LODO FOUNDATION

Report of the Trustees for the year ended 31 March 2022

Introduction:

With the global pandemic finally phasing out, we began to experience some sense of normality towards the end of LODO FOUNDATION year end. We delivered a healthy balance of impactful/vibrant in-person one-to-one training, relief of poverty and grants to individuals. Through it all, as a goal-oriented organisation, we achieved outstanding feats in the dispatch of our services as delineated below:

Activities:

- On 6th May 2021, a donation of £170.00 was made – Purchase of laptop for the Foundation's scholarship candidate
- On 5th August 2021, a donation of £156.00 was made - Grant to start 2020-2021 third academic year to our scholarship candidate.
- On 18th January 2022, a donation of £160.00 was made – Grant to complete the second semester of the 2020-2021 academic year after the long ASUU strike (University lecturers long strike in Nigeria).

Funding/Donations:

For the year under review, we received donations of £1,384.64. These funds were as a result of both internal and external donations from both trustees and other individuals. This charity does not work with professional fundraisers or commercial participators. Also, this charity does not have any trading subsidiaries.

Conclusion:

Conclusively, it is needful to mention that the year under review was unique, ranging from the continuing effects of the pandemic as everyday human life to the challenges we encountered and surpassed as individuals and a body. In all, we are conscious of the truth that when it mattered most, against all odds, we took giant strides and made progress as a foundation. As ever, we are united, together, standing strong and looking forward to recording and reporting even far better and greater achievements in the coming year.

`ACHIEVEMENTS' IN 2021

LODO FOUNDATION

Report of the Trustees for the year ended 31 March 2021

Introduction:

With the global pandemic finally phasing out, we began to experience some sense of normality towards the end of LODO FOUNDATION year end. We delivered a healthy balance of impactful/vibrant in-person one-to-one training, relief of poverty and grants to individuals. Through it all, as a goal-oriented organisation, we achieved outstanding feats in the dispatch of our services as delineated below:

Activities:

- On 30th of January 2021, a donation of £170.00 was made – grant to scholarship candidate to resume and complete second year university in Nigeria after the long COVID-19 lock down

Funding/Donations:

For the year under review, we received donations of £699.09. These funds were as a result of both internal and external donations from both trustees and other individuals. This charity does not work with professional fundraisers or commercial participators. Also, this charity does not have any trading subsidiaries.

Conclusion:

Conclusively, it is needful to mention that the year under review was unique, ranging from the continuing effects of the pandemic as everyday human life to the challenges we encountered and surpassed as individuals and a body. In all, we are conscious of the truth that when it mattered most, against all odds, we took giant strides and made progress as a foundation. As ever, we are united, together, standing strong and looking forward to recording and reporting even far better and greater achievements in the coming year.
