360 Foundation Annual Report

2022-2023

We continue to work on the company Ethos of allowing those from disadvantaged groups in the community to express their creativity, providing an outreach service helping with social and life skills. As a result, YP can obtain work experience and opportunities to take part in Boxing and martial arts.

It not only has a positive impact on Mental health and wellbeing, but also eases the day to day coping mechanisms, creating healthier minds and positive thinking for YP including those with SEND.

Our aim is to continue working with and engaging 100 new youths into sports and social skills to help them in their future of opportunities.
