A MESSAGE OF GRATITUDE

"The example of those who spend their wealth in the way of Allah is like a seed [of grain] which grows seven spikes; in each spike is a hundred grains..." [2:261]

بِسْمِ ٱللَّهِ ٱلرَّحْمَٰنِ ٱلرَّحِيمِ

Alhamdulillah, with the permission of Allah, your support and trust in One Ummah allowed us to **deliver life-saving humanitarian aid to over 2 MILLION of the world's most vulnerable people.** Together, we have fed the hungry, quenched the thirsty, sheltered the displaced and treated the sick and wounded. **You restored hope to countless communities, and from the bottom of our hearts... thank you.**

One Ummah is blessed to be able to deliver your *Amanah* (sacred trust) and transform lives in 19 countries worldwide. To our esteemed donors, generous volunteers, and hard-working staff: *Jazakum Allahu Khairan*. You are the foundation upon which everything we do is built. This is not just charity—it is *'Ukhuwwah* (brotherhood) in action.

We will always be **'United Against Poverty'**. This is not a catchphrase, or a tagline, but a reflection of our *Fard Kifayah*; our collective obligation. As crises multiply in the Muslim world, your steadfastness has proven that the Ummah of *Rasool'Allah* is still united, as One Ummah.

May Allah accept your deeds and your charity, bless your wealth, and shield you in this life and the next. Ameen.

With love and Du'as,

Your One Ummah Family.

A MESSAGE FROM THE CEO

RISZWAN REHMAN

Bismillah ir-Rahmān ir-Rahim

Was-salatu wa-s-salamu ‘alā Rasulillah
Alhamdulillah. All praise belongs to Allah

The past year has been one of the most testing periods our Ummah has faced in recent history. From the ongoing devastation in Palestine, to war and displacement in Sudan, Syria and Lebanon, to climate-driven disasters across South Asia and Africa, hardship has touched millions of our brothers and sisters. Yet amid this suffering, one truth has remained constant: when the Ummah is called, it responds alhamdulillah.

With the permission of Allah and through the trust you placed in One Ummah, **we delivered life-saving humanitarian aid to over 2 million people across 19 countries during the 2024/25 accounting year.**

Together, we fed the hungry, quenched the thirsty, sheltered the displaced, treated the sick, protected orphans, and upheld dignity where it was most under threat. **Every figure in this report represents a life, a mother, a child, a family, whom Allah allowed us to serve through your generosity.**

This year will be remembered as one defined by unprecedented need, particularly in Palestine, where the scale of human suffering has reached levels unseen in our lifetime. As homes, hospitals, and livelihoods were destroyed, One Ummah remained steadfast in its duty.

Alhamdulillah, your support enabled us to reach over 800,000 people in Palestine alone, providing emergency food, clean water, medical supplies, shelter, winter relief, and vital support for infants and children under siege.

We did not look away, and we will not abandon our brothers and sisters as recovery and rebuilding continue. Beyond Gaza, your Amanah reached communities devastated by war, famine, floods, and poverty.

From Sudan’s growing humanitarian catastrophe, to Afghanistan’s floods, Bangladesh’s monsoon devastation, Yemen’s forgotten crisis, and Africa’s deepening poverty, **One Ummah worked tirelessly to ensure your donations were delivered swiftly, responsibly, and in accordance with Islamic principles.** This year alone, we delivered emergency food aid to nearly 700,000 people, provided clean water access to thousands, supported 3,800 orphans, sponsored families, rebuilt homes, constructed 193 Masājid, and delivered winter protection to over 78,000 people facing life-threatening cold conditions.

At the heart of our work remains a clear and unwavering approach: providing urgent humanitarian relief alongside long-term empowerment. We believe charity is not merely about survival, but about restoring dignity, stability, and hope. Whether through income-generating projects, education and teacher sponsorship, livelihood restoration, or sustainable water systems, we aim to help communities move from dependency to resilience, bi’ithnillah.

We remain firmly committed to our 100% Donation Policy, treating every pound entrusted to us as a sacred Amanah. Your Zakat, Sadaqah, and Qurbani were delivered with transparency, accountability, and scholarly oversight, ensuring they reached those most entitled to them under Islamic law.

The Prophet said:
“He who does not thank the people is not thankful to Allah.” — [Abu Dawud]

Therefore, I would like to say, Jazakum Allahu Khayran, to our donors, volunteers, partners, trustees, and dedicated staff. Your sincerity, sacrifices, and unwavering support are the backbone of everything we do. May Allah accept all of our deeds, purify our intentions, place barakah in our wealth, and make this charity a means of protection for us all in this life and the Hereafter.

As we look ahead to the coming year, our resolve remains firm. The challenges facing our Ummah are immense, but so too is its compassion. **With reliance upon Allah, adherence to the Qur’an and Sunnah, and unity of purpose, One Ummah will continue to stand with the oppressed, the hungry, and the forgotten, United Against Poverty, not as a slogan, but as a collective obligation.**

May Allah keep us sincere, steadfast, and worthy of serving His creation.
Amin.

CHAIR OF THE BOARD OF TRUSTEES MESSAGE

SAQIB SATTAR

Assalamualaikum Warahmatullahi Wabarakatuh.

As we reflect on the 2024/25 year, I do so with a deep sense of humility, responsibility, and gratitude to Allah. This has been one of the most challenging periods our Ummah has faced in recent history, marked by widespread conflict, displacement, natural disasters, and deepening poverty across many parts of the world. Yet it has also been a year that reaffirmed the strength, compassion, and unity of the Ummah when guided by faith and action.

Alhamdulillah, through the collective efforts of our donors, volunteers, staff, and partners, **One Ummah delivered life-saving humanitarian assistance to over 2 million people across 19 countries.** From emergency food distributions and clean water access, to shelter, medical aid, orphan care, and winter relief, your trust enabled us to uphold dignity and preserve life in circumstances where hope was scarce. Every project delivered this year reflects a sacred Amanah fulfilled with care, transparency, and accountability.

It is impossible to speak of this year without acknowledging the immense suffering endured by our brothers and sisters in Palestine. Since October 2023, the world has witnessed a humanitarian catastrophe in Gaza that has shaken the conscience of humanity. Tens of thousands of lives have been lost, the vast majority women and children, entire neighbourhoods reduced to rubble, and essential services systematically destroyed. **Over 90 percent of the population has been displaced, many repeatedly, while hunger, thirst, and disease have become daily realities.**

In the face of these horrors, One Ummah remained steadfast. Despite severe access restrictions and logistical challenges, your support enabled us to deliver large-scale emergency food aid, clean water, medical supplies, shelter, winter items, and vital support for infants and families in Gaza. Reaching thousands of people in Palestine this year was not only an operational achievement, but a moral obligation we were honoured to fulfil on behalf of the Ummah.

Beyond Palestine, crises in Sudan, Syria, Lebanon, Yemen, Afghanistan, Bangladesh, Pakistan, and across Africa demanded sustained and compassionate responses. Whether responding to conflict, floods, famine, or long-term deprivation, One Ummah continued to balance urgent relief with long-term empowerment, investing in livelihoods, education, water systems, and community infrastructure so families can rebuild their lives with dignity, by the permission of Allah.

As Chair, I am proud of the governance, integrity, and Islamic values that underpin One Ummah's work. **Our Board of Trustees remains committed to ensuring strong oversight, prudent financial management, and adherence to our 100% Donation Policy, safeguarding the trust you place in us.** This commitment is essential not only for accountability, but for maintaining sincerity in our service to Allah and His creation.

None of this work would be possible without you. To our donors, volunteers, staff, and partners, you are the backbone of One Ummah. Your compassion, sacrifice, and steadfastness continue to inspire us, even in the darkest of times. You have proven that the Ummah of Rasulullah remains united when it matters most.

As we look ahead, the needs before us remain immense. Gaza will require years of recovery and rebuilding. Other forgotten crises continue to deepen. Our responsibility, however, is clear. **We must stand firm with the oppressed, support the vulnerable, and transform despair into hope through sustained action rooted in faith.**

May Allah accept your charity, reward you abundantly, and grant us the strength, unity, and sincerity to continue serving the Ummah with excellence. Ameen.

GLOBAL REACH AND YOUR IMPACT

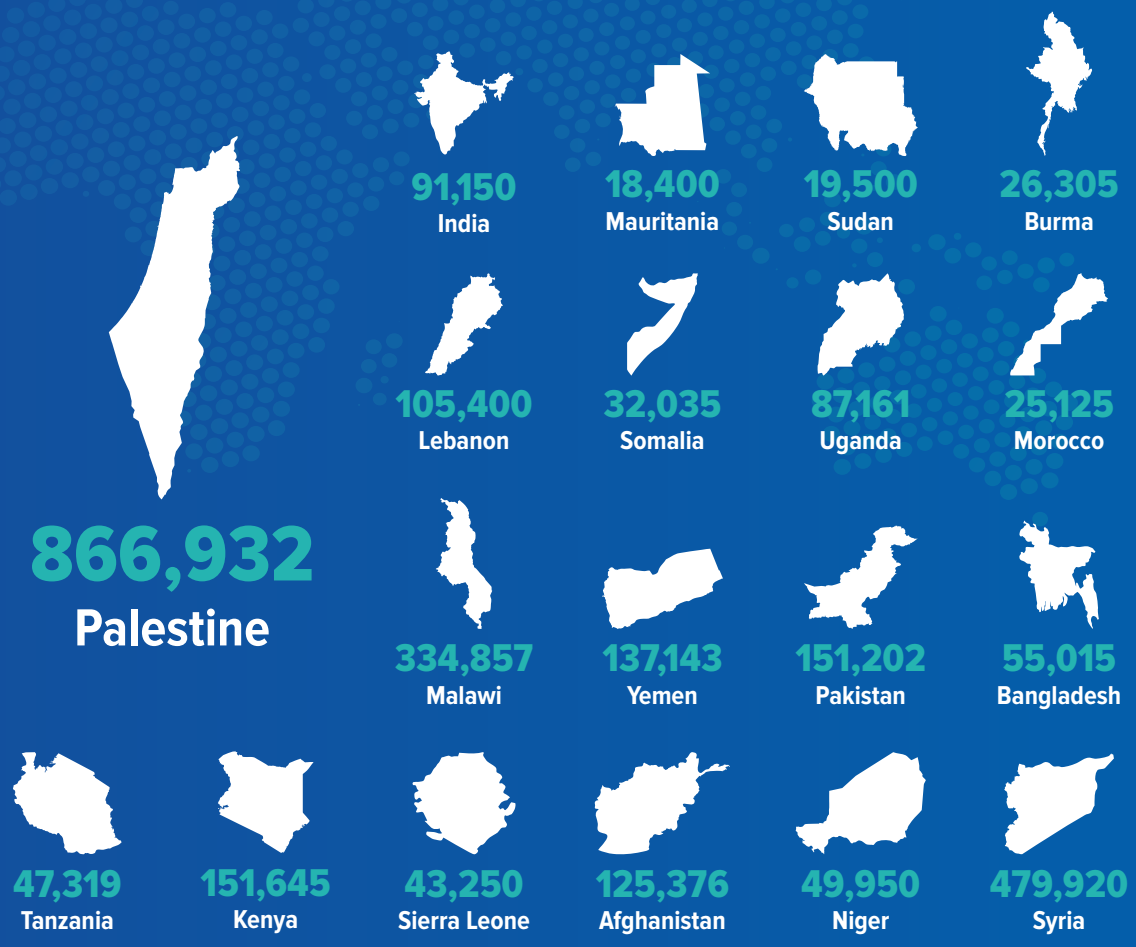
Transforming and **Saving Lives** Across 19 Countries in Need

"...whoever saves a life, it is as if they have saved all of humanity..." [5:32]

Alhamdulillah, despite a year of difficult challenges for the Ummah, we strived to live by these verses, remaining steadfast in our mission.

Through your compassion, we reached 2,847,685 beneficiaries across 19 countries with life-saving aid.

This achievement is a testament firstly to the Grace and Mercy of Allah, and secondly to your unwavering support. Jazakum Allahu Khairan.



A YEAR OF RESPONSE

The past 12 months presented **profound challenges for the Ummah**, with crises in Palestine, Sudan, Yemen, and beyond demanding a swift and compassionate response.

Guided by the words of the Prophet:

"The believers, in their mutual mercy, love and compassion, are like one body..."

[Bukhari], One Ummah mobilised.

You enabled us to enhance our emergency response efforts, ensuring your donationsdelivered life-saving aid at a moment's notice.

Your generosity provided not only immediate relief but also long-term empowerment, helping communities rebuild with dignity. **Every number in this report is a life Allah blessed through your hands.**

Thank you.

PALESTINE

THE WORST HUMANITARIAN CRISIS OF OUR LIFETIME

Your Life-Saving Aid Reached **866,932** Brothers and Sisters **in Palestine.**

The Situation

Since October 2023, Palestine has faced one of the worst humanitarian crises in history. Over 60,000 people have been martyred, with at least 145,000 injured. Most of the victims are women and children. Entire families lie buried beneath the rubble. Others struggle to survive under siege with no food, clean water, or medical aid.

Over 90% of Gaza's population has been displaced, often multiple times. In the West Bank, violence and oppression continue daily, while generations of Palestinians in refugee camps remain stateless.

Basic vegetables cost hundreds of pounds. Medicine is gone. Food and clean water are scarce. Throughout all this suffering, **your support has been a critical lifeline.**

One Ummah's Response

For over a decade, we've stood with Palestinian families through occupation, blockade, and bombardment. Our teams worked tirelessly this past year to address the most urgent needs. Our primary commitment was to sustain life itself and prevent starvation and thirst. Alhamdulillah, we distributed hundreds of thousands of hot meals and food packs, as well as over twenty million litres of clean water.

Protecting the most vulnerable was at the heart of our work, with a major focus on children and infants ensuring they received life-saving winter packs, baby kits and infant kits. From providing tents to thousands of hygiene and medical packs, our approach ensured comprehensive support for our Palestinian brothers and sisters.

IMPACT IN NUMBERS

116,368 Baby & Infant Care Kits were distributed

17,280 Hygiene Packs were provided

200 Tents were installed

16,000 Vegetable Packs were distributed

2,250 Eid Clothes and Gifts were gifted to children

8,217 Medical & Sanitation Packs were delivered

11,200 Winter Aid Items were distributed

21.66 million litres of safe desalinated water were supplied

112,011 Food Packs were distributed

153,402 Hot Meals were served

5,000 Winter Packs were distributed

10 Animals were distributed for Eid

SYRIA

14 YEARS OF WAR-TORN SUFFERING

Your Life-Saving Aid Reached **479,920** Brothers and Sisters **in Syria.**

The Situation

Fourteen years of conflict have created one of the world's most severe humanitarian crises. **Over half a million lives lost, over 14 million refugees** have fled the country, and more than 7.2 million internally displaced. Today, 16.7 million people equivalent to 70% of Syria's population need urgent aid, with 90% living in poverty.

The crisis has stolen childhoods. Over 7 million relying on humanitarian aid. Over 6 million need protection. 2.4 million children out of school. With 38% of hospitals and 47% of primary healthcare centres non-functional, children are more vulnerable to waterborne diseases, malnutrition, and exploitation.

One Ummah's Response

One Ummah's response in Syria addresses both the **immediate devastation and the deep need for long-term recovery.** Your support, an Amanah we hold sacred, enabled a multi-pronged approach.

We delivered life-saving sustenance through daily meals and food packs, constructed new homes and distributed winter survival kits, and protected the most vulnerable through orphan sponsorship.

By fulfilling the Sunnah of Aqiqah and Qurbani, together we've brought moments of joy and normality to families, while our distributions of Zakat and Eid gifts have provided both essential support and spiritual solidarity.

From securing basic survival needs to laying the foundations for sustainable rebuilding, **our work is a continuous effort to help the Syrian people reclaim their dignity and future, Insha'Allah.**

IMPACT IN NUMBERS

66,005 bags of rice were distributed

252 homes were constructed

2,000 winter packs were distributed

131 Aqiqah were carried out

46,000 hot meals were served

300 orphan sponsorships were supported

1,000 Eid gifts were distributed

490 Qurbani were carried out

4,500 food packs were distributed

200 Zakat cases were supported

LEBANON

A YEAR OF RELENTLESS SUFFERING

Your Life-Saving Aid Reached **105,400** Brothers and Sisters **in Lebanon.**

The Situation

Lebanon endured one of its most difficult years since the 2006 conflict. Daily airstrikes and shelling has resulted in over 1.6 million displaced. Over $14 billion in losses and two-thirds of housing in affected areas destroyed. Humanitarian access remains restricted, **leaving thousands without shelter, food, or medical care.**

The people of Lebanon face a major humanitarian crisis. The intensity of the destruction can only be compared to the devastation in Gaza. Many people, including refugees and asylum seekers are unable to meet their basic needs, and desperately rely on humanitarian aid to survive.

Their suffering isn't slowing down, and their lives are at risk every single day.

One Ummah's Response

Your support allowed One Ummah to act with compassion to fulfil the basic rights of our brothers and sisters: the right to sustenance, shelter, and dignity. Our efforts were strategically focused on providing immediate, life-saving relief to the most vulnerable people in disaster and conflict zones. This included a major distribution of food packs and hot meals, as well as hygiene packs, winter blankets, and mattresses.

Another core priority was the direct sponsorship of hundreds of orphans and vulnerable families. This provided them with not just financial stability, but also a sense of hope and belonging.

Your generosity extended to honouring the blessed Sunnah of Qurbani, providing nutritious meat to thousands, and ensured Zakat reached those most in need.

YEMEN

THE FORGOTTEN CRISIS

Your Life-Saving Aid Reached **137,143** Brothers and Sisters **in Yemen.**

The Situation

A decade of conflict has escalated Yemen's existing vulnerabilities into one of the world's worst humanitarian crises. 18 million people, 11 million children, desperate need aid. Around 4.5 million people, 14% of the population are displaced, with most experiencing multiple displacements. **Of those displaced, 80% are women and children.**

Tens of thousands live in famine-like conditions, with 5 million more on the brink. In total, more than 80% of Yemenis live in poverty. The economy has more than halved since the start. Malnutrition rates among women and children are the highest in the world. **Our worst nightmare is their daily reality.**

One Ummah's Response

One Ummah's operations in Yemen strategically tackled the **dual crises of food insecurity and the collapse of essential services.** Understanding that hunger is a daily battle, we invested in sustainable solutions like community bakeries that feed thousands daily, while also providing essential food packs for immediate survival.

Our mission extended to protecting the most vulnerable, from protecting a generation of infants with vital baby kits, to restoring sight and independence through life-changing cataract surgeries. Through these efforts, and the blessed distributions of Qurbani and Zakat, **we ensured your support delivered not just aid, but dignity, resilience, and a tangible path toward a brighter future.**

IMPACT IN NUMBERS

40,500 Baby Care Kits were distributed

100 Qur'an were distributed

133 Cataract Surgeries were carried out

300 Orphan Sponsorships were supported

100,004 loaves of bread were distributed

1,432 Hygiene Packs were distributed

10,650 Food Packs were distributed

5 Bakeries were supported

450 Zakat Grants were distributed

125 Qurbani were carried out

AFRICA

THE FORGOTTEN CONTINENT

Your Life-Saving Aid Reached **809,242** Brothers and Sisters **in Africa.**

Over 400 MILLION Africans—5% of the World's Population—Live in Extreme Poverty.

Africa continues to bleed as the world ignores. The Ummah has faced wave after wave of hardship. From conflict to climate disasters, these overlapping emergencies have pushed communities to the edge, making Africa the poorest continent in the world. **Yet, their cries are lost in the noise of a world that turns away.**

67% of the world's extremely poor live in Africa. More people lack access to safe drinking water than the entire USA population: 420 million. **A continent that should thrive, fights to survive on less than £2 a day.** They are trapped in crushing poverty, fighting an endless battle against war, famine, and disease, resulting in a severe food crisis that affects over 800 million people. Malaria and HIV/AIDS continue to infect communities.

Children in Africa are among those most at risk. With 40% of the continent's population under 15 years old and 50 million orphans among them, an entire generation grows up knowing hunger, disease, and loss as their daily companions. By 2050, half of the 1 billion people in sub-Saharan Africa will be under 25, a population that is expected to double in size in that time. **Disease outbreaks, malnutrition, and endless cycles of conflict** have created a vicious trap where each crisis compounds, **leaving families with nowhere to turn, but to Allah and us, their Ummah.**

As Muslims, the suffering of one part of our Ummah affects us all: *"Muslims are like one body of a person; if the eye is sore, the whole body aches, and if the head aches, the whole body aches."* [Muslim, 2586].

