### FOR THE YEAR ENDED 31 DECEMBER 2020

---

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity Constitution, adopted in 2016, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

The CIO was dormant during the period.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

#### Financial review

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to between three and six month's expenditure. This level of reserves has been maintained throughout the year.

The Trustees has assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

#### Structure, governance and management
