

Trustees' Annual Report for the period 1st April 2023 to 31st March 2024
4x4 Response UK, Registered Charity 1168451

Objectives and Activities

To preserve and protect human life and property, in particular, but not exclusively, by providing equipment, vehicles and other resources to offer support in adverse conditions. To promote and represent the 4x4 Response movement at National and Regional level.

All activities within 4x4RESPONSE are conducted by unpaid volunteers, (currently 4 Trustees and 6 Regional Managers), and all the activities of the 35+ regional groups and approximately 2500 responders around the UK. 4x4 Response UK does not act directly but supports the activities of the various geographically arranged groups around the country.

Achievements and Performance

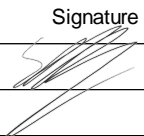

As an umbrella organisation, 4x4 Response aims to provide a resource for the member groups as a store of knowledge, best practise, administrator for the national radio licence, liaison for Resilience Direct, and a central point of contact for any national organisation, statutory or voluntary, looking for logistical support.

In the last year, 4x4 Response UK has implemented a contingency fund, which is intended to provide a line of support to allow any member group to continue operating during a time of deployments should their finances otherwise restrict them. This is planned to be gradually grown over the coming years.
