I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended 05/05/2023 DD / MM / YYYY.

Responsibilities and  
basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent  
examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**Our Aims**

Freddie's Wish is a registered charity (Registered Charity Number 1168483) with clear aims and objectives, these are as follows:

# Freddie's Wish

- **Preservation and protection of good health among parents and families experiencing child bereavement.**
- **To advance the saving of lives by educating the public about paediatric first aid and in turn enabling parents with the skills to potentially save their child's life.**
- **To advance the education of Healthcare professionals in relation to child bereavement and to offer support to families within Warwickshire.**

### **Public Benefit**

The trustees have regard to the guidance issues by the Charity Commission on public benefit.

### **Main Activities and Their Impact**

The charity has benefitted the public by delivering paediatric first aid courses to parents/carers training just over 300 people and providing training for 6 schools in first aid. Therefore, enabling the public to be educated to save their child's life should they need to.

We also continued to develop our bereavement counselling service, supporting parents who have lost a baby or child, supporting 13 parents through this year. In addition, our partnership with GriefChat has been testament to providing instant signposting to parent's moments after their loss when counselling wouldn't be suitable.

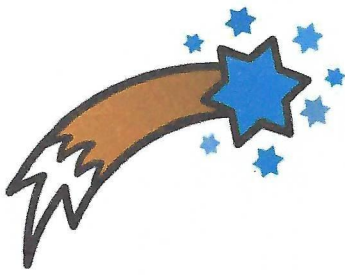

Our bereavement service as a whole has taken a huge strain off the NHS waiting lists for support and the mental health teams within the NHS too with all main hospitals across Coventry and Warwickshire signposting to our service. Unfortunately, the demand for this support and the lack of resources have demonstrated the need for this service to continue to be grown by the charity.

### **Achievements in 2022/23:**
