TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2025

The Trustees present their annual report together with the financial statements of the charity for the 1 April 2024 to 31 March 2025.

Objectives and activities

● Policies and objectives

Our vision is simply to be people who are

- * **Conformed to Christ**
- * **Compelled by love**
- * **Changing our world**

Our mission is to reach and influence the world by making disciples, strengthening churches and empowering people to lead and impact in every sphere of life.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

● Strategies for achieving objectives

The Jubilee Equip for Life consists of various training modules such as Made in the Image of God, Foundational Doctrines, Financial Freedom, Church Government, Practical Ministry Training, and Leadership Training. The courses presented are designed to grow every Christian believer in their faith, prepare them for good works of service, strengthen their leadership skills, and connect them with church ministry or the marketplace. We aim to equip everyone in Jubilee Church for the building up of the local body, helping other churches, planting new churches, and to undertake both local and international missions. The Jubilee Church leadership also runs training and education courses that can benefit local communities.

● Activities undertaken to achieve objectives

Fun, family, making memories and walking on a life journey together are at the heart of Jubilee Church.

Meeting Together:

Sunday Celebration gatherings are for meeting together in a large group, with teaching, social interaction, corporate worship, prayer for international situations, and an opportunity to explore the bigger picture nationwide and globally.

Home Groups meet on evenings every one or two weeks to provide a smaller family feel environment allowing discussion and closer friendship. We also meet on weekends away, men's or women's groups, informal social gatherings, picnics, and beach days.

Providing connection and accessibility for those who cannot meet physically, we stream live online around the world and have free vodcasts and podcasts of the talks and sermons.

● Volunteers

The Trustees would like to thank all the volunteers for all their time, effort and financial resources that they have generously given to make this another successful year.

Achievements and performance

- **Review of activities**

Jubilee Church Celebrations

We have continued to see visitors on many Sundays throughout the year and continue to meet on afternoons at the Vine Church building in Boughton Lane, Loose. We have continued leadership meetings and the meeting of various smaller church groups in the Jubilee Resource Hub and Jubilee Offices.

Resources/Training Material

Jubilee Church's resources/training material continued to be available for individuals, churches and ministries, with the development of additional devotional study guides.

Habitation - Youth

Habitation's year round programme for young people aged between 11-18 years old continues to provide support and care for many teenagers. Meeting regularly throughout the school year, the youth groups provide a safe and fun environment for the young people. Young people have questions about the direction of their life and how they will achieve their dreams and aspirations. Habitation aims to give them skills necessary to succeed in their future life plans.

POD - Children

POD is the children's programme for children aged between 4 and 11 years old. It comprises two age groups: Sprout and Thrive. The aim of POD is for children to build and develop good friendships and to explore knowing God through prayer, friendship and reading the Bible. It also creates opportunities for children to live out their growing faith in a practical way.

Seedlings, a programme for children of four and under operates on Sunday afternoons during the afternoon celebration.

Sprout is provided for children in Reception to Year 3 and Thrive is for those in Year 4 to Year 6. We break into small groups based on age (Reception and Year 1; Year 2 and 3; Years 4, 5 and 6) to run activities linked to the teaching they have just heard. The leadership team for Sprout and Thrive consisted of seven small group leaders, two part time leaders, five adult helpers and three teenage helpers. We currently have five leaders and six teenage helpers. Teenagers are given the opportunity to plan activities and games alongside adults. This has provides a space where the helpers can grow in leadership and confidence, creativity and communication skills as they not only help, but lead with the support of adult leaders.

During Sunday meetings, children stay with the adults in the celebration for the first part of the morning before moving to the children's rooms for the second part.

Throughout the year we had an average of 20 children attending weekly and several visitors. Many of our children have graduated to join Habitation and returned to support as helpers.

POD Nativity - In December 2024, the Sprout and Thrive children presented a Christmas Nativity to the church with some children having acting and speaking roles.

POD Curriculum - The current curriculum in Sprout and Thrive has been helpful to the leaders as all the activities and teaching are provided, with adjustments needed according to the individual needs of our groups/children. The children have enjoyed the different themes, and the teaching and activity ideas have been engaging. We aim to teach on topics being taught in celebration on a level and in a way the children can engage with. Often, the POD team is able to take the children on the same journey as the adults, pitched at a

level they can understand.

Future plans:

- To grow and develop our current team of leaders and helpers so that they can take on different responsibilities across the programme.
- Increase opportunities for the children to serve or engage in the Sunday afternoon Celebrations with the adults.
- Curriculum centred around the 'Made In The Image of God' will undergo continuous development.
- To seek opportunities to provide equipping and training for Teenage helpers to grow in life, communication and leadership skills.

Jubilee Family Weekend Away

We returned to Ashburnham for a weekend in June 2024. Tony and Marilyn Fitzgerald, founders of Church of the Nations, were the keynote speakers. We baptised two adults in the lake as part of the weekend.

The Vine Church Building

The Trustees would like to thank the Trustees of the Vine Church for allowing us to continue to use their building and facilities throughout the year on Sunday afternoons at Boughton Lane, Loose.

Home Groups

Within Jubilee Church, home groups allow a weekly connection of members within a small group format. They can form closer friendships, care for each other's needs and enjoy life together. The home groups are grouped pastorally into two Clusters allowing pastoral oversight of the Church members. Home groups generally meet weekly or fortnightly on a Thursday evening, but also meet at other times to facilitate discipleship, deeper friendships, discussion of specific subjects, and encouragement between members.

The home groups and their leaders are served by a Home Group Leadership Team, providing help, support and encouragement, and carry out pastoral visits from time to time.

Worship Team

The worship team's aim is to lead the church in honouring Jesus in times of sung praise and worship. The Worship Team seeks to encourage the church members to enrich their relationship with God and help the church express their love for Him through music. The team meets once a week on a Monday evening to practise, learn new songs, help the team to connect, and also to encourage and pray for one another.

Production Team

The production team provides technical support to the church by providing sound and visual media support at Sunday Celebrations and other events during the year. The team also streams Sunday Celebrations and selected training days live to those who are unable to attend on Sunday as well as producing podcasts and overseeing the website.

Equipped for Life Centre

The Equipped for Life Centre team delivered a number of courses, including: bereavement, marriage enrichment, and emotional wellness.

Achievements and performance (continued)

Ceremonial Services

Throughout the year, Jubilee Church holds weddings, water baptisms, child dedications and funerals. These are mostly for people who are part of Jubilee Church but are available to non members too.

Inter Church Meetings

A number of the Jubilee Church leaders attend the Maidstone Church Leaders Breakfasts held each month at different locations around the town. From time to time we join with other churches to meet together, run events for the town, or take part in community support work.

Restoring Hands

We support Restoring Hands, a UK registered Charity, financially, in contribution of resources, and pastorally. Restoring Hands' management team and the majority of their volunteers are part of Jubilee Church. Some of their charitable objectives are similar to our own in helping people in need of relief and we therefore, want to support their work in the community of Maidstone and surrounding areas where we can. A major activity of Restoring Hands this year was the Starkids campaign, providing Christmas gifts to children locally in Maidstone, and internationally in Reni (Ukraine), and the provision of Christmas hampers to families in the Maidstone area.

A team of volunteers operated from an office in Jubilee Resource Hub and met regularly with the Jubilee Church leaders to coordinate the work into the Maidstone communities.

Jubilee Primary School

Jubilee Church supports Jubilee Primary School (JPS), a free school based in Maidstone in a number of ways including providing three of the Trust Members and a number of the Governors. We provide volunteers who run weekly assemblies, and help with school trips. Jubilee Church also provides pastoral support for the senior staff. This is also available for families whose children attend JPS, if required.

Acts Life Cluster

Although a separate charity, Jubilee Church donates a monthly contribution to facilitate the continued training and equipping of churches in the UK, in addition to churches in Jamaica, South Africa, Ukraine, and Sri Lanka. Jubilee Church provides experienced leaders who travel on invitation to these local and international churches.

Jubilee Resource Hub

2024 saw a huge change as we sold the offices in Ashford Road, Maidstone in preparation for the building of a new Resource Hub facility in Parkwood, Maidstone.

