Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To preserve and protect the health of pregnant women who have previously suffered a loss to Edward's Syndrome, in particular but not exclusively by: Raising awareness of Edwards Syndrome (Trisomy 18) Providing a subsidy of £100 towards the NIPT blood test
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Raising awareness – attend public events, handing out leaflets and talking to the public about Edwards Syndrome. We also actively raise awareness through social media, regional press and television. Fundraising events – to raise funds to subsidise £100 towards non-invasive prenatal testing (for those that wish to opt for private screening in pregnancy) for women who have previously suffered a loss to Edwards Syndrome. We continue to support another charity – Baby Loss Awareness. We sought support for this from local organisations, who lit up pink and blue for the cause. Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>The main achievements of the charity for this year have been:</p> <ul style="list-style-type: none"> - We attended S4C's Dathlu Dewrder (celebrate courage) award ceremony, where we received an award. - We attended a local family fun day with a tombola stall. We had some wonderful donations from supporters and raised a lot of money and awareness – even spoke to our mayor about our charity and Edwards Syndrome! - We did our third Christmas memorial window display. - We continued to raise awareness via our social media pages. - We hosted our second charity football match, continuing to raise awareness of Edwards Syndrome and baby loss. It was a spectacular success and we were supported by some really generous local businesses. - October 2024 we held our first (post covid) Baby Loss Awareness Week Memorial Service at a local church. This service is beautiful and means so much to those that attend. - We did our sixth window display for Baby Loss Awareness week. This display provides comfort

		<p>and a safe space for those remembering their little ones, to do so without the stigma of babyloss.</p> <ul style="list-style-type: none"> - We continue to be present within the community by hosting and attending a number of events that allow us to continue to raise awareness of Edwards Syndrome.

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To preserve and protect the health of pregnant women who have previously suffered a loss to Edward's Syndrome, in particular but not exclusively by: Raising awareness of Edwards Syndrome (Trisomy 18) Providing a subsidy of £100 towards the NIPT blood test
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	Raising awareness – attend public events, handing out leaflets and talking to the public about Edwards Syndrome. We also actively raise awareness through social media, regional press and television. Fundraising events – to raise funds to subsidise £100 towards non-invasive prenatal testing (for those that wish to opt for private screening in pregnancy) for women who have previously suffered a loss to Edwards Syndrome. We continue to support another charity – Baby Loss Awareness. We sought support for this from local organisations, who lit up pink and blue for the cause. We also put together a baby loss memorial window display, offering those that have lost the chance to remember their little ones on our memorial tree.
