractors where the outgoing contractor was not contracted to complete an EOY, which was left to the Station to complete. The combined write-offs have the value of £4,586.39.</p>