Parkwood Community Centre

The Charity is working closely with the Trustees of the Jubilee Resource Hub (Charity No.1115331) on the development of the new community facility being built at Parkwood. Jubilee Church expects to use the main auditorium of the new build and facilities for Sunday Celebrations, activities for children and young-people as well as community outreach. The Charity has financially supported the development of the new facility from excess funds during the year in accordance with reserves policy. The foundations were laid in July 2024 and the building should be completed by the Summer of 2025.

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Achievements and performance (continued)

- **Fundraising activities and income generation**

As part of the vision of Jubilee Church to train and be a resource to other churches, various books, and online resources were produced, some of which generated income.

Financial review

- **Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

- **Reserves policy**

The Trustees closely monitor the level of free reserves available to ensure there is sufficient financial flexibility in place. The Trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. At the year end, the unrestricted funds equated to five months of unrestricted charitable expenditure, excluding discretionary grants.

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to support the current level of expenditure and to continue in operational existence for the foreseeable future.

- **Principal funding**

The primary source of income remains tithes and offerings from the local congregation.

Structure, governance and management

- **Constitution**

Jubilee Church Maidstone became a registered charity (number 1168027) on 5 July 2016 and is constituted under a Charitable Incorporated Organisation - Foundation whose only voting members are its charity trustees.

The principal object of the charity is (a) the advancement of the Christian faith, (b) the relief of persons who are in conditions of need, hardship or distress or who are aged or sick, (c) the advancement of education on the basis of Christian principles; principally in the vicinity of Kent, but extending to national and international where deemed necessary by the trustees.

There have been no changes in the objectives since the last annual report.

- **Methods of appointment or election of Trustees**

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Charitable Incorporated Organisation - Foundation.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Structure, governance and management (continued)

● Organisational structure and decision-making policies

The Trustees are responsible for the governance and oversight of the Charity working closely with the Jubilee Church Eldership. The Trustees meet regularly throughout the year to review progress, make strategic decisions as to the operation of the Charity in line with its policies and objectives and also to ensure robust governance of the Charity's resources. Trustees are drawn from the Jubilee Eldership and wider leadership of Jubilee Church.

● Related party relationships

Darren Eagles is trustee of Jubilee Church Maidstone and also serves as trustee for Acts Life Cluster (charity registration no 1098683), Jubilee Family Life Centre (charity no 1099579) and Willington Court Ltd (charity no 1105335). Appropriate conflict of interest policies have been implemented and details of transactions between related parties has been disclosed in the notes. The ability for these charities to work together has been mutually beneficial and the Trustees are expecting further significant mutual benefit for the future.

Darren Eagles is a trustee of the charity and also provides design and artwork services to the charity on a reduced fee basis.

● Financial risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks. This includes a regular/annual review of all risks to which the charity is exposed and the establishment of policies and procedures to mitigate the risk, including the sourcing of a comprehensive insurance policy.

The Trustees commissioned in February 2023, a detailed review of the Internal Financial Control arrangements of the Charity in accordance with Charities Commission Guidance (CC8). This was partially completed at the end of the reporting period. Minor improvements were identified but no material issues were found. The balance of the review will be completed during the next reporting period.

Plans for future periods

From October 2023, the church rented an office from Willington Court Limited (charity registration no 1105335) based in Willington Street, Maidstone

Jubilee Resource Hub laid the foundations in July 2024 for the new development on a site in Parkwood, Maidstone. This site will house a new large seated auditorium that can be used for events, meetings and conferences; a conference facility to provide meeting and lecture space; offices and community space for various charities to help facilitate local charitable objectives. It is intended that Jubilee Church will move into this new facility in Q4 2025.

Members' liability

If the charity is wound up, the members of the charity have no liability to contribute to its assets and no personal responsibility for settling its debts and liabilities.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2025

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Charitable Incorporated Organisation - Foundation. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

JUBILEE CHURCH MAIDSTONE

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2025

Independent examiner's report to the Trustees of Jubilee Church Maidstone ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2025.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Association of Chartered Certified Accountants, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

Signed:

JUBILEE CHURCH MAIDSTONE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

1. General information

Jubilee Church Maidstone was setup and registered with the Charity Commission for England and Wales on 5 July 2016 (charity number 1168027) as a Charitable Incorporated Organisation (CIO) using the Foundation Model constitution whose only voting members are its charity trustees. The registered address is 28 Harrow Way, Maidstone, Kent, ME14 5TU.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Jubilee Church Maidstone meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2025

2. Accounting policies (continued)

2.3 Expenditure (continued)

basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities upon the completion of the relevant performance-related conditions. Other grants that are not subject to performance-related conditions are credited to the Statement of financial activities as the grant proceeds are received. Grants received prior to the revenue recognition criteria being satisfied are recognised as a liability.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.7 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

2. Accounting policies (continued)

2.8 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.9 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.10 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.11 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2024

The Trustees present their annual report together with the financial statements of the charity for the 1 April 2023 to 31 March 2024.

Objectives and activities

● Policies and objectives

Our vision is simply to be people who are

- * **Conformed to Christ**
- * **Compelled by love**
- * **Changing our world**

Our mission is to reach and influence the world by making disciples, strengthening churches and empowering people to lead and impact in every sphere of life.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

● Strategies for achieving objectives

The Jubilee Equip for Life consists of various training modules such as Made in the Image of God, Foundational Doctrines, Financial Freedom, Church Government, Practical Ministry Training, and Leadership Training. The courses presented are designed to grow every Christian believer in their faith, prepare them for good works of service, develop their leadership skills, and release them to fulfil their purpose. We aim to equip everyone in Jubilee Church for the building up of the local body, helping other churches, planting new churches, and to undertake both local and international missions. The Jubilee Church leadership also runs training and education courses that can benefit local communities.

● Activities undertaken to achieve objectives

Fun, family, making memories and walking on a life journey together are at the heart of Jubilee Church.

Meeting Together:

Sunday Celebration gatherings are for meeting together in a large group, with teaching, social interaction, corporate worship, prayer for international situations, and an opportunity to explore the bigger picture nationwide and globally.

Home Groups meet on evenings every one or two weeks to provide a smaller family feel environment allowing discussion and closer friendship. We love to enjoy the richness and variety of our extended church family, spending time together at various events, including Church weekends away, men's or women's groups, informal social gatherings, picnics, and beach days.

Providing connection and accessibility for those who cannot meet physically, we stream live online around the world and have free vodcasts and podcasts of the talks and sermons.

● Volunteers

The Trustees would like to thank all the volunteers for all their time, effort and financial resources that they have generously given to make this another successful year.

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Achievements and performance

● Review of activities

Jubilee Church Celebrations

We have continued to see visitors on many Sundays throughout the year and continue to meet on afternoons at the Vine Church building in Boughton Lane, Loose. We have continued leadership meetings and the meeting of various smaller church groups in the Jubilee Resource Hub and Jubilee Offices.

Resources/Training Material

Jubilee Church's resources/training material continued to be available for individuals, churches and ministries, with the development of additional devotional study guides.

Habitation - Youth

Habitation's year round programme for young people aged between 11 18 years old continues to provide support and care for many teenagers. Meeting regularly throughout the school year, the youth groups provide a safe and fun environment for the young people. Young people have questions about the direction of their life and how they will achieve their dreams and aspirations. Habitation aims to give them skills necessary to succeed in their aspirations.

POD - Children

POD is the children's programme for children aged between 4 and 11 years old. It comprises two age groups: Sprout and Thrive. The aim of POD is for children to build and develop good friendships and to explore knowing God through prayer, friendship and reading the Bible. It also creates opportunities for children to live out their growing faith in a practical way.

Seedlings, a programme we previously ran for children of four and under, restarted during the second half of this year.

Sprout is provided for children in Reception to Year 3 and Thrive is for those in Year 4 to Year 6. Due to the increase in size of the group over the last year, we have returned to running two separate groups. We aim to have a variety of activities that would engage both the younger and older children in the group. We then break into small groups based on age (Reception and Year 1; Year 2 and 3; Years 4, 5 and 6) to run activities linked to the teaching they have just heard. The leadership team for Sprout and Thrive consisted of seven small group leaders, two part time leaders, five adult helpers and three teenage helpers. We currently have five leaders and six teenage helpers. Our teenagers have shown great interest in helping their younger generation learn and grow in faith. Teenagers are given the opportunity to plan activities and games alongside adults. This has grown into a space where the helpers can grow in leadership and confidence, creativity and communication skills as they not only help, but lead with the support of adult leaders.