One Ummah stands committed to expanding our humanitarian footprint across Africa, bringing not only life-saving aid but sustainable hope to the most vulnerable in the hardest-to-reach areas. **No crisis is stronger than the collective compassion of the Ummah.**

Malawi

We addressed both urgent hunger and the foundations for a brighter future. We delivered life-saving food supplies and Zakat aid to stabilise families in crisis, while Qurbani distributions brought nourishment and celebration during Eid. **Recognising education as a core Islamic obligation,** we invested deeply in building schools, supporting teachers, and providing holistic care for orphans to **secure the next generation's future.**

Our commitment extended to sustainable community health, installing solar-powered water systems and sanitation facilities to protect families from disease. Through these combined efforts, from immediate relief to long-term empowerment, **we provided targeted support to the most vulnerable, ensuring your compassion built lasting resilience.**

Kenya

Guided by the fundamental Islamic priorities of preserving life and upholding dignity, our response in Kenya focused on providing **three essential pillars of support.** First, we tackled the water crisis by installing numerous deep-capped borewells, securing a safe and reliable source of clean water for entire communities and protecting them from disease. Second, we blessed thousands with nutritious Qurbani meat, ensuring they could share in the joy and nourishment of Eid.

The third pillar was to strengthen Iman. We built several Masajid, providing tens of thousands of Muslims with a safe place for prayer, congregation, and learning. **These core efforts** were supported by additional aid, including food packs and the sponsorship of orphans and families, ensuring a holistic approach to **alleviating suffering and fostering resilience.**

Uganda

One Ummah's priority in Uganda was to address the severe hunger crisis and build foundational community resources. We launched a massive food distribution effort, providing tens of thousands of meals and food packs to stabilise families facing starvation. Alongside this, **we installed numerous bore wells to secure a permanent supply of clean water, combatting waterborne diseases and freeing up time for children to pursue education instead of fetching water.**

We invested in the future by constructing multiple Masajid to serve as centres of faith and community. We also **supported education** by **sponsoring a school and 195 teachers, ensuring that knowledge and Islamic values continue to guide the next generation.** These core efforts were complemented by the distribution of Zakat and Qurbani meat, offering both financial dignity and nutritional support to the most vulnerable.

Tanzania

You helped us deliver immediate, life-sustaining aid to communities affected by poverty and climate disasters. Our primary effort was a large-scale distribution of food packs and hot meals to combat severe hunger, providing a critical lifeline for thousands of families. We also distributed Qurbani meat during Eid, and Zakat-based cash aid to offer families the nutrition and dignity to address their most pressing needs.

Beyond emergency relief, we invested in foundational community structures to foster long-term resilience. **We constructed new Masajid and sponsored teachers to help secure the future of education.** By addressing both the urgent crisis of hunger and the need for spiritual and educational support, our work provided a comprehensive response to Tanzania's challenges.

Niger

Your support allowed us to answer the call of the hungry and thirsty. We delivered thousands of food packs to provide sustenance and immediate relief from the grip of hunger. Alongside this, the **blessed distribution of Qurbani meat brought nourishment and joy to families in desperate need.**

We also established sustainable sources of clean water through new bore wells, an ongoing Sadaqah Jariyah. Furthermore, we distributed your Zakat and gifted livestock to families as a means of building sustainable livelihood, helping them regain their dignity and self-sufficiency by the permission of Allah.

One Ummah also carried out life-saving projects in Sudan, Somalia, Sierra Leone, Morocco and Mauritania.

IMPACT IN NUMBERS

25 Masajid were constructed

1,100 Orphan Sponsorships were supported

165 Medical Operations were implemented

100 Family Sponsorships were supported

35,562 Food Packs were distributed

4,000 Winter Aid packs were distributed

BANGLADESH

LIFE UNDER SIEGE

Your Life-Saving Aid Reached **55,015** Brothers and Sisters **in Bangladesh.**

The Situation

In Cox's Bazar, Bangladesh, **over one million Rohingya Muslims have sought refuge from persecution.** Denied citizenship and fleeing violence, they now reside in the world's largest refugee camp.

Bangladesh is the third most vulnerable country to natural disasters. In 2024, Cyclone Remal devastated coastal regions, affecting 18 million people and destroying over 35,000 homes.
Subsequent monsoons triggered four major disasters, flooding 300,000 hectares of farmland, displacing 415,000 people and disrupting education for over 1.7 million children.

One Ummah's Response

One Ummah reached thousands in Bangladesh **with life-saving aid.** A country ravaged by cyclones and floods, our primary efforts focused on large-scale emergency sustenance and shelter, delivering thousands of hot meals and food packs to displaced families, and constructing/fixing homes and shelters to provide safety.

Another top priority was to establish life-sustaining infrastructure. We installed hundreds of deep well tubes and hand pumps and provided targeted cash aid and Zakat distributions to offer flexibility and dignity in recovery. Alongside these broad initiatives, we distributed Qurbani, supported the disabled, and ran niche transformative projects like a dedicated cooking school and vocational training in graphic design and tailoring.

IMPACT IN NUMBERS

3,850 Food Assistance was provided

64 Qurbani were carried out

40 Homes were constructed

217 Hand Pumps were installed

3 Income-Generating Projects were supported

25 Water Wells were constructed

30 Shelters were provided

700 Zakat grants were distributed

300 Orphan Sponsorships were supported

100 people received **medical support**

PAKISTAN

FLOODED WITH HARDSHIP

Your Life-Saving Aid Reached **151,202** Brothers and Sisters **in Pakistan.**

The Situation

Climate issues, conflict and economic collapse have created urgent humanitarian needs across Pakistan. From the deadly flash floods in Khyber Pakhtunkhwa to record-breaking heatwaves exceeding 48°C in Karachi, millions continue to suffer. **The monsoon season affected over 3 million people and submerging 200,000 acres of vital cropland.**

Bridges, roads, and schools were swept away, and flash floods and disease outbreaks caused further devastation.

17 million people have been pushed into severe hunger. Crop failures from both floods and extreme heat, combined with inflation and disrupted supply chains, only make the crisis worse. Malnutrition rates increased, especially among children under five and expectant mothers. Meanwhile, hosting millions of Afghan refugees has stretched Pakistan's fragile humanitarian resources even further.

One Ummah's Response

Despite the overwhelming crisis, **you empowered One Ummah to rebuild hope for Pakistan.** Our priority was to provide immediate, large-scale stabilisation while laying foundations for long-term recovery. **Your support enabled a massive response to the most urgent needs:** sustaining millions through essential food packs and hot meals as well as securing clean water for communities.

We also placed a high importance on medical projects; sponsoring patients, providing medicine to thousands, performing hundreds of cataract surgeries and upgrading a hospital. Beyond physical needs, **we strengthened the Iman of thousands by building 15 Masajid**, Alhamdulillah. Cash aid and livelihood projects brought about self-reliance, and we protected orphans and widows as well as shielding families from the winter cold.

IMPACT IN NUMBERS

500 cataract surgeries were carried out

2,901 medical interventions delivered

300 orphan sponsorships were supported

904 Zakat grants were distributed

160 income-generating projects were supported

15 Masajid were built

200 widows were supported

1 School was established

3,152 winter packs were distributed

2,700 food packs were distributed

20 Bakeries were supported

50 Qurbani were carried out

40 hand pumps were installed

EMERGENCY APPEAL

AN UMMAH IN CRISIS

Sudan

Situation:

Sudan plunged into one of the world's worst humanitarian emergencies during our 24/25 reporting period, as the war between rival armed forces shattered lives and destroyed livelihoods across the nation. The crisis left more than 24 million people facing acute food insecurity, with millions experiencing Emergency and Catastrophe levels of hunger. The conflict displaced over 11 million within Sudan's borders, whilst forcing another two million to flee the country, creating the world's largest displacement crisis. Tens of thousands were killed in combat, and the widespread collapse of essential services combined with severely restricted humanitarian access left families fighting for survival under the constant and growing threat of famine.

One Ummah's Priorities:

Food Security: Distributing essential food packages to isolated rural communities cut off from supply chains.

Emergency Response: Delivering urgent food assistance to the most vulnerable populations, including displaced families, malnourished children, and those in famine-affected areas.

Increase Impact: To increase our work in Sudan, particularly for those who have been directly affected by the war.

Your Impact:

One Ummah's efforts in Sudan have reached 3,900 families, totalling 19,500 beneficiaries.

Bangladesh

Situation:

Throughout mid-2024, Bangladesh was devastated by widespread monsoon flooding, particularly in Sylhet, Sunamganj, and the northern districts, displacing hundreds of thousands and submerging vast swathes of critical farmland. Major rivers burst their banks, causing catastrophic damage to homes, schools, and health facilities, while severely disrupting livelihoods and contaminating water supplies. According to the Government of Bangladesh and humanitarian assessments, over 3 million people were affected, with many communities facing acute food insecurity and heightened risk of waterborne disease outbreaks. In response to this crisis, our teams prioritised immediate humanitarian needs, delivering urgent emergency assistance to the most vulnerable.

One Ummah's Priorities:

Restore Dignity: Ensuring the survival and dignity of affected families, women, men, and children, amid the flooding crisis.

Food Assistance: Regular distribution of hot meals, dry rations, and essential food packages to combat hunger and malnutrition.

Hygiene Kits: Critical supplies to prevent waterborne disease outbreaks and maintain health in flood-affected areas.

Your Impact:

Your support allowed One Ummah to help 25,690 people in need in Bangladesh. 3,418 food packages distributed, providing essential nutrition to 17,090 people 8,500 hot meals served to 8,500 people in need of immediate food assistance 100 hygiene kits delivered to protect 100 individuals from waterborne diseases.

Afghanistan

Situation:

From early to mid-2024, Afghanistan was struck by devastating flash floods, among the worst in decades, across multiple provinces, including Baghlan, Badakhshan, and Takhar. Torrential rains triggered severe flooding that swept away homes, roads, farmlands, and vital infrastructure, displacing tens of thousands and cutting entire communities off from assistance. The destruction of agricultural assets, livestock, and livelihoods deepened existing vulnerabilities in a country already struggling with severe economic hardship and widespread food insecurity. According to the UN Office for the Coordination of Humanitarian Affairs (OCHA), more than 80,000 people were directly affected, facing urgent needs for shelter, food, and clean water. In response, our teams mobilised rapidly to deliver emergency relief.

One Ummah's Priorities:

Food Assistance: Regular distribution of hot meals and essential food packages to combat hunger and malnutrition.

Winter Protection: Provision of heavy-duty blankets to protect families from harsh winter conditions .

Emergency Shelter: Tents for displaced families who lost their homes in the floods.

Hygiene Kits: Essential supplies to prevent disease outbreaks and maintain health.

Your Impact:

Your donations allowed One Ummah to positively impact 12,750 beneficiaries in Afghanistan.

Food Security and Nutrition: Supported 11,250 people through the provision of 10,000 hot meals for individuals in immediate need and 250 food packages delivering essential nutrition to 1,250 people.

Emergency Shelter: Provided 100 emergency tents, offering safe shelter to 500 displaced individuals affected by crisis.

Winter Relief: Distributed 500 heavy-duty blankets, protecting 500 people from harsh winter conditions.

Health and Hygiene: Distributed 500 hygiene kits, safeguarding the health and well-being of 500 individuals through improved sanitation and disease prevention.

Syria

Situation:

After nearly 14 years of brutal conflict and dictatorship, Syria began to see the light at the end of the tunnel in December 2024 with the fall of the Assad regime. The country faced immense challenges: millions remained displaced, infrastructure lay in ruins, and communities struggled to recover from the devastation. Throughout the year, One Ummah provided continuous and ongoing humanitarian support, delivering essential aid including food packages, hot meals, hygiene kits, winter supplies, and small livestock to help families restore their livelihoods. We also supported vulnerable families through orphan sponsorship, home assistance, and Eid gifts, helping them not only survive but also recover and maintain their dignity during this critical transition.

One Ummah's Priorities:

Food Assistance: Regular distribution of food packages, hot meals, bread, and rice to meet daily nutritional needs for vulnerable and displaced families.

Orphan Care and Family Support: Sponsorship programmes and home assistance providing long-term care and stability for orphaned children and struggling families.

Winter and Hygiene Relief: Winter packages (including warm clothing and heating supplies) and hygiene kits to help families endure harsh conditions and prevent disease.

Livelihood Restoration: Small livestock distribution and Eid gifts to boost household food security, provide festive nourishment, and rebuild sustainable incomes.

Emergency Financial Aid: Zakat grants delivering urgent cash relief to the most vulnerable households facing immediate crises.

Geographic Reach: Operations across Syria, prioritising communities facing the most acute hardship, including those affected during and after the December 2024 liberation.

Your Impact:

You helped One Ummah support 479,920 people in the Syria emergency.

Food Security and Nutrition: Approximately 440,810 people in Syria were supported through food security and nutrition interventions, including the provision of food packs, bread, hot meals, and rice distributions. In addition, 647 Qurbani animals were slaughtered and distributed, providing fresh meat to around 6,470 beneficiaries, helping to meet essential protein needs during the Eid period.

Health and Hygiene: Distributed 4,600 hygiene kits, ensuring disease prevention and basic sanitation for 23,000 people.

Winter Relief: Distributed 3,140 winter packages, providing warm clothing and essential items, and supporting 11,900 people against harsh winter conditions.

Festive Support: Distributed 1,000 Eid gifts to bring joy to 1,000 children during celebrations.

Emergency Financial Aid: Provided 200 Zakat grants, delivering urgent relief removing cash to 1,000 vulnerable families.

Child Welfare and Family Support: Sponsored 300 orphans, providing long-term care and stability for 1,200 children and their families. Additionally, assisted 252 homes, supporting 1,260 people with shelter and household needs.

Gaza

Situation:

Gaza has been subjected to prolonged siege and intense conflict, leaving civilians trapped with severely restricted access to food, clean water, healthcare, and safe shelter. Widespread destruction of homes and vital infrastructure, combined with blocked supply routes and overcrowded displacement conditions, has pushed families into extreme hardship, hunger, and preventable illness. Children, women, and the elderly have been particularly affected, facing acute shortages of nutrition, clean water, and protection from harsh weather. In this context of sustained deprivation and fear, One Ummah delivered a life-saving, multi-sector humanitarian response to preserve life, dignity, and resilience for families enduring siege conditions.

Your Impact:

In Gaza, a comprehensive, life-saving humanitarian response was delivered across food security, health and hygiene, water, shelter, and winterisation, reaching a total of 866,932 beneficiaries through emergency and conflict-response programming.

Food Security and Nutrition: Large-scale food assistance was delivered to address acute hunger and malnutrition through the distribution of 112,011 food packs, 21,680 adult care and food packs, 153,402 freshly cooked hot meals, 7,900 combined vegetable, food pack and hot meal distributions, and 16,000 vegetable packs. Integrated multi-sector assistance combined food support with baby care items, children's winter clothing, and cooked meals. During Eid al-Adha, 10 Qurbani animals were distributed, ensuring access to fresh meat for vulnerable households.

Health, Hygiene and Child Care: To reduce disease risk and support dignity in overcrowded conditions, 17,280 hygiene packs and 8,217 medical and sanitation packs were distributed. Maternal and child health needs were prioritised through the provision of 114,368 baby and infant care kits, alongside an additional 2,000 infant care kits. Seasonal support included 1,450 sets of Eid clothing and 800 Eid gift packages for children, helping to support psychosocial wellbeing during religious festivities.

Water, Sanitation and Hygiene (WASH): Critical access to safe drinking water was maintained through large-scale water desalination and distribution, ensuring sustained water supply in densely populated displacement and urban areas where water infrastructure had been severely damaged.

Shelter and Winterisation: Emergency shelter assistance included the provision of 200 tents for displaced families. Winterisation support was delivered through 11,200 winter items (including blankets, sleeping kits, and children's winter clothing) and 5,000 winter packs, protecting vulnerable households from harsh weather conditions.

Together, these integrated interventions addressed immediate survival needs while upholding dignity and resilience for families living under siege in Gaza, across food security, health and hygiene, water access, shelter, and seasonal protection.

Due to the highly volatile operating conditions in Gaza, it was not always possible to accurately calculate the number of unique individuals reached. To ensure transparency, impact is reported primarily through programme outputs rather than combined beneficiary figures. Where assistance was repeated, the highest level of delivery at any one time is referenced, and where activities occurred across different locations or periods, totals may be presented cumulatively. In some cases, impact is reported through the quantity of items delivered, recognising that some families may have received support more than once.

Lebanon

Situation:

Between April 2024 and March 2025, Lebanon faced one of its most challenging periods in decades, as the country's prolonged economic collapse, political instability, and fragile public services were compounded by an escalation of hostilities in October 2024.

The conflict triggered mass internal displacement, worsened already dire living conditions, and pushed large segments of the population into acute poverty and food insecurity.

One Ummah's Priorities:

Food Security and Nutrition: Regular distribution of food packages, hot meals, and fresh meat to meet daily nutritional needs for vulnerable families and displaced persons.

Orphan Care and Family Support: Sponsorship programmes and special events providing long-term care, stability, and hope for orphaned children and struggling families.

Winter Relief and Hygiene: Winter packages (including warm clothing and heating supplies), mattresses, and hygiene kits to protect families from harsh conditions and prevent disease.

Emergency Financial Aid: Zakat grants delivering urgent cash relief to the most vulnerable households facing immediate crises.

Qurbani Distribution: Sacrificial meat from large animals distributed during religious festivals, providing nutritious protein and festive nourishment to families in need.

Your Impact:

Your support allowed One Ummah to help 105,400 people in need in Lebanon.

Food Security and Nutrition: Families facing severe food shortages were supported through the distribution of 8,050 food packages, reaching 40,250 people, alongside 7,000 hot meals serving 35,000 people.

In addition, meat assistance was provided through 20 Qurbani animals, benefiting 9,000 people, in addition to 150 meat distributions reaching a further 750 beneficiaries.

Child Welfare and Family Support: Long-term care and protection were strengthened through the sponsorship of 800 orphans, supporting 3,200 children, alongside 100 vulnerable families, reaching 2,000 people. An orphan support event further provided care and psychosocial support to 800 children.

Winter Relief: Protection from harsh winter conditions was delivered through 2,000 winter packages containing clothing and heating supplies, supporting 10,000 people, alongside the distribution of 2,000 mattresses, ensuring safe and dignified rest for 2,000 individuals.

Health and Hygiene: To reduce health risks and improve living conditions, 1,400 hygiene kits were distributed, benefiting 7,000 people.

Emergency Financial Aid: Immediate relief was provided through 2,020 Zakat grants, supporting 10,100 vulnerable people to meet urgent household needs.

WINTER

KEEPING THE UMMAH WARM

Your contributions kept **78,620 people warm** throughout devastating **winter conditions.**

Winter is a deadly season for the Ummah across many continents. The cold can be more deadly than hunger, and in many regions, millions of people are fighting both. Countless families without shelter, warmth or protection face sub-zero temperatures with nothing but their Du'a.

150 million people face homelessness during the cold winter months; 5 million lives are lost every year. Winter doesn't just bring cold, but fear. Widows hold their children tight, trembling with each breath. Children have no choice but to sleep on frozen ground, not knowing if they'll survive the night. **The cold is their enemy, but the Ummah can be their warmth.**

The Prophet Muhammad said: *"The believer's shade on the Day of Resurrection will be his charity."* – [Musnad Ahmad, 23490].

Your donations have provided that much-needed shade, bringing life-saving warmth to those in desperate need.

Through your support, we delivered thousands of blankets, sleeping kits and children's winter clothing, each item shielding the Ummah against the biting cold. Our winter packs were filled with essentials for survival, as well as winter food packs and educational kits for children. **May Allah accept your kindness and multiply your reward.**

Drops of Mercy

You provided safe water access to **over 121,000 people** and delivered millions of litres of **emergency desalinated water in Gaza.**

Every 90 seconds, a child dies from diseases caused by dirty water. 2.2 billion people, more than a quarter of the world struggle to find safe drinking water each day. 3.5 billion people lack access to safely managed sanitation. In scorching climates where temperatures regularly exceed 40°C, **women and children walk 6-8 hours a day** across some of the most dangerous terrain **to carry contaminated water** that might kill their families.

Whilst most of the Ummah enjoys an abundance of water for Wudhu and thirst, some of our brothers and sisters drink from ponds shared by animals. Providing safe water and sanitation is a beautiful *Sadaqah Jariyah* that can transform entire communities with sustainable clean water programmes. **Every time a person, animal, or any living thing benefits from the safe water you have provided, you'll receive blessings, even after you return to Allah.**

Your support helped us **construct 469 water access points** that now serve hundreds of thousands of people daily. In drought-stricken regions where families once walked hours for contaminated water, our **167 bore wells and 25 deep well tubes** now provide clean, reliable access just minutes from home.

Our **237 hand pumps** brought dignity to villages where women and children had spent entire days fetching water instead of attending school or generating income. In areas facing acute water shortages, we installed **20 large-capacity hand pumps and 20 traditional water wells** that serve as community lifelines during the most brutal seasons. When emergencies struck and existing sources became unusable, our rapid-response emergency desalination projects ensured that millions had access to safe drinking water.

