Objectives and activities

To relieve the needs and suffering of children aged 16 years old and under, in particular those whose challenge is caused by homelessness, addiction, abuse or who may be caring for sick or disabled adults.

Foundation Statement

the7stars set up its Foundation in 2016 as a Registered Charity to support under-privileged young people in the UK. The Foundation is primarily funded via the7stars profits, with additional funding via events and fundraising. We award grants to children and causes supporting young people challenged by abuse, addiction, homelessness or those who are young carers to a loved one.

The Foundation is strategically aligned with the7stars and a major pillar in the7stars' "giving back" programme. All Trustees are Directors at the7stars.

the7stars agency are engaged with the Foundation on a regular basis, with the Foundation circulating updates regarding new grant partners after each round, as well as the agency team volunteering with the Foundation as part of its grant monitoring and reporting procedure. Here, agency members are matched with a grantee, and either visit the charity or complete a telephone interview of how the grant received by the Foundation has achieved impact.

We have four grant programmes:

1. Our project grant programme offers funding to charities to deliver a project which will support young people surviving abuse; young carers; affected by addiction or children residing in emergency and temporary accommodation. We have recently completed a strategy review for our grant programmes, and we will now focus on the following areas for our project funding:

ADDICTION

- Support for young people affected by their own or family members' substance misuse and other addictions
- Prevention and education programmes targeting substance abuse
- Access to counselling, rehabilitation, and recovery services for young people
- Peer support networks and mentoring for affected youth

the7stars Foundation

- Therapeutic and trauma-informed care

HOMELESSNESS

- Support for young people in emergency and temporary accommodation and children's homes run by local authorities
- Assistance for displaced children (e.g. refugees)
- Crisis fund support to provide immediate and direct assistance for young people in emergency and temporary accommodation

CHILD CARERS

- Respite and wellbeing services for young carers
- Practical and emotional support
- Educational provision to ensure young carers are not left behind
- Programmes to reduce isolation and improve mental health
- Skill-building and future planning support

2. Our shine bright grants fund charities to purchase educational or recreational items (such as books, wellbeing journals, stress packs, arts and crafts for creative play therapy etc.) which will help young people reduce stress and feel happier and more secure. This programme focuses on alleviating the difficulties faced by children and young people from the cost of living crisis.

From 2026 we will be restructuring this programme and launching a long-term funding programme which looks to respond to the record levels of Child Poverty in the UK.

3. Our third programme offers grants to safeguarding professionals (such as social workers, lawyers, school outreach officers) representing a young person in the care or legal system, in need of some extra help. Our grants will pay for an activity or item the child needs to further their potential or opportunity or promote healing, where other routes of funding are not available.

4. Our fourth programme is a social justice fund. This fund is slightly different to our other programmes. We offer grants to charities across the calendar year, aligned to social justice calendar awareness days (such as World Homeless Day). Successful grantees are selected by the7stars agency team members, voting on which charity to be awarded.

From 2026, we will be restructuring this Programme and offering long-term funding to charities across the themes of: Young people within LGBTQ+ communities, child exploitation – with a specific focus on county lines, child mental health and access to education.

Public benefit statement

Trustees' Annual Report

for the year ended 31 March 2025

Financial Review (including reserves policy)

A contingency balance of £502,792 has been held. Part allocated to covering costs and the rest to grants. An annual contingency fund of at least £50,000 is confirmed, to ensure the running costs of the Foundation are covered.

Plan for Future Periods

The plan is to continue awarding grants to provide relief regarding abuse of young people aged 16 years and under.

Structure, governance and management

The charity is a Charitable Incorporated Organisation registered on 15 July 2016. It is governed by its constitution.

Appointment of Trustees

Apart from the first charity Trustees, every Trustee must be appointed by a resolution passed at a properly convened meeting of the charity Trustees. In selecting individuals for appointment as charity Trustees, the charity Trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

Risk Management

The charity is exposed to operational and financial risks as a result of its operating activities. To mitigate these risks a system of internal controls has been implemented that is designed to provide reasonable (although not absolute) assurance against material misstatement.

Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

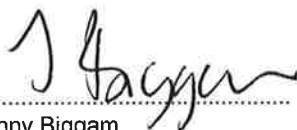

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

the7stars Foundation

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the Financial Statements

for the year ended 31 March 2025

1 Accounting Policies

Charity information

the7stars Foundation is a charitable incorporated organisation and registered in England and Wales. The registered office is 6-9 Bush House, North West Wing, 57 Aldwych, London, WC2B 4PJ.

Basis of preparation

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The Charity is a public benefit entity for the purposes of FRS 102 and therefore the Charity also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP) and the Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest pound.

