St Peter's Formby Educational Trust 2015

Trustees' Report

The trustees, who are directors for the purposes of company law, present the annual report together with the financial statements of the charitable company for the year ended 31 December 2021.

Objectives and activities

Public benefit

The objectives of the charity which are undertaken for public benefit are:

1. To advance education by the provision of items, services and facilities for Trinity St Peter's Church of England (Aided) primary School, (the school).
2. To advance education by the provision of items, services and facilities for any school substantially serving Formby.
3. To advance the education of persons in Formby who are in need of financial assistance and who are:
 - i. persons who are attending Trinity St Peter's Church of England (Aided) Primary School, or
 - ii. persons who have at any time attended the School or;
 - iii. persons under the age of 25
4. The provision of facilities in the interest of social welfare for the recreation for persons under the age of 25 resident in Formby who have need of such facilities by reason of their age with the object of improving their conditions of life.

The trustees confirm that they have complied with the requirements of section 17 of the Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Grant making policies

Each year the trustees invite schools and other eligible groups in Formby to apply for grant assistance to support any special projects that would otherwise not be met from the Local Education Authority. The trustees meet to consider the merits of each application and make grants to such applicants as fulfil the trustees' criteria.

Achievements and performance

The charity was able to assist Trinity St Peter's School, Formby High School and youth organisations in the community during the year.

Financial review

The charity's income for the year amounted to £36,815 (2020: £34,737) and expenditure amounted to £18,012 (2020: £36,469). This gave an increase in unrestricted reserves held by £18,803. The balance on the unrestricted reserves at the balance sheet date amounted to £106,914 (2020: £88,111).

There was an unrealised gain on the endowment listed investment of £101,576 (2020: £47,690) and a revaluation gain of £95,000 (2020: Nil), the balance on the endowment fund at the balance sheet date amounted to £1,284,312 (2020: £1,087,736).

St Peter's Formby Educational Trust 2015

Trustees' Report

Policy on reserves

The trustees propose to continue their policy of making grants to appropriate bodies and persons, subject to the maintenance of a reasonable level of reserves that are required to meet ongoing repair and renovation obligations.

Investment policy and objectives

The trustees have continued to maintain the policy adopted in the old trust of investment in CBF Church of England Investment Fund. This fund is specifically designed to generate long term capital and income growth and is invested mainly in equities with a wide diversification of good quality holdings in both the UK and overseas.

Structure, governance and management

Nature of governing document

The charity is a company limited by guarantee incorporated on 31 January 2016 and registered as a charity on 22 July 2016. The company was established under a Memorandum of Association which established the objects and powers of the charity and is governed under its Articles of Association.

The trustees, who are also the directors for the purpose of the company law, and who served during the year end up to the date of signature of the financial statements were:

Rev Anne Taylor
Mrs Sarah Elizabeth Howard Gorman
Mr Paul McHenry

Major risks and management of those risks

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

St Peter's Formby Educational Trust 2015

Trustees' Report

Financial instruments

Objectives and policies

The charity's activities expose it to a number of financial risks including credit risk, cash flow risk and liquidity risk. The use of financial derivatives is governed by the charity's policies approved by the board of trustees, which provide written principles on the use of financial derivatives to manage these risks. The charity does not use derivative financial instruments for speculative purposes.

Credit risk

The charity's principal financial assets are bank balances, cash, and investments. The charity has no significant concentration of credit risk, with exposure spread over a large number of counterparties and customers.

Liquidity risk

In order to maintain liquidity to ensure that sufficient funds are available for ongoing operations and future developments, the charity uses a mixture of long-term and short-term debt finance.

Further details regarding liquidity risk can be found in the Statement of accounting policies in the financial statements.

