FOR THE YEAR ENDED 31 DECEMBER 2024

The Trustees are pleased to present their report and the financial statements for Mountain of Fire and Miracles Ministries Goshen Assembly for the year ended 31 December 2024.

These financial statements have been prepared in accordance with the accounting policies outlined in Note 1 to the accounts and comply with:

- the charity's constitution,
- the requirements of the Charities Act 2011, and
- the Statement of Recommended Practice (SORP) applicable to charities preparing their accounts in accordance with Financial Reporting Standard 102 (FRS 102).

Objectives and Activities

The Trustees have given due regard to the Charity Commission's guidance on public benefit, specifically "The Advancement of Religion for the Public Benefit", when setting objectives, planning activities, and preparing this Trustees' report.

Mountain of Fire and Miracles Ministries Goshen Assembly is a Charitable Incorporated Organisation (CIO), registered with the Charity Commission on 13 July 2016. The year under review marks the eighth year of our operations as a registered charity. The Trustees are satisfied with the Charity's overall performance, particularly considering the challenges experienced in the previous year.

The primary purpose of the Charity is the advancement of the Christian religion. This is pursued through a range of activities aimed at promoting awareness and understanding of the Christian faith, including worship services, Christian meetings, seminars, crusades, evangelism, and counselling. In addition to its spiritual mission, the Charity is also committed to preventing and relieving poverty, particularly among the young and the elderly, as part of its broader public benefit objectives.

Our Pastoral Team play a vital role in supporting the spiritual needs of our members, overseeing key religious services such as christenings, weddings, and funerals. In support of our evangelistic mission, the evangelism team regularly visits public areas including streets, town centres, and shopping malls to share the message of the Gospel of Jesus Christ and engage with individuals seeking to explore or deepen their Christian faith.

Our missionary work and outreach extend beyond welfare support, hospital visits, and evangelism. We actively promote cultural and community engagement through services such as free counselling, advice sessions, and access to a dedicated prayer line. These activities are open to both Christians and non-Christians, reflecting our commitment to inclusivity and ensuring that our doors remain open to all members of the community.

In fulfilling its mission to advance the Christian faith, the Charity provides a meaningful platform for members of the community to live out their beliefs through:

FOR THE YEAR ENDED 31 DECEMBER 2024

- Worship and prayer, fostering spiritual growth and encouraging the practice of Gospel of Jesus Christ teachings
- The provision of pastoral care, offering guidance, support, and religious services
- Active missionary and outreach work, extending the message of faith and compassion to the wider public

The Charity also furthers its charitable purposes for the public benefit through a range of community-based initiatives and support for government programs. This includes organising and sponsoring programmes and seminars aimed at educating community members on the importance of being law-abiding citizens, safeguarding vulnerable individuals including both adults and children and contributing positively to the development of Wales and the wider United Kingdom.

Volunteers

Our volunteers remain the backbone of the Charity, consistently demonstrating exceptional dedication and commitment to our mission. Their selfless service is a true reflection of their belief in the values we uphold. To support and protect them, MFM Goshen Assembly has implemented a comprehensive Health and Safety Policy, along with detailed procedures to ensure their ongoing well-being and safety in all aspects of their involvement.

Achievements and Performance

Review of Activities

The Mountain of Fire and Miracles Ministries Goshen Assembly has just concluded its seventh-year functioning as a charity. During our presence, the Trustees believe we've had a positive impact on our local communities. Though they consider the Charity's performance good, we are keen on improving the activities and facilities offered to the community for the advancement of Christian religion.

The Charity seeks to further enhance public benefit by interacting more with the local community where we operate through charitable giving, outreach programmes, support for community initiatives, and other social-related programmes.

The Charity moved its operation headquarters to Cardiff, South Wales, and continues to open worship centres for face-to-face church service throughout 2024. To continue growing its membership, community evangelism and the distribution of faith-based publications within the community were embarked upon.