During Sunday meetings, children stay with the adults in the celebration for the first part of the morning before moving to the children's rooms for the second part.

Throughout the year we had an average of 20 children attending weekly and several visitors. Many of our children have graduated to join Habitation and returned to support as helpers.

POD Nativity - In December 2023, the Sprout and Thrive children presented a Christmas Nativity to the church with some children having acting and speaking roles.

POD Curriculum - The new curriculum in Sprout and Thrive has been really helpful to the leaders as all the activities and teaching are provided. We only need to make adjustments according to the individual needs

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Achievements and performance (continued)

of our groups/children. The children have enjoyed the different themes, and the teaching and activity ideas have been engaging. We do not make use of a set curriculum, but rather try to include themes that closely match the theme of Jubilee as a larger body. We aim to teach on topics being taught in celebration on a level and in a way the children can engage with. Therefore, the POD team's aim is to take the children on the same journey as the adults, in a way they can understand. We believe that we are One body under One head and our precious children form part of that too. It has been very beneficial to leaders and helpers to seek God for the message on His heart and express their personal gifts in the planning process.

Future plans:

- To grow and develop our current team of leaders and helpers so that they can take on different responsibilities across the programme.
- Increase opportunities for the children to serve or engage in the Sunday afternoon Celebrations with the adults.

Curriculum centred around the 'Made In The Image of God' will undergo continuous development. We have looked extensively at IDENTITY and WORSHIP, following discussions and research by Neil and the Operations Team. It is important for us to raise up a generation secure in their identity and who can articulate a Christian worldview in a world of diverse opinions and philosophy.

To seek opportunities to provide equipping and training for Teenage helpers to grow in life, communication and leadership skills.

Jubilee Family Weekend Away

Following the success of the weekend away at Ashburnham Place in Summer 2022, we will return for a similar weekend in June 2024. Booking has opened we are looking forward to our time with Dave & Carol Cape, the leaders of the Acts Life Cluster.

The Vine Church Building

The Trustees would like to thank the Trustees of the Vine Church for allowing us to continue to use their building and facilities throughout the year on Sunday afternoons at Boughton Lane, Loose.

Home Groups

Within Jubilee Church, home groups allow a weekly connection of members within a small group format. They can form closer friendships, care for each other's needs and enjoy life together. The home groups are grouped pastorally into two Clusters allowing pastoral oversight of the Church members. Home groups generally meet weekly or fortnightly on a Thursday evening, but also meet at other times to facilitate discipleship, deeper friendships, discussion of specific subjects, and encouragement between members. Group meet in homes across the Maidstone area including some of the surrounding villages.

The home groups and their leaders are served by a Cluster Oversight Team of three couples who provide help, support and encouragement, and carry out visits from time to time.

Worship Team

The worship team's aim is to lead the church in honouring Jesus in times of sung praise and worship. The Worship Team seeks to encourage the church members to enrich their relationship with God and help the church express their love for Him through music. The team meets once a week on a Monday evening to practise, to learn new songs, to help the team to connect and also to encourage and pray for one another.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

Achievements and performance (continued)

Production Team

The production team provides technical support to the church by providing sound and visual media support at Sunday Celebrations and other events during the year. The team also streams Sunday Celebrations and selected training days live to those who are unable to attend on Sunday as well as producing podcasts and overseeing the website.

Equipped for Life Centre

The Equipped for Life Centre team have focused on developing the community programme for 2023/24. They will be providing a wide range of courses for the local community and schools including parenting, bereavement, marriage enrichment, emotional wellness, and Alpha courses.

Ceremonial Services

Throughout the year, Jubilee Church holds weddings, water baptisms, child dedications and funerals. These are mostly for people who are part of Jubilee Church but are available to non members too.

Inter Church Meetings

A number of the Jubilee Church leaders attend the Maidstone Church Leaders Breakfasts held each month at different locations around the town. From time to time we join with other churches to meet together, run events for the town, or take part in community support work.

Restoring Hands

We support Restoring Hands, a registered UK Charity, financially, in contribution of resources, and pastorally. Restoring Hands' management team and the majority of their volunteers are part of Jubilee Church. Some of their charitable objectives are similar to our own in helping people in need of relief and we therefore, want to support their work in the community of Maidstone and surrounding areas where we can. A major activity of Restoring Hands this year was the Starkids campaign, providing Christmas gifts to children locally in Maidstone, and internationally in Reni (Ukraine), and the provision of Christmas hampers to families in the Maidstone area.

A team of volunteers operated from an office in Jubilee Resource Hub and met regularly with the Jubilee Church leaders to coordinate the work into the Maidstone communities.

Jubilee Primary School

Jubilee Church supports Jubilee Primary School (JPS), a free school based in Maidstone in a number of ways including providing three of the Trust Members and a number of the Governors. We provide volunteers who run weekly assemblies, and help with school trips. Jubilee Church also provides pastoral support for the senior staff. This is also available for families whose children attend JPS, if required.

Acts Life Cluster

Although a separate charity, Jubilee Church donates a monthly contribution to facilitate the continued training and equipping of churches in the UK, in addition to churches in Jamaica, South Africa, Ukraine, and Sri Lanka. Jubilee Church provides experienced leaders who travel on invitation to these local and international churches.

Jubilee Resource Hub

The charity continues to operate from the Jubilee Resource Hub Charity Centre in Maidstone where charities can work together to aid transformation and regeneration of local communities in the Maidstone area, with an

aim to bring significant change and improvement to the lives of others. Having the charities housed on one site not only enables them to share valuable knowledge and experience but to coordinate their practical outworking creating a far greater impact into our immediate community. They are also able to share resources such as utilities, parking, reception, meeting rooms, photocopying and printing to help keep their running costs as low as possible.

Parkwood Community Centre

The Charity is working closely with the Trustees of the Jubilee Resource Hub (Charity No. 1115331) on the development of the new community facility being built at Parkwood. Jubilee Church expects to use the main auditorium of the new build and facilities for Sunday Celebrations, activities for children and young-people as well as community outreach. The Charity has financially supported the development of the new facility from excess funds during the year in accordance with reserves policy. We expect to complete the new building in Summer of 2025.

● **Fundraising activities and income generation**

As part of the vision of Jubilee Church to train and be a resource to other churches, various books, and online resources were produced, some of which generated income.

Financial review

● **Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

● **Reserves policy**

The Trustees closely monitor the level of free reserves available to ensure there is sufficient financial flexibility in place. The Trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. At the year end, the unrestricted funds equated to five months of unrestricted charitable expenditure, excluding discretionary grants.

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to support the current level of expenditure and to continue in operational existence for the foreseeable future.

● **Principal funding**

The primary source of income remains tithes and offerings from the local congregation.

Structure, governance and management

● **Constitution**

Jubilee Church Maidstone became a registered charity (number 1168027) on 5 July 2016 and is constituted under a Charitable Incorporated Organisation - Foundation whose only voting members are its charity trustees.

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2024

There have been no changes in the objectives since the last annual report.

• Methods of appointment or election of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Charitable Incorporated Organisation - Foundation.

• Organisational structure and decision-making policies

The Trustees are responsible for the governance and oversight of the Charity working closely with the Jubilee Church Eldership. The Trustees meet regularly throughout the year to review progress, make strategic decisions as to the operation of the Charity in line with its policies and objectives and also to ensure robust governance of the Charity's resources. Trustees are drawn from the Jubilee Eldership and wider leadership of Jubilee Church.

• Related party relationships

Darren Eagles is trustee of Jubilee Church Maidstone and also serves as trustee for Acts Life Cluster (charity registration no 1098683), Jubilee Family Life Centre (charity no 1099579) and Willington Court Ltd (charity no 1105335). The ability for these charities to work together has been mutually beneficial and the Trustees are expecting further significant mutual benefit for the future.

Darren Eagles is a trustee of the charity and also provides design and artwork services to the charity on a reduced fee basis.

• Financial risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks. This includes a regular/annual review of all risks to which the charity is exposed and the establishment of policies and procedures to mitigate the risk, including the sourcing of a comprehensive insurance policy.

The Trustees commissioned in February 2023, a detailed review of the Internal Financial Control arrangements of the Charity in accordance with Charities Commission Guidance (CC8). This was partially completed at the end of the reporting period. Minor improvements were identified but no material issues were found. The balance of the review will be completed during the next reporting period.

