Accounting Policies

The accounting policies adopted by the Fieri Consort are intended to enable a clear and transparent reading of the elements of the financial report.

Restricted and unrestricted funds

Funds are restricted where they have been raised for a clearly communicated purpose or project or have been designated as such by the donor. For example, a CD purchased at the end of a concert would be associated with the recording project for that CD.

A1 Income from donations and legacies

Restricted funds raised for the Graupner recording project.

A2 Income from charitable activities

Comprising payments from promoters to undertake charitable activities.

A3 Other trading activities

Sales of CDs.

B1 Expenditure on raising funds

Refund of unspent fundraising payments from prior year.

B2 Expenditure on charitable activities

Graupner recording project with Camerata Øresund.

Objectives and Activities

The object of the CIO is to advance, improve, develop and maintain the education of the public in the arts, and in particular (and without prejudice to the generality of the foregoing) the arts of choral and other music by the organisation and/or presentation of concerts, workshops, and recitals of high educational and artistic merit, and by other such means as the trustees shall from time to time determine.

The strategies undertaken to achieve these objectives include:

- Fundraising for the development of projects and for the administration of the group.
- Exploring ways of engaging new audiences.
- Making recordings available of lesser-known gems of the early repertoire and new works by contemporary composers.
- Commissioning works.

Our main areas of activity undertaken to further the charity's purposes for the public benefit are as follows:

- Concert performances.
- Educational workshops.
- Recordings.
- Collaborating with other art forms

This financial year, the specific activities which follow under these headings were:

- Releasing *The Destined Knot* - an album featuring madrigals by Marenzio with a specially-commissioned animated film by artist Eleanor Meredith.
- Working digitally with Choir of the Earth (previously known as the Self-Isolation Choir)
- Performing the modern world premiere of Casulana's 5th book of madrigals on International Women's Day, live on the radio.
- Performing abroad at the Utrecht Early Music Festival.

Achievements and Performance

Concert programmes

We developed new concert programmes collaborating with other art forms as well as instrumentalists and other ensembles:

- We performed a version of the Il Pastor Fido programme with Lux Musicae at Brighton Early Music Festival.
- We completed the collaborative project on Michael East with Chelys Consort of Viols with a UK tour: Wales, Lichfield, Lincoln, London. This involved outreach work with the cathedral choir of Lichfield.

We performed abroad, reaching new audiences:

- Utrecht Early Music Festival (The Destined Knot)

We collaborated with musicologist Prof Laurie Stras on a new programme featuring the music of Maddalena Casulana:

- We performed the modern world premiere of her 5th book of madrigals at Kings Place, London, broadcast live on BBC R3 and internationally through the European Broadcasting Network.
- We began to prepare to record this music.

This year we continued to focus on digital projects, developing A Short Walk, The Destined Knot and undertaking various recordings for the Choir of the Earth (previously known as the Self-Isolation Choir).

We collaborated with the Chelys Consort of Viols for a tour of our Michael East programme. For this they received a grant from the Continuo Foundation.

Financial Review

Over the course of the financial year the charity had a net deficit of income over expenditure of £16,068, as projects were delivered for which funding had been received in previous years. As a result, the overall surplus carried forward at the end of May 2022 was £3,660.

Reserve Holding Policy

We will ensure there is at least £2,000 in reserve at all times.

Structure, Governance and Management

Governing Document

The charity is a Charitable Incorporated Organisation, registered on the 2nd June 2016. It is governed by the Fieri Consort Charitable Constitution.

Management

The trustees appoint a Consort Manager who is also a member of the Consort, Hannah Ely, to manage the day-to-day activities of the group and delegate as appropriate to other key members of the group. The Manager may also seek support for general administration and specific projects when financially viable to do so.

Remuneration

The trustees have approved remuneration for administration time for the Consort Manager and other members of the group who take part in the management of the Consort.

No individual received remuneration in excess of £60,000 in either year.

Achievements and Performance

Concert programmes

We developed new concert programmes collaborating with other art forms as well as instrumentalists and other ensembles, notably including some from outside of the UK. This year, as a result of the pandemic, we focussed on digital projects: A Short Walk, The Destined Knot and various recordings for the Choir of the Earth (previously known as the Self-Isolation Choir).

We received two grants for these from Angel Early Music and the Genesis Foundation.

Financial Review

Over the course of the financial year, the charity made a surplus of £2,994. This, together with the previously retained surplus, will be carried over into the next financial year to pay for ongoing projects, including some delayed as a result of the Covid-19 pandemic.

We organised two fundraising concerts, raising money for Musicians for Musicians and Age UK.

Reserve Holding Policy

We will ensure there is at least £2,000 in reserve at all times.