The Pastoral Team also offers weekly counselling services for both members and non-members alike. Furthermore, due to the Charity's belief in the power of prayers and spiritual growth of its members, the Charity holds '7 hours with God' Prayer sessions monthly, weekly bible study, 'weekly Command the Week' and weekly Pentecostal Hour prayer session

A community BBQ was held in August 2024 as part of our community initiative and to foster inclusiveness within the community. Also, Charity continues to hold it seminars on life in the UK for newly arrived BAME members to foster community integration and enhance their ability to make positive change in the

community. As part of The Charity collaborative work with other organisations, Gwent Police Community Integration Team was engaged by the Charity to give a talk on, community policing and fostering positive relationship with diverse communities.

The Charity continue to Food Bank at our places of worship to support its members and community members. Our worship centres also provided nursery items for pregnant women and nursing mothers. The Charity has also provided financial support to its members who were going through financial difficulties and have approached the Charity for such support. As part of the Charity's effort to acquire a permanent place of worship at its operational headquarters in Cardiff, South Wales, it went into investment with Rehoboth Property Group with the aim of utilising the invested fund to acquire property at maturity.

For the Charity to continue meeting its core objectives, training and development were put at the core of its operation. The Charity invested its resources in training some members of its Pastoral Team in a higher school of Pastoral Ministry.

The Charity continues to expand its operations across the United Kingdom by establishing branches in Hull City, Bournemouth, Dundee, Ebbw Vale, Llanelli and Peckham. It hopes to open more branches in the coming year. The Charity will explore further ways to continue making a positive impact within the community in accordance with its objectives and vision.

Fundraising Activities/ Income Generation

The Charity's income is primarily derived from tithes and offerings generously given by members, as well as from programmes and events organised to support and promote the Charity's mission and activities.

FINANCIAL REVIEW

GOING CONCERN

The Trustees have a reasonable expectation that the Charity has sufficient resources to continue its operations for the foreseeable future. Accordingly, they have adopted the going concern basis in preparing the financial statements. Further information on the application of the going concern assumption is provided in the accounting policies section of these financial statements.

RESERVES POLICY

The Trustees have considered it appropriate to maintain free reserves in unrestricted funds at a level equivalent to approximately three months of unrestricted charitable expenditure. They believe this level of reserves provides a prudent buffer to cover the Charity's ongoing administrative and ministerial costs, ensuring operational continuity.

During the year, the Charity reported a total income of £95,195 and a net surplus of £2,265. As at the year-end, unrestricted reserves stood at £14,880. This surplus primarily reflects the Charity's strategic refocusing and expansion of its activities, particularly in Wales, which has resulted in increased investment to support growth and outreach initiatives.

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2024

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF MOUNTAIN OF FIRE AND MIRACLES MINISTRIES GOSHEN ASSEMBLY

I report on the accounts of the charity for the year ended 31 December 2024, which are set out on pages 9 to 10.

RESPECTIVE RESPONSIBILITIES OF TRUSTEES AND EXAMINER

The charity's trustees are responsible for the preparation of the accounts. The trustees have determined that an audit is not required for this financial year under section 144(2) of the Charities Act 2011 ("the Charities Act") and that the charity is eligible for an independent examination.

Having satisfied myself that the charity is not subject to audit and is eligible for independent examination, it is my responsibility to:

- Examine the accounts under section 145 of the Charities Act.
- Follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the Charities Act; and
- State whether any matters have come to my attention as outlined in those Directions.

BASIS OF INDEPENDENT EXAMINER'S STATEMENT

My examination was carried out in accordance with the general Directions given by the Charity Commission. The examination included a review of the accounting records maintained by the charity and a comparison of the accounts presented with those records. It also involved consideration of any unusual items or disclosures in the accounts and the seeking of explanations from the trustees regarding such matters.