JUBILEE CHURCH MAIDSTONE

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2024

Independent examiner's report to the Trustees of Jubilee Church Maidstone ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2024.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Association of Chartered Certified Accountants, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

Signed:

Dated: 16 November 2024

JUBILEE CHURCH MAIDSTONE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

1. General information

Jubilee Church Maidstone was setup and registered with the Charity Commission for England and Wales on 5 July 2016 (charity number 1168027) as a Charitable Incorporated Organisation (CIO) using the Foundation Model constitution whose only voting members are its charity trustees. The registered address is 28 Harrow Way, Maidstone, Kent, ME14 5TU (previously 9 Ashford Road, Maidstone, Kent, ME14 5BJ).

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Jubilee Church Maidstone meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.3 Expenditure (continued)

activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of financial activities as the related expenditure is incurred.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £250 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Plant and machinery	- 25% Straight line
Computer equipment	- 25% Straight line

2.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2024

2. Accounting policies (continued)

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.10 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

With the vision to build an auditorium in Parkwood, any surpluses in unrestricted funds, after settings aside sufficient reserves, have been allocated and transferred to the Parkwood building project as a grant to Jubilee Resource Hub.

The donation to Acts Life Cluster is in keeping with biblical principles that we as Jubilee Church Maidstone donate our tithe being 10% of our regular unrestricted income and, since we encourage church members to practise tithing in a systematic and planned way, it is right that as a corporate body, Jubilee Church Maidstone should do the same.

The donation to Willington Court Ltd was for the use and maintenance of the Woodlands which were used during the year.

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2023

The Trustees present their annual report together with the financial statements of the charity for the 1 April 2022 to 31 March 2023.

Objectives and activities

● Policies and objectives

Our vision is simply to be people who are

- * **Conformed to Christ**
- * **Compelled by love**
- * **Changing our world**

Our mission is to reach and influence the world by making disciples, strengthening churches and empowering people to lead and impact in every sphere of life.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

● Strategies for achieving objectives

The Jubilee Equip for Life consists of various training modules such as Foundational Doctrines, Financial Freedom, Church Government, Practical Ministry Training and a Leadership Training. The courses presented are designed to grow every believer in their faith, prepare them for good works of service, develop their leadership skills and release them to fulfil their specific destiny. We aim to equip everyone in Jubilee Church for the building up of the local body, helping other churches, planting new churches, and to go on mission, both locally and internationally. The Jubilee Church leadership is also actively planning for training and education courses that can benefit local communities.

● Activities undertaken to achieve objectives

Fun, family, making memories and walking on a life journey together are at the heart of Jubilee Church.

Meeting Together:

Sunday Celebration means meeting together in a large group, with corporate worship and an opportunity to explore the bigger picture.

Home Groups meeting one evening each week provide a smaller family-feel environment allowing discussion and closer friendship. We love to enjoy the richness and variety of our extended family and spend time together at various events, ranging from Church weekends away, to men's or women's groups, informal social gatherings, to picnics and beach days.

If you can't make it one afternoon, we broadcast live online around the world and have free vodcasts and podcasts of the talks and sermons.

● Volunteers

The Trustees would like to thank all the volunteers for all their time, effort and financial resources that they have generously given to make this another successful year.

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2023

Achievements and performance

● Review of activities

Jubilee Church Celebrations

We have continued to see visitors on many Sundays throughout the year and continue to meet on afternoons at the Vine Church building in Boughton Lane, Loose. We have continued leadership meetings and the meeting of various smaller church groups in the Jubilee Resource Hub and Jubilee Offices.

Resources/Training Material

Jubilee Church's resources/training material continued to be available for individuals, churches and ministries, with the development of additional devotional study guides.

Habitation - Youth

Habitation's year round programme for young people aged between 11-18 years old continues to provide support and care for many teenagers. Meeting regularly throughout the school year, the youth groups provide a safe and fun environment for the young people. Young people have questions about the direction of their life and how they will achieve their dreams and aspirations. Habitation aims to give them skills necessary to succeed in their aspirations.

POD - Children

POD is the children's programme for children aged between 4 and 11 years old. It comprises two age groups: Sprout and Thrive. The aim of POD is for children to build and develop good friendships and to explore knowing God through prayer, friendship and reading the Bible. It also creates opportunities for children to live out their growing faith in a practical way.

Seedlings, a programme we previously ran for children of four and under, has not restarted yet.

Sprout is provided for children in Reception to Year 3 and Thrive is for those in Year 4 to Year 6. Due to the small size of the group over the last year, we have stayed together as one group. We aim to have a variety of activities that would engage both the younger and older children in the group. We then break into small groups based on age (Reception and Year 1; Year 2 and 3; Years 4, 5 and 6) to run activities linked to the teaching they have just heard. The leadership team for Sprout and Thrive consisted of seven small group leaders, two part time leaders, five adult helpers and three teenage helpers. We currently have five leaders and eight teenage helpers. Our teenagers have shown great interest in helping their younger generation learn and grow in faith. Teenagers are given the opportunity to plan activities and games alongside adults. This has grown into a space where the helpers can grow in leadership and confidence, creativity and communication skills as they not only help, but lead with the support of adult leaders.

During Sunday meetings, children stay with the adults in the celebration for the first part of the morning before moving to the children's rooms for the second part.

Throughout the year we had an average of 30 children attending weekly and several visitors throughout the year. An average of 5-15 attend weekly (attendance remains unpredictable, with only a small group of children attending regularly). Many of our children have graduated to join Habitation and returned to support as helpers.

POD Nativity In December 2022, the Sprout and Thrive children presented a Christmas Nativity to the church with some children had acting and speaking roles.

POD Curriculum The new curriculum in Sprout and Thrive has been really helpful to the leaders as all the activities and teaching are provided. We only need to make adjustments according to the individual needs

Achievements and performance (continued)

of our groups/children. The children have enjoyed the different themes, and the teaching and activity ideas have been engaging. We do not make use of a set curriculum, but rather try to include themes that closely match the theme of Jubilee as a larger body. We aim to teach on topics being taught in celebration on a level and in a way the children can engage with. Therefore, the POD team's aim is to take the children on the same journey as the adults, in a way they can understand. We believe that we are One body under One head and our precious children form part of that too. It has been very beneficial to leaders and helpers to seek God for the message on His heart and express their personal gifts in the planning process.

Future plans:

- To grow and develop our current team of leaders and helpers so that they can take on different responsibilities across the programme.
- Increase opportunities for the children to serve or engage in the Sunday afternoon Celebrations with the adults.
- Curriculum centered around the 'Made In The Image of God' will undergo continuous development. We have looked extensively at IDENTITY and WORSHIP, following discussions and research by Neil Pattison and the OPS Team. It is important for us to raise up a generation secure in their identity and who know the truth in a world of diverse opinions and philosophy.
- To seek opportunities to provide equipping and training for Teenage helpers to grow in life, communication and leadership skills.

Jubilee Family Weekend Away

Following the success of the weekend away at Ashburnham Place in Summer 2022 planning has started on a follow-up event at Ashburnham in June 2024. Booking has opened we are looking forward to our time with Dave & Carol Cape, the leaders of the Acts Life Cluster

The Vine Church Building

The Trustees would like to thank the trustees of the Vine Church for allowing us to continue to use their building and facilities throughout the year on Sunday afternoons at Boughton Lane, Loose.

Home Groups

Within Jubilee Church, home groups allow a weekly connection of members within a small group format. They can form closer friendships, care for each other's needs and enjoy life together. The home groups are grouped pastorally into two Clusters allowing pastoral oversight of the Church members. Home groups generally meet weekly or fortnightly on a Thursday evening, but also meet at other times to facilitate discipleship, deeper friendships, discussion of specific subjects, and encouragement between members. Group meet in homes across the Maidstone area including some of the surrounding villages.

The home groups and their leaders are served by a Cluster Oversight Team of three couples who provide help, support and encouragement, and carry out visits from time to time

Worship Team

The worship team's aim is to lead the church in honouring Jesus in times of sung praise and worship. The Worship Team seeks to encourage the church members to enrich their relationship with God and help the church express their love for Him through music. The team meets once a week on a Monday evening to practise, to learn new songs, to help the team to connect and also to encourage and pray for one another.

Achievements and performance (continued)

Media Team

The media team provides technical support to the church by providing sound and visual media support at Sunday Celebration and also events during the year. The team also broadcasts Sunday Celebrations live to those who are unable to attend on Sunday as well as producing podcasts and overseeing the website.

