

Trustees' Annual Report for the period 1st April 2021 to 31st March 2022
4x4 Response UK, Registered Charity 1168451

Objectives and Activities

To preserve and protect human life and property, in particular, but not exclusively, by providing equipment, vehicles and other resources to offer support in adverse conditions. To promote and represent the 4x4 Response movement at National and Regional level.

All activities within 4x4RESPONSE are conducted by volunteers, (currently 3 Trustees, 8 Regional Managers, 1 Media Lead, 1 Training Lead and 1 Fundraising Lead), and all the activities of the 35+ regional groups and around 2500 volunteers around the UK are unpaid. 4x4 Response UK does not act directly but supports the activities of the various geographically arranged groups around the country.

Achievements and Performance

As an umbrella organisation, 4x4 Response aims to provide a resource for the member groups as a store of knowledge, best practise, administrator for the national radio licence, liaison for Resilience Direct, and a point of contact for any national organisation, statutory or voluntary, looking for logistical support in abnormal times.

Operationally all groups across the country stand ready to support (and indeed have done both in continued support to Covid-19 and their more traditional responses to local needs).
