Summary of the main achievements of the charity during the year

The charity has been called upon a number of times to assist Kent Police and Kent Search and rescue by providing both logistical support and transporting search members to hard to reach locations. This service has been invaluable allowing KSAR teams to arrive as fresh as possible to locations to undertake vital search work. The services provided by SE4x4R have benefited the KSAR teams on several successful searches throughout the county of Kent.

SE4x4R has also been asked by several other charitable organisations as well as Kent and Medway County Council to aid in Road closures and providing key individuals a location to ensure public safety during events. In some instances, these events would not have taken place if it wasn't for SE4x4R assistance.

Additionally, SE4X4R has been called upon by Kent police to assist in road clearance, traffic assistance and providing accessible means of transport.

Throughout the Covid 19 Pandemic SE4x4R have supported the NHS delivering test kits, Oximeters and transporting a thinning critical staff to their duties in adverse weather.