Equipped for Life Centre

The Equipped for Life Centre team have focused on developing the community programme for 2023/24. They will be providing a wide range of courses for the local community and schools covering parenting (Summer Term), bereavement, marriage enrichment and Alpha (November 2023).

Ceremonial Services

Throughout the year, Jubilee Church holds weddings, water baptisms, child dedications and funerals. These are mostly for people who are part of Jubilee Church but are available to non-members too.

Inter Church Meetings

A number of the Jubilee Church leaders attend the Maidstone Church Leaders Breakfasts held each month at different locations around the town. From time to time we join with other churches to meet together, run events for the town, or take part in community support work.

Restoring Hands

We support Restoring Hands, a registered UK Charity, financially, in contribution of resources, and pastorally. Restoring Hands' management team and the majority of their volunteers are part of Jubilee Church. Some of their charitable objectives are similar to our own in helping people in need of relief and we therefore, want to support their work in the community of Maidstone and surrounding areas where we can. A major activity of Restoring Hands this year was the Starkids campaign, providing Christmas gifts to children locally in Maidstone, and internationally in Reni (Ukraine), and the provision of Christmas hampers to families in the Maidstone area.

A team of volunteers operated from an office in Jubilee Resource Hub and met regularly with the Jubilee Church leaders to coordinate the work into the Maidstone communities.

Jubilee Primary School

Jubilee Church supports Jubilee Primary School (JPS), a free school based in Maidstone in a number of ways including providing three of the Trust Members and a number of the Governors. We provide volunteers who run weekly assemblies, and help with school trips. Jubilee Church also provides pastoral support for the senior staff. This is also available for families whose children attend JPS, if required

Acts Life Cluster

Although a separate charity, Jubilee Church donates a monthly contribution to facilitate the continued training and equipping of churches in the UK, in addition to churches in Jamaica, South Africa and Sri Lanka. Jubilee Church provides experienced leaders who travel on invitation to these local and international churches.

Jubilee Resource Hub

The charity continues to operate from the Jubilee Resource Hub Charity Centre in Maidstone where charities can work together to aid transformation and regeneration of local communities in the Maidstone area, with an aim to bring significant change and improvement to the lives of others. Having the charities housed on one site

not only enables them to share valuable knowledge and experience but to coordinate their practical outworking creating a far greater impact into our immediate community. They are also able to share resources such as utilities, parking, reception, meeting rooms, photocopying and printing to help keep their running costs as low as possible.

Parkwood Community Centre

The Charity is working closely with the Trustees of the Jubilee Resource Hub (Charity No.1115331) on the development of the new community facility being built at Parkwood. Jubilee Church expects to use the main auditorium of the new build and facilities for Sunday Celebrations, activities for children and young-people as well as community outreach. The Charity has financially supported the development of the new facility from excess funds during the year in accordance with reserves policy.

● **Fundraising activities and income generation**

As part of the vision of Jubilee Church to train and be a resource to other churches, various books, and online resources were produced, some of which generated income.

Financial review

● **Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

● **Reserves policy**

The Trustees closely monitor the level of free reserves available to ensure there is sufficient financial flexibility in place. The Trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure. At the year end, the unrestricted funds equated to five months of unrestricted charitable expenditure, excluding discretionary grants.

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to support the current level of expenditure and to continue in operational existence for the foreseeable future.

● **Principal funding**

The primary source of income remains tithes and offerings from the local congregation.

Structure, governance and management

● **Constitution**

Jubilee Church Maidstone became a registered charity (number 1168027) on 5 July 2016 and is constituted under a Charitable Incorporated Organisation - Foundation whose only voting members are its charity trustees.

The principal object of the charity is (a) the advancement of the Christian faith, (b) the relief of persons who are

Structure, governance and management (continued)

in conditions of need, hardship or distress or who are aged or sick, (c) the advancement of education on the basis of Christian principles; principally in the vicinity of Kent, but extending to national and international where deemed necessary by the trustees.

There have been no changes in the objectives since the last annual report.

• Methods of appointment or election of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Charitable Incorporated Organisation - Foundation.

During the year, there was a change of Trustees following the resignation of Mr Dan Maudhub. The Trustees thank Mr Maudhub for his contribution during the year to the operation of the Charity. Mr Paul Darling was appointed from December 2022, from outside of the Jubilee Eldership, to broaden the Trustee membership.

• Organisational structure and decision-making policies

The Trustees are responsible for the governance and oversight of the Charity working closely with the Jubilee Church Eldership. The Trustees meet regularly throughout the year to review progress, make strategic decisions as to the operation of the Charity in line with its policies and objectives and also to ensure robust governance of the Charity's resources. Trustees are drawn from the Jubilee Eldership and wider leadership of Jubilee Church.

• Related party relationships

Darren Eagles is trustee of Jubilee Church Maidstone and also serves as trustee for Acts Life Cluster (charity registration no 1098683), Jubilee Family Life Centre (charity no 1099579) and Willington Court Ltd (charity no 1105335). Appropriate conflict of interest policies have been implemented and details of transactions between related parties has been disclosed in the notes. The ability for these charities to work together has been mutually beneficial and the Trustees are expecting further significant mutual benefit for the future.

Darren Eagles is a trustee of the charity and also provides design and artwork services to the charity on a reduced fee basis.

• Financial risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks. This includes a regular/annual review of all risks to which the charity is exposed and the establishment of policies and procedures to mitigate the risk, including the sourcing of a comprehensive insurance policy.

The Trustees commissioned in February 2023, a detailed review of the Internal Financial Control arrangements of the Charity in accordance with Charities Commission Guidance (CC8). This was partially completed at the end of the reporting period. Minor improvements were identified but no material issues were found. The balance of the review will be completed during the next reporting period.

Plans for future periods

Jubilee Church offices and small meeting rooms continued to be rented from the Jubilee Resource Hub (charity registration no 1115331) based in Ashford Road, Maidstone.

Jubilee Resource Hub continue to go through the process of planning and renovating property on a site in Parkwood, Maidstone. This site will house a new large seated auditorium that can be used for events, meetings and conferences; a conference facility to provide meeting and lecture space; offices and community space for various charities to help facilitate local charitable objectives. It is intended that Jubilee Church will move into this new facility in 2025.

Members' liability

If the charity is wound up, the members of the charity have no liability to contribute to its assets and no personal responsibility for settling its debts and liabilities.

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Charitable Incorporated Organisation - Foundation. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

JUBILEE CHURCH MAIDSTONE

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2023

Independent examiner's report to the Trustees of Jubilee Church Maidstone ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2023.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Institute of Chartered Accountants of Scotland, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

JUBILEE CHURCH MAIDSTONE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

1. General information

Jubilee Church Maidstone was setup and registered with the Charity Commission for England and Wales on 5 July 2016 (charity number 1168027) as a Charitable Incorporated Organisation (CIO) using the Foundation Model constitution whose only voting members are its charity trustees. The registered address is 28 Harrow Way, Maidstone, Kent, ME14 5TU (previously 9 Ashford Road, Maidstone, Kent, ME14 5BJ).

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Jubilee Church Maidstone meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those

JUBILEE CHURCH MAIDSTONE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2023

2. Accounting policies (continued)

2.3 Expenditure (continued)

activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of financial activities as the related expenditure is incurred.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £250 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Plant and machinery	- 25% Straight line
Computer equipment	- 25% Straight line

2.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2023

2. Accounting policies (continued)

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.10 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

With the vision to build an auditorium in Parkwood, any surpluses in unrestricted funds, after settings aside sufficient reserves, have been allocated and transferred to the Parkwood building project as a grant to Jubilee Resource Hub.

The donation to Acts Life Cluster is in keeping with biblical principles that we as Jubilee Church Maidstone donate our tithe being 10% of our regular unrestricted income and, since we encourage church members to practise tithing in a systematic and planned way, it is right that as a corporate body, Jubilee Church Maidstone should do the same.

The donation to Willington Court Ltd was for the use and maintenance of the Woodlands which were used during the year.

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2022

The Trustees present their annual report together with the financial statements of the charity for the 1 April 2021 to 31 March 2022.

