### **Report of the Trustees for the Year Ended 30th September 2020**

#### **Highlights of the achievements and developments during the year ended 30th September 2020**

The church continued to see growth and make tangible progress in all facets within and outside of the church in the last quarter of 2019. The church, still under the leadership of Evangelist Richard Owusu Ansah also continued engagement with the local community.

The last quarter of the year 2019, ROA Prayer Ministry made a significant investment by purchasing a church building in Dartford, Kent. This was an enormous achievement for the church; taking into consideration the church is still quite young. This achievement is a testament to the commitment of the members and the leadership of the church.

Though 2019 ended on a high, 2020 was a particularly difficult year for the church in almost every department. Having purchased a church and not being able to utilise it due to the pandemic, the church services had to be relocated to an online platform, adjusting to the new way of having service and maintaining services online was a new form of challenge. Dealing with the effects of the pandemic within the community and ensuring the safety and wellbeing of the church was a priority.

The pandemic had a huge financial effect on the church as a charity and its members. A significant number of church members suffered job losses. This in turn had a domino effect on the church financially and its day to day management.

During the peak of the pandemic, a significant number of people from the church represented ROA in volunteering in their local communities and to where help was needed. They also regularly supported with distributing groceries and essential needs for the elderly and less fortunate.

Even during the pandemic the church continued to strengthen its ties within the community and also its partnerships with various bible-believing churches and organisations across London and overseas to organise online conferences to empower and equip the youth and also create awareness along with addressing issues affecting our local communities and nations.

These online conferences also focused on mental health and wellbeing. Young people from various backgrounds were encouraged to learn new life skills and given the opportunity to showcase their talents and inspire other young people to develop and sharpen their God given talents and skills.

Evangelist Richard Owusu-Ansah also delivered an inspiring sermon on the discipleship and the rewarding aspect of being diligent in learning and serving with all resources. Feedback from attendants highlighted and praised the educational and faith standpoint shared, which was appreciated the most.

Once the government guidelines allowed believers to return back to the church. The church was glad to be able to fellowship together once again in our own place. Although we moved on from worshipping at the United Reform Church, we still maintained good working relationship and continue to support all initiative, which helped build and improve the local community.

Under the leadership of the Evangelist Richard Owusu Ansah the church is looking forward to returning to a normal life as what it once was and continuing to make an impact on the young people, who are the future of our tomorrow.

##### **Ensuring Our Work Delivers Our Aims**

We review our aims, objectives and activities each year. This review looks at what we achieved and the outcomes of our work in the previous 12 months. The review looks at the success of each key activity and the benefits they have brought to those groups of people we are set up to help. The review also helps us ensure our aim , objectives and activities remained focused on our stated purposes. We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the trustees consider how planned activities will contribute to the aims and objectives they have set.

##### **The Focus of Our Work**

### **Report of the Trustees for the Year Ended 30th September 2020**

#### **Reserves Policy**

The Board of Trustees has examined the Charity's requirements for reserves in light of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be between 3 and 6 months of the expenditure.

The expenditure for 2020 was £43,055 and therefore the targeted reserves should be between £10,764 and £21,528 in general funds. The reserves are needed to meet the working capital requirements of the charity and the trustees are confident that at this level they would be able to continue the current activities of the Charity in the event of a significant drop in funding. This general reserve policy was met.

#### **Plans for Future Periods**

The Charity's plans are to continue the activities outlined above in the forthcoming years and put effort in place to improve the funding arrangements.

#### **Structure, Governance and Management**

##### **Governing Document**

The Organisation is a charitable organisation constituted under a Constitution dated 25th June 2019 and registered as a charity on 12th July 2019. The charity was established under a Constitution which established the objects and powers of the charity and is governed under its terms. In the event of the Charity wound up members are required to so decide by three-quarters majority.

##### **Recruitment and Appointment of Trustees**

The trustees who are also charity trustees for the purposes of charity law are in charge of the strategic direction of the charitable trust. Under the requirements of the Declaration of Trust the trustees are elected to serve for a period of three years after which they must be re-elected at the next Annual General Meeting.

All trustees except the Senior Pastor give their time voluntarily and receive no benefits from the charity.

Due to the nature of Church work, trustees appointed have been so selected on the basis of their faith, strength of Character, skills set in the area of business management and growth and commitment to the vision of the charity.

Additionally new trustees would be invited as required and encouraged to attend a series of short training sessions to familiarise themselves with the charity and the context within which it operates. #### **Respective responsibilities of trustees and examiner**

The trustees (who are also the directors of the organisation) are responsible for the preparation of

The trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (2011 Act) and that an independent examination is needed.

The charity's gross income did not exceed £250,000 and I am qualified to undertake the examination by being a Fellow member of the Association of Certified Public Accountants.

Having satisfied myself that the charity is not subject to audit under company law and is eligible for independent examination, it is my responsibility to:

- ↳ examine the accounts under section 145 of the 2011 Act;

- ↳ to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and

- ↳ to state whether particular matters have come to my attention.

#### **Basis of independent examiner's report**

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

## **ROA Christian Prayer Ministries Ltd**

### **Notes forming part of the financial statements for the year ended 30th September 2020**

#### **I. Accounting Policies**

The principal accounting policies are summarised below. The accounting policies have been applied consistently throughout the year and in the proceeding year.

##### **(a) Basis of Accounting**

The financial statements have been prepared under the historical cost convention, as modified by inclusion of fixed assets investments at market value, and in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities issued in March 2005.

##### **(b) Fund Accounting**

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity. Unrestricted funds include a revaluation reserve representing the restatement of investment assets at market values.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted funds are subjected to restrictions on their expenditure imposed by the donor or through the terms of an appeal.

##### **(c ) Incoming Resources**

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

Voluntary income is received by way of grants, donations and gifts and is included in full in the Statement of Financial Activities when receivable. Grants, where entitlement is not conditional on the delivery of a specific performance by the charity , are recognised when the charity becomes unconditionally entitled to the grant.

Donated services and facilities are included at the value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these accounts.

Invested income is included when receivable.

Incoming resources from charitable trading activity are accounted for when earned.

## **ROA Christian Prayer Ministries Ltd**

### **Notes forming part of the financial statements for the year ended 30th September 2020**

Incoming resources from grants, where related to performance and specific deliverables, are accounted for as the charity earns the right to consideration by its performance.

#### **(d) Resources expended**

Expenditure is recognised on an accrual basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates:

Costs of generating funds comprise the costs associated with attracting voluntary income and the costs of trading for fundraising purposes.

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include the accountancy fees and costs linked to the strategic management of the charity. All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly, others are apportioned on an appropriate basis e.g. floor areas, per capita or estimated usage as set out in Notes 3-5.

#### **(e) Fixed Assets**

Fixed assets (excluding investments) are stated at cost less accumulated depreciation. The costs of minor additions or those costing below £1,000 are not capitalised. Depreciation is provided at rates calculated to write off the cost of each asset over its expected useful life, which in all cases is estimated at 5 years.

Investments held as fixed assets are revalued at mid market value at the balance sheet date and the gain or loss taken to the Statement of Financial Activities if any.
