Objectives and activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	The advancement of good citizenship and civil society by advancing the knowledge and engagement of young people in the democratic and political process.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>MLMS has a number of engagement activities that help support our strategic aims. Over the past year these have included:</p> <p>Democracy Cafe's is our reinvigoration of the 17th century coffee house tradition where members of society would gather and discuss local issues. These events brought together diverse members of the local community who do not usually interact with each other, to discuss the most pressing issues of the day, as well as possible solutions. This model brings a social buzz back to coffee shops and makes them a place where communities can come together and engage in meaningful discussions.</p> <p>The Common Futures Forum (CFF) aims to inspire, empower and connect young and socially excluded citizens to lead change, by providing them with the platform to shape society. Launched by the Mayor of London Sadiq Khan in November 2018, the CFF brought together those at the forefront of the tech, business, politics and society; from cultural icons, influences to decision-makers. The Forum gathers young people, world leaders, visionaries, policymakers and academics annually to establish a new approach to economic, political and community life.</p>

Quarantine Question Time (QQT)

In response to the Covid-19 pandemic, MLMS set-up the Quarantine Question Time to help provide expert advice to young people about coronavirus and its impact on our lives. The series was designed to:

- Tackle the growing levels of misinformation about Covid and its impact;
- Strengthen the need for democracy and youth engagement;
- Provide a safe space for young people to talk about their concerns and have their voices heard;
- Provide expert advice on the effects of Covid-19 on young people's financial wellbeing, mental health and livelihoods; and
- Challenge the media narrative that young people are to blame for the rise of Covid-19 cases.

National Voter Registration Day is a non-partisan campaign aimed at encouraging young people to register to vote and to celebrate democracy. With local elections taking place on May 6th, it was the last day to register to vote. My Life My Say acted as the national coordinator for National Voter Registration Day.

Make It Make Sense is a live talk-show aiming to amplify the voices of young people by breaking down the barriers associated with language that often put young people off from engaging in democracy. The show provides an interactive hybrid model of engagement enabling us to help improve young people's understanding of decision-making with the call to action to encourage young people to register to vote.

The Spotlight Show is a short film docuseries in line with our mission of aiming to amplify young voices to improve decision-makers' understanding of the issues that impact young people. We interview young people who are passionate about change-making to spotlight their story and help inspire a new generation of activists. This project is in line with one of our core aims to amplify the voices of young people who are often overlooked in decision-making.

		<p>Leadership</p> <p>In 2020, we launched the MLMS Young Leaders programme which selects 20 community-minded rising stars from around the UK for a one-year programme designed to equip them with the skills to lead change in their communities.</p> <p>This program is specifically designed to help support young people from disadvantaged backgrounds, and those who have not previously been able to access leadership training opportunities. They have been selected through a robust selection criteria from each region of the UK. We aim to equip young leaders with skills including improving communication, community organising, social media, fundraising, campaigning, business development and strategic skills.</p>

Achievements and performance

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>Para 1.20</p>	<p>The Covid-19 pandemic, in many ways, has been an opportunity for My Life My Say, as we've had a lot of leading institutions approaching us to help engage young people's voices with their organisations. As such we have grown our international partnerships, partnerships that seek to collaborate, and develop young people within the field of democracy, whilst espousing similar passions and values as My Life My Say. Some of these partnerships included tech giants such as Uber and Facebook, some of them included partnerships such as the Advocacy Academy, and some include media outlets such as Tortoise, In addition to the many grassroots organisations from across the country. In total, we have established 61 new partnerships.</p> <p>My Life My Say's Democracy Cafes have been instrumental in facilitating young people's voices to be heard. We organised 72 Democracy Cafés during this year, reaching 3,000 young people in person. More than 80% of these Democracy Café events took place outside of London. Training young people through our leadership programme was a key factor in delivering more Democracy Cafés.</p> <p>In partnership with Opinium Research, we launched the UK's first youth index poll which is designed to take a temperature of Britain's youth bi-annually on the issue of trust and confidence in our democracy. We published the first sets of results in April 2022, which showcased young people's views and perspectives on the future of Britain.</p> <p>April 14th 2022, marked National Voter Registration Day - a non-partisan campaign aimed at encouraging young people to register to vote and to celebrate democracy. With local elections taking place on May 6th, it was the last day to register to vote. My Life My Say acted as the national coordinator for National Voter Registration Day.</p> <p>Over 55,000 people registered to vote on April 14th. Through our social media channels alone, we reached over 565,000 people. With the help of social media users, we surely reached many more people!</p> <p>As well as receiving support from all of the major UK political parties, we received support from over 40 organisations across the UK, including businesses and the third sector.</p>
--	------------------	---

		<p>Our efforts to ensure that more people register to vote did not go unnoticed as we achieved so much in one day.</p> <p>Through our Instagram content and live panels, we engaged over 11,300 people. Our guest speakers included the Mayor of London, TY Logan, Billie JD Porter, and many more incredible speakers.</p> <p>In November 2021, My Life My Say delivered its annual Common Futures Forum bringing together over 500 young people together in London to explore youth-led solutions to some of the biggest challenges that face our society. From climate change to the impact of Covid, young people led conversations that put solutions forward to decision-makers. This was the first time we delivered a face-to-face event before the pandemic in 2020.</p> <p>In 2021-2022, My Life My Say engaged with 25 young people through our leadership programme to help improve their confidence and skills to affect policy-making at a local, regional and national level. Through this programme, we have successfully delivered two 12 month programmes that each consisted of 12 workshops ranging from confidence building, public speaking and an introduction to UK democracy.</p>

Section C**Notes to the accounts****(cont)****Note 25****Fair value of assets and liabilities**

25.1 Please provide details of the charity's exposure to credit risk (the risk of incurring a loss due to a debtor not paying what is owed) , liquidity risk (the risk of not being able to meet short term financial demands) and market risk (the risk that the value of an investment will fall due to changes in the market) arising from financial instruments to which the charity is exposed at the end of the reporting period and explain how the charity manages those risks.

The main risks arising from the charity's financial instruments are credit risk and liquidity risk. The trustees review and agree policies for managing each of these risks and these are summarised below.

Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the charity, and arises principally from the debtors balance at the year-end, which are considered by the trustees to be recoverable.

Liquidity risk

The charity's policy throughout the year has been to ensure that it has adequate liquidity by careful management of its working capital.

25.2 Please give details of the amount of change in the fair value of basic financial instruments (debtors, creditors, investments (see section 11, FRS102 SORP)) measured at fair value through the SoFA that is attributable to changes in credit risk.

Charity no.:

Company no.:

Set out on pages

I report to the charity trustees on my examination of the accounts of the Company for the year ended 30 April 2022.

**Responsibilities and
basis of report**

As the charity's trustees of the Company (who are also the directors of the company for the purposes of company law), you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ("the 2006 Act").

Having satisfied myself that the accounts of the Company are not required to be audited for this year under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ("the 2011 Act"). In carrying out my examination, I have followed the Directions given by the Charity Commission (under section 145(5)(b) of the 2011 Act).

**Independent
examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention which gives me cause to believe that:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