Objectives and activities

● Policies and objectives

Our vision is simply to be people who are

- * **Conformed to Christ**
- * **Compelled by love**
- * **Changing our world**

Our mission is to reach and influence the world by making disciples, strengthening churches and empowering people to lead and impact in every sphere of life.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

● Strategies for achieving objectives

The Jubilee Equip for Life consists of various training modules such as Foundational Doctrines, Financial Freedom, Church Government, Practical Ministry Training and a Leadership Training. The courses presented are designed to grow every believer in their faith, prepare them for good works of service, develop their leadership skills and release them to fulfil their specific destiny. We aim to equip everyone in Jubilee Church for the building up of the local body, helping other churches, planting new churches, and to go on mission, both locally and internationally. The Jubilee Church leadership is also actively planning for training and education courses that can benefit local communities.

● Activities undertaken to achieve objectives

Fun, family, making memories and walking on a life journey together are at the heart of Jubilee Church.

Meeting Together:

Sunday Celebration means meeting together in a large group, with corporate worship and an opportunity to explore the bigger picture.

Home Groups meeting one evening each week provide a smaller family-feel environment allowing discussion and closer friendship. We love to enjoy the richness and variety of our extended family and spend time together at various events, ranging from Church weekends away, to men's or women's groups, informal social gatherings, to picnics and beach days.

If you can't make it one afternoon, we broadcast live online around the world and have free vodcasts and podcasts of the talks and sermons.

● Volunteers

The Trustees would like to thank all the volunteers for all their time, effort and financial resources that they have generously given to make this another successful year.

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

Achievements and performance

● Review of activities

The year ending March 2022 has seen the resumption of our normal activities with the lifting of Covid-19 restrictions.

We have continued to see visitors on many Sundays throughout the year and we have restarted meeting in person from September 2021 on afternoons at the Vine Church building in Boughton Lane, Loose. We have also resumed leadership meetings and the meeting of various smaller church groups in our two buildings, Jubilee Resource Hub and Jubilee Offices.

Resources/Training Material

Jubilee Church's resources/training material continued to be available for individuals, churches and ministries, with the development of additional devotional study guides.

Habitation

Habitation's year-round programme for young people aged between 11-18 years old continues to provide support and care for many teenagers. Meeting regularly throughout the school year at the new venue of the Vine Chapel in Loose Village, the youth groups provide a safe and fun environment for the young people. Habitation continues to allow positive input into their lives. Young people have questions about the direction of their life and how they will achieve their dreams and aspirations. Habitation aims to give them skills necessary to succeed in their aspirations.

On Friday nights there are now two distinct groups that meet: school years 7-9 and 10-13. Both of these groups provide a support network for young people and explore the Christian faith in an age appropriate way.

The summer youth camp was postponed until September as a weekend conference at the Jubilee Resource Hub.

POD

POD is the children's programme for children aged between 4 and 11 years old. It comprises two age groups: Sprout and Thrive. The aim of POD is for children to build and develop good friendships and to explore knowing God through prayer, friendship and reading the Bible. It also creates opportunities for children to live out their growing faith in a practical way.

Seedlings, a programme we previously ran for children of four and under, has not restarted yet.

Sprout is provided for children in Reception to Year 3 and Thrive is for those in Year 4 to Year 6. These two groups begin the morning together with a snack time, age-appropriate worship songs, games, and Bible teaching. We then break into small groups based on age (Reception and Year 1; Year 2 and 3; Years 4, 5 and 6) to run activities linked to the teaching they have just heard. The leadership team for Sprout and Thrive consisted of seven small group leaders, two part-time leaders, five adult helpers and three teenage helpers.

During Sunday meetings, children stay with the adults in the celebration for the first part of the morning before moving to the children's rooms for the second part.

Throughout the year we had an average of 30 children attending weekly and several visitors throughout the year.

POD Nativity - In December 2021 the Sprout and Thrive children presented a Christmas Nativity to the church in a joint Christmas meeting with the Vine church. Some children had acting and speaking roles.

POD Curriculum - Using the new curriculum in Sprout and Thrive has been really helpful to the leaders as all the activities and teaching are provided. We only need to make adjustments according to the individual needs

of our groups/children. The children have enjoyed the different themes, and the teaching and activity ideas have been engaging.

Future plans:

- To grow and develop our current team of leaders and helpers so that they can take on different responsibilities across the programme.
- Increase opportunities for the children to serve or engage in the Sunday afternoon Celebrations with the adults.

Jubilee Family Weekend Away

We gathered as a church for a weekend away at Ashburnham Centre, Battle in June 2022. More than 150 men, women and children attended for family activities, sports, games, worship, teaching, a campfire, and baptisms in the lake.

New Venue

Between April and August 2021, we continued to meet via Zoom. Jubilee Church moved to a new temporary site in September 2021, sharing the Vine Church's building in Boughton Lane, Loose, while plans for our new building in Parkwood Industrial Estate are completed.

Home Groups

Within Jubilee Church, home groups allow a weekly connection of members within a small group format. They can form closer friendships, care for each other's needs and enjoy life together. The home groups are grouped pastorally into two Clusters allowing pastoral oversight of the Church members. Home groups usually meet once a fortnight on a Thursday evening, but also meet at other times to facilitate discipleship, deeper friendships, discussion of specific subjects, and encouragement between members. The home groups and their leaders are served by a Cluster Team of three couples who provide help, support and encouragement, and carry out visits from time to time.

Worship Team

The worship team's aim is to lead the church in honouring Jesus in times of sung praise and worship. The Worship Team seeks to encourage the church members to enrich their relationship with God and help the church express their love for Him through music. The team meets once a week on a Monday evening to practise, to learn new songs, to help the team to connect and also to encourage and pray for one another.

Ceremonial Services

Throughout the year, Jubilee Church holds weddings, water baptisms, child dedications and funerals. These are mostly for people who are part of Jubilee Church but are available to non-members too.

Inter Church Meetings

A number of the Jubilee Church leaders attend the Maidstone Church Leaders Breakfasts held each month at different locations around the town. From time to time we join with other churches to meet together, run events for the town, or take part in community support work.

During 2021 we started meeting with the Bridge People, a group consisting of leaders from five of the churches from South Maidstone: The Vine, St Martin's Shepway, Celebration Church, Connect Church and St Peter's Boughton Monchelsea.

Restoring Hands

We support Restoring Hands, a registered UK Charity, financially, in contribution of resources, and pastorally. Restoring Hands' management team and the majority of their volunteers are part of Jubilee Church. Some of their charitable objectives are similar to our own in helping people in need of relief and we therefore, want to support their work in the community of Maidstone and surrounding areas where we can. A major activity of Restoring Hands this year was the Starkids campaign, providing Christmas gifts to children locally in

Maidstone, and internationally in Reni (Ukraine), and the provision of Christmas hampers to families in the Maidstone area.

A team of volunteers operated from an office in Jubilee Resource Hub and met regularly with the Jubilee Church leaders to coordinate the work into the Maidstone communities.

Jubilee Primary School

Jubilee Church supports Jubilee Primary School (JPS), a free school based in Maidstone in a number of ways including providing three of the Trust Members and a number of the Governors. We provide volunteers who run weekly assemblies, and help with school trips. Jubilee Church also provides pastoral support for the senior staff. This is also available for families whose children attend JPS, if required.

Acts Life Cluster

Although a separate charity, Jubilee Church donates a monthly contribution to facilitate the continued training and equipping of churches in the UK, in addition to churches in Jamaica, South Africa and Sri Lanka. Jubilee Church provides experienced leaders who travel on invitation to these local and international churches. The majority of support to the churches was offered online due to the effects of the Covid pandemic.

Jubilee Resource Hub

The charity continues to operate from the Jubilee Resource Hub Charity Centre in Maidstone where charities can work together to aid transformation and regeneration of local communities in the Maidstone area, with an aim to bring significant change and improvement to the lives of others. Having the charities housed on one site not only enables them to share valuable knowledge and experience but to coordinate their practical outworking creating a far greater impact into our immediate community. They are also able to share resources such as utilities, parking, reception, meeting rooms, photocopying and printing to help keep their running costs as low as possible.

● Fundraising activities and income generation

As part of the vision of Jubilee Church to train and be a resource to other churches, various books, and online resources were produced, some of which generated income. Equipment no longer required has also been sold.

Financial review

● Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

● Reserves policy

The Trustees closely monitor the level of free reserves available to ensure there is sufficient financial flexibility in place. The Trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure.