Each water point represents liberation. You didn't just provide water; you restored health, education, economic opportunity, and social harmony to communities that had been struggling without this most basic necessity of life. **Most of all, you provided drops of mercy.**
Jazakum Allahu Khairan.

The Prophet Muhammad said:

"Seeking knowledge is an obligation upon every Muslim."

[Ibn Majah, 224]

Your generosity provided educational support and a brighter future to **4,472 children.**

Over 250 million children worldwide are out of school. Conflict, displacement, and disaster have forced children out of classrooms, leaving them vulnerable to poverty, exploitation, and despair. Sub-Saharan Africa and Central/Southern Asia account for 188 million of the 250 million children out of school.

But these children are not just statistics. **They are the future of our Ummah.** Islam places immense value on education, and every child deserves the chance to learn critical skills to escape the cycle of poverty.

Education has a profound impact on generations to come. To deny a child education is to deny them dignity, opportunity, and the tools to rise above hardship. That's why **One Ummah has made education a cornerstone of our mission**, working for over a decade to bring learning to crisis-hit nations where hope is scarce and classrooms are empty. **We want to ensure that all children have the chance to go to school and become proficient in reading and writing as adults.**

Alhamdulillah, **your generosity has transformed futures.** You've helped us provide over 1,540 school resources, giving thousands of children a safe space to learn. You've also sponsored 575 teachers and 339 Imams, ensuring Islamic values remain at the heart of every lesson. We ran training workshops to empower educators and uplift entire communities, as well as providing thousands of meals, so no child learns on an empty stomach. **And through your support, One Ummah sponsored an entire school, helping them build and improve for the future.**

Education is more than books and classrooms though, it's a shield against ignorance, a path to self-reliance, and a means of worship when rooted in Islamic values. **With every child who learns to read, write, and recite Qur'an, you are planting seeds of change.**

May Allah accept your giving, multiply your reward, and continue to use you as a means of mercy for the Ummah.

Let's keep building futures, one child, one classroom, one prayer at a time.

Qurbani

Follow the Sunnah of Ibraheem عليه السلام

Your Qurbani donations provided fresh meat to **191,447 people** who hadn't tasted meat all year.

Eid is a time when Muslim communities from around the world come together and celebrate. A time of joy. But the fact is, Eid is the opposite for hundreds of millions of people. Around 600 million people in Muslim majority countries battle hunger. They don't know if they'll be able to feed their families. Even when they do eat, meat is a luxury that may only come once or twice a year. Your Qurbani meat is their only taste of Eid, and a lifeline for thousands.

During the sacred season of Qurbani, **you continued the legacy of Ibrahim by supporting One Ummah in distributing 9,045 shares of Qurbani.** Through cattle, sheep and goats, carefully selected according to Islamic guidelines, we transformed your Qurbani obligations into rare moments of joy for communities.

Our Qurbani distributions brought entire families together around plates they thought they'd never fill. Remote villages that had survived on grains and vegetables for months suddenly experienced the rich nutrition that growing bodies desperately needed. From small goats that fed individual households to large cattle that nourished entire neighbourhoods, each sacrifice carried your intention. **Your Qurbani embodied the Islamic principle that true celebration includes those who have the least.**

FEED THE NEEDY

Worldwide, 2.4 billion people, **nearly one out of three people**, battle some form of hunger. Among them, 870 million endure severe hunger, their bodies failing as **they struggle to find even basic food.** This is a crisis that affects every continent.

The truth is that global undernourishment has regressed to levels not seen in over fifteen years. **50% of child deaths worldwide link directly to malnutrition**, while hunger-related causes claim over 9 million lives annually, many of them children who never reached their fifth birthday.

In a world that produces enough food to feed everyone, the presence of the hunger crisis represents one of humanity's greatest failures. **Families in poverty-stricken areas live day-to-day, uncertain whether they'll eat.** Their fundamental right to food is denied by circumstances beyond their control. Children who should be learning and playing instead spend their energy simply surviving. **This is the harsh reality for our Ummah.**

Through One Ummah's food programmes, **your generosity was the difference between survival and starvation for over two million people.** In conflict zones where markets had closed and supply chains collapsed; we delivered emergency food packs that sustained families trapped by violence. When natural disasters swept away crops and contaminated water sources, our rapid response teams provided hot meals to displaced communities seeking shelter in makeshift camps.

Our interventions reached every corner of human need, from remote rural villages where children had never tasted fresh vegetables, to urban slums where even bread had become an unaffordable luxury. During Ramadan, our Iftar programmes broke the fasts of families who thought they might have to fast without food, while our staple food distributions ensured that the most basic nutritional needs were met in forgotten communities.

No believer should sleep hungry while others have anabundance. Whether through fresh bread delivered to refugee camps, vegetable packs that brought essential nutrients to malnourished children, or dry food supplies that helped families weather extended crises, **each intervention carried your compassion directly to those who needed it most.**

ZAKAT GRANTS

CHARITY FROM THE HEART

Your Zakat Grants Reached **21,857 People** in Need.

Your Zakat: A Sacred Trust Fulfilled

When you place your Zakat in One Ummah's hands, you entrust us with more than money, it's a sacred obligation that connects your heart to Allah's Mercy, and your wealth to His creation. This year, **your Zakat** contributions **transformed the lives of 21,857 beneficiaries in need.**

Zakat represents fairness, justice, and social responsibility in Islam. **When you give 2.5% of your excess wealth, you don't lose anything,** in fact, Allah gives you more than you spend. Our scholars verify every distribution, ensuring your Zakat fulfils its Islamic duty. **One Ummah's 100% donation policy** guarantees that every penny you give goes directly to those in need. **Nothing is spent on administrative or marketing costs.**

Where Your Zakat Made the Difference

In refugee camps, **your Zakat provided** food that filled empty stomachs and restored hope. When natural disasters struck communities already struggling with poverty, your contributions became emergency grants that helped families rebuild their lives. In rural villages where necessities remained a luxury, **Zakat-funded projects brought dignity through access to things most of us take for granted.**

Your cash assistance reached widows, families, the elderly and the young. Some families received direct monetary support that allowed them to make their own choices about their most pressing needs, whether that meant paying for medical treatment, securing temporar shelter, or ensuring their children could continue their education.

SubhanAllah, the impact of your Zakat extends far beyond what you can imagine. Your 2.5% becomes a catalyst for transformation that touches countless lives in ways we don't know. As the year ahead unfolds with its inevitable trials and challenges, remember that your Zakat serves as protection for the vulnerable. **Through your continued trust in One Ummah**, we can continue to support the most neglected communities in our Ummah. True wealth lies not in what we keep, but in what we give for the sake of Allah.

May He multiply your reward and make your wealth a source of blessing in this life and the next. Ameen.

"And establish prayer and give Zakat, and whatever good you put forward for yourselves – you will find it with Allah..." [2:110]

MASAJID

Alhamdulillah, **your support helped** One Ummah **build 43 Masajid**.

Building Houses of Allah

A Masjid stands as the beating heart of every Muslim community, where believers gather for prayer, children learn Qur'an, and families find refuge. Yet across the world, our brothers and sisters walk miles to reach the nearest place of worship, or worse, have no Masjid at all. In refugee camps, remote villages, and forgotten corners of the world, Muslims long for a space where they can prostrate before our Rabb in congregation.

Each Masjid typically accommodates around 100–200 worshippers at a time, but serves as a community hub for surrounding villages and neighbourhoods. Across the year, the 43 Masajid constructed or rehabilitated supported an estimated 112,514 people through daily prayers, Jumu'ah, Qur'an classes, community gatherings, and emergency use – an average community reach of around 2,600 people per Masjid.

Your Reward Multiplies with Every Prayer

The ripple effects extend beyond Salah. These Masajid serve as community centres during emergencies, shelters during disasters, and schools for the next generation. **Through your ongoing support, we will continue building foundations for faith that will strengthen the Ummah for generations to come, Insha'Allah.**

ORPHANS
CHILDREN OF THE UMMAH

You sponsored 3,800 orphans throughout the past 12 months.

Orphans hold a sacred place in Islam.

The Qur'an commands us to care for them as our own, and Allah chose His final Messenger, an orphan himself, to remind us of their honour.

Neglecting orphans is a sign of disbelief:
"Have you seen the one who denies the Recompense? That is the one who drives away the orphan."
— [Surah Al-Ma'un: 1–2].

Across the world, 153 million children live without the protection of parents. 132 million of them are in poverty-stricken nations, where losing a parent often means losing access to food, shelter, safety, and love. 18 million have lost both parents. Every day, 5,700 more children are orphaned, and 15,000 children under five die, many without anyone to care for them. These are not just numbers.

These are lives. These are children who deserve dignity, mercy, and a future.

Alhamdulillah, through your generosity and the Mercy of Allah, One Ummah sponsored 3,800 orphans in crisis-hit countries. We provided them with nutritious food, clean water, clothing, education, medical care and emotional support. Your sponsorship is more than just aid, it's a lifeline, and a source of hope for a real future.

Orphans are our responsibility as Muslims. The future of the Ummah lies in their hands. We must continue to honour them, protect them, and raise them with love, for the sake of Allah and the legacy of his beloved Messenger.

The Prophet ﷺ said:
"Myself and the caretaker of an orphan will be in Paradise like this,"
and he held his two fingers together.
Sahih Al-Bukhari

OBJECTS, STRUCTURE, GOVERNANCE AND MANAGEMENT

OUR LEGAL OBJECTS

One Ummah is an international humanitarian aid and development organisation.

In its previous incarnation, One Ummah Charity was established in 2013 and registered on 20th December 2013. A constitution governed it as an unincorporated association.

The charity was incorporated into a new Charitable Incorporated Organisation ('the new CIO'). The assets and liabilities belonging to the charity were transferred to the new CIO (effective from 2nd August 2016), and the charity formerly known as "One Ummah Charity" was renamed "One Ummah". The charity ceased to operate on 31st December 2016 and was removed from the Register of Charities ('the Register'). Since its registration, the new CIO has been known as "One Ummah" (1168565).

The Constitution defines One Ummah's objects as being:

a) To assist in the prevention or relief of poverty worldwide by providing grants, items and services to individuals in need, charities or other organisations working to prevent poverty.

b) The advancement of the Islamic religion for the benefit of the public in areas of poverty and hardship.

c) To advance education by providing financial or other assistance for the benefit of the public in areas of poverty and hardship.

d) To advance health by providing financial or other assistance, including medicines, hospitals, and other means, in each case, for the public benefit anywhere in the world.

TRUSTEES AND ORGANISATIONAL STRUCTURE

The Board of Trustees (herein also called "Trustees" or "The Trustees") directs and oversees One Ummah per its statutory obligations and policies. Focusing on strategic planning and governance, the Board also sets priorities and objectives to alleviate poverty and its underlying causes.

The Board of Trustees appraises the performance of the Senior Management Team (SMT) against both strategic and operational objectives through reports, meetings and other interventions as required. The Trustees also approve new policies and procedures.

When new trustees are appointed, they are given a formal induction to the work of One Ummah and provided with the information they need to fulfil their roles, which includes information about the part of trustees and Charity Law. New trustees are nominated by members of the Board of Trustees, interviewed by a panel of three trustees and appointed where they have the necessary skills to contribute to One Ummah management and development.

CHIEF EXECUTIVE OFFICER

The Chief Executive Officer (CEO) is responsible for One Ummah's strategic direction, ensuring compliance and acting on behalf of the Trustees. The Senior Management Team (SMT) headed by the CEO is responsible for implementing the strategic and operational plan and the day-to-day management of One Ummah.

RISK MANAGEMENT

As part of the initial activity evaluation and implementation, all major undertakings undergo a risk assessment phase, where potential risks are identified, ranked, evaluated and mitigated.

Significant risks, for this purpose, are those that may have a considerable effect on:

- Operational performance, including risks to our personnel and volunteers
- Financial sustainability, including stability and security of income
- Achievement of our aims and objectives
- Meeting the expectations of our beneficiaries or supporters

The Trustees assess these risks regularly to ensure sufficient risk management procedures and systems are in place. Insurance coverage is obtained when deemed necessary.

The following framework is central to ensuring a valid risk assessment procedure:

- Regular monitoring of significant risks and development of action plans
- Embedding risk identification and assessment within operating procedures
- A clear structure of delegated authority and control
- Review of crucial systems and procedures through internal audit arrangements
- Income and profit targets for trading and fundraising activities
- Maintaining reserves in line with set policies
- Regular summary reports on risk management submitted to the Board of Trustees for review

100% DONATION POLICY

One Ummah operates a 100% donation policy. We highly value the trust of our supporters and assure you that every penny you generously donate is dedicated solely to the cause or project you have chosen to support. We will never allocate project funds towards administrative expenses, marketing efforts, or generating additional funds.

It is important to note that any unavoidable online transaction charges by third-party gateways are deducted before the donation reaches us.

An example of our 100% donation policy is if you give £100 towards school supplies, the entire £100 donation will go towards the school supplies and ensure they are received by the beneficiaries. Our donors can trust that One Ummah exercises complete diligence in how we allocate funds under the donors' specific preferences and intentions.

One Ummah sources funding for administrative expenses from the following channels:

Admin Fund: A specific fund where donations can be made directly towards the administration costs.

Gift Aid: Any gift aid claimed on donations may be used for administration costs.

Textile Recycling: One Ummah maintains clothing banks where textiles are collected and recycled to raise funds.

Sponsors: We acquire sponsorship deals to increase the charity's exposure and generate funds.

REPORTING PUBLIC BENEFIT

The Trustees confirm that they have read the Commission's Guidance on Public Benefit (including PB1, PB2, PB3). One Ummah complies with the public benefit requirement under the Charities Act 2011. Our work only involves activities that advance our charitable goals and benefit the public. This can be seen in the many humanitarian activities highlighted in this report, e.g. emergency aid or education support, which helps people by saving lives, reducing poverty and providing means for educational advancement.

FINANCIAL REVIEW

During the year, the charity raised income of £24.4m (2024: £30.2m) and incurred expenditure £29.4m (2024: £27.2m). The carry forward reserves stand at £8.9m (2024: £13.8m) of which £8.3m (2024: £13.2m) relates to restricted funds and £571k (2024: £669k) relates to unrestricted general reserves. The reason for the high restricted funds at year-end (£8.3m) was due to the high level of donations received (£6.2m) in Ramadan prior to the end of the financial year. These funds will be spent in the following financial year.

RESERVE POLICY

One Ummah has a policy that sets the level of general reserves to meet our operating expenses in the event of a sudden drop in income or the incurring of unexpected expenditures. We constantly review this policy, assessing risks and reflecting on changes in factors such as income and our financial obligations and commitments. This assessment was carried out in 2023, and the current target level of reserves of six months of the core operational budget was deemed sufficient. These funds are held in contemporary and medium-term cash forms.

TRUSTEES' RESPONSIBILITIES TO THE FINANCIAL STATEMENTS

The Trustees are responsible for preparing an Annual Report and financial statements following applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year, which give an accurate and fair view of the state of affairs of One Ummah and the incoming resources and their application for that period.

IN PREPARING THESE FINANCIAL STATEMENTS, THE TRUSTEES' RESPONSIBILITIES ARE:

- Select suitable accounting policies and apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgements and estimates that are reasonable and diligent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on an ongoing concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of One Ummah and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of One Ummah and hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for maintaining the integrity of the corporate and financial information on the One Ummah website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The Trustees declare that they have read, understand and approved the report.

Signed on behalf of The Trustees,

Sabahat Hussain,

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF

ONE UMMAH CHARITY

FOR THE YEAR ENDED 31 MARCH 2025

Opinion

We have audited the financial statements of One Ummah Charity for the year ended 31 March 2025 which comprise the Statement of Financial Activities, the Balance Sheet, Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102. The Financial Reporting Standard applicable in the UK and the Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2025 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, including the trustees' report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Other information (Cont.)

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially, inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters in relation to where the Charities Act 2011 require us to report to you if, in our opinion:

- the information given in the Trustees Report is inconsistent in any material respect with the financial statements, or sufficient accounting records have not been kept; or
- adequate and proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out in Schedule 1, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Auditor's responsibilities for the audit of the financial statements (cont.)

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience through discussion with the Officers and other management (as required by auditing standards).

We had regard to laws and regulations in areas that directly affect the financial statements including financial reporting and taxation legislation. We considered that extent of compliance with those laws and regulations as part of our procedures on the related financial statement items.

With the exception of any known or possible non-compliance, and as required by auditing standards, our work in respect of these was limited to enquiry of the Officers.

We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.

We addressed the risk of fraud through management override of controls, by testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Lyons & Co Ltd is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 144 of the Charities Act 2011.

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with section 144 of the Charities Act 2011. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

ONE UMMAH CHARITY

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

1 Accounting policies

Basis of accounting

The financial statements of the charitable organisation, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 ' The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011.
The financial statements have been prepared under the historical cost convention.

Assets and liabilities are initially recognised at cost or transaction values unless otherwise stated in the relevant accounting policy note

The financial statements are prepared in sterling which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £1.

Going Concern

The trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future at the time of approving the financial statements. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

Turnover

Turnover represents all income to the charity, the majority of which is donations.

Income

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy and there is certainty of receipt.

Gift aid

Gift aid recoverable under the gift aid scheme is recognised where there is an entitlement, certainty of receipt and the amount can be measure with sufficient reliability. Where a claim for repayment of income tax has been or will be made, such income is included in the debtors amount if not received by the year end.

Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Fixtures and fittings	25% p.a on reducing balance
Plant and equipment	25% p.a on reducing balance

Intangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Lease premium	Over 7 years on straight line basis

1 Accounting policies - continued

Debtors

Trade and other debtors are recognised at the settlement amount due and prepayments are valued at the amounts prepaid.

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Value added tax is not recoverable by the charity and as such is included in the relevant costs in the statement of financial activities.

Critical accounting estimates and judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The charity makes estimates and assumptions concerning the future.
Depreciation is calculated based on the estimated expected useful life of the assets and reviewed annually to confirm basis it still appropriate.
The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results.

Fund accounting

Unrestricted general funds can be used in accordance with the charitable objectives at the discretion of the trustees and which have not been designated for other purposes.
Restricted funds can be only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
Further explanation of the nature and purpose of each fund is included on pages 10 and 11

Volunteers

The value of services provided by the volunteers is difficult to put a monetary value on and therefore has not been included in accordance with the Charities SORP (FRS102).

Pension Costs

The charity operates a defined contribution scheme.

100% DONATION POLICY

We highly value the trust of our supporters and assure you that every penny donated is dedicated solely to the cause or project you have chosen to support.

For example, when you donate towards constructing a water well, your contribution will be exclusively utilised for the delivery, construction, labour, contractors, and materials required to build that well. None of your funds will be allocated towards administrative expenses, marketing efforts, or generating additional funds.

We are immensely grateful for the opportunity to provide humanitarian aid on the scale that we do. With the will of Allah and thanks to your help, we can positively impact the lives of those in need, Alhamdulillah.

JAZAKUM ALLAH KHAYR & THANK YOU

Alhamdulillah, it has been a hugely successful decade since One Ummah began. We cannot thank you all enough - the donors, volunteers, staff and businesses who have helped us on our journey that has led us to where we are today. May Allah reward you all immensely.

As we look towards the future, we remain boldly committed to our mission. We will continue to stand with those in need. We will continue to provide resources and support to overcome adversity. With your support, we will build a brighter future where compassion and humanity prevail.

Without your assistance, fundraising, help and advice, we would not have been able to make the difference across the world that we have made. With your support, we will continue striving to reach more people, expanding our operations across the globe. Insha Allah. Barak Allah Feekum.

A Message of Gratitude

"Whoever saves a life, it will be as if they saved all of humanity." [5:32]

بِسْمِ ٱللَّهِ ٱلرَّحْمَٰنِ ٱلرَّحِيمِ

Alhamdulillah, through the mercy of Allah and the generosity of our beloved Ummah, One Ummah has been blessed to transform lives and bring hope to those in need for yet another year. Your unwavering support has been a testament to the profound Islamic principle of Sadaqah - a selfless charity with the pure intention to please Allah.

To our compassionate partners and stakeholders, esteemed volunteers, generous donors, and tireless staff: Jazakum Allah Khair. You are the backbone of everything One Ummah does. May Allah reward you abundantly and grant you goodness beyond measure. Your unwavering kindness has illuminated the darkest corners of the Muslim world with hope, embodying true brotherhood and sisterhood.

We stand 'United Against Poverty', not just as an organisation, but as a global family committed to alleviating suffering and spreading mercy. Without each and every one of you, none of this would be possible.

With the deepest gratitude,
Your One Ummah Family

A MESSAGE FROM THE CEO

Riszwan Rehman

Bismillah as-salaatu wassalamu 'ala Rasool-Allah.