Going concern

The Trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The Trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. After making enquiries the Trustees have concluded that there is a reasonable expectation that the charitable entity has adequate resources to continue in operational existence for the foreseeable future, and there are no material uncertainties affecting this assumption. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then the income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable they will be fulfilled.

Expenditure

Liabilities are recognised as expenditure once there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses, including support costs which include governance costs, are allocated to charitable activities in the statement of financial activities.

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practices, and these costs are included within support costs.

Grants are fully accounted for in the year the grant is approved and notified to the beneficiary. Payments falling due in later years are provided for as a liability on the balance sheet.

the7stars Foundation
Notes to the Financial Statements
for the year ended 31 March 2025

1 Accounting Policies (continued)

Allocation of support costs

Support costs are those functions that assist the work of the charity, but do not directly undertake charitable activities. Support costs include office costs, governance costs and other administrative costs. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with the use of resources.

Financial instruments

Debtors and creditors receivable or payable within one year of the reporting date are carried initially at their transaction price and subsequently at settlement value. Debtors and creditors that are receivable or payable in more than one year and not subject to a market rate of interest are measured at the present value of the expected future receipts or payment discounted at a market rate of interest.

Trade and other debtors are recognised at the settlement amount due after any discount offered. Prepayments valued at the amount prepaid after taking account of any trade discounts due.

Cash and cash equivalents include cash at banks and in hand and short term deposits with a maturity date of three months or less.

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Fund accounting

Unrestricted funds are general funds that are available for the use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted funds are subject to specific conditions by donors as to how they may be used. The charity currently has no restricted funds.

Designated funds comprise funds which have been set aside at the discretion of the Trustees for specific purposes. The charity currently has no designated funds.

Critical Accounting Judgements and Estimates

In application of the Charity's accounting policies, the board is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

There are no estimates and assumptions which are believed to have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities in the current or prior period.

Objectives and activities

To relieve the needs and suffering of children aged 16 years old and under, in particular those whose challenge is caused by homelessness, addiction, abuse or who may be caring for sick or disabled adults.

Foundation Statement

the7stars set up its Foundation in 2016 as a Registered Charity to support under-privileged young people in the UK. The Foundation is primarily funded via the7stars profits, with additional funding via events and fundraising. We award grants to children and causes supporting young people challenged by abuse, addiction, homelessness or those who are young carers to a loved one.

The Foundation is strategically aligned with the7stars and a major pillar in the7stars' "giving back" programme. All Trustees are Directors at the7stars.

the7stars agency are engaged with the Foundation on a regular basis, with the Foundation circulating updates regarding new grant partners after each round, as well as the agency team volunteering with the Foundation as part of its grant monitoring and reporting procedure. Here, agency members are matched with a grantee, and either visit the charity or complete a telephone interview of how the grant received by the Foundation has achieved impact.

We have four grant programmes:

1. Our project grant programme offers funding to charities to deliver a project which will support young people surviving abuse; young carers; affected by addiction or children residing in emergency and temporary accommodation. We have recently completed a strategy review for our grant programmes, and we will now focus on the following areas for our project funding:

ADDICTION

- Support for young people affected by their own or family members' substance misuse and other addictions
- Prevention and education programmes targeting substance abuse
- Access to counselling, rehabilitation, and recovery services for young people
- Peer support networks and mentoring for affected youth

the7stars Foundation

Trustees' Annual Report

for the year ended 31 March 2025

ABUSE

- Services for survivors of physical, emotional, or sexual abuse inc. online
- Early intervention and safeguarding initiatives
- Therapeutic and trauma-informed care
- Advocacy and support for young victims

HOMELESSNESS

- Practical support for daily stability
- Support for young people in emergency and temporary accommodation and children's homes run by local authorities
- Assistance for displaced children (e.g. refugees)
- Crisis fund support to provide immediate and direct assistance for young people in emergency and temporary accommodation

CHILD CARERS

- Respite and wellbeing services for young carers
- Practical and emotional support
- Educational provision to ensure young carers are not left behind
- Programmes to reduce isolation and improve mental health
- Skill-building and future planning support

2. Our shine bright grants fund charities to purchase educational or recreational items (such as books, wellbeing journals, stress packs, arts and crafts for creative play therapy etc.) which will help young people reduce stress and feel happier and more secure. This programme focuses on alleviating the difficulties faced by children and young people from the cost of living crisis.

From 2026 we will be restructuring this programme and launching a long-term funding programme which looks to respond to the record levels of Child Poverty in the UK.

3. Our third programme offers grants to safeguarding professionals (such as social workers, lawyers, school outreach officers) representing a young person in the care or legal system, in need of some extra help. Our grants will pay for an activity or item the child needs to further their potential or opportunity or promote healing, where other routes of funding are not available.

