## Evidence

You should use your supporting documents checklist as a guide to what documents you need to self-upload or take to your appointment.

You will be able to upload copies of your documents on our commercial partner's website, or you can take your documents to your biometrics appointment to be scanned and uploaded by our commercial partner for a fee.

**You do not need to send any physical documents to the Home Office or UK Visas & Immigration unless you are advised to do so.**

You have agreed to include the following documents in your application. Tick the box beside each document to confirm that you are providing it.

### Mandatory documents

☐ Proof of address

### Other documents

☐ Current document showing your right to stay in the UK

☐ Consent form for the Home Office to undertake checks on Mr Sarankumar Limbu

If you have received a new passport since your last leave to remain application, and your visa is in your old passport, you must include both passports.

If you do not provide any of these documents, we may not be able to make a decision on your application. Note that we may occasionally ask you to provide other documents in addition to those listed.

# UK Visas & Immigration

**Your application may be rejected if you do not provide all mandatory documents.** If your application is rejected due to documents not being provided, it will not be considered and an administration fee for each person included in the application will be deducted from your refund.

## Further actions

You have chosen the standard service. You must now book and attend an appointment with our commercial partner to provide your documents and your biometrics (fingerprints and facial photograph). You can do this by logging back in to your application via the link in your confirmation email and continuing to our commercial partner's website from there.

You should receive a decision on your application within 8 weeks of submitting your on-line application. We will contact you if it will take longer to process your application.