With the Grace of Allah, we present our Annual Report for 2023/24. Through the infinite Mercy of the Almighty, One Ummah has been able to positively impact millions of our brothers and sisters enduring hardship across the world. This past year has been a poignant reminder of the trials confronting our beloved Ummah. The ongoing suffering of our brothers and sisters in Gaza, enduring relentless oppression and hardship, has deeply impacted the hearts of the Muslims. For many years, One Ummah has steadfastly fulfilled our duty, responding to the cries of those in need with the generosity of the Muslim Ummah.

Alhamdulillah, by the will of Allah and your unwavering support through Sadaqah, Zakat, and Dua, we have continued to provide life-saving aid to the Ummah, delivering vital food, medical supplies, and essential relief to families grappling with unimaginable circumstances.

This mission, of course, has extended beyond the borders of Gaza to many regions of the world. As Allah commands us to care for the needy and the oppressed, we have reached 20 countries around the world, reaching some of the most vulnerable and forgotten members of our Ummah. By the grace of Allah, your support has empowered us to deliver relief to over 1 million beneficiaries, alleviating their burdens and fulfilling the divine command to *"Spend (from) that which you love."* - [Al Imran, 3:92]

Among the countless blessings bestowed upon us by Allah this past year:

Tens of thousands have gained access to clean water, fulfilling a fundamental need often taken for granted. Winter aid has shielded over 60,000 individuals from the harsh cold, bringing warmth and comfort to those living in dire conditions. Orphans, cherished by Allah's Messenger (peace and blessings be upon him), have been supported with food, education, and care, upholding the rights of over 4,000 children. Over half a million individuals have received sustenance through emergency food aid.

Thousands of families have been provided with Zakat and Sadaqah grants, offering them solace during their most challenging times. With your invaluable support, we have constructed Masajid and supported Imams, communities and new Muslims in strengthening their Emaan, worship and remembrance of Allah.

The year, Allah tested the Ummah with more major emergencies that profoundly impacted Muslims across the globe and One Ummah did it's best to respond. With the devastating Türkiye-Syria earthquake at the turn of the year that tragically claimed thousands of lives and rendered countless families homeless, One Ummah's dedicated teams delivered urgently needed food, water, and medical aid to the affected regions and built homes for those affected in Syria. The catastrophic Pakistan and Bangladesh floods, where we ventured into remote areas, providing food, shelter, and medical care to families displaced by this calamity. Our teams swiftly responded to the powerful Afghanistan earthquake and provided food and essential aid to those left in ruin. During the blessed months of Ramadan and Dhul Hijjah, we were honoured to serve approximately half a million believers, ensuring that families could break their fast with dignity and partake in the blessings of Eid ul-Fitr and also Eid ul-Adha Alhamdulillah, Allah granted us the opportunity to serve His creation, fulfilling their needs through your trust.

We also remain committed to our top priorities which include, expanding our sustainability programmes, providing long-term solutions, and increasing self-reliance. Ultimately, we aim to increase our impact bi'ithnillah ta'ala.

Lastly, I would like to say, as the Prophet (peace and blessings be upon him) said, *"He who does not thank the people is not thankful to Allah"* – [Abu Dawud].

Therefore, we extend our heartfelt gratitude and thanks, Jazakum Allahu Khairan, to our generous donors, dedicated staff, committed volunteers, and valued partners. Without your collective efforts, our achievements would not be possible. May Allah reward each individual involved with One Ummah, directly or indirectly. May He keep us sincere in serving the Ummah, steadfast in adhering to the Sunnah of our beloved Prophet, and reward our collective efforts in this life and the hereafter. Ameen.

CHAIR OF THE BOARD OF TRUSTEES MESSAGE

Saqib Sattar

Assalamualaikum Warahmatullahi Wabarakatuh.

It is with a heavy heart that I write this statement. Since October 2023 the world has witnessed the live genocide in Gaza by the Israeli state. The relentless violence and systematic destruction faced by our Palestinian brothers and sisters has shaken us all to the core.

As I write this piece, over 45,000 people have been killed, homes obliterated, and basic human rights trampled upon in what can only be described as a humanitarian catastrophe.

The situation in Gaza underscores the fragility of life for those living under occupation and siege. Entire families have been wiped out, hospitals targeted, and critical infrastructure destroyed, leaving millions on the brink of despair. This genocide is not just a tragedy for Gaza but a stain on humanity as a whole.

Despite these unprecedented challenges, One Ummah has remained steadfast in our mission to provide hope, relief, and support to those most in need. Over the course of this year, we have:

Delivered life-saving aid, including food, water, and medical supplies, to thousands of families in Gaza, even under the most difficult circumstances. Partnered with local organisations to ensure aid reaches those who need it most, bypassing blockades and logistical barriers.

These efforts have been a lifeline for many, but we are acutely aware that much more needs to be done. The scale of the devastation in Gaza requires a united and sustained response from the international community, and we at One Ummah are committed to being at the forefront of this effort.

Throughout the year, we have continued to provide life-saving emergency aid to our brothers and sisters over 19 countries. This has been in the shape of food parcels, water well projects and the building of homes.

We have also been responding to other disasters, such as the floods in Afghanistan and the continued work in both Türkiye and Syria following the devastating earthquakes in 2023.

None of this would be possible without the unwavering support of our donors, volunteers, and partners. You are the backbone of One Ummah, and your compassion inspires us to keep pushing forward, even in the darkest of times.

As we move into the next year, let us redouble our efforts to stand with Gaza and all oppressed communities worldwide. Together, we can transform despair into hope and injustice into triumph. May Allah grant us the strength and unity to continue this vital work. Ameen.

ONE UMMAH
One Purpose
Saving Lives

Assalamualaikum Wa Rahmatullahi Wa Barakatuh,

In the footsteps of our beloved Prophet Muhammad (peace and blessings be upon him) who dedicated his life to serving the most vulnerable, One Ummah rises as a beacon of hope and mercy. Our mission is a divine calling to serve humanity for the sake of Allah, inspired by the profound Islamic principles of compassion, justice, and collective responsibility.

One Ummah stands as an award-winning humanitarian UK charity. For over ten transformative years, we have been a lifeline of hope, delivering life-saving aid to millions of people devastated by calamity. We aim to respond to suffering and to create pathways of sustainable transformation. One Ummah's approach is guided by four key principles:

One Ummah's approach is guided by four key principles:

Khidmah: Service as worship
Rahmah: Boundless mercy
Takaful: Collective social responsibility
Adl: Justice for the oppressed

A Holistic Approach to Compassion

In addition to delivering life-saving humanitarian aid, one of our biggest goals is restoring dignity amongst our suffering brothers and sisters. Our approach is two-fold:

1. Urgent Humanitarian Relief:
- Swift, calculated response to crises
- Providing food, water, shelter and medical aid to the most needy beneficiaries in the hardest-to-reach locations
- Immediate comfort in times of desperation

2. Sustainable Community Empowerment:
- Long-term development projects
- Educational initiatives
- Economic independence programmes
- Rebuilding lives, not just providing temporary relief

Every statistic represents a soul, every number represents a story of resilience. We've witnessed orphans finding hope, families rebuilding after disaster, communities rising with renewed emaan, and children dreaming again. Our journey is a testament to the power of an Ummah united by faith and compassion.

The Prophet said (peace and blessings be upon him): *"The best of people are those who bring most benefit to the rest of mankind."* - [al-Mu'jam al-Awsa 6026]

May Allah continue to guide our hands, purify our intentions, and accept our humble efforts. Ameen.

Emergency Appeal

AN UMMAH IN CRISIS

AFGHANISTAN

On October 7, 2023, a devastating 6.3 magnitude earthquake struck the Herat Province in western Afghanistan – the first of four earthquakes over 3 weeks. More than 2,000 people were killed, leaving thousands wounded and displaced. The earthquakes became the second-largest disaster displacement event in Afghanistan since 2008 when records began.

The quakes triggered 380,000 internal displacements, destroying at least 10,000 homes. The impact of the disaster added further strain onto an already struggling Afghanistan with more than 29 million people needing humanitarian aid. 40% of the population struggle to meet their basic food needs, with 3 million children under five suffering from malnutrition.

One Ummah had dedicated teams on the ground responding swiftly to the disaster, providing critical emergency aid to those in desperate need. With your generous support, we were able to reach over 39,100 people in Afghanistan. This included the sponsorship of 300 orphans, ensuring they had the support and care they needed to thrive. We delivered 1,000 hot meals to those who were hungry, offering immediate relief to families and individuals facing food insecurity. Additionally, we distributed 2,000 food packs, providing essential ongoing sustenance to those in crisis.

Beyond their immediate needs, we also focused on long-term recovery by building 300 homes which offered safe and secure shelter to many who had lost everything. **Your kindness and contributions have been the cornerstone of our efforts, bringing hope and relief to tens of thousands in Afghanistan.**

BANGLADESH

In August 2023, relentless monsoon rains wreaked havoc in Bangladesh, triggering floods and landslides. 1.3 million individuals were impacted, killing at least 51 people. 630,000 of those affected were women, and 480,000 were children. The ruthless waters forced more than half a million people from their homes, seeking shelter in overcrowded evacuation centres.

The floodwaters also submerged rural roads and agricultural fields, isolating communities and cutting off access to essential services. Vital water sources and sanitation facilities were damaged, leaving vulnerable populations without clean water and proper sanitation. Many health centres and clinics were inoperable, denying critical care to those in desperate need. Families were uprooted from their homes and left to fend for themselves in the face of adversity. The devastation stripped them of their livelihoods and dignity, leaving thousands injured and traumatised.

One Ummah travelled to the affected areas, navigating treacherous waters to deliver life-saving aid. With your support, we were able to provide essential supplies, including food, water and shelter.

BURMA

On May 14, 2023, Cyclone Mocha, a powerful storm, ravaged Myanmar, causing widespread devastation, particularly in the Rakhine and Chin States. The cyclone tore through Muslim communities in IDP camps and host areas, leaving countless homes in ruins and displacing thousands of people. Our hearts and efforts went out to those affected, focusing on providing emergency relief in their time of dire need.

By the grace of Allah, One Ummah responded swiftly and with great impact as we distributed 1,000 food packs. Additionally, we provided 20 Qurbani cows, offering fresh meat to 1,000 families. We also delivered 500 Eid gift packages, including clothing, to enable families to celebrate Eid with joy and dignity. Through these efforts, we demonstrated our unwavering commitment to serving and supporting our brothers and sisters in need, embodying the spirit of unity and compassion. **May Allah continue to bless our endeavors and provide relief to those who are suffering.**

GAZA

Since October 7th, Palestine has endured unimaginable suffering. As of the time of this report, over 44,000 Palestinians have been martyred - at least 17,000 were innocent children. More than 105,000 have been injured and are in desperate need of emergency medical assistance. Sadly, over 10,000 more are missing, likely buried beneath the rubble.

Over 50% of homes have been destroyed, 80% of commercial facilities have been obliterated, and 87% of school buildings have been damaged. Healthcare facilities are struggling to function, with only 17 out of 36 hospitals left barely functional. Additionally, 68% of road networks have been rendered unusable, and 68% of cropland has been ruined.

Between October 7th, 2023 and March 31st, 2024, we made a great impact with our response efforts in Gaza. We brought warmth to families by distributing 8,440 blankets and ensured food security for 255,995 people with 66,730 food packs. Essential sanitation needs were met with 5,500 hygiene packs. Our medical aid included 14 pallets of medicines and 2 trucks of supplies, reaching clinics and hospitals. To combat the cold, we provided 4,000 children's winter jackets, 3,000 jumpers, and 3,200 adult winter clothing items.

Families with infants received 1,450 baby kits containing milk and nappies. We also filled 5,000 gas cylinders to help families cook meals and heat their homes, and prepared 30,000 hot meals for the community. Finally, we addressed urgent water, sanitation and hygiene needs by filling 150 water tanks with clean water. **May Allah continue to bless our efforts and ease the suffering of our brothers and sisters in Gaza.**

MOROCCO

On September 8, 2023, a powerful 6.8 magnitude earthquake struck near the town of Oukaïmeden in the High Atlas Mountains of Morocco. The devastating tremors, followed by a 4.9 magnitude aftershock, unleashed a catastrophe that claimed countless lives, reducing thousands of homes to rubble. The damage caused by this disaster will be felt for years to come.

The earthquake displaced over 600,000 people, leaving 380,000 without a roof over their heads. Over 2,900 were killed with thousands more injured. The disaster also had a devastating impact on education, with over 500 schools damaged or destroyed, affecting 100,000 innocent children. Additionally, nearly 60,000 homes were damaged or destroyed. As the survivors struggle to rebuild their lives, they're faced with numerous challenges, including overcrowding, poor sanitation, and the threat of disease.

One Ummah made significant strides in our on the ground response efforts, supporting over 30,000 individuals affected by the earthquake. Our assistance included the distribution of 5,000 food packs, 5,800 hygiene packs, 12,000 pillows, 12,000 blankets, 12,400 mattresses, 5,700 floor mats, and 400 bedding kits. These life-saving provisions, guided by our faith and unity, have brought hope and relief to those most in need. **May Allah continue to bless our efforts and strengthen our resolve in the face of adversity.**

SUDAN

The conflict in Sudan has escalated into one of the most severe humanitarian crises globally, with 25 million people desperately needing humanitarian assistance, including over 14 million children. In April 2023, intense fighting between the Sudanese Armed Forces (SAF) and the paramilitary Rapid Support Forces (RSF) broke out. The violence forced 8.6 million people to flee their homes and seek refuge in neighbouring countries.

The conflict has crippled healthcare services, with many hospitals out of service and ongoing attacks on health facilities. This has left millions without vital medical care. The country is also grappling with a severe food crisis, with 17.7 million people facing hunger and 4.9 million people on the brink of famine.

Alhamdulillah, One Ummah delivered over 8,000 food packs, reaching approximately 25,000 beneficiaries during the crisis. This includes our special distribution during Ramadan, helping families observe the holy month with dignity. We also extended our support to displaced Sudanese in Uganda, particularly in the Kiryandongo Refugee Settlement & Host Community, providing essential assistance to thousands of families. Through these efforts, we have ensured that those affected by the conflict receive the necessary sustenance to endure these challenging times.

NIGER

The coup d'état in Niger on July 26 2023 left the nation in a state of political turmoil and further worsened its already dire humanitarian situation. The military takeover, led by General Tchiani, resulted in the suspension of the constitution, a curfew, and a severe restriction of citizens' freedom. The repercussions have been dire: foreign investments have plummeted, and international aid was halted, adding further damage to an already fragile economy. This marked the fifth military coup in Niger's history since gaining independence from France in 1960.

The impact of the coup on Niger's people has been devastating. Thousands have been forced to flee their homes in search of safety amidst the violence and chaos. The instability has sparked widespread outrage, fear and suffering.

One Ummah's emergency response in Niger had a profound impact, reaching 48,245 people. By the grace of Allah and through your support, 12,200 rights-holders received hygiene and infant nutrition packs, 3,500 food packs were delivered at the start of the crisis, and 3,000 food packs were provided for Ramadan.

Additionally, we sacrificed 75 Qurbani animals, benefiting 2,845 families, and constructed 5 Masajid, offering a place of worship for 700 rights-holders. **These actions have brought essential relief and support to those in dire need, embodying the spirit of unity and compassion.**

Adi ibn Hatim reported: The Messenger of Allah said:

“Protect yourself from the Hellfire even with half of a date in charity.”

ONE UMMAH

Syria

THIRTEEN YEARS OF TURMOIL

YOUR GENEROSITY **EMPOWERED 433,610 VULNERABLE INDIVIDUALS** IN WAR-TORN SYRIA

Scarred by thirteen years of conflict, Syria is facing its most dire humanitarian crisis yet. The endless cycle of violence, and suffering has pushed Syria to the brink as 7.2 million were forced to flee their homes.

13 million people– over half the country's population– are grappling with severe food insecurity. The harsh reality of 13 years of conflict has taken its toll, particularly on the most vulnerable: the children, who continue to pay the heaviest price. Nearly 8 million innocent children in Syria urgently require humanitarian assistance in 2024. The country is also still reeling from the aftermath of the catastrophic earthquakes in February of 2023.

A shocking 90% of Syrian families are trapped in the grip of poverty. The situation has escalated due to an influx of more than 200,000 displaced people crossing from Lebanon to Syria, 60% of which were children. The already fragile healthcare system has been pushed to collapse. The lack of access to safe water, proper sanitation and food insecurity has resulted in more disease and malnutrition, particularly among children.

One Ummah was founded during the early years of the Syrian war, with initial donations dedicated to assisting the Syrian people in their time of need. Despite the significant strides and recent liberation of the Syrian people, much remains to be done to rebuild Syria's infrastructure and ensure a stable and prosperous future. The journey ahead requires continued support and dedication to help the nation recover and thrive.

Through your support, One Ummah built 337 homes and distributed 30,825 food packs and 223,000 hot meals, ensuring families received essential nutrition and shelter. With 2,400 water tank refills, we provided clean water, and 4,500 winter packs, along with 3,000 children's winter packs, offered warmth during harsh winters. Additionally, your support facilitated 1,250 Qurbani, allowing families to celebrate Eid al-Adha with joy. We've also constructed 24 Masajid, providing safe places for worship and boosting the Emaan of communities.

KEY HIGHLIGHTS

- 24 Masajid were built
- 223,000 people were provided with nourishing hot meals
- 2,400 water tank refills
- 4,500 people benefitted from our emergency winter aid packs
- 300 Orphans sponsored
- 30,825 people benefitted from our food packs
- 3,000 childrens winter packs were given
- 2,500 people benefitted from the Qurbani programme
- 337 families were given a home

Palestine

AN OPEN-AIR PRISON

ONE UMMAH STOOD WITH 525,769 PALESTINIANS, PROVIDING CRITICAL HUMANITARIAN AID

Every hour in Gaza, 15 people are killed, 6 of them children, 35 people are injured, and 12 buildings are destroyed. More than 125 journalists have been killed so far. The Gaza Strip has a population of around 2.1 million people living in one of the most densely populated areas in the world. More than 85% of Palestinians in Gaza, around 1.9 million people, have been displaced since October 7th. They have been put through torment, torture and constant attacks. More than 44,000 Palestinians have been killed, and thousands more critically ill, injured or buried beneath the rubble.

Over 17,000 of those deaths were innocent children. Over 100,000 more have been injured, and more than 10,000 are still presumed missing. More than half of Gaza's homes have been damaged or destroyed. 80% of commercial facilities have been damaged, as well as 87% of schools and 68% of road networks and cropland.

Residents are being ushered into 'safe zones', and then those safe zones have been targeted for aerial assaults, one after another. Gazans have no reliable way to access evacuation information due to no electricity or internet access since the blockade of the strip resulted in a collapse of telecommunications infrastructure.

One Ummah has been on the ground, answering the urgent plea of our Palestinian Ummah. Thanks to your generous donations, we have tirelessly delivered critical aid to those who needed it most. We have provided life-saving assistance to 181,580 people in Gaza.

We nourished the bodies of countless individuals and families with 72,343 hot meals, as well as 66,730 food packs. We replenished 150 water tanks, providing life-saving clean water in the most dire of conditions. 1,450 baby packs were handed out containing essentials such as milk, clothing and nappies to keep infants healthy and cared for. 6,500 hygiene kits offered much-needed supplies to maintain cleanliness and safety from illnesses.

As the nights grew colder, we gave 1,450 blankets to provide warmth and comfort to those without even basic shelter. Moreover, two trucks and fourteen pallets of various medicine were delivered to the Ministry of Health, ensuring hospitals could treat the sick and injured to the best of their ability. **To our valued donors: You have been a lifeline in times of greatest need and a source of hope when all seemed lost. Thank you for your generosity and support.**

KEY HIGHLIGHTS

- 1,715 School Supplies and Uniforms provided
- 23,200 Winter Aid items aided those in need
- 66,730 Food Packs were distributed
- 72,343 Hot Meals were served
- 50,000kg Flour was distributed for over 30,000 beneficiaries
- 25,000kg Pasta was distributed
- 2 Trucks and 14 pallets of medicine were delivered
- 6,500 Hygiene Packs were given to beneficiaries
- 1,800 beneficiaries benefitted from the Qurbani programme
- 1,450 Baby kits containing essential aid were provided
- 5,000 Gas Cylinder Refills
- 150 Water Tank Refills

Yemen

OVER A DECADE OF DESTRUCTION

YOUR DONATIONS PROVIDED A LIFELINE FOR 158,803 YEMENIS

After more than a decade of turmoil, Yemen is on the brink of total collapse, leaving countless families vulnerable to the aftermath. Over 21 million souls – more than half the country's population – fight for survival. More than 4.5 million have been forced from their homes since 2015. In 2024, an estimated 2.7 million pregnant and breastfeeding women, and five million children under five desperately need treatment for acute malnutrition. Every two hours, a woman dies during pregnancy, childbirth and the aftermath.