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to support the current level of expenditure and to continue in operational existence for the foreseeable future.

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

● Principal funding

The primary source of income remains tithes and offerings from the local congregation. However, in the future, it is hoped that local businesses will contribute a larger portion of the income.

Structure, governance and management

● Constitution

Jubilee Church Maidstone became a registered charity (number 1168027) on 5 July 2016 and is constituted under a Charitable Incorporated Organisation - Foundation whose only voting members are its charity trustees.

The principal object of the charity is (a) the advancement of the Christian faith, (b) the relief of persons who are in conditions of need, hardship or distress or who are aged or sick, (c) the advancement of education on the basis of Christian principles; principally in the vicinity of Kent, but extending to national and international where deemed necessary by the trustees.

There have been no changes in the objectives since the last annual report.

● Methods of appointment or election of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Charitable Incorporated Organisation - Foundation.

● Organisational structure and decision-making policies

The Trustees are part of the Eldership of Jubilee Church which consists of 5 Elders who carry the government and are responsible for all decision making and normally meet fortnightly. Each individual Jubilee ministry reports to the Eldership team.

● Related party relationships

Darren Eagles is trustee of Jubilee Church Maidstone and also serves as trustee for Acts Life Cluster (charity registration no 1098683), Jubilee Family Life Centre (charity no 1099579) and Willington Court Ltd (charity no 1105335). Appropriate conflict of interest policies have been implemented and details of transactions between related parties has been disclosed in the notes. The ability for these charities to work together has been mutually beneficial and the Trustees are expecting further significant mutual benefit for the future.

Darren Eagles is a trustee of the charity and also provides design and artwork services to the charity on a reduced fee basis.

● Financial risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks. This includes a regular/annual review of all risks to which the charity is exposed and the establishment of policies and procedures to mitigate the risk, including the sourcing of a comprehensive insurance policy.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2022

It is intended that Jubilee Church will move into this new facility in 2024.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;

JUBILEE CHURCH MAIDSTONE

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2022

Independent examiner's report to the Trustees of Jubilee Church Maidstone ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2022.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Institute of Chartered Accountants of Scotland, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

JUBILEE CHURCH MAIDSTONE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. General information

Jubilee Church Maidstone was setup and registered with the Charity Commission for England and Wales on 5 July 2016 (charity number 1168027) as a Charitable Incorporated Organisation (CIO) using the Foundation Model constitution whose only voting members are its charity trustees. The registered address is 9 Ashford Road, Maidstone, Kent, ME14 5BJ.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Jubilee Church Maidstone meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the

2. Accounting policies (continued)

2.3 Expenditure (continued)

basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of financial activities as the related expenditure is incurred.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £250 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Plant and machinery	- 25% Straight line
Computer equipment	- 25% Straight line

2.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2022**

2. Accounting policies (continued)

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.10 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

The donation to Acts Life Cluster is in keeping with biblical principles that we as Jubilee Church Maidstone donate our tithe being 10% of our regular unrestricted income and, since we encourage church members to practise tithing in a systematic and planned way, it is right that as a corporate body, Jubilee Church Maidstone should do the same.

The donation to Willington Court Ltd was for the use and maintenance of the Woodlands which were used during the year.

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT FOR THE YEAR ENDED 31 MARCH 2021

The Trustees present their annual report together with the financial statements of the charity for the 1 April 2020 to 31 March 2021.

Objectives and activities

● Policies and objectives

Our vision is simply to be people who are

* **Conformed to Christ**

* **Compelled by love**

* **Changing our world**

Our mission is to reach and influence the world by making disciples, strengthening churches and empowering people to lead and impact in every sphere of life.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

● Strategies for achieving objectives

The Jubilee Equipping Track consists of various training modules such as Foundational Doctrines, Financial Freedom, Church Government, Practical Ministry Training and a Leadership Training. The courses presented are designed to grow every believer in their faith, prepare them for good works of service, develop their leadership skills and release them to fulfil their specific destiny. We aim to equip everyone in Jubilee Church for the building up of the local body, helping other churches, planting new churches, and to go on mission, both locally and internationally. The Jubilee Church leadership is also actively planning for training and education courses that can benefit local communities.

● Activities undertaken to achieve objectives

Fun, family, making memories and walking on a life journey together are at the heart of Jubilee Church.

Meeting Together - **Sunday Celebration** means meeting together in a large group, with corporate worship and an opportunity to explore the bigger picture. **Home Groups** meeting one evening each week provide a smaller family-feel environment allowing discussion and closer friendship. We love to enjoy the richness and variety of our extended family and spend time together at various events, ranging from Church weekends away, to men's or women's groups, informal social gatherings, to picnics and beach days.

If you can't make it one morning, we broadcast live online around the world and have free vodcasts and podcasts of the talks and sermons.

● Volunteers

The Trustees would like to thank all the volunteers for all their time, effort and financial resources that they have generously given to make this another successful year.

Achievements and performance

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Achievements and performance (continued)

● Review of activities

The year ending March 2021 has been exceptional due to the impact and influence of the Covid19 pandemic. Many of our activities have been placed on pause or adjusted to accommodate the restrictions resulting from the pandemic.

We have continued to see visitors on many Sundays throughout the year, although we ceased meeting in person due to Covid restrictions and developed a studio for the broadcast of services and meetings via streaming and Zoom.

Resources/Training Material

Jubilee Church's resources/training material continued to be available for individuals, churches and ministries, with the development of a number of devotional study guides.

Habitation

Habitation's year-round programme for young people aged between 11-18 years old continues to provide support and care for many teenagers. Meeting regularly throughout the school year, often via Zoom, the youth groups provide a safe and fun environment for the young people. Habitation continues to allow positive input into their lives. Young people have questions about the direction of their life and how they will achieve their dreams and aspirations. Habitation aims to give them skills necessary to succeed in their aspirations.

On Friday nights there are now two distinct groups that meet: school years 7-9 and 10-13. Both of these groups provide a support network for young people and explore the Christian faith in an age appropriate way.

On Sunday mornings during the church celebration, young people in school years 7-9 are provided with an opportunity to further explore the Christian faith through fun and engaging programmes away from the main service. This time is called 'Youth Time Out'.

The summer youth camp was cancelled in 2020 due to Covid restrictions.

POD

POD is the children's ministry within Jubilee Church. It comprises three age groups: Seedlings, Sprout and Thrive. The heart behind POD is for children to build and develop good friendships and to explore what it means to know God and live for Him. It also creates opportunities for children to live out their growing faith in a practical way.

Seedlings is provided for pre-school children 1 to 4 years of age. Children who are aged 4 can be dropped off by their parents and supervised by our leaders/helpers. Children under the age of 4 must be accompanied by a parent or caregiver. Seedlings expanded to run every week throughout the year. We gained an extra helper over this year, and one of the existing helpers became a leader. This took the team up to two leaders and two helpers. Each week, one leader and one helper will work together to run the programme, and parents will assist where needed. This programme includes a variety of age-appropriate activities – welcoming every child, singing, teaching a Bible story, craft activity, snack time and free play.

Sprout is provided for children in Reception to Year 3 and **Thrive** is for those in Year 4 to Year 6. These two groups begin the morning together with a snack time, age-appropriate worship songs, 'family' announcements and Bible teaching. We then break into small groups based on age (Reception and Year 1; Year 2 and 3; Years 4, 5 and 6) to run activities linked to the teaching they have just heard. The leadership team for Sprout and Thrive consisted of seven small group leaders, two part-time leaders, five adult helpers and three teenage helpers.

On a Sunday morning, children stay with the adults in the celebration for the first part of the morning before moving to the children's rooms for the second part.

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Achievements and performance (continued)

Throughout the year we had an average of 30 children attending weekly and several visitors throughout the year.

POD Nativity - In December 2020 the Sprout and Thrive children presented a Christmas Nativity to the church via Zoom. Some children had acting and speaking roles.

POD Curriculum - Using the new curriculum in Sprout and Thrive has been really helpful to the leaders as all the activities and teaching are provided. We only need to make adjustments according to the individual needs of our groups/children. The children have enjoyed the different themes, and the teaching and activity ideas have been engaging.

