

**1167873 MARSDEN PRESCHOOL PLAYGROUP & TODDLERS**

This charity number was registered but hasn't been used yet so I have filed nil annual returns with the intention of changing over from our current charity number 1023134 from 1/4/2022.

Due to changes in trustees over previous years I was unaware of this charity number being registered and no information was ever passed over to the accountants as such no dormant accounts have ever been produced.

I will be liaising with our accountants to make sure everything is done correctly moving forward