The procedures undertaken do not provide all the evidence that would be required in an audit, and therefore no audit opinion is expressed on the accounts. Accordingly, this report is limited to the matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

1. Which gives me reasonable cause to believe that in any material respect:
 - accounting records have not been kept in accordance with section 130 of the Charities Act; or
 - the accounts do not accord with those records or fail to comply with the applicable requirements of the Charities Act; or

- the accounts are not consistent with the methods and principles set out in the Statement of Recommended Practice: Accounting and Reporting by Charities (SORP)

2. Or to which, in my opinion, attention should be drawn to enable a proper understanding of the accounts to be reached.

For the year ended 31 December 2024

Accounting Policies

1.1 Basis of preparation of financial statements

The financial statements have been prepared on the historical cost basis, with assets and liabilities recorded at cost or transaction value, except where otherwise indicated in the accompanying notes. The financial statements have been prepared in accordance with the Statement of Recommended Practice (SORP) Accounting and Reporting by Charities (2015), applying the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), issued in July 2014, and the requirements of the Charities Act 2011.

Mountain of Fire and Miracles Ministries Goshen Assembly is classified as a public benefit entity under FRS 102. Accordingly, its financial statements have been prepared in compliance with FRS 102 and the Charities SORP 2015.

1.2 Fund accounting

General funds represent unrestricted resources that the Trustees may use at their discretion to support the overall objectives of the charity. These funds have not been earmarked for any specific purpose.

Designated funds are a subset of unrestricted funds that the Trustees have allocated for specific purposes. Details regarding the purpose and use of each designated fund are provided in the notes to the financial statements.

Restricted funds are funds subject to specific conditions imposed by donors or raised for activities or projects. All related costs, including those for fundraising and administration, are charged to the relevant restricted fund. The purpose and usage of each restricted fund are outlined in the notes to the financial statements.

1.3 Income Recognition

Income is recognised when the charity has a clear entitlement to the funds, it is probable that the income will be received, and the amount can be measured reliably.

Legacies are recognised as income at the earliest of the following: when the charity is notified that probate has been granted, when the estate has been finalised and the executor(s) have confirmed that distribution will be made, or when funds are received. A legacy is only deemed probable when its value can be reliably estimated and the charity has received confirmation from the executor(s) of their intention to distribute. If the charity is aware of a legacy or probate has been granted but the

criteria for income recognition are not yet met, the legacy is disclosed as a contingent asset if it is material.

Gifts in kind donated for distribution are recognised as income at their estimated value when they are distributed to the projects. Items donated for resale are recognised as income at the point of sale. Donated facilities are included at their estimated value to the charity, provided this value

Mountain of Fire and Miracles Ministries Goshen Assembly

Notes to the Financial Statements

For the year ended 31 December 2024

can be measured and a third party bears the cost. The value of services provided by volunteers is not included in the financial statements.

Donated services or facilities are recognised when the charity has control over the item, any conditions attached to the donation have been met, the receipt of economic benefit is probable, and the benefit can be measured reliably. In accordance with the Charities SORP (FRS 102), general volunteer time is not recognised in the accounts, though further details of such contributions are included in the Trustees' Report.

Professional services and facilities donated to the charity are recognised at their estimated value to the charity based on the amount the charity would have paid to obtain equivalent services or facilities on the open market with a matching amount recorded as expenditure in the same period.

Gift Aid income is recognised at the time the underlying donation is received.

Income tax recoverable on donations made under Gift Aid or deeds of covenant is recognised at the same time as the related donation.

Income tax recoverable on investment income is recognised when the investment income becomes receivable.

Other income is recognised in the period in which it is due to the extent that goods or services have been delivered.

1.4 Expenditure

Expenditure is recognised when the charity has a legal or constructive obligation to transfer economic benefits to a third party, it is probable that such a transfer will be required, and the amount can be measured reliably.

Expenditure is categorised by activity and comprises both direct and shared costs. Shared costs, including support costs not directly attributable to a single activity, are allocated across activities in proportion to resource usage. Central staff costs are apportioned based on time spent, while depreciation is allocated according to the usage of the related assets.