A nation once blessed, is now one of the world's most devastating humanitarian crises. Millions of children lack access to safe water, sanitation and hygiene services, and Yemen suffers heavily from cholera, measles, diphtheria and other deadly diseases. Around ten million Yemeni children urgently require humanitarian assistance. Thousands of children have been killed or injured since the beginning of the conflict, and thousands more have been recruited into the fighting.

Over two million innocent children are trapped in the clutches of life-threatening malnutrition. Without urgent intervention, they are likely to lose their lives. The destruction and closure of schools and hospitals have denied more than five million children education and vital health services.

One Ummah provided essential relief by distributing 9,800 food packs, ensuring sustenance for families. Your support also provided 8,000 units of baby milk and 16,000 servings of baby cereal, crucial for infants and toddlers. Hygiene was prioritised with 2,600 hygiene packs to prevent disease.

We delivered 911 zakat grants and cash aid, offering immediate financial relief. With 5 bakeries, we provided comfort and nourishment. Additionally, 164 Qurbani were facilitated, allowing families to celebrate Eid with the luxury of meat.

Supporting orphans in Yemen remained a priority, as we provided 300 children with care and access to education. In addition, clean water was made more accessible thanks to the installation of five solar panel wells.

KEY HIGHLIGHTS

- 2,600 Hygiene Packs were given to beneficiaries
- 8,000 units of baby milk were distributed to support infant well-being
- 5 bakeries provided free bread to 42,900 beneficiaries
- 16,000 units of baby cereal were distributed to 8,000 babies
- 49,000 beneficiaries benefitted from food packs
- 300 Orphans were sponsored
- 5 Solar-Powered Wells provided sustainable water access
- 20,760 People benefitted from the Qurbani programme
- 1000 beneficiaries received hot meals
- 911 Zakat grants were handed out to poverty-stricken families

Pakistan

A MOUNTAIN TO CLIMB

WE DELIVERED LIFE-SAVING AID TO 88,569 NEEDY BENEFICIARIES

In 2022, floods put one-third of Pakistan under water, affecting 33 million people – half were children. Over 7 million were displaced and forced to rely on dirty, contaminated water sources. Having barely recovered from the recent devastation, the country was once again victim to relentless flooding. The widespread destruction resulted in over 200 people dead, thousands of homes damaged and destroyed, and millions displaced. The floods significantly impacted agriculture and the economy, leading to food shortages and a significant loss of crops. Roads, bridges, and other essential infrastructure were severely damaged, halting relief efforts and disrupting supply chains.

The situation remains critical, with many areas still at high risk. The floods highlight Pakistan's ongoing humanitarian struggles, and the dire need for humanitarian aid. With poverty, inflation and unemployment soaring, Pakistan faces one of the worst economic crises in its history, jeopardising millions of people's rights to health, food, and an adequate standard of living.

One Ummah was a beacon of hope for Pakistan during their desperate times of need. Your donations allowed us to install 150 hand pumps, providing clean water for more than 900 people struggling in the aftermath. We delivered 4,000 food packs and 7,170 beneficiaries received roti, providing vital nourishment for months.

With the arrival of deadly winter conditions, 500 winter packs brought warmth and comfort to those left without adequate shelter. Your generosity also made it possible for us to provide 280 zakat grants and cash aid, helping many regain stability and meet their urgent needs. We built 300 homes, offering safe and secure shelter to families who had lost everything, as well as 20 Masajid and one Madrassa. Additionally, we facilitated 185 Qurbani, allowing 1,350 families to partake in Eid al-Adha with dignity and joy. Your contributions have profoundly impacted the lives of countless individuals in Pakistan, and not only met immediate needs but also provided long-term solutions for rebuilding lives.

Bangladesh

SUBMERGED IN CRISIS

OUR HUMANITARIAN EFFORTS BROUGHT HOPE TO 16,663 BENEFICIARIES

Bangladesh has endured a series of catastrophic floods triggered by heavy monsoon rains, destroying livelihoods, crops and infrastructure, including homes, roads and agricultural lands. Millions were displaced and urgently needed food, clean water and safe shelter. The flooding in Bangladesh has continued on multiple occasions, and the risk of waterborne disease outbreaks increased as water and sanitation facilities across 11 districts have been submerged or affected. In the hardest-hit districts, nearly all shelters were submerged, with 48% destroyed. All sanitation facilities were entirely damaged, significantly increasing the risk of waterborne diseases.

Floods have washed away agricultural and industrial chemicals, as well as people's waste, which has contaminated the water, putting millions at risk of death. The floods are some of the worst in recent history, affecting millions. With sanitation facilities, infrastructures, homes, and agricultural lands extensively damaged, communities needed immediate and sustained support. Over 70 lives were claimed, and severe civil unrest has worsened the humanitarian crisis.

One Ummah responded at the forefront, providing essential relief thanks to your generous support. We handed out 3,750 food packs, offering sustenance during their darkest days. As temperatures plummeted, the warmth provided by 575 winter packs and blankets was a comfort beyond measure.

We also distributed 1,495 zakat grants and cash aid, helping individuals regain a sense of stability and dignity. Access to clean water was a major priority, with 350 hand pumps and five irrigation pumps built. By providing 850 sewing machines and organising 240 skills training workshops, you empowered communities, giving them the tools to rebuild their lives. 300 orphans were given a glimmer of hope and security to support them in reclaiming their livelihoods.

During Ramadan, 1,300 meals and 2,000 food packs brought joy and sustenance to many, and for Eid al-Adha, 50 Qurbani allowed 1,153 families to celebrate with dignity and happiness. Your kindness was a beacon of hope for countless individuals. May Allah reward you abundantly for your compassion and dedication.

Africa

The Forgotten Continent

OVER 429 MILLION AFRICANS LIVE IN EXTREME POVERTY... APPROXIMATELY 5% OF EARTH'S POPULATION

UGANDA

In Uganda, our brothers and sisters face immense hardship every day. Over 41% of the population lives in poverty, struggling to meet their basic needs. As a result, countless families go to bed starving, with no certainty of their next meal. This heartbreaking reality calls for urgent action.

Millions of Ugandan children are denied the fundamental right to education, with only 40% of children aged 3-5 able to attend school. This deprivation robs them of their potential and perpetuates a cycle of poverty. The nation's healthcare system is overburdened, which has led to a tragically low life expectancy of just 63 years. Countless lives continue to be cut short by preventable diseases.

High fertility rates further strain resources, pushing families deeper into poverty. **Nearly half of all households face the daily struggle of food insecurity, as soaring prices put essential sustenance out of reach.**

With your support, we were able to impact 140,413 lives in Uganda. We reached out to rural districts and provided aid to 10,450 beneficiaries. 54,600 community meals were distributed, and we fed 43,150 people during Ramadan. In addition, we supported 400 orphans, and 51 teachers, empowering them to build brighter futures for their communities. We have also constructed 10 Masajid and borewells, providing essential spiritual and physical infrastructure. Furthermore, we conducted 206 skills training workshops, giving individuals the tools to care for themselves and their families.

KENYA

Over 8.9 million Kenyans live in extreme poverty. About 15% of the entire population lacks sufficient food for consumption. To make matters worse, a quarter of Kenyan children under five suffer from chronic malnutrition, with 4% of children affected by acute malnutrition.

Approximately 36% of Kenyans live below the poverty line. **Millions of people struggle to afford even one meal a day, which leads to malnutrition and adverse health conditions.** A lack of access to clean water and proper sanitation facilities further intensifies the spread of diseases, resulting in a higher mortality rate. The cost of education has almost quadrupled, leaving many families unable to afford to send their children to school.

Your compassion and kindness meant we impacted 32,938 lives. 6,000 people benefitted from your Qurbani, and 4,400 additional food packs were distributed. We also gave hope to 500 orphans, distributed 1,600 Zakat grants to needy beneficiaries, and built 5 Masajid and 50 borewells, improving the infrastructures of the communities.

SOMALIA

Time is running out for Somalia. A deadly combination of conflict, floods, disease outbreaks and drought has pushed millions to the brink of starvation and despair. A staggering 6.9 million Somalis, including 3.5 million women and girls, are in dire need of humanitarian assistance. The crisis has left 4.3 million people suffering from food insecurity, while 6.6 million people lack access to safe water.

The worst drought in 4 decades, followed by disastrous floods, has claimed the lives of over 43,000, half being children under five. The crisis has severely impacted the younger generation, with 1.7 million children suffering from acute malnutrition. A quarter of these children are critically malnourished and face lifelong consequences.

Thanks to your donations, 65,110 Somalis received life-saving aid. We were able to provide 5,000 essential food packs, ensuring the sustenance of 25,000 people. During the holy month of Ramadan, we shared 3,000 food packs, bringing joy and sustenance to those in need. Your support also enabled us to distribute 120 animals for Qurbani, sharing the blessings of Eid with the community. Additionally, we constructed 20 borewells, providing clean water for over 16,000 people and improving their health and well-being.

TANZANIA

More than 3 million children under the age of 5 endure the devastating effects of chronic malnutrition, which accounts for one-third of the population. These vulnerable children live in slums that lack the design for long-term habitation. Adding to this, food insecurity, water scarcity and lack of education, the people of Tanzania face immense challenges.

One Ummah's efforts on the ground in Tanzania have been focused on addressing the community's immediate needs. By providing 3,000 Ramadan Food Packs, we ensured people had access to nourishing food during the holy month of Ramadan. May Allah accept their fasts and also add it to the scales of those who donated, Ameen. In addition, our distribution of over 53,488 community meals helped provide essential sustenance to those in need.

We also recognise the importance of education, both spiritual and secular; as a result, we have supported our brothers and sisters by constructing 6 Masajid in strategic locations and provided sponsorship to 50 teachers, empowering them to continue their invaluable work. **With the permission of Allah and your donations**, it has also given us the ability to provide safe and clean drinking water to thousands, with the construction of 10 bore wells for the most needy communities in Tanzania.

MALAWI

Malawi, a country burdened by poverty, faces a bleak future. They have one of the highest percentages of people living in extreme poverty worldwide – more than two-thirds of the country. In addition to this, they have one of the youngest populations, with 43% under the age of 15. Over 1.5 million children are denied the opportunity for schooling, ruining their chances at a brighter future.

Malawi was further devastated by the impact of El Niño (a climate phenomenon characterised by the periodic warming of surface waters in the central and eastern Pacific Ocean, significantly affecting global weather patterns). The severe drought and subsequent floods led to the displacement of thousands, triggering disease outbreaks, and led to widespread food and water shortages. With agriculture as the backbone of its economy– 72% of the workforce– the destruction of crops left millions facing hunger. As a result, approximately 6 million people now rely on humanitarian assistance to survive.

Your compassionate support has made a profound difference in the lives of 68,992 individuals in Malawi. We have provided vital nourishment to more than 50,000 people, combatting hunger. Additionally, we handed out 1,000 Zakat grants and supported 539 orphans and teachers, encouraging them to build brighter futures for their communities.

We constructed 10 Masajid, providing a safe space to worship Allah. To address the pressing need for sustainable agriculture, we installed two solar irrigation pumps, ensuring a reliable water supply for farmers. We also established a mobile medical clinic for 12 months, bringing healthcare to remote and underserved communities.

Zakat

CHARITY FROM THE HEART

Zakat, one of the Five Pillars of Islam, serves as a means to promote social welfare and charity. Zakat is an annual donation of 2.5% of one's excess wealth given to the less fortunate, an obligation Allah bestowed upon us.

Giving your Zakat through One Ummah means that your donation is scholar-verified and given in full to the intended cause. Our 100% donation policy ensures every last penny reaches those in desperate need. Zakat reminds us that our wealth is given to us by Allah, and by purifying it for His sake, we fulfil our responsibility to the Ummah by sharing with those less fortunate.

Despite the immense challenges of this past year, we ensured that your Zakat donations reached the most vulnerable and needy communities. Through your generosity, we were able to provide monetary aid and emergency relief to people around the world.

Your support has been a lifeline for countless desperate and starving families. Together, we have provided life-saving nourishment in the darkest of times. As Muslims, we have to help those who are less fortunate than ourselves, and your donations have answered the duas of many this year. May Allah reward you abundantly.

HUNGRY FOR CHANGE

BECAUSE OF YOUR CONTRIBUTIONS, 1,286,159 PEOPLE DIDN'T HAVE TO GO HUNGRY

A shocking 2.4 billion people globally face moderate or severe food insecurity. Over 870 million people suffer from the agony of severe hunger as their stomachs ache with emptiness. Hunger is becoming a silent killer, especially in places like Africa where 60% of the entire population faces hunger. The levels of undernourishment are comparable to those in 2008/2009 – setting progress back by 15 years.

Half of all child deaths are linked to malnutrition. Every year, hunger-related causes kill over 9 million people, many are children under 5. No human should be denied their fundamental human right of safe access to food. Unfortunately, this right is denied to hundreds of millions in poverty-stricken nations. They are left without food and water, not knowing where their next meal will come from, or if they'll even get one.

However, One Ummah is steadfast in our commitment to ending world hunger. We are dedicated to alleviating the suffering of those in need and providing nourishment and hope to those who have lost their way. Together, we fed over a million people worldwide, including 282,931 meals, as well as 502,103 receiving emergency food packs. We also fed over 300,000 people during Ramadan. Other general food items were distributed accordingly to meet the specific needs of beneficiaries on the ground.

KEY HIGHLIGHTS

174,843 people were fed **Hot Meals**

502,103 people benefitted **from emergency food packs**

40,165 people were provided with **hot Iftar meals**

50,000kg of flour was distributed to support beneficiaries in need

25,000kg of pasta was delivered to help nourish those facing food insecurity

53,970 Staple food items

316,040 beneficiaries were provided **Ramadan Food Packs**

143,881 community meals were provided

THROUGH YOUR GENEROSITY, 3,715 CHILDREN WERE GIVEN THE GIFT OF EDUCATION.

Globally, over 258 million children are out of school, with more than 59 million suffering from the devastating repercussions of conflict, displacement, and natural disasters. In sub-Saharan Africa and South Asia, less than 40% of children complete primary school. These worrying statistics are a reminder of the brutal realities faced by innocent children in developing parts of the world.

These children are the future of our Ummah. They have been unjustly deprived of their fundamental right to education - a right that is essential for their growth, and the growth of their communities.

For more than a decade, One Ummah has tirelessly worked to provide educational opportunities to children in crisis-hit nations. Without education, these children face a future of bleakness and despair, trapped in a cycle of poverty and hopelessness. In addition to ensuring children have access to quality education, we have also prioritised supporting teachers and enhancing the skills of community members through educational training workshops. This dual approach empowers both students and educators, providing a positive learning environment.

Your generosity has illuminated a path for tens of thousands of children over the years. By providing access to education, you're empowering these young minds to become the leaders of tomorrow. Your contributions have turned despair into hope, ignorance into knowledge, and vulnerability into strength. **May Allah reward you.**

Drops of Mercy

WE QUENCHED THE THIRST OF 74,795 PEOPLE IN NEED WITH SAFELY MANAGED CLEAN WATER

The importance of clean water is often overlooked. We are blessed enough to have it at our fingertips, yet billions of people pray for a drop water that doesn't threaten their lives. Water is the very essence of life, as Allah says in the Qur'an; *"And We have made from water every living thing."* – [Surah Al-Anbya 21:30].

Over 2 billion people worldwide can only dream of access to safely managed water – a basic human right. Each day, more innocent children are plagued by preventable waterborne diseases, and more people are trapped in the cycle of poverty and illness due to the lack clean water. In many parts of the world where temperatures become unbearable, the burden becomes heavier, the walks become more treacherous, and their lives become more dangerous.

Thankfully, your donations have made a huge difference. From water wells to pumps, we've provided access to clean water to some of the most destitute and remote locations worldwide. **One Ummah has worked tirelessly to ensure your help has reached those who need it most. Thank you for providing drops of mercy, and instilling hope in tens of thousands of Muslims in need.**

KEY HIGHLIGHTS

693 Bore Wells and **Hand Pumps** were constructed

8 Solar Panel Wells were built

5 Solar Powered Irrigation Pumps were installed

Qurbani

Follow the Sunnah of Ibraheem

YOUR QURBANI PUT A SMILE ON 123,663 FACES, MAKING EID A JOYOUS OCCASION

Through your Qurbani, you have embodied the example set by our beloved Prophet Ibraheem, who was willing to make the ultimate sacrifice, his beloved son Ismail, for the sake of Allah. Your sacrifice goes beyond mere charity; it is a profound demonstration of unity, mercy and compassion– the foundations of Islam.

Your donations provided life-saving nourishment to those in extreme hardship, showcasing the collective strength and Emaan of our Muslim communities. The provision of meat not only alleviated hunger, but instilled a sense of dignity and hope in those who received it. Your noble act of compassion has illuminated the lives of your fellow brothers and sisters, granting them an Eid filled with joy and hope.

May Allah accept your Qurbani, reward you for your selflessness, and shower His blessings on you abundantly. Jazakum Allah Khair for your continuous support.

KEY HIGHLIGHTS

2,540 Qurbani sacrifices were performed

123,663 beneficiaries were fed from our **Qurbani campaigns**

Masajid

KEY HIGHLIGHTS

56 Masajid were built to provide access to **safe prayer spaces**

82,960 beneficiaries were provided with **access** to a **Masjid in their area**

YOU HELPED 82,960 MUSLIMS ACCESS A MASJID

A Masjid is more than a place of worship; it is a sanctuary, a beacon of hope, and a source of divine guidance. It stands at the heart of any Muslim community, offering solace, unity, and connection to Allah. Imagine the despair of living without a place to connect with our Creator, seek refuge, and learn the teachings of Islam. This heartbreaking reality is faced by countless of our brothers and sisters around the world, who yearn for the Masajid that we often take for granted.

At One Ummah, we are committed to changing this. Over the past year, by the will of Allah, we have built 56 Masajid. Your support has enabled us to provide places of worship, but also educate future generations, and strengthen the Ummah by restoring hope in places filled with hardship and suffering.

The Masajid we build are the heart of developing Muslim communities. They offer a safe space for Jumu'ah prayers, community gatherings, and educational classes to strengthen Emaan. In rural areas, traveling to Masajid can be challenging, but their role in preserving faith remains critical. These sanctuaries connect Muslims to Allah, as well as each other, forming strong brother and sisterhood bonds.

For every letter of the Qur'an recited, and every Salah prayed, you will earn immense rewards for your contribution to this noble cause, Insha'Allah.

Orphans

THEY'RE OUR CHILDREN TOO

Orphans hold a special place in the hearts of every Muslim. The Holy Qur'an specifically commands us to care for Orphans as if they are our children. Allah in all His glory chose our beloved Prophet Muhammad (peace be upon him) – an orphan himself – as His final Messenger. Allah warns those who neglect orphans, and true believers are the ones who care for them as their own.

"Have you seen the one who denies the Recompense [the religion]? For that is the one who drives away the orphan." - [Al Ma'un: 1-2]

Our parents are our protectors. Islam stresses the importance of our parents, and how we should appreciate them. They feed us, care for us, shelter us, and keep us safe from the dangers of this Dunya. More than 153 million children worldwide don't have that – the most detrimental loss a child can suffer. A shocking 132 million of those orphans live in poorer countries. The reality is that a lot of these children were already experiencing hardship before the death of their parents. Losing them makes them more vulnerable to the life-threatening effects of poverty.

18 million of those children have lost both parents. More than 5,700 children are orphaned every single day, and 15,000 children under five die every day, many of whom are orphans. These numbers are alarming and only threaten to get worse unless we collectively take action.

By the will of Allah and your kindness, One Ummah was able to support over 4,000 orphans in 10 calamity-stricken countries, providing hope, sustenance, and an opportunity to rebuild their lives.

Your support provides food, clean water, clothes, educational resources, mattresses and medical aid to ensure they have the best chance at a brighter future.

Our hearts break for the hundreds of millions of orphans who suffer due to conflict, disaster, poverty and disease. With your continued support, we can save these children from being forced into child labour, homelessness, and a life of despair. **The future lies in the hands of these beloved children. We must nurture them and care for them as if they are our own because they are.**

Winter Relief

KEEPING THE UMMAH WARM

YOUR KINDNESS ALLOWED ONE UMMAH TO SPREAD WARMTH AMONGST 66,261 PEOPLE BRAVING DEADLY WINTER CONDITIONS

Winter is a time when the vulnerable suffer the most. In many regions, the cold can be even more deadly than hunger. Families without proper shelter and clothing are at the mercy of sub-zero temperatures. The Prophet Muhammad (peace be upon him) said, *"The believer's shade on the Day of Resurrection will be his charity."* – [Tirmidhi].

Your donations have provided much-needed shade, bringing life-saving warmth to those in desperate need.

In regions where the cold bites hardest, the need is greatest. Over 150 million people face homelessness during the winter period as the cold kills five million per year. Millions of displaced families lack access to basic necessities such as warm clothing, blankets, and heating.

