Health Express

Report of the Trustees for the Year Ended 31 March 2022

The trustees present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The charitable company aims to help the residents of County Durham to live longer, be healthier and lead happier, more fulfilled lives. Health Express aims to do this by increasing knowledge and awareness of health issues in the local community as well as helping people access health services and get support in better managing long term health conditions.

Significant activities

The Resthouse refurbishment has been completed and it is now also fully furnished. Covid restricted the use of the building and we focused on delivery within the community. We are now looking to move back into the Office on a permanent basis and plan a host of activities.

Public Benefit

The charitable company's aims and achievements are set out within this report. The activities set out in this report have been undertaken to further the charitable company's charitable purposes for the public benefit. The trustees have complied with the duty under Section 4 of the Charities Act 2011 to have due regard to public benefit guidance published by the Charity Commission and the trustees have paid due regard to this guidance in deciding what activities the charitable company should undertake.

ACHIEVEMENT AND PERFORMANCE

Charitable activities

During the year the charity's main activities have been to complete the internal refurbishments to the Rest House, Shildon.

FINANCIAL REVIEW

Financial position

During the year funding has been received from County Durham Council and County Durham Community Foundation which has covered the expenditure required for improvement works to date.. Further grant funding applications have been made following the year end, to ensure the future operations of the charity continue.

Reserves policy

It is the charity's aim to hold sufficient reserves to cover foreseeable future expenditure for the 12 months following year end. As at year end the reserves position was strong at £179,388, which is in excess of the planned needs for Rest House and the initial community projects planned for 2022/23. The trustees consider current levels of reserves to be adequate at present but will be under regular review due to the charity being committed to growth in the coming years.

FUTURE PLANS

Now we are coming out of the Pandemic we plan to reopen the Resthouse to the Public and to operate activities from the Resthouse as well as utilising other local venues. The charity is liaising with other local groups and is currently planning the next 12 months activities.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document and constitutes a Charitable Incorporated Organisation, foundation registered 17 June 2016.

**Independent Examiner's Report to the Trustees of
Health Express**

Independent examiner's report to the trustees of Health Express

I report to the charity trustees on my examination of the accounts of Health Express (the Trust) for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Notes to the Financial Statements
for the Year Ended 31 March 2022**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019) and the Charities Act 2011. The financial statements have been prepared under historical cost convention.

There were no material departures from that standard.

The principal accounting policies adopted in the preparation of the financial statements are set out below and have been consistently applied within the same accounts.

Going concern

The financial statements are prepared on the going concern basis which assumes that the charity will continue to trade. The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast doubt on the abilities of the charity to continue as a going concern, in respect of a period of at least one year from the date of authorisation for issue of the financial statements. If the charity is unable to continue to trade, adjustments would be required to reduce the value of assets to their recoverable amount, to provide for any further liabilities that might arise and to reclassify fixed assets and any long term liabilities as current assets and liabilities.

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

The building in use by the charity is owned by Durham County Council. The charity occupies the building under a notional peppercorn lease. The lease delegates aspects of the management of the building to the charity for the time being, but does not vest any rights over the building to the charity. Having considered the factual matrix under which the charity is occupying the building the Trustees have concluded that the value of the building will not be recognised on the Balance Sheet of the charity. In addition, whilst the occupation constitutes a donation in kind to the charity, the Trustees consider that the cost of obtaining a valuation for such a donation outweighs the expense and therefore no such donation and related expense are included in the Statement of Financial Activities. Additions since grant of lease funded by grant income have been capitalised as leasehold improvements and written off over the period of the lease.

Taxation

The charity is exempt from taxation on its charitable activities.

Fund accounting

Restricted funds relate to amounts received which have been specified for a particular use by the donor.

**Notes to the Financial Statements - continued
for the Year Ended 31 March 2022**

1. ACCOUNTING POLICIES - continued

Fund accounting

All other funds are unrestricted funds which the charity may use for its charitable purposes at its discretion. Within unrestricted funds, the charity may designate certain funds for specific purposes.

Financial instruments

Basic financial instruments are recognised at amortised cost with changes recognised in profit or loss.

Government grants

Revenue based grants have been credited to the profit and loss account in the period to which they relate. Capital based grants are accounted for using the accruals model and have been transferred to a deferred credit and released to the profit and loss account over the useful life of the asset.
