Achievements & Performance

1. To develop partnerships and support other Christian groups as they seek to advance the Christian faith.

A strong relationship exists between the William Wilkins Trust and Derby Vineyard. Volunteers who are part of the church have been involved in managing the affairs of the building, including managing the lettings of the building, decorating the building and arranging maintenance as required. In return, only minimal charges are made when groups from Derby Vineyard use the building.

Derby Vineyard make good use of the building and have invested in decoration and other improvements to the building. They began to meet in the building on Sunday mornings from September.

Derby Vineyard used the building to host weekly meals for Afghan families that arrived so suddenly when the Taliban took over. The families are staying in a nearby hotel, and although well provided for, were eating unfamiliar food. The meals were a chance for the Afghans to use our facilities and cook their own food and eat on their own terms.

Derby Vineyard also worked with 'For the Love a Child' (Charity Number: SC049284) to host two large therapeutic groups running weekly for several months in the building for Afghan children who arrived so suddenly when the Taliban took over. The children were showing signs of PTSD, anxiety and challenging behaviour.

The children's fathers approached For the Love of a Child when their children showed improvement after attending the sessions. Many of the men have struggled with leaving family members behind in Afghanistan and then coping with a new culture. All the men worked for our military in some capacity. Working with Derby Vineyard and For the Love of a Child, we were able to host weekly therapeutic sessions for the men.

We have continued to support refugees from other countries, now living in Derby. Working with Care4Calais (Charity Number: 1169048) we have hosted weekly befriending sessions, where refugees are able to receive support.

2. To maintain and improve the fabric of the building.

Volunteers from Derby Vineyard have undertaken minor repairs, decorating and so on. There have been no major repairs or improvement during this period.

3. To make grants in line with the charitable objects.

The Trustees agreed that the Net Income/Expenditure was insufficient to make any large grants during this period.

Financial Review

Due to the pandemic there was no rental income until September, however there has been more than sufficient in the reserve fund to cover utility bills.

Principal Funding Source

The principal income source for the William Wilkins Trust is through the rental income from the Christian groups which hire the building. We do not currently receive any grants or bursaries from external bodies.

Investment Policy

Aside from retaining a prudent amount in reserves each year, all of the charity's funds are to be allocated towards fulfilling the objectives of the charity.

Reserves Policy

The Trustees have agreed to save towards having 3 months' core budget running costs in reserves. This policy is subject to a review annually.

Trustees' Responsibilities

The Charity Commission requires accounts to be prepared for each financial year which give a true and fair view of the state of the affairs of the charity as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year. In preparing those financial statements, the trustees have endeavored to follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- prepare the accounts on the going concern basis unless it is inappropriate to assume that the charity will continue on that basis.

The trustees are responsible for maintaining proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity. The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

This report has been prepared in accordance with recommended practice.
