Section C Objectives and activities

Summary of the objects of the charity set out in its governing document

To advance the Christian faith in accordance with the Statement of Beliefs appearing in the schedule hereto in Bells Yew Green (East Sussex/Kent) and in such other parts of the United Kingdom or the world as the charity trustees may from time to time think fit.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Public worship has been held in the chapel on Sundays every week, with services held at 10:30 and at 15:00. The weekly meeting for prayer and Bible study has continued throughout the year by Zoom. All our meetings are available to the public, and most are now streamed live and recorded on YouTube for later viewing.

The usual pastoral work, including visiting the elderly, and the sick, has continued.

Teaching of Christianity through sermons and small groups continues. Young people's meetings are taking place from time to time with a magazine for young people being produced every two months or so, as part of our young people's work, and is being distributed to around 40 people.

Promotion of Christianity through staging of events and meetings, and the distribution of literature continued through the year.

Supporting other charities in the UK and overseas continues.

No charges are made for any of these activities. They have been carried out in accordance with the guidance issued by the Charity Commission on public benefit.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

The chapel continued services with the Lord's help through the course of the year by various means.
The quarterly leaflet continued to be distributed around the village at stages during the year.
The broadcasting of services continues as we regularly stream on YouTube, besides the Zoom meetings that we run.