4. Our fourth programme is a social justice fund. This fund is slightly different to our other programmes. We offer grants to charities across the calendar year, aligned to social justice calendar awareness days (such as World Homeless Day). Successful grantees are selected by the7stars agency team members, voting on which charity to be awarded.

From 2026, we will be restructuring this Programme and offering long-term funding to charities across the themes of: Young people within LGBTQ+ communities, child exploitation – with a specific focus on county lines, child mental health and access to education.

Public benefit statement

the7stars Foundation has run a successful grant programme along the theme 'homelessness', 'addiction', 'abuse' and 'child carers'.

The Trustees have had regard to the guidance issued by the Charity Commission on public benefit.

Financial Review (including reserves policy)

A contingency balance of £502,792 has been held. Part allocated to covering costs and the rest to grants. An annual contingency fund of at least £50,000 is confirmed, to ensure the running costs of the Foundation are covered.

Plan for Future Periods

The plan is to continue awarding grants to provide relief regarding abuse of young people aged 16 years and under.

Structure, governance and management

The charity is a Charitable Incorporated Organisation registered on 15 July 2016. It is governed by its constitution.

Appointment of Trustees

Apart from the first charity Trustees, every Trustee must be appointed by a resolution passed at a properly convened meeting of the charity Trustees. In selecting individuals for appointment as charity Trustees, the charity Trustees must have regard to the skills, knowledge and experience needed for the effective administration of the CIO.

Risk Management

The charity is exposed to operational and financial risks as a result of its operating activities. To mitigate these risks a system of internal controls has been implemented that is designed to provide reasonable (although not absolute) assurance against material misstatement.

Trustees' Responsibilities

The Trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of the affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Notes to the Financial Statements

for the year ended 31 March 2025

1 Accounting Policies

Charity information

the7stars Foundation is a charitable incorporated organisation and registered in England and Wales. The registered office is 6-9 Bush House, North West Wing, 57 Aldwych, London, WC2B 4PJ.

Basis of preparation

The financial statements have been prepared in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102). The Charity is a public benefit entity for the purposes of FRS 102 and therefore the Charity also prepared its financial statements in accordance with the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (The FRS 102 Charities SORP) and the Charities Act 2011.

The financial statements are prepared in sterling, which is the functional currency of the company. Monetary amounts in these financial statements are rounded to the nearest pound.

Going concern

The Trustees have assessed whether the use of the going concern basis is appropriate and have considered possible events or conditions that might cast significant doubt on the ability of the charity to continue as a going concern. The Trustees have made this assessment for a period of at least one year from the date of approval of the financial statements. After making enquiries the Trustees have concluded that there is a reasonable expectation that the charitable entity has adequate resources to continue in operational existence for the foreseeable future, and there are no material uncertainties affecting this assumption. The charity therefore continues to adopt the going concern basis in preparing its financial statements.

Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received, and the amount of income receivable can be measured reliably.

For donations to be recognised the charity will have been notified of the amounts and the settlement date in writing. If there are conditions attached to the donation and this requires a level of performance before entitlement can be obtained then the income is deferred until those conditions are fully met or the fulfilment of those conditions is within the control of the charity and it is probable they will be fulfilled.

Expenditure

Liabilities are recognised as expenditure once there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis. All expenses, including support costs which include governance costs, are allocated to charitable activities in the statement of financial activities.

Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practices, and these costs are included within support costs.

Grants are fully accounted for in the year the grant is approved and notified to the beneficiary. Payments falling due in later years are provided for as a liability on the balance sheet.

Notes to the Financial Statements

1 Accounting Policies (continued)

Allocation of support costs

Support costs are those functions that assist the work of the charity, but do not directly undertake charitable activities. Support costs include office costs, governance costs and other administrative costs. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of raising funds and expenditure on charitable activities on a basis consistent with the use of resources.

Financial instruments

Debtors and creditors receivable or payable within one year of the reporting date are carried initially at their transaction price and subsequently at settlement value. Debtors and creditors that are receivable or payable in more than one year and not subject to a market rate of interest are measured at the present value of the expected future receipts or payment discounted at a market rate of interest.

Trade and other debtors are recognised at the settlement amount due after any discount offered. Prepayments valued at the amount prepaid after taking account of any trade discounts due.

Cash and cash equivalents include cash at banks and in hand and short term deposits with a maturity date of three months or less.

Creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Fund accounting

Unrestricted funds are general funds that are available for the use at the trustees' discretion in furtherance of the objectives of the charity.

Restricted funds are subject to specific conditions by donors as to how they may be used. The charity currently has no restricted funds.

Designated funds comprise funds which have been set aside at the discretion of the Trustees for specific purposes. The charity currently has no designated funds.

Critical Accounting Judgements and Estimates

In application of the Charity's accounting policies, the board is required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an on-going basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised, if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

There are no estimates and assumptions which are believed to have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities in the current or prior period.
