Objectives and activities

The charity's aims and objectives are for the advancement of the Evangelical Christian Faith Worldwide, through:

1. The furtherance of religious or secular public education;
2. The advancement of the Christian faith including missionary activities in the United Kingdom and overseas and also including but not limited to the planting of new churches and organisations or congregations;
3. The relief of the poor and needy;
4. Outreach to kids and young people;
5. Developing next generation Christian leaders;
6. Such other charitable objects and for the benefit of such other charitable bodies and institutions as the Management Committee of the Company shall in its absolute discretion.

We have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing our aim and objectives and in planning our future activities. In particular, the Trustee Board consider how planned activities will contribute to the aims and objectives they have set. The Trustee Board reached the conclusion that the Charity's aims and objectives did fall within the appropriate charitable purpose.

Strategic report

The following sections for achievements and performance and financial review form the strategic report of the charity.

Achievements and performance

At UK-USA we want to be the conduit that connects students and churches in the USA to the young people of the United Kingdom. We are committed to reaching the students and young people of the United Kingdom & to create a planting movement of gospel centered churches.

Our primary focus is building relationships for the gospel, seeing the Lord initiate new works, and ultimately witnessing Him create a movement of gospel-centered churches across the UK. We achieve this through:

- Ministry in UK public schools
- Ministry through sports and sports camps
- Ministry through servant evangelism

Financial review

The unrestricted funds of the charity at 31st December 2024 amounted to £1,181 of which free reserves (that is those not tied up in fixed assets) amount to £1,181.

Reserves Policy and Risk Management

The trustees have examined the requirements for free reserves. Whilst the current level of reserves may prove sufficient, it is the trustees' view that it is prudent to ensure that there are sufficient free reserves at a level which equates to approximately six months unrestricted expenditure. This provides sufficient funds to cover support costs, management and administration.

The trustees have conducted a review of the major risks to which the charity is exposed. Any major financial risks during the year have been brought to the attention of the Trustee Board and a Risk Management Strategy is in place.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report and the strategic report were approved on 22 October 2025 and signed on behalf of the board of trustees by:

Independent Examiner's Report to the Trustees of UK-USA Ministries

Year ended 31 December 2024

I report to the trustees on my examination of the financial statements of UK-USA Ministries ('the charity') for the year ended 31 December 2024.

Responsibilities and basis of report

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Going concern

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.
