## Section C

## Objectives and activities

**Summary of the objects of the charity set out in its governing document**

To advance such charitable purposes (according to the law of England & Wales) as the trustees see fit from time to time.

**Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)**

Expenditure during the year consisted of bank charges and a single grant to a charity which had previously been supported. To help to conserve resources in the short term, the trustees changed their bank to one which provides free banking to charities. It also provides more functional on-line banking facilities, making it easier to make on-line payments to beneficiaries. As highlighted last year, the trustees are aware that, at some stage, they can expect to receive a legacy of a size which will represent a multiple of current resources, although by its nature the timing of this legacy remains uncertain. This will offer a much-increased future opportunity to provide ongoing public benefit.

A successful application was made to HMRC during the year to allow the charity to receive Gift Aid payments in future. None has yet been received but this will offer the opportunity to allow future donors to provide this important additional benefit to the charity.

The trustees continue to have regard to the guidance issued by the Charity Commission with respect to public benefit.

**Additional details of objectives and activities (Optional information)**

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

**Summary of the main achievements of the charity during the year**

The trustees' resources are now even more modest than reported last year, as a result of the award of a grant during the year.

## Section E Financial review

### Brief statement of the charity's policy on reserves

Whilst having no intention to retain monies for the sake of accumulating assets per se, the trustees continue to recognise that they need to manage current resources carefully, pending the receipt of expected further funds. In the meantime, the trustees are very focused on minimising costs.

### Details of any funds materially in deficit

N/A
