The 2023/2024 Annual trustee report on the 6<sup>th</sup> of November 2025.

This Report present the trustees report and the African children Empowerment income and expenses made by the charity for the year ending 2023/2024 session.

The director of the charity donated the sum of £ 860 to the charity which some part were used to purchase the ticket used to travel to Africa for the charity. The sum of £780 was used to purchase the travel ticket whilst £80 was part of the money used to send the gods to Africa.

However, The African children Empowerment solely rely on material donation like used clothes, shoes, school bags, toys and story books to be given to the homeless children on the street but not monetary donation.

The African children Empowerment also visit schools to give a talk to motivate and encourage the children to believe in their future and to walk towards it.

Finally in this report, the trustees have agreed that Solomon Akaka the director will also be visiting Africa during the 2025 Christmas period to distribute and share all the donated items to the African children who are homeless and are less privileged. In this annual report, all the trustee has agreed for the submission of this trustee annual report 2023/2024