Statement of Trustees' Responsibilities

The trustees (who are also the directors of St Peter's Formby Educational Trust 2015 for the purposes of company law) are responsible for preparing the trustees' report and the financial statements in accordance with the United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the trustees to prepare financial statements for each financial year. Under company law the trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

St Peter's Formby Educational Trust 2015

Independent Examiner's Report to the trustees of St Peter's Formby Educational Trust 2015 ("the Company")

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 December 2021.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of St Peter's Formby Educational Trust 2015 are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of St Peter's Formby Educational Trust 2015 as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities [applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)].

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements for the Year Ended 31 December 2021

1 Charity status

The charity is limited by guarantee, incorporated in England and Wales, and consequently does not have share capital. Each of the trustees is liable to contribute an amount not exceeding £1 towards the assets of the charity in the event of liquidation.

The address of its registered office is:

St Peter's Vicarage Cricket Path
Formby

These financial statements were authorised for issue by the trustees on 29 April 2022.

2 Accounting policies

Summary of significant accounting policies and key accounting estimates

The principal accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

Statement of compliance

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)) (issued in October 2019) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

Basis of preparation

St Peter's Formby Educational Trust 2015 meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

Going concern

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern nor any significant areas of uncertainty that affect the carrying value of assets held by the charity.

The trustees have reviewed the impact of the Covid-19 pandemic and are confident that the charity will continue to be a going concern. The charity is well placed with sufficient funds.

Exemption from preparing a cash flow statement

The charity opted to early adopt Bulletin 1 published on 2 February 2016 and have therefore not included a cash flow statement in these financial statements.

St Peter's Formby Educational Trust 2015

Notes to the Financial Statements for the Year Ended 31 December 2021

Income and endowments

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Income from investments, including interest received, is included when receivable. Income from the endowment is credited to the unrestricted fund.

Assets given for use by the charity are recognised when receivable as donations.

Investment income

Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives unless the funds have been designated for other purposes.

Endowment funds exist where there is a capital fund with no power to convert the capital into income. The freehold land and buildings included in tangible fixed assets and in investment properties are historic, inalienable and form part of a permanent endowment which means that they cannot be sold but must be held in perpetuity.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to that expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use. Other support costs are allocated based on the spread of staff costs.

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

St Peter's Formby Educational Trust 2015

Notes to the Financial Statements for the Year Ended 31 December 2021

Investment properties

Investment property comprises the School Cottage, 15 Paradise Lane and St Peter's Parish Hall. The fair value of the investment property has been arrived at on the basis of a valuation carried out on 28 February 2022 by Ewe Move Sales and Lettings and 23 December 2021 by The Wallis Company Chartered Surveyors. The valuation was made on an open market value basis for similar properties. The trustees believe that this valuation represents the current fair value of the properties at the balance sheet date.

Investment property donated to the charity has been measured initially at fair value based on a previous valuation. Subsequently it is measured at fair value at the reporting end date. The surplus or deficit on revaluation is recognised in statement of financial activities.

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Financial instruments

Financial assets and financial liabilities are recognised when the charity becomes a party to the contractual provisions of the instrument.

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into. An equity instrument is any contract that evidences a residual interest in the assets of the charity after deducting all of its liabilities.

St Peter's Formby Educational Trust 2015

Notes to the Financial Statements for the Year Ended 31 December 2021

Basic financial assets

All financial assets and liabilities are initially measured at transaction price (including transaction costs), except for those financial assets classified as at fair value through profit or loss, which are initially measured at fair value (which is normally the transaction price excluding transaction costs), unless the arrangement constitutes a financing transaction. If an arrangement constitutes a financing transaction, the financial asset or financial liability is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Financial assets and liabilities are only offset in the statement of financial position when, and only when there exists a legally enforceable right to set off the recognised amounts and the charity intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Financial assets are derecognised when and only when a) the contractual rights to the cash flows from the financial asset expire or are settled, b) the charity transfers to another party substantially all of the risks and rewards of ownership of the financial asset, or c) the charity, despite having retained some, but not all, significant risks and rewards of ownership, has transferred control of the asset to another party.

Financial liabilities are derecognised only when the obligation specified in the contract is discharged, cancelled or expires.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

De-recognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.
