Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance such charitable purposes (according to the law of England & Wales) as the trustees see fit from time to time.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Beyond covering the cost of bank charges, no expenditure was incurred nor grants made during the reporting period. The trustees continue to be aware that, at some stage, they can expect to receive a legacy of a size which will represent a multiple of current resources, although by its nature the timing of this legacy remains uncertain. This will offer a much-increased future opportunity to provide ongoing public benefit. The trustees continue to have regard to the guidance issued by the Charity Commission with respect to public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The trustees' resources are now extremely modest, as a result of the award of donations during previous years.

Section E Financial review

Brief statement of the charity's policy on reserves

Whilst having no intention to retain monies for the sake of accumulating assets per se, the trustees continue to recognise that they need to manage current resources carefully, pending the receipt of expected further funds.