Winter doesn't just bring the cold; it brings fear, anxiety and calamity. Families huddle in makeshift tents, able to see their breath with each shiver. Mothers hold their babies close, desperately shaking with what little warmth they have left. Children who should be playing are curled up on the frozen ground, dreaming of warmth. **Their enemy is the cold, but the Ummah is their warmth.**

Because of your support, we were able to support over 60,000 people last winter. 7,000 children's clothing items were distributed, as well as thousands more for adults. In addition to this, we handed out more than 8,000 blankets, and distributed more than 10,000 winter packs with essentials for surviving the biting cold. We have worked tirelessly to ensure your donations reach those who need them most. **Thank you for keeping the Ummah warm during the cold winter months.**

KEY HIGHLIGHTS

48,231 people benefitted from **winter packs**

8,905 blankets ensured comfort **during the cold**

4,000 children's jackets were distributed

3,000 children's jumpers offered extra warmth

2.700 items of winter clothing were provided to beneficiaries

OBJECTS, STRUCTURE, GOVERNANCE AND MANAGEMENT

OUR LEGAL OBJECTS

One Ummah is an international humanitarian aid and development organisation.

In its previous incarnation, One Ummah Charity was established in 2013 and registered on 20th December 2013. A constitution governed it as an unincorporated association.

The charity was incorporated into a new Charitable Incorporated Organisation ('the new CIO'). The assets and liabilities belonging to the charity were transferred to the new CIO (effective from 2nd August 2016), and the charity formerly known as "One Ummah Charity" was renamed "One Ummah". The charity ceased to operate on 31st December 2016 and was removed from the Register of Charities ('the Register'). Since its registration, the new CIO has been known as "One Ummah" (1168565).

The Constitution defines One Ummah's objects as being:

a) To assist in the prevention or relief of poverty worldwide by providing grants, items and services to individuals in need, charities or other organisations working to prevent poverty.

b) The advancement of the Islamic religion for the benefit of the public in areas of poverty and hardship.

c) To advance education by providing financial or other assistance for the benefit of the public in areas of poverty and hardship.

d) To advance health by providing financial or other assistance, including medicines, hospitals, and othe means, in each case, for the public benefit anywhere in the world.

TRUSTEES AND ORGANISATIONAL STRUCTURE

The Board of Trustees (herein also called "Trustees" or "The Trustees") directs and oversees One Ummah per its statutory obligations and policies. Focusing on strategic planning and governance, the Board also sets priorities and objectives to alleviate poverty and its underlying causes.

The Board of Trustees appraises the performance of the Senior Management Team (SMT) against both strategic and operational objectives through reports, meetings and other interventions as required. The Trustees also approve new policies and procedures.

When new trustees are appointed, they are given a formal induction to the work of One Ummah and provided with the information they need to fulfil their roles, which includes information about the part of trustees and Charity Law. New trustees are nominated by members of the Board of Trustees, interviewed by a panel of three trustees and appointed where they have the necessary skills to contribute to One Ummah management and development.

CHIEF EXECUTIVE OFFICER

The Chief Executive Officer (CEO) is responsible for One Ummah's strategic direction, ensuring compliance and acting on behalf of the Trustees. The Senior Management Team (SMT) headed by the CEO is responsible for implementing the strategic and operational plan and the day-to-day management of One Ummah.

RISK MANAGEMENT

As part of the initial activity evaluation and implementation, all major undertakings undergo a risk assessment phase, where potential risks are identified, ranked, evaluated and mitigated.

Significant risks, for this purpose, are those that may have a considerable effect on:

- Operational performance, including risks to our personnel and volunteers
- Financial sustainability, including stability and security of income
- Achievement of our aims and objectives
- Meeting the expectations of our beneficiaries or supporters

The Trustees assess these risks regularly to ensure sufficient risk management procedures and systems are in place. Insurance coverage is obtained when deemed necessary.

The following framework is central to ensuring a valid risk assessment procedure:

- Regular monitoring of significant risks and development of action plans
- Embedding risk identification and assessment within operating procedures
- A clear structure of delegated authority and control
- Review of crucial systems and procedures through internal audit arrangements
- Income and profit targets for trading and fundraising activities
- Maintaining reserves in line with set policies
- Regular summary reports on risk management submitted to the Board of Trustees for review

100% DONATION POLICY

One Ummah operates a 100% donation policy. We highly value the trust of our supporters and assure you that every penny you generously donate is dedicated solely to the cause or project you have chosen to support. We will never allocate project funds towards administrative expenses, marketing efforts, or generating additional funds.

It is important to note that any unavoidable online transaction charges by third-party gateways are deducted before the donation reaches us.

An example of our 100% donation policy is if you give £100 towards school supplies, the entire £100 donation will go towards the school supplies and ensure they are received by the beneficiaries. Our donors can trust that One Ummah exercises complete diligence in how we allocate funds under the donors' specific preferences and intentions.

One Ummah sources funding for administrative expenses from the following channels:

Admin Fund: A specific fund where donations can be made directly towards the administration costs.

Gift Aid: Any gift aid claimed on donations may be used for administration costs.

Textile Recycling: One Ummah maintains clothing banks where textiles are collected and recycled to raise funds.

Sponsors: We acquire sponsorship deals to increase the charity's exposure and generate funds.

REPORTING PUBLIC BENEFIT

The Trustees confirm that they have read the Commission's Guidance on Public Benefit (including PB1, PB2, PB3). One Ummah complies with the public benefit requirement under the Charities Act 2011. Our work only involves activities that advance our charitable goals and benefit the public. This can be seen in the many humanitarian activities highlighted in this report, e.g. emergency aid or education support, which helps people by saving lives, reducing poverty and providing means for educational advancement.

FINANCIAL REVIEW

During the year, the charity raised income of £30.2m (2023: £21.7m) and incurred expenditure £27.2m (2023: £16.7m). The carry forward reserves stand at £13.8m (2023: £10.8m), of which £13.2 (2023: £10.48m) relates to Restricted funds and £668k (2023: £355k) relates to Unrestricted general reserves. The reason for the high restricted funds at year-end was due to the high level of donations received (£8.8m) for the Gaza emergency which began in October 2023, and for which we received a large number of donations for a continuous period of time. We spent funds (£3.5m) during the year leaving a reserve in the fund (£5.5m). The remainder of the funds were spent in the following financial year.

RESERVE POLICY

One Ummah has a policy that sets the level of general reserves to meet our operating expenses in the event of a sudden drop in income or the incurring of unexpected expenditures. We constantly review this policy, assessing risks and reflecting on changes in factors such as income and our financial obligations and commitments. This assessment was carried out in 2023, and the current target level of reserves of six months of the core operational budget was deemed sufficient. These funds are held in contemporary and medium-term cash forms.

TRUSTEES' RESPONSIBILITIES TO THE FINANCIAL STATEMENTS

The Trustees are responsible for preparing an Annual Report and financial statements following applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year, which give an accurate and fair view of the state of affairs of One Ummah and the incoming resources and their application for that period.

IN PREPARING THESE FINANCIAL STATEMENTS, THE TRUSTEES' RESPONSIBILITIES ARE:

- Select suitable accounting policies and apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgements and estimates that are reasonable and diligent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on an ongoing concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of One Ummah and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of One Ummah and hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for maintaining the integrity of the corporate and financial information on the One Ummah website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The Trustees declare that they have read, understand and approved the report.

Signed on behalf of The Trustees,

Sabahat Hussain,

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF

ONE UMMAH CHARITY

FOR THE YEAR ENDED 31 MARCH 2024

Opinion

We have audited the financial statements of One Ummah Charity for the year ended 31 March 2024 which comprise the Statement of Financial Activities, the Balance Sheet, Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102. The Financial Reporting Standard applicable in the UK and the Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2024 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, including the trustees' report,other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Other information (Cont.)

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially, inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out in Schedule 1, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the

operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Auditor's responsibilities for the audit of the financial statements (cont.)

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience through discussion with the Officers and other management (as required by auditing standards).

We had regard to laws and regulations in areas that directly affect the financial statements including financial reporting and taxation legislation. We considered that extent of compliance with those laws and regulations as part of our procedures on the related financial statement items.

With the exception of any known or possible non-compliance, and as required by auditing standards, our work in respect of these was limited to enquiry of the Officers.

We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.

We addressed the risk of fraud through management override of controls, by testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Lyons & Co Ltd is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

1 Accounting policies

Basis of accounting

The financial statements of the charitable organisation, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 ' The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011.
The financial statements have been prepared under the historical cost convention.

Assets and liabilities are initially recognised at cost or transaction values unless otherwise stated in the relevant accounting policy note

The financial statements are prepared in sterling which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £1.

Going Concern

The trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future at the time of approving the financial statements. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

Turnover

Turnover represents all income to the charity, the majority of which is donations.

Income

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Gift aid

Gift aid is recognised in the accounts when it is received in the year with a debtor provision for any amounts received within one month of the year end.

Expenditure

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Fixtures and fittings	25% p.a on reducing balance
Plant and equipment	25% p.a on reducing balance

Intangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Lease premium	Over 7 years on straight line basis

Creditors

Creditors are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors are normally recognised at their settlement amount after allowing for any trade discounts.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Value added tax is not recoverable by the charity and as such is included in the relevant costs in the statement of financial activities.

Critical accounting estimates and judgement

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. The charity makes estimates and assumptions concerning the future.
The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results.

Fund accounting

Unrestricted general funds can be used in accordance with the charitable objectives at the discretion of the trustees.
Restricted funds can be only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
Further explanation of the nature and purpose of each fund is included on page 10

Prior Year Adjustment

The 2023 accounts were restated to re-classify the administration fund income and related costs as restricted. The Trustees consider this a more appropriate classification.
There were no changes to the overall fund balances.

100% DONATION POLICY

We highly value the trust of our supporters and assure you that every penny donated is dedicated solely to the cause or project you have chosen to support.

For example, when you donate towards constructing a water well, your contribution will be exclusively utilised for the delivery, construction, labour, contractors, and materials required to build that well. **None of your funds will be allocated towards administrative expenses, marketing efforts, or generating additional funds.**

We are immensely grateful for the opportunity to provide humanitarian aid on the scale that we do. **With the will of Allah and thanks to your help, we can positively impact the lives of those in need, Alhamdulillah.**

JAZAKUM ALLAH KHAYR & THANK YOU

Alhamdulillah, it has been a hugely successful decade since One Ummah began. We cannot thank you all enough - the donors, volunteers, staff and businesses who have helped us on our journey that has led us to where we are today. May Allah reward you all immensely.

As we look towards the future, we remain boldly committed to our mission. We will continue to stand with those in need. We will continue to provide resources and support to overcome adversity. With your support, we will build a brighter future where compassion and humanity prevail.

Without your assistance, fundraising, help and advice, we would not have been able to make the difference across the world that we have made. **With your support, we will continue striving to reach more people, expanding our operations across the globe. Insha Allah. Barak Allah Feekum.**

UNITED AGAINST POVERTY

One Ummah would like to thank each individual who has supported our efforts over the last year.

By the will of our Almighty creator Allah, and the unity of the Ummah, we have transformed the lives of millions, Alhamdulillah.

With immense gratitude firstly to Allah, we then acknowledge the unwavering dedication of our staff, partners, volunteers and our beloved donors' generosity and support.

Without you, none of this would be possible.

10 YEARS OF ONE UMMAH

One Ummah is an award-winning humanitarian and disaster relief aid organisation born in the UK. Our mission is simple: channel the spirit of Islam by tackling poverty, transforming lives and obeying the command of Allah.

Over the past decade, One Ummah has emerged as a beacon of hope for millions around the world.

Our commitment to easing suffering has propelled us forward and with the will of Allah, allowed us **to deliver life-saving aid to over 1.9 million** of our brothers and sisters in **over 18 calamity-stricken countries.**

At the heart of our mission lies a two-pronged approach: **immediate relief and long-term transformation.** We provide urgent relief to those in dire need, offering emergency humanitarian aid through food, water, shelter, clothing and medical supplies. Simultaneously, we invest in sustainable development projects to empower communities to break free from the cycle of poverty.

Ten years of relentless dedication has allowed One Ummah to grow exponentially as a charity. Alhamdulillah, we have been fortunate to recruit passionate volunteers and devoted staff while expanding our offices across the UK and abroad.

Our impact is not solely measured in numbers; it is in the stories of all the lives that have changed. We have witnessed countless journeys of resilience and hope. We have watched families regain their dignity, children realise their dreams, and communities rebuilt.

Our journey would not have been possible without Allah's mercy and our donors' incredible generosity. **Together, we have created a lifeline that millions desperately need.**

As we commemorate a decade of serving the Ummah for the sake of Allah, we turn our focus to the future, driven by determination and purpose.

May Allah accept and reward the deeds of everyone who has contributed to and continues to support our work.

A YEAR OF IMPACT

DESPITE A YEAR OF GLOBAL CONFLICT, ECONOMIC UNCERTAINTY, AND DEEPENING HARDSHIPS, ONE UMMAH REMAINED STEADFAST IN OUR MISSION TO ALLEVIATE SUFFERING ALHAMDULILLAH. WE REACHED OUT TO

1,964,764

OF THE WORLD'S MOST VULNERABLE AND DISPLACED INDIVIDUALS, PROVIDING THEM HOPE AND SUPPORT IN THE DARKEST OF TIMES.

By the will of Allah, our impact extends beyond the numbers. Children's eyes lit up with joy receiving Eid gifts, families celebrated access to clean water, and empowered communities rebuilt their lives.

These triumphs are a testament to the unwavering dedication of our staff and partners, the kindness of our donors and volunteers, and most importantly, the power of your duas.

Together, with our donors' generosity, we have made a profound difference.

A MESSAGE FROM THE CEO

Riszwan Rehman

Bismillah as-salaatu wassalamu 'ala Rasool-Allah.

With the permission of Allah, we are delighted to present our Annual Report for 2022/23.

It is with the generosity and mercy of The Almighty that One Ummah was able to positively impact millions of our brothers and sisters suffering around the world. This year marks a decade of One Ummah's work, and it has been full of immense challenges and suffering for many communities worldwide. With the aid of Allah and then thanks to your support, we have remained steadfast in our commitment to easing hardship and fostering hope amongst the Ummah.

One Ummah has actively responded to many crises over the year, providing critical humanitarian aid to 19 countries. Our teams have worked daily to deliver food packs, hot meals, water and medical aid, hygiene kits, emergency winter aid, and much more.

We have always strived to reach the most vulnerable and deprived communities. This includes providing relief to our brothers and sisters in Yemen, Syria, Turkey, Lebanon, Pakistan, Afghanistan, Bangladesh, India, Uganda, Malawi, Tanzania, Kenya, Sierra Leone and more.

This year, we tackled five tragic emergencies that shook the Ummah at its core: the Turkey-Syria earthquake, the Pakistan and Bangladesh floods, Afghanistan crisis and the ongoing situation in Gaza. One Ummah was able to immediately mobilise teams to respond and provide direct emergency relief within days of the emergencies taking place.

In the wake of the Turkey-Syria earthquake, our teams navigated damaged roads and infrastructure, risking their lives to deliver essential aid to affected families, Alhamdulillah.

In Bangladesh, we distributed food packs, water, and hygiene kits to families affected by the devastating floods, Alhamdulillah. Alhamdulillah, in Pakistan, we united to reach remote communities by boat, providing food, shelter, and medical assistance to those displaced by one of the worst floods in Pakistan's history.

In June, Afghanistan experienced a seismic event, causing significant impact. Our teams immediately intervened, delivering food packs and hygiene assistance to the numerous individuals affected.

One Ummah has provided unwavering support throughout the ongoing Palestinian situation. Our team has been on the ground delivering food, medical supplies, and essential aid to those in need for many years, Alhamdulillah.

Despite our challenges, we remain committed to providing life-saving aid and fostering sustainable development. This year's top priorities include expanding our sustainability projects, such as rehousing initiatives and microfinance programmes.

Once again, as the Prophet said in an authentic narration, *"He who does not thank the people is not thankful to Allah"* [Abi Dawud].

Therefore, I would like to say Jazakum Allahu Khairan for the relentless support of our donors, the dedication of our staff and volunteers, and the services of our partners, without whom our achievements would not be possible.

May Allah reward each individual involved with One Ummah, whether directly or indirectly. May He keep us sincere in benefitting the Ummah, hold tight to the Sunnah of our beloved Prophet and reward our collective efforts in this life and the next, Ameen.

Jazakum Allah Khairun.

Riszwan Rehman
Chief Executive Officer

CHAIR OF THE BOARD OF TRUSTEES MESSAGE

Saqib Sattar

Assalamualaikum Warahmatullahi Wabarakatuh.

Our beloved Prophet Muhammad said,

"Whoever does not thank people has not thanked Allah."

In keeping with this prophetic tradition, I would on behalf of the board of trustees like to show my gratitude to everybody who contributed to the life-saving work of One Ummah.

I would like to thank our generous donors, who during an unprecedented cost-of-living crisis, have continued to dig ever deeper and give in order to alleviate the suffering of our brothers and sisters. I would like to thank our staff and volunteers, who continually go over and beyond to deliver life-saving aid to some of the most vulnerable and hard-to-reach communities across crisis-hit countries. Without you all, the lives of millions of our brothers and sisters would still be at significant risk. May Allah grant each of you the highest level of Jannah, Ameen.

At One Ummah, we are guided by the words of the Prophet Muhammad when he said,

"The parable of the believers in their affection, mercy, and compassion for each other is that of a body. When any limb aches, the whole body reacts with sleeplessness and fever."

This pain was deeply felt this past year, as the Ummah suffered a series of devastating blows brought about by natural disasters.

In Pakistan, severe flooding led to 2.2 million houses damaged or destroyed, leading to 8 million people becoming internally displaced (IDPs), with 1,739 fatalities.

In Bangladesh, an estimated 7.2 million people were impacted by flooding, with hundreds of deaths. In Somalia, according to one UN report, around 43,000 people may have died due to drought.

In Afghanistan, a country already reeling from mass food poverty, two earthquakes struck at a magnitude of 7.4 Mw and 6.1 Mw, resulting in 1,350 deaths.

We then witnessed the devastating earthquakes that struck Turkey and northern and western Syria, which caused widespread damage in an area of about 350,000 km2 and which resulted in 59,259 confirmed deaths.

By the grace and power of Allah, One Ummah teams responded swiftly to these disasters, and continue to provide support as we move from an emergency phase to a rebuilding one. I ask everybody to continue your du'aas and donations, as much work remains to be done.

Sadly, the continual challenges the Muslim world faces from natural disasters, climate change, war, conflict and persecution, means that One Ummah will have to be ever-ready in its preparedness to emergencies in order to provide a swift humanitarian aid response. We are in this for the long haul, and whilst we deal with emergencies, we hope to continue our long term programmes that tackle poverty across 19 crisis-hit countries.

I also want to stress that as a board, we take our commitment to a 100% donation policy very seriously. We will always value the trust of our supporters and guarantee that every penny generously donated by you will be allocated to the intended cause only.

Finally, I would like to say Jazakum Allahu Khairan once again. Thank you for giving us the platform to transform millions of lives each year. May Allah accept all our efforts, Ameen.

EMERGENCY APPEAL

URGENT CRISIS RESPONSE

AFGHANISTAN

Afghanistan stands on the brink of a humanitarian catastrophe, with over half the population - **a staggering 24 million people - fighting daily for survival.** The economic collapse has thrown **8.7 million Afghans** into a massive **risk of starvation**. Over 3 million were internally displaced and uprooted. Another 5.2 million have fled the country, seeking refuge beyond its borders due to the withdrawal of U.S. led forces and natural disasters. **May Allah alleviate their suffering, Ameen.**

The grip of hunger tightens around Afghanistan, with food prices soaring 60%, leaving families unable to put food on the table. **2.2 million children under five** are facing critical levels of malnutrition. **Without urgent relief, they will die.**

By Allah's grace and in the face of this crisis, One Ummah has responded, overcoming immense challenges to deliver life-saving aid to thousands of suffering families. **We provided essential aid packs, bottled water, dried food packs, hygiene kits, and medical aid packs, offering a lifeline to those in dark times.**

OCCUPIED PALESTINIAN TERRITORIES

An astounding 5 million Palestinians, over half the population, are crammed together, living under the weight of occupation. Their roots have been torn apart, and their futures remain bleak.

Over 80% of the Palestinian population is in poverty, and over 40% face the unbearable reality of food insecurity. Furthermore, since 2022, over 17,000 have been injured due to the occupation and from July 2022 alone, over 230 have been killed - including 66 children and 39 women.

Behind the shocking numbers are real human lives. Countless stories of suffering - mothers mourning their lost children, families shattered by violence, loved ones ripped from their arms. **Their cries for justice echo through the years, unanswered and unheard, decade after decade, as they await justice and freedom.** We pray to Allah to put an end to the occupation in Palestine.

