Financial Review

The book values of the assets held at the year-end are, in the opinion of the Board of Trustees, as stated in the financial statements. Also, in its opinion, adequate assets are available to fulfil the obligations of the Charity. Our principal source of funds comes from the generous donations from people who are compassionate to the cause of the Charity. Overall, we had a good financial year. Total receipts on unrestricted funds were £35,592 of which £32,176 was spent to promote the charitable activities.

This policy will be reviewed regularly to meet the charitable needs of the Charity.