Support costs are those incurred in direct support of the charity's objectives and include functions such as project management carried out at the headquarters. Governance costs relate to the administration of the charity and compliance with constitutional and statutory requirements.

Charitable activities and governance costs include all expenditure on the charity's operations, incorporating relevant support and governance costs allocated appropriately.

Grants payable are recognised as expenditure in the year the grant offer is made, unless the grant is subject to specific conditions. In such cases, expenditure is recognised only when those

Mountain of Fire and Miracles Ministries Goshen Assembly

Notes to the Financial Statements

For the year ended 31 December 2024

conditions are fulfilled. Conditional grants not yet met at the year-end are disclosed as commitments but are not accrued as expenditure.

All expenditure is stated inclusive of irrecoverable VAT.

1.5 Going concern

The Trustees assess the appropriateness of preparing the financial statements on a going concern basis by considering whether there are any material uncertainties that may cast doubt on the charity's ability to continue operating.

This assessment covers a period of at least twelve months from the date of approval of the financial statements. The Trustees have concluded that the charity has adequate resources to continue its activities for the foreseeable future and that there are no material uncertainties affecting its ability to do so. Accordingly, the financial statements have been prepared on a going concern basis.

1.6 Tangible fixed asset and depreciation

A review for impairment of fixed assets is undertaken whenever events or changes in circumstances suggest that the carrying amount may not be recoverable. Any shortfall between the asset's carrying value and its recoverable amount is recognised as an impairment loss and charged to the Statement of Financial Activities.

Tangible fixed assets are stated at cost, net of accumulated depreciation and any impairment provisions. Freehold land is not depreciated.

Depreciation is charged to allocate the cost of tangible fixed assets, less their estimated residual values, over their expected useful lives using the following rates:

Freehold property:	2% per annum on cost
Plant and machinery:	20% per annum on cost
Motor vehicles:	25% per annum on cost

1.7 Interest Receivable

Interest earned on funds held in deposit accounts is recognised as income when it becomes receivable and can be measured reliably. This typically occurs upon notification from the bank of interest earned or due.

1.8 Operating leases

Rental costs under operating leases are charged to the Statement of Financial Activities on a straight-line basis over the term of the lease, regardless of the timing of actual payments.

Mountain of Fire and Miracles Ministries Goshen Assembly
Notes to the Financial Statements
For the year ended 31 December 2024

1.9 Debtors

Trade and other debtors are recorded at the amount expected to be received, net of any trade discounts. Prepayments are measured at the actual amount paid, net of any trade discounts applicable.

1.10 Cash at Bank and in hand

Cash at bank and in hand includes cash balances and short-term highly liquid investments with maturities of three months or less from the date of acquisition or account opening.

1.11 Liabilities and Provisions

Liabilities are recognised when the charity has a present obligation arising from past events, it is probable that a transfer of economic benefit will be required to settle the obligation, and the amount can be reliably estimated. Liabilities are measured at the amount the charity expects to pay or the amount received in advance for goods or services yet to be provided. Provisions are recognised based on the best estimate of the amount required to settle the obligation. Where the time value of money is material, the provision is discounted using a pre-tax rate reflecting the specific risks associated with the liability. The unwinding of the discount is recognised as interest payable and similar charges.

1.12 Financial Instruments

The charity holds only basic financial instruments as defined by accounting standards. These are initially recognised at transaction value and subsequently measured at settlement value, except for bank loans, which are measured at amortised cost using the effective interest method.

1.13 Critical accounting estimates and areas of judgement

The preparation of financial statements requires the use of accounting estimates and judgements. These are based on historical experience and other relevant factors, including expectations of future events, and are reviewed on an ongoing basis.

The charity makes estimates and assumptions about future events; actual outcomes may differ. The most significant area of estimation relates to the depreciation of tangible fixed assets. The useful economic lives and residual values of these assets are reviewed annually and adjusted where necessary to reflect current circumstances, such as technological developments, future capital investment, usage patterns, and the physical condition of the assets.