By Allah's permission, One Ummah has been operating in Palestine for a number of years amidst the chaos, providing hope. Over the years, we have provided critical humanitarian relief through emergency food packs, medical aid packs, tents and shelters, water aid, clean clothing, and warm blankets, to name a few.

PAKISTAN

The catastrophe in Pakistan has left absolute devastation in its wake. **33 million people** had their lives shattered as a **torrential monsoon rained down**, resulting in one of Pakistan's worst floods in history. **Floodwater destroyed nearly 1 million homes entirely.** Roads and infrastructure were wiped out across the country, while livestock perished by the millions.

Total **financial damage** and loss stands at over **£20 billion**, but the emotional toll on the people is impossible to measure. Entire communities are ravaged, families torn apart, and livelihoods destroyed. 22,000 schools are ruined, affecting access to education on a large scale. **May Allah alleviate the suffering of our brothers and sisters.**

Alhamdulillah, One Ummah was able to react quickly and **provide emergency humanitarian relief to ease the devastation of the floods.** We were able to distribute in the most remote locations using boats and other forms of transport. **Our critical aid included emergency aid packs, food packs, bottled water, hygiene kits and medical aid packs.**

BANGLADESH

Bangladesh was ravaged with a critical flood emergency which devastated over 3 million people. The heavy rains caused widespread flooding across more than one-third of the country's districts, leaving a trail of destruction in its wake. **Hundreds of thousands of families have been displaced and their houses destroyed.**

Clean water and food has been scarce. With crops destroyed and supply chains disrupted, the threat of famine looms large for many families. Waterborne diseases are an increased risk due to the limitation of healthcare services and medicine.

Essential infrastructure like power lines and communication networks have been severely damaged which makes it difficult to reach isolated communities with vital aid. Roads have been rendered useless, and **whole communities find themselves underwater.**

Alhamdullilah, **One Ummah's UK team flew out immediately and provided assistance in isolated areas** in the form of food packs, hot meals, shelter, water and hygiene supplies.

TURKEY/SYRIA

The violent 7.8 magnitude earthquake struck the Turkey-Syria border on 6th February 2023, unleashing a tragedy. **Over 60,000** of our brothers and sisters **lost their lives**, and more than **230,000 were injured.** The earthquake marked Turkey's deadliest natural disaster since 1999.

Entire neighbourhoods were reduced to rubble in seconds as buildings collapsed on top of one another. The devastation left residents traumatised, stumbling through the wreckage, searching for their families in the hope that they were alive.

Roads and bridges were split open. Businesses and infrastructure had crumbled into piles of debris. This was a humanitarian crisis that will be felt for years. **Our teams delivered emergency aid around the clock to save as many lives as possible.** Our aid trucks navigated the destroyed terrain, and as a result, we were able to support families from the very beginning; **within 24 hours of the earthquake, One Ummah readied an emergency relief response.**

Thanks to your donations, we delivered aid in both Turkey and Syria on a daily basis. Emergency food packs, water and shelter were among the items being distributed. **May Allah ease the difficulties of our brothers and sisters in Turkey and Syria.**

Adi ibn Hatim reported: The Messenger of Allah said:

"Protect yourself from the Hellfire even with half of a date in charity."

[Sahih Bukhari 6195]

ONE UMMAH

SYRIA

TWELVE YEARS OF TURMOIL

DESPITE ONGOING CONFLICT, **YOUR DONATIONS** EMPOWERED **314,180 VULNERABLE** INDIVIDUALS IN **WAR-TORN SYRIA**

The **current Syrian nightmare** is the result of a **12-year civil war that has killed hundreds of thousands and torn apart millions more.** The nation's infrastructure lies in ruins, its economy collapses, and its people are caught in the crossfire. The relentless **battle for food, water, shelter, and medicine worsens daily.**

Despite the hardships, Syrians have no choice but to persevere. With more than **13 million displaced** from their homes and unemployment soaring to an alarming 50%, an estimated **£8.2 billion is required to provide the humanitarian aid needed** to help our brothers and sisters survive and rebuild.

Guided by the principles of compassion taught by our beloved Prophet, One Ummah stood as a beacon of hope for the people of Syria in this disastrous situation. We have provided vital humanitarian aid for over ten years, both within Syria and its borders. **Our staff have been a lifeline for those who have faced the backlash of the conflict.**

We will not forget their pain and we will continue our mission to ease the suffering in Syria. With the support of our noble donors, **we pray that Allah shines hope and empowers these communities to rebuild and reclaim their lives.**

OCCUPIED PALESTINE

LIFE UNDER OCCUPATION

OVER THE PAST 12 MONTHS, ONE UMMAH **DELIVERED ESSENTIAL AID TO 173,555 PEOPLE** IN PALESTINE

Gaza stands as one of the world's most densely populated cities in the world, home to more than 2 million people. Devastatingly, a significant majority of its population endure extreme poverty and rely on humanitarian aid for their survival. **One Ummah's dedicated team have been working tirelessly to sustain the lives of these Palestinians.**

The Israeli occupation has inflicted devastation upon the Palestinian people, leaving them broken, resulting in a frail economy and rising unemployment which has forced the population into widespread poverty. Half of Gaza is unemployed. **Access to essential services such as healthcare and education remains impossible for many**, rendering them helpless and deprived of fundamental human rights.

The **blockade of the Gaza Strip** has **restricted travel and trade**, as well as access to agricultural land and fishing waters. This has created significant challenges for Palestinians in supporting their families, crippling the economy and **leaving Gazans in a cycle of poverty and unemployment.**

One Ummah is striving to alleviate the pain and suffering of the Palestinians. **We have been on the ground in Palestine for over a decade**. We provided shelter to those displaced, handed out emergency food packs, and made medical supplies available to the injured. One Ummah has built a number of desalination units providing clean water to thousands, and with your help, our efforts will continue to provide urgent relief to those in need. **May Allah make us a vehicle to help alleviate the suffering of our brothers and sisters. Ameen.**

KEY HIGHLIGHTS

- **7,200 people** benefitted from the **Qurbani programme**
- **1,000 beneficiaries** were given **school materials**
- **5,000 children** were given **Eid gifts** that put a smile on their faces
- **80,765 beneficiaries** benefitted from **food packs**
- **32,400 hot meals** were provided to people for **Iftar during Ramadan**
- **1,000 hygiene packs** were given to beneficiaries

YEMEN

THE FORGOTTEN WAR

DURING A DEVASTATING HUMANITARIAN CRISIS, OUR AID WAS **A LIFELINE FOR 307,890 PEOPLE IN YEMEN**

The **war has triggered** one of the most devastating humanitarian crises in history, leaving **over 80% of the population in desperate need of critical humanitarian assistance.**

The ongoing conflict that has cast a shadow over Yemen since 2015 shows no sign of stopping, throwing **24 million people into a dire state of famine, disease and displacement, made worse by the acute food and water insecurity.**

The healthcare system has collapsed under the weight of the conflict, and with 50% of hospitals closed, over 11 million desperate have been left without humanitarian assistance. **Over 2 million innocent children have been denied their right to education, and over 500,000 are grappling with the effects of severe malnutrition.**

The situation in Yemen has orphaned around 3 million children. **These vulnerable children are at extremely high risk, faced with the constant threat of food deprivation and disease.**

One Ummah stands committed to our mission to save lives in dozens of war-torn areas throughout Yemen. With the unwavering support of our donors, dedicated staff, and most importantly, the blessings of Allah, we can create a lasting impact for the people of Yemen. **Millions more will die if we don't act now.**

KEY HIGHLIGHTS

- **111,700 loaves of bread** were given to beneficiaries.
- **91,660 beneficiaries** benefitted from **food packs**
- **3,000 hygiene packs** were given to beneficiaries
- **1,000 beneficiaries** were given **school materials**
- **7,650 people** benefitted from the **Qurbani programme**
- **180,000 hot meals** were provided for **Iftar during Ramadan**
- **1,580 Zakat grants** were handed out to poverty-stricken families

PAKISTAN
A MOUNTAIN TO CLIMB

WE **DELIVERED CRUCIAL** HUMANITARIAN AID
TO 159,410 BENEFICIARIES IN PAKISTAN

Pakistan, a country with a rich history and vibrant culture, faces immense challenges. Poverty is a massive cause of hunger, malnutrition and disease in Pakistan. **Almost a quarter of Pakistan lives below the poverty line, stripped of access to food, shelter, clothing and healthcare.**

As a result of its food insecurity, Pakistan is more vulnerable to the long-term effects of climate change, threatening to disrupt agricultural activities and unleash **extreme weather events like the recent deadly floods**, which devastated Pakistan's infrastructure, **causing billions in damage.**

Pakistan was devastated by the worst floods in its history, leaving 33 million people homeless and over £20 billion of damage in its wake.

Thanks to your generosity, Alhamdulillah, One Ummah **provided critical aid, including hot meals, food packs and shelter** to the most vulnerable communities in the most remote locations in Pakistan.

KEY HIGHLIGHTS

The **Qurbani programme** successfully benefitted **9,260 individuals**

182 hand pumps were built to provide a **clean source of water**

Your donations ensured the safety of **5,250 people** by **providing shelter/housing**

We ensured the sustenance of **67,510 beneficiaries** by **providing food packs**

One Ummah provided **90,600 hot meals** to those in need

We gave **3,000 hygiene packs** to beneficiaries to promote **cleanliness and well-being**

1,400 Zakat grants were handed out to families

BANGLADESH
FLOODS OF TEARS

ONE UMMAH'S HUMANITARIAN EFFORTS BROUGHT **HOPE AND TRANSFORMATION TO 114,015** BENEFICIARIES IN BANGLADESH **OVER THE LAST YEAR**

Bangladesh has been ravaged by catastrophic floods triggered by heavy monsoon rains. These disastrous floods, which started in early May 2022, have destroyed homes, crops and infrastructure. **Thousands have been displaced and urgently need food, clean water and safe shelter.**

The deteriorating sanitation conditions have heightened the risk of disease outbreaks, while the **floods have disrupted access to schools and hospitals, jeopardising the community's education and healthcare access.**

The devastation has **swept across all 64 districts of Bangladesh**, leaving a trail of destruction. The worst areas are Sylhet and Synamganj, where over **3 million people's lives** have been directly impacted. More than 100,000 homes have been left damaged or destroyed. **Tragically, many have died, and the death toll is expected to rise rapidly.**

The floods have left communities struggling to meet their basic needs. Access to food, water, and healthcare has been severely disrupted. **The deteriorating sanitation conditions have added another layer of hardship to Bangladesh.** Total damages thus far are estimated to exceed £1 billion, highlighting the immense scale of this disaster.

In the face of this overwhelming crisis, **One Ummah swiftly dispatched a UK team to join the humanitarian efforts.** Our teams worked tirelessly to provide needy families with food packs, emergency aid packs, and medical supplies to alleviate the suffering caused by the floods. **One Ummah's team used every transport resource available to reach the most remote locations and deliver your Amanah to areas where no aid had reached, Alhamdulillah.**

The affected communities are in desperate need of humanitarian and medical assistance, and without it, they face an uncertain future.

KEY HIGHLIGHTS

15,000 people benefitted from our **food packs**

12,500 people benefitted from the **Qurbani programme**

65,000 people were provided with nourishing **hot meals**

35,500 beneficiaries were assisted in the **disaster zones**

3,000 Qur'ans were handed out

150 hand pumps were built to provide **clean water**

2,440 emergency winter aid packs were distributed

15 shelters were constructed to **provide hope for the future**

EAST AFRICA

EVERY 48 SECONDS, AN EAST AFRICAN DIES. A SILENT TRAGEDY HAS UNFOLDED ON A WIDE SCALE.

We cannot ignore the immense scale of the East African crisis. Countless lives are struggling in the clutches of poverty and despair. Children are being orphaned, and communities are being shattered.

In response to the ongoing tragedy, we have expanded our humanitarian operations in East Africa to bring urgent relief to those in serious need.

The noise of global headlines drowns out the desperate cries for help from the heart of Africa. In this forgotten corner of the world, an unspeakable calamity unfolds.

UGANDA

In Uganda, **an astounding 40% of the population struggles to live on less than £1 per day**, which barely covers necessities. Nearly half the population is under 15, which has placed an immense burden on families to provide for the youth. **Many parents in Uganda are forced to go hungry to ensure their children can eat, highlighting the profound poverty that clouds the nation**.

With the permission of Allah, One Ummah has transformed the **lives of over 80,000 beneficiaries** in Uganda throughout the past year. Our initiatives encompass (but are not limited to) the construction of **20 bore wells** and **13 Masaajid, the distribution of 1,000 food packs and 31,880 hot meals** given to the most destitute communities. In addition, **2,000 Qur'ans** and **600 Zakat grants** were distributed, providing both nourishment for the body and the soul.

These impactful projects have addressed critical needs and instilled hope back into the people of Uganda.

SUDAN

In 2023, a military coup in Sudan led to a conflict that killed hundreds and displaced thousands. The UN has warned millions more could be forced to flee their homes. **Millions in Sudan require food, water, and shelter, while the country's infrastructure has been damaged**.

One Ummah's efforts in Sudan have been a lifeline for many struggling to survive. We distributed over **2,000 food packs** to those who were desperate for food. In addition, we fulfilled your Amanah by providing **Qurbani** to **6,000 vulnerable people**. Alhamdulillah, these food packs and Qurbani donations have provided much-needed nourishment and relief to thousands. **May Allah accept it from you all.**

SOMALIA

Currently, there are **500,000 individuals on the brink of starvation** in Somalia and Ethiopia. The critical levels of food insecurity and malnutrition have placed millions in urgent need of humanitarian aid. **Shockingly, half of those are vulnerable children.**

In response to the threat of starvation, One Ummah has taken immediate action by **distributing emergency food packs to 2,500 beneficiaries** in Somalia during Ramadan, giving each family the ability to open and close their fast throughout this blessed month. Through this initiative, we aim to not only provide them with sustenance but also instil a sense of hope in those who are suffering. **We pray that Allah accepts it from all those involved.**

TANZANIA

More than **3 million children under the age of 5** endure the **devastating effects of chronic malnutrition**, which accounts for one-third of the population. **These vulnerable children live in slums that lack the design for long-term habitation**. Adding to this, food insecurity, water scarcity and lack of education, the people of Tanzania face immense challenges.

One Ummah's efforts on the ground in Tanzania have been focused on addressing the community's immediate needs. By **providing 10,000 Iftar meals**, we ensured people had access to nourishing food during the holy month of Ramadan. May Allah accept their fasts and also add it to the scales of those who donated, Ameen. In addition, our distribution of **over 2,000 food packs** helped provide essential sustenance to those in need.

We also recognise the importance of education, both spiritual and secular; as a result, we have supported our brothers and sisters by constructing **12 Masaajid in strategic locations** and have given **over 450 students school materials.** With the permission of Allah and your donations, it has also given us the ability to provide safe and clean drinking water to thousands, with the construction of **15 bore wells** for the most needy communities in Tanzania.

KENYA

The drought in Kenya was the **deadliest in over 40 years**, resulting in a crisis that demanded our immediate attention. **More than 4 million are in desperate need of humanitarian aid, with one million children suffering from acute malnutrition and requiring urgent treatment.**

Given the desperate situation, One Ummah took decisive action by implementing an emergency water project, successfully constructing **90 bore wells** and granting over **60,000 thirsty beneficiaries access to clean water**, **Alhamdulillah. May Allah accept it from all those involved.**

We were also motivated to help children suffering from malnutrition, and as part of our efforts, your donations supported the **sponsorship of 200 orphans**. Whilst this may be small given the scale of the disaster, it is a priceless hope of a brighter future for these orphans. **May Allah give us the ability to sponsor every child suffering from malnutrition in Kenya and around the world, Ameen.**

KEY HIGHLIGHTS

- **2,306 Zakat grants** were given
- **33,500 people** benefitted from our **food packs**
- **52,666 people** were provided with **Iftar during Ramadan**
- **700 orphans** were sponsored and given the **hope of a brighter future**
- **6 Imam sponsorships** were issued
- **7,000 Qur'ans** were handed out, bringing people back to Allah
- **77,066** nourishing **hot meals** were provided
- **89,703** were provided with access to **clean water**
- **33,200 people** ate from **your Qurbani**
- **2 schools** were **built** to **provide education**
- **1 orphanage** was **built** to provide a **safe space for orphans**
- **4,703 people** were able to **worship safely** in one of **your Masaajid**
- **700 beneficiaries** were given **school materials**

ZAKAT
A PILLAR OF ISLAM

Zakat, one of the Five Pillars of Islam, serves as a means to promote social welfare and charity. Zakat is an annual donation of 2.5% of one's excess wealth given to the less fortunate, an obligation Allah bestowed upon us.

Despite the challenges over the past year, One Ummah ensured your **Zakat donations were utilised to benefit the most vulnerable communities.**

Through your generous contributions, we were able to **provide essential resources to over 18,289 of our brothers and sisters worldwide.**

Alhamdulillah, your support has been a lifeline for thousands of desperate families. Together, we were **able to provide beneficiaries** with **vital grants during times of scarcity** when there seemed to be no hope. As Muslims, **it is our duty to assist those who need it most**, and although much work remains to be done, your donations have answered the prayers of many this past year.

KEY HIGHLIGHTS

10,000 people received hot meals because of your **Zakat Ul Fitr donations**

8,289 families were positively impacted because of **your Zakat donations**

"And establish prayer and give Zakat, and whatever good you put forward for yourselves – you will find it with Allah." Qur'an [2:110]

Drops of Mercy

Collectively, we provided a **drop of hope to 133,549 people** through One Ummah's **water projects.**

Clean water, **the very essence of life**, is a fundamental need that **remains elusive for millions**. As each day passes, **more children become victims of preventable water-related diseases.** Water scarcity has plunged countless families and communities into despair, trapping them in unlivable conditions.

Women are burdened with trekking miles each day in search of water for their families. Dehydrated by the hot weather and injured by the rough terrain, they return with **water that is often contaminated**, posing a constant **threat of illness**.

Alhamdulillah, One Ummah has been working diligently this past year to combat water scarcity, working tirelessly to quench the thirst of millions.

Through our life-saving water projects, the will of Allah and your generous donations, we are determined to provide drops of mercy, one community at a time.

Sa'd ibn Ubadah reported that he asked the Prophet Muhammad *"O Messenger of Allah, my mother has died. Shall I give charity on her behalf?"* The Prophet said, *"Yes." I said, "Which charity is best?" The Prophet said, "A drink of water."* [Sunan al-Nasā'ī]

KEY HIGHLIGHTS

391 hand pumps were constructed

133,549 people do not have to worry about **clean water**

5 water desalination projects were undertaken

1 solar panel well was constructed

165 bore wells were built, quenching the thirst of hundreds of villages

7,700 CHILDREN WERE GIVEN ACCESS TO **EDUCATIONAL RESOURCES.**

There are children all around the world who have been unjustly denied the fundamental right to education. **Our children represent the future, yet millions lack access to education.**

Over 250 million children are out of school, and almost **60 million are due to conflict, displacement and natural disasters.**

In Sub-Saharan Africa, only 40% of children complete primary school— even lower in South Asia, with 37%. These statistics are a reminder of the brutal challenges that await children in third-world countries.

For the last decade, One Ummah has provided children with a means of education in many crisis-hit nations. Without it, they face bleak futures. With the will of Allah and your generous donations, **we are committed to empowering today's youth to be tomorrow's leaders.**

KEY HIGHLIGHTS

800 Madrasah students were provided with **three meals per day for a year**

5,200 children received **Eid gifts**

140 teacher sponsorships were issued

7,700 children received **school materials**

2 schools were built

The Prophet Muhammad said: *"The best gift a father can provide for their child is an education."* [Tirmidhi]

ORPHANS

THEIR FUTURE LIES IN OUR HANDS

When Allah selected an orphan as His Messenger, He elevated the status of orphans. The Qur'an rectified their treatment and made it obligatory for us to care for them as part of our religious duty. Allah mentions in the Qur'an:

"Have you seen the one who denies the Recompense [the religion]? For that is the one who drives away the orphan."
Al Ma'un: 1-2

According to UNICEF, **almost 5,700 children become orphans EVERY DAY.** Forced into child labour to provide for their families, these **innocent children are robbed of their childhood and education**. They become vulnerable to exploitation, crime, trafficking and gang culture. **Without financial security, they face an uncertain future.**

One Ummah is dedicated to ending the exploitation of orphans in countries affected by crises, such as Yemen, Tanzania, Burma and Lebanon, by **providing them with the aid and support they need to build a better future.**

Our hearts ache for the millions of innocent children who endure pain and suffering due to the aftermath of disasters, wars, and poverty worldwide.