Future plans:

- To see the team of leaders and helpers in Seedlings grow so that the programme can run on a weekly basis during school term time.
- To grow and develop our current team of leaders and helpers so that they can take on different responsibilities across the programme.
- To recruit more leaders for Sprout and Thrive – especially the Thrive age group.
- To rethink how we run the programme for the Thrive age group ensuring what we are doing is age-appropriate for their level of maturity.
- Increase opportunities for the children to serve or engage in the Sunday morning Celebrations with the adults.

Jubilee Family Weekend Away

The next weekend away is planned for June 2022, having been postponed for 2 years due to Covid restrictions.

New Venue

Jubilee Church continued to use a temporary site at Tree Tops Academy in Parkwood while plans for our new building in Parkwood Industrial Estate are completed. We switched over to online Zoom broadcasts in March 2020.

Home Groups

Within Jubilee Church, home groups allow a weekly connection of members within a small group format. They can form closer friendships, care for each other's needs and enjoy life together. The home groups are split into three Clusters allowing pastoral oversight of the whole Jubilee Church body. Home groups usually meet once a week on a Thursday evening, but also meet at other times to facilitate discipleship, accountable relationships, discussion of key subjects, and encouragement and edification between members. The home groups and their leaders are served by a Pastoral Team who provide help, support and encouragement, and carry out visits from time to time.

Worship Team

The worship team's mandate is to lead the church in honouring Jesus in times of sung praise and worship. The Worship Team seeks to encourage the church members to seek and connect with God and express their love for Him through music. The team meets once a week on a Monday evening to practise, to learn new songs, to help the team to connect and also to encourage and pray for one another.

Ceremonial Services

Throughout the year, Jubilee Church holds weddings, water baptisms and child dedications and funerals. These are mostly for people who are part of Jubilee Church but are available to non-members too.

Waypoint Project

Joint church events under the Waypoint banner were postponed due to Covid restrictions, although some church minister breakfasts took place.

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Achievements and performance (continued)

Restoring Hands

We support Restoring Hands, a registered UK Charity, both financially as well as in resources and pastorally. Restoring Hands' management team and the majority of their volunteers are part of Jubilee Church. Some of their charitable objectives are similar to our own in helping people in need of relief and we therefore, want to support their work in the community of Maidstone and surrounding areas where we can. A major activity of Restoring Hands this year was the Starkids campaign, providing Christmas gifts to children locally in Maidstone, and internationally in Reni (Ukraine), and the provision of Christmas hampers to families in the Maidstone area.

A team of volunteers operated from an office in Jubilee Resource Hub and met regularly with the Jubilee Church leaders to coordinate the work into the Maidstone communities.

Jubilee Primary School

Jubilee Church supports Jubilee Primary School (JPS), a free school based in Maidstone in a number of ways including providing three of the Trust Members and a number of the Governors. We provide volunteers who run weekly assemblies, and help with school trips. Jubilee Church also provides pastoral support for the senior staff. This is also available for families whose children attend JPS, if required. The JPS Knitting Club had to stop due to Covid restrictions.

Acts Life Cluster

Although a separate charity, Jubilee Church donates a monthly contribution to facilitate the continued training and equipping of churches in the UK, in addition to churches in Jamaica, South Africa and Sri Lanka. Jubilee Church provides experienced leaders who travel on invitation to these local and international churches. The majority of support to the churches was offered online due to the effects of the Covid pandemic.

Jubilee Resource Hub

The charity continues to operate from the Jubilee Resource Hub Charity Centre in Maidstone where charities can work together to aid transformation and regeneration of local communities in the Maidstone area, with an aim to bring significant change and improvement to the lives of others. Having the charities housed on one site not only enables them to share valuable knowledge and experience but to coordinate their practical outworking creating a far greater impact into our immediate community. They are also able to share resources such as utilities, parking, reception, meeting rooms, photocopying and printing to help keep their running costs as low as possible.

Building Project Team - A team of three Jubilee members was created to explore how to deliver construction of the new Jubilee Resource Hub building on the Parkwood site.

● Fundraising activities and income generation

As part of the vision of Jubilee Church to train and be a resource to other churches, various books, and online resources were produced, some of which generated income. Equipment no longer required has also been sold.

Financial review

● Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

● Reserves policy

The Trustees closely monitor the level of free reserves available to ensure there is sufficient financial flexibility in place. The Trustees aim to maintain free reserves in unrestricted funds at a level which equates to approximately three months of unrestricted charitable expenditure.

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charity has adequate resources to support the current level of expenditure and to continue in operational existence for the foreseeable future. The Trustees have, however, recognised that, due to the impact of COVID-19, there has been a significant impact on the activities of the charity, however this has not impacted the monthly income levels.

● Principal funding

The primary source of income remains tithes and offerings from the local congregation. However, in the future, it is hoped that local businesses will contribute a larger portion of the income.

Structure, governance and management

● Constitution

Jubilee Church Maidstone became a registered charity (number 1168027) on 5 July 2016 and is constituted under a Charitable Incorporated Organisation - Foundation whose only voting members are its charity trustees.

The principal object of the charity is (a) the advancement of the Christian faith, (b) the relief of persons who are in conditions of need, hardship or distress or who are aged or sick, (c) the advancement of education on the basis of Christian principles; principally in the vicinity of Kent, but extending to national and international where deemed necessary by the trustees.

There have been no changes in the objectives since the last annual report.

● Methods of appointment or election of Trustees

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Charitable Incorporated Organisation - Foundation.

● Organisational structure and decision-making policies

The Trustees are part of the Eldership of Jubilee Church which consists of 5 Elders who carry the government and are responsible for all decision making and normally meet fortnightly. Each individual Jubilee ministry reports to the Eldership team.

Structure, governance and management (continued)

• Related party relationships

Darren Eagles is trustee of both Jubilee Church Maidstone and also serve as trustees for Acts Life Cluster (charity registration no 1098683). Appropriate conflict of interest policies have been implemented and details of transactions between related parties has been disclosed in the notes. The ability for these charities to work together has been mutually beneficial and the Trustees are expecting further significant mutual benefit for the future.

Darren Eagles is a trustee of the charity and also provides design and artwork services to the charity on a reduced fee basis.

• Financial risk management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems and procedures are in place to mitigate exposure to the major risks. This includes a regular/annual review of all risks to which the charity is exposed and the establishment of policies and procedures to mitigate the risk, including the sourcing of a comprehensive insurance policy.

Plans for future periods

Jubilee Church offices and small meeting rooms continued to be rented from the Jubilee Resource Hub (charity registration no 1115331) based in Ashford Road, Maidstone.

Jubilee Resource Hub continue to go through the process of planning and renovating property on a site in Parkwood, Maidstone. This site will house a new large seated auditorium that can be used for events, meetings and conferences; a conference facility to provide meeting and lecture space; offices and community space for various charities to help facilitate local charitable objectives. It is intended that Jubilee Church will move into this new facility in 2023.

Members' liability

If the charity is wound up, the members of the charity have no liability to contribute to its assets and no personal responsibility for settling its debts and liabilities.

JUBILEE CHURCH MAIDSTONE

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 MARCH 2021

Statement of Trustees' responsibilities

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Charitable Incorporated Organisation - Foundation. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 MARCH 2021

Independent examiner's report to the Trustees of Jubilee Church Maidstone ('the charity')

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 March 2021.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of Institute of Chartered Accountants of Scotland, which is one of the listed bodies.

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

JUBILEE CHURCH MAIDSTONE

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

1. General information

Jubilee Church Maidstone was setup and registered with the Charity Commission for England and Wales on 5 July 2016 (charity number 1168027) as a Charitable Incorporated Organisation (CIO) using the Foundation Model constitution whose only voting members are its charity trustees. The registered address is 9 Ashford Road, Maidstone, Kent, ME14 5BJ.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Jubilee Church Maidstone meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

2.2 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

2.3 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.3 Expenditure (continued)

basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

2.4 Government grants

Government grants relating to tangible fixed assets are treated as deferred income and released to the Statement of financial activities over the expected useful lives of the assets concerned. Other grants are credited to the Statement of financial activities as the related expenditure is incurred.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £250 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is charged so as to allocate the cost of tangible fixed assets less their residual value over their estimated useful lives, using the straight-line method.

Depreciation is provided on the following bases:

Plant and machinery	- 25% Straight line
Fixtures and fittings	- 25% Straight line
Computer equipment	- 25% Straight line

2.7 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.8 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.9 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

2.10 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.11 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the charity to the fund in respect of the year.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.
