**TRUSTEES' REPORT
FOR THE YEAR ENDED 31 DECEMBER 2024**

The Board of Trustees, who are the trustees for charity law purposes, submit their annual report and the financial statements of Good To Give Back for the year ended 31 December 2024. The Board of Trustees confirms that the annual report and financial statements of the Charity comply with current statutory requirements, the requirements of the Charity's governing document and the provisions of the Statement of Recommended Practice (SORP) 'Accounting and Reporting by Charities (revised 2005)'.

Structure, governance and management

The 3 Trustees are:

1. Ms Carolyn Brown
2. Mrs Delores Stewart
3. Miss Sharlene Brown
4. Michael Stewart
5. Angella Morrison

The Trustees play a primary role in ensuring good governance and functioning of the foundation. The Board's role, functions and responsibilities are quite clearly defined.

The Charity currently has a dedicated team of Advisory board members in the UK who have helped to secure financial support and contribute to the future planning of the organisation.

Governing document:

Good To Give Back is an CIO Foundation formed on 31 May 2016 and registered as a charity on 31 May 2016.

Recruitment and appointment of trustees:

The members of the General Trustee Board are trustees for the purposes of charity law. New trustees may be appointed by resolution of a meeting of the trustees.

Much of the charity's work focuses upon the promotion of the Christian religion and the running and maintenance of its places of worship.

The General Trustee Board seeks to ensure that the needs of this group are appropriately reflected through the diversity of the trustee body. To enhance the potential pool of trustees, the charity has, through selective advertising and networking with voluntary organizations active in the sector, sought to identify those who would be willing to become members of the charity and use their own experience to assist the charity.

Risk Management:

We are committed to a policy of identifying, monitoring and managing the risks that might adversely affect the activities in which we are involved. In this context, risk is defined as the potential to fail to achieve charity objectives and for loss, financial and reputational, inherent in the environment in which we operate in the nature of the transactions undertaken.

The principle risk of the charity has been its dependence on voluntary income. Trustees have initiated various processes to mitigate such risk, so that the charity has sufficient reserve in the event of adverse condition(s).

The trustees have also examined other operational and business risks which they face and confirm that they have taken steps to mitigate the significant risks.

FOR THE YEAR ENDED 31 DECEMBER 2024

Public Benefit:

The Trustees have complied with the duty in Section 4 of the Charities Act 2006 and have paid due regard to public benefit when preparing this report. The benefit provided to the public is consistent with the aims of the charity in UK.

Objectives and activities:

- (1) The prevention or relief of poverty in London and wider parts of the United Kingdom by providing items and services to individuals in need and/or charities or other organizations/partners working to relieve poverty.
- (2) To act as a resource for young people living in London Boroughs and wider parts of the UK by providing advice and assistance and organising programmes of physical, educational and other activities as a means of providing recreational and leisure time activity in the interest of social welfare for people living in the area of benefit who have need by reason of their youth, age, infirmity or disability, poverty or social and economic circumstances with a view to improving the conditions of life of such persons.
- (3) To promote equality and diversity within our programmes by;
 - (A) The elimination of discrimination on the grounds of race, gender, disability, sexual orientation or religion:
 - (B) Promoting activities to foster understanding between people from diverse backgrounds.

Financial review:

The largest contribution to the charity for the year came from donations received from local churches. The charity has begun its charitable activities from May 2016.

The Charity currently aims to designate the total fund received less expenses for the main objective of the charity.

Plans for future periods:

The Charity plans to develop various fundraising strategy to include mass marketing. Besides mass marketing and events, the charity is aiming to achieve its targets through securing donations from willing individuals. A development board may be created to help include other avenues of fundraising to be included in the yearly programme.

Statement of Board of Trustees' responsibilities

The Board of Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice.

Charity law applicable to charities in England/Wales requires the Board of Trustees to prepare financial statements for each financial year which gives a true and fair view of the state of affairs of the Charity and of the surplus or deficit of the Charity for that period. In preparing those financial statements the Board of Trustees have:

- Selected suitable accounting policies and applied them consistently,
- Made judgments and estimates that are reasonable and prudent,
- Stated whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepared the financial statements on a going concern basis (unless it is inappropriate to presume that the Charity will continue in operation).

**NOTES TO THE FINANCIAL STATEMENT
FOR THE YEAR ENDED 31 DECEMBER 2024**

1. ACCOUNTING POLICIES

1.1 Basis of preparation of financial statements

The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008). The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP), 'Accounting and Reporting by Charities' published in December 2005 and applicable accounting standards.

1.2 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund are set out in the notes to the financial statements.

1.3 Incoming resources

All incoming resources are included in the Statement of financial activities when the charity has entitlement to the funds, certainty of receipt and the amount can be measured with sufficient reliability.

Donated services or facilities, which comprise donated services, are included in income at a valuation which is an estimate of the financial cost borne by the donor where such a cost is quantifiable and measurable. No income is recognised where there is no financial cost borne by a third party.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1.4 Resources expended

Expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to activities, they have been allocated on a basis consistent with the use of the resources.

Fundraising costs are those incurred in seeking voluntary contributions and do not include the costs of disseminating information in support of the charitable activities. Support costs are those costs incurred directly in support of expenditure on the objects of the charity and include project management carried out at Headquarters. Governance costs are those incurred in connection with administration of the charity and compliance with constitutional and statutory requirements.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.