Alhamdulillah, thanks to your support, One Ummah was able to **assist 2,700 orphans** by providing **emergency food and water, shelter, medical aid packs and schooling**. The future lies in these children's hands; **our responsibility is to care for them as if they were our own.**

Creating a safe and nurturing environment is crucial for orphans to feel secure and thrive. By providing them with clean clothes, nutritious meals, warm shelter and quality education, we equip them with the tools to uplift their broken communities and transform countless more lives.

Your donations provided orphans with the following:

- Clean clothes and shoes
- Eid gifts and fun activities
- School uniform and equipment
- Mattresses and cushions for a comfortable sleep
- Food and clean water
- Shelter and security at night
- Urgent medical aid

KEY HIGHLIGHTS

2,700 orphans were **given** a **brighter future** thanks to **your donations**

400 orphans benefitted from the **construction of an orphanage** in Africa

MEALS THAT HEAL

FEEDING THE NEEDY

Every individual is entitled to the fundamental human right of having access to food.

Unfortunately, this right is denied to millions in poverty-stricken nations. Our brothers and sisters are left without food and water, uncertain where their next meal will come from. **The harsh reality is there may not be a 'next meal'.** However, One Ummah is steadfast in our mission to alleviate this suffering with the guidance and permission of Allah.

During the holy month of Ramadan, millions of men, women and children endure hardship that comes from malnutrition and poverty. Unable to afford food, many cannot fulfil their religious obligation of fasting during this sacred month. As a result, **One Ummah organised community iftars across the world, ensuring over half a million people could break their fast and, if Allah wills, secure theirs and your reward.**

One Ummah also **provides essential food packs** to support the survival of millions across **19 calamity-stricken countries**, including Syria, Gaza, Yemen, Pakistan and Uganda. This initiative allows us to extend a helping hand to those who are most vulnerable and in desperate need of immediate assistance.

KEY HIGHLIGHTS

623,416 people were fed **during Ramadan**

1,546,961 people benefitted **from food aid** this year

509,566 people were provided with **hot Iftar meals**

MASAAJID

At One Ummah, **we continuously explore** the **construction of Masaajid** in countries where **Muslims lack appropriate prayer space.**

Over the past 12 months, by the will of Allah, we have **constructed 42 Masaajid in strategic locations.** This has, in turn, built practising Islamic communities whose hearts and souls are **attached to the Masjid and worship of Allah.**

Alhamdulillah, **many have even taken their Shahada in the Masaajid we have built with your generous donations.** May Allah accept it from you all.

Along with the prayer and wudu areas, we understand the **importance of safe spaces designated for women**, therefore, the Masaajid are built to also accommodate the needs of female worshippers.

These blessed Houses of Allah not only uphold the values and obligations of Islam but also serve as **authentic guidance for the next generation of Muslims to learn the principles of the religion.**

The Messenger of Allah said,
"Whoever builds a Masjid for Allah, Allah will build for him likewise in Paradise."
[Sahih Al-Bukhari]

KEY HIGHLIGHTS

12,000 Qur'ans were **distributed** to beneficiaries

42 Masaajid were built to provide access to **safe prayer spaces**

7,033 beneficiaries were provided with **access** to a **Masjid in their area**

Qurbani

Follow the Sunnah of Ibraheem

Alhamdulillah, **due to your trust in One Ummah fulfilling your Qurbani,** we were able to successfully **distribute Qurbani meat amongst 136,810 beneficiaries** across **15 countries worldwide**, bringing smiles, happiness, and an unforgettable Eid to many.

Through the Amanah you entrusted with us, we brought joy to the hearts of Muslims around the world.

The Prophet Muhammad said: *"Whoever offers a sacrifice after (Eid) prayer has completed his rituals (of Qurbani) and has succeeded in following the ways of the Muslims."* [Sahih Al-Bukhari]

Your Qurbani provided sustenance to those in need and expressed your faith and commitment to Islam. It is an **example of the compassion** that lies at the heart of Islam, **uniting Muslims worldwide through the shared act of generosity, selflessness and worship.**

Allah says, *"It is neither their meat nor their blood that reaches Allah, but it is your piety that reaches Him."*
Qur'an [22:37]

KEY HIGHLIGHTS

1,770 Qurbani sacrifices were performed

136,810 beneficiaries benefitted from our **Qurbani campaigns**

ONE UMMAH

"Those who give, out of their own possessions, by night and by day, in private and in public will have their reward with their Lord."

Qur'an [2:274]

OBJECTS, STRUCTURE, GOVERNANCE AND MANAGEMENT

OUR LEGAL OBJECTS

One Ummah is an international humanitarian aid and development organisation.

In its previous incarnation, One Ummah Charity was established in 2013 and registered on 20th December 2013. A constitution governed it as an unincorporated association.

The charity was incorporated into a new Charitable Incorporated Organisation ('the new CIO'). The assets and liabilities belonging to the charity were transferred to the new CIO (effective from 2nd August 2016), and the charity formerly known as "One Ummah Charity" was renamed "One Ummah". The charity ceased to operate on 31st December 2016 and was removed from the Register of Charities ('the Register'). Since its registration, the new CIO has been known as "One Ummah" (1168565).

The Constitution defines One Ummah's objects as being:

a) To assist in the prevention or relief of poverty worldwide by providing grants, items and services to individuals in need, charities or other organisations working to prevent poverty.

b) The advancement of the Islamic religion for the benefit of the public in areas of poverty and hardship.

c) To advance education by providing financial or other assistance for the benefit of the public in areas of poverty and hardship.

d) To advance health by providing financial or other assistance, including medicines, hospitals, and othe means, in each case, for the public benefit anywhere in the world.

TRUSTEES AND ORGANISATIONAL STRUCTURE

The Board of Trustees (herein also called "Trustees" or "The Trustees") directs and oversees One Ummah per its statutory obligations and policies. Focusing on strategic planning and governance, the Board also sets priorities and objectives to alleviate poverty and its underlying causes.

The Board of Trustees appraises the performance of the Senior Management Team (SMT) against both strategic and operational objectives through reports, meetings and other interventions as required. The Trustees also approve new policies and procedures.

When new trustees are appointed, they are given a formal induction to the work of One Ummah and provided with the information they need to fulfil their roles, which includes information about the part of trustees and Charity Law. New trustees are nominated by members of the Board of Trustees, interviewed by a panel of three trustees and appointed where they have the necessary skills to contribute to One Ummah management and development.

CHIEF EXECUTIVE OFFICER

The Chief Executive Officer (CEO) is responsible for One Ummah's strategic direction, ensuring compliance and acting on behalf of the Trustees. The Senior Management Team (SMT) headed by the CEO is responsible for implementing the strategic and operational plan and the day-to-day management of One Ummah.

RISK MANAGEMENT

As part of the initial activity evaluation and implementation, all major undertakings undergo a risk assessment phase, where potential risks are identified, ranked, evaluated and mitigated.

Significant risks, for this purpose, are those that may have a considerable effect on:

- Operational performance, including risks to our personnel and volunteers
- Financial sustainability, including stability and security of income
- Achievement of our aims and objectives
- Meeting the expectations of our beneficiaries or supporters

The Trustees assess these risks regularly to ensure sufficient risk management procedures and systems are in place. Insurance coverage is obtained when deemed necessary.

The following framework is central to ensuring a valid risk assessment procedure:

- Regular monitoring of significant risks and development of action plans
- Embedding risk identification and assessment within operating procedures
- A clear structure of delegated authority and control
- Review of crucial systems and procedures through internal audit arrangements
- Income and profit targets for trading and fundraising activities
- Maintaining reserves in line with set policies
- Regular summary reports on risk management submitted to the Board of Trustees for review

100% DONATION POLICY

One Ummah operates a 100% donation policy. We highly value the trust of our supporters and assure you that every penny you generously donate is dedicated solely to the cause or project you have chosen to support. We will never allocate project funds towards administrative expenses, marketing efforts, or generating additional funds.

It is important to note that any unavoidable online transaction charges by third-party gateways are deducted before the donation reaches us.

An example of our 100% donation policy is if you give £100 towards school supplies, the entire £100 donation will go towards the school supplies and ensure they are received by the beneficiaries. Our donors can trust that One Ummah exercises complete diligence in how we allocate funds under the donors' specific preferences and intentions.

One Ummah sources funding for administrative expenses from the following channels:

Admin Fund: A specific fund where donations can be made directly towards the administration costs.

Gift Aid: Any gift aid claimed on donations may be used for administration costs.

Textile Recycling: One Ummah maintains clothing banks where textiles are collected and recycled to raise funds.

Sponsors: We acquire sponsorship deals to increase the charity's exposure and generate funds.

REPORTING PUBLIC BENEFIT

The Trustees confirm that they have read the Commission's Guidance on Public Benefit (including PB1, PB2, PB3). One Ummah complies with the public benefit requirement under the Charities Act 2011. Our work only involves activities that advance our charitable goals and benefit the public. This can be seen in the many humanitarian activities highlighted in this report, e.g. emergency aid or education support, which helps people by saving lives, reducing poverty and providing means for educational advancement.

FINANCIAL REVIEW

During the year, the charity raised income of £21.7m (2022: £16.4m) and incurred expenditure £16.7m (2022: £13.9m). The carry forward reserves stand at £10.83m (2022: £5.83m), of which £10.48m (2022: £4.83m) relates to Restricted funds and £355k (2022: £1.0m) relates to Unrestricted general reserves. The reason for the high restricted funds at year-end was due to the high level of donations received (£4.7m) for the Turkiye/Syria earthquake disaster during February/March, which is two months before the charity's year end. Funds were spent in the following financial year. The current level of general reserves stands at £355k (2022: £1.0m). The reason for the significant decrease from last year is due to the fact that the charity has invested substantially in increasing its resource due to considerable growth in donations year on year.

RESERVE POLICY

One Ummah has a policy that sets the level of general reserves to meet our operating expenses in the event of a sudden drop in income or the incurring of unexpected expenditures. We constantly review this policy, assessing risks and reflecting on changes in factors such as income and our financial obligations and commitments. This assessment was carried out in 2021, and the current target level of reserves of six months of the core operational budget was deemed sufficient. These funds are held in contemporary and medium-term cash forms.

TRUSTEES' RESPONSIBILITIES TO THE FINANCIAL STATEMENTS

The Trustees are responsible for preparing an Annual Report and financial statements following applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year, which give an accurate and fair view of the state of affairs of One Ummah and the incoming resources and their application for that period.

IN PREPARING THESE FINANCIAL STATEMENTS, THE TRUSTEES' RESPONSIBILITIES ARE:

- Select suitable accounting policies and apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgements and estimates that are reasonable and diligent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements.
- Prepare the financial statements on an ongoing concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of One Ummah and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of One Ummah and hence, for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for maintaining the integrity of the corporate and financial information on the One Ummah website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The Trustees declare that they have read, understand and approved the report.

Signed on behalf of The Trustees,

Sabahat Hussain,
Trustee

ONE UMMAH INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2023

Opinion

We have audited the financial statements of One Ummah for the year ended 31 March 2023 which comprise the Statement of Financial Activities, the Balance Sheet, Cash Flow Statement and notes to the financial statements, including significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including FRS 102. The Financial Reporting Standard applicable in the UK and the Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2023 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of financial statements in the UK, including the FRC's Ethical Standard and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the entity's ability to continue as a going concern for a period of at least 12 months from when the financial statements are authorised for issue.

Our responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the annual report, including the trustees' report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Our responsibility is to read the other information and, in doing so, consider whether the other information is materially, inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such materialthis gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the company and its environment obtained in the course of the audit, we have not identified material misstatements in the directors' report included within the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on Page 37, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We identified areas of laws and regulations that could reasonably be expected to have a material effect on the financial statements from our sector experience through discussion with the Officers and other management (as required by auditing standards).

We had regard to laws and regulations in areas that directly affect the financial statements including financial reporting and taxation legislation. We considered that extent of compliance with those laws and regulations as part of our procedures on the related financial statement items.

With the exception of any known or possible non-compliance, and as required by auditing standards, our work in respect of these was limited to enquiry of the Officers.
We communicated identified laws and regulations throughout our team and remained alert to any indications of non-compliance throughout the audit.

We addressed the risk of fraud through management override of controls, by testing the appropriateness of journal entries and other adjustments; assessing whether the judgements made in making accounting estimates are indicative of a potential bias; and evaluating the business rationale of any significant transactions that are unusual or outside the normal course of business.

A further description of our responsibilities is available on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Lyons & Co Ltd is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor of a company under section 1212 of the Companies Act 2006.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

1 Accounting policies

Basis of accounting

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 ' The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover represents all income to the charity, the majority of which is donations.

Incoming resources

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Gift aid

Gift aid is recognised in the accounts when it is receivable by the charity.

Resources expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Motor vehicles	25% p.a on reducing balance
Fixtures and fittings	25% p.a on reducing balance
Plant and equipment	25% p.a on reducing balance

Intangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Lease premium	Over 7 years on straight line basis

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.
Restricted funds can be only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

[Musnad Aḥmad 23490]

THANK YOU FOR 10 YEARS OF ONE UMMAH

As we mark the 10th anniversary of One Ummah, we say JazakumAllahu Khairan and extend our deepest appreciation to everyone who has been a part of this remarkable journey.

Alhamdulillah, All praise is to Allah as without His permission, there is no success.

To our loyal donors who have generously supported our mission and entrusted their Amanah to us, even when they may have faced times of hardship - you have been the lifeline that has sustained our work. Your faith in us motivates us daily.

To our beloved volunteers who have selflessly given up their time to help with all kinds of projects on the ground - your unity and dedication are what make this special. May Allah accept your sacrifices.

To our community partners and businesses who have collaborated with us - you have been paramount in amplifying our impact.

And to **our staff** who work tirelessly behind the scenes, **your commitment drives us forward as a charity.**

There will be many challenges as we look ahead to the next 10 years. Still, with your continued support and faith in our mission, we remain boldly committed to serving the most vulnerable communities and seeking the pleasure of Allah.

We will stand bravely against injustice, leading with compassion and holding tight to the Sunnah of our beloved Prophet Muhammad (peace be upon him). We will strive to nurture hope in places of despair. We will fight to empower the displaced and rebuild. Moreover, we will continue to build brighter futures where kindness and humanity prevail.

Without your support, we would not have been able to make the difference that we have.

This year, we changed 1,964,764 lives for the better. May Allah reward you all immensely and keep us all sincere.

UNITED AGAINST POVERTY

GET INVOLVED!

MAKE A DIFFERENCE AND SAVE LIVES

Here at One Ummah, we are always looking for **selfless individuals passionate about helping those around the world who are less fortunate.** We owe our successes to our **amazing volunteers** who have been so active throughout the years in helping to **raise millions of pounds for worldwide projects** that have saved countless lives.

Our volunteers have participated in cake-baking campaigns, homeless soup kitchens, charity challenges, organising and running inspiring talks and lectures, bazaars, charity fun days, 'Eid in the Park' and many more activities.

If you would like to get involved with One Ummah and sacrifice your time and effort for the sake of Allah to help the needy people around the world, **REGISTER NOW!**

100% DONATION POLICY

We highly value the trust of our supporters and assure you that every penny donated is dedicated solely to the cause or project you have chosen to support.

For example, when you donate towards constructing a water well, your contribution will be exclusively utilised for the delivery, construction, labour, contractors, and materials required to build that well. **None of your funds will be allocated towards administrative expenses, marketing efforts, or generating additional funds.**

We are immensely grateful for the opportunity to provide humanitarian aid on the scale that we do. **With the will of Allah and thanks to your help, we can positively impact the lives of those in need, Alhamdulillah.**

JAZAKUM ALLAH KHAYR & THANK YOU

Alhamdulillah, it has been a hugely successful decade since One Ummah began. We cannot thank you all enough - the donors, volunteers, staff and businesses who have helped us on our journey that has led us to where we are today. May Allah reward you all immensely.

As we look towards the future, we remain boldly committed to our mission. We will continue to stand with those in need. We will continue to provide resources and support to overcome adversity. With your continued support, we will continue to build brighter futures where compassion and humanity prevail.

Without your backing, fundraising, help and advice, we would not have been able to make the difference across the world that we have made. **With your support, we will continue striving to reach more people, expanding our operations across the globe. Insha Allah. Barak Allah Feekum.**

Introduction

One Ummah, which loosely translates to one world and one community, was put together with the hopes and dreams of bringing the world's communities together and uniting against poverty. We are a not for profit organisation that provides humanitarian assistance aid to those most in need around the world.

Our staff and volunteers are from the heart of the community, they are the backbone of One Ummah and are vital in all its deliverables.

In addition to providing immediate relief to those in need, we also focus on empowerment projects that give beneficiaries the opportunity to transform theirs and their families lives for the better.

With our assistance, beneficiaries are given the skills and tools to craft a better life away from the misery of poverty.

After eight years of life-saving work, we have expanded greatly, with the recruitment of volunteers, employment of staff and establishing offices across the UK and abroad.

All thanks to the blessings of the Almighty Allah.

Without the mercy of Allah first and foremost, and then the generosity of our amazing donors, we would not be able to benefit millions around the world every year.

May Allah reward and accept the deeds of every single person who was a part of our journey and those who continue to support our work.

"Whoever saves one life, it is as if he has saved all of mankind"

(Qur'an 5:32)

ONE UMMAH

Objects, Structure, Governance & Management

Our legal objects

One Ummah is an international humanitarian aid and development organisation.

In its previous incarnation, One Ummah Charity was established in 2013, and registered on 20th December 2013. It was governed by a constitution as an unincorporated association.

The charity was incorporated into a new Charitable Incorporated Organisation ('the new CIO'). Assets and liabilities belonging to the charity were transferred to the new CIO (effective from 2nd August 2016) and the charity formerly known as "One Ummah" was renamed "One Ummah Charity". The previous incarnation of the charity ceased to operate on 31st December 2016 and was subsequently removed from the Register of Charities ('the Register'). Since its registration, the new CIO has been known as "One Ummah Charity" (1168565). 'One Ummah Charity' was renamed 'One Ummah' by a resolution passed by the board of trustees on 31st August 2021.

The Constitution defines One Ummah's objects as being:

a) To assist in the prevention or relief of poverty anywhere around the world by providing grants, items, and services to individuals in need and or charities, or other organisations working to prevent or relieve poverty.

b) The advancement of the Islamic religion for the benefit of the public in areas of poverty and hardship.

c) To advance education by the provision of financial or other assistance, for the benefit of the public in areas of poverty and hardship.

d) To advance health by the provision of financial or other assistance, including medicines, hospitals, and other means, in each case for the public benefit anywhere in the world.

Trustees and organisational structure

The Board of Trustees (herein also called "Trustees" or "The Trustees") direct and oversee One Ummah Charity in accordance with its statutory obligations and policies. Focusing on strategic planning and governance, the Board also sets out strategic priorities and objectives, with the goal of alleviating poverty and its underlying causes.

The Board of Trustees appraises the performance of the Senior Management Team (SMT) against both strategic and operational objectives through reports, meetings and other interventions as required. The Trustees also approve new policies and procedures.

When new trustees are appointed, they are given a formal induction to the work of One Ummah and are provided with the information they need to fulfil their roles, which includes information about the role of trustees and charity law. New trustees are nominated by members of the Board of Trustees, interviewed by a panel of three Trustees and appointed where they have the necessary skills to contribute to One Ummah's management and development.

Chief Executive Officer

The Chief Executive Officer is responsible for the day-to-day operation of One Ummah Charity including staff management on behalf of the Trustees. The Senior Management Team (SMT) headed by the Chief Executive Officer is responsible for the implementation of the strategic and operational plan and the day-to-day management of One Ummah Charity

Risk management

All significant activities undertaken are subject to a risk assessment as part of the initial activity evaluation and implementation. Major risks are identified and ranked in terms of their potential impact and likelihood of occurring.

Major risks, for this purpose, are those that may have a significant effect on:

- Operational performance, including risks to our personnel and volunteers.
- Financial sustainability, including stability and security of income.
- Achievement of our aims and objectives; or
- Meeting the expectations of our beneficiaries or supporters.

The Trustees review these risks on an ongoing basis to satisfy themselves that adequate systems and procedures are in place to manage the risks identified. Where appropriate, risks are covered by insurance.

The following framework is central to ensuring adequate risk assurance:

- Regular monitoring of major risks and development of action plans;
- Embedding risk identification and assessment within operating procedures;
- A clear structure of delegated authority and control;
- Review of key systems and procedures through internal audit arrangements;
- Income and profit targets for our trading and fundraising activities;
- Maintaining reserves in line with set policies; and
- Regular summary reports on risk management to the Board of Trustees.

100% Donation Policy

One Ummah Charity operates a 100% donation policy. This means that every penny received by us is spent on the specified cause - with no deductions taken for administration, such as overheads and advertising.

This does not include online transaction charges by third party payment gateways that are deducted before a donation is received by us.

For example, if we receive £30 towards a food pack, then the entire £30 donation will go towards the food pack and in ensuring it reaches the beneficiary. Our donors can be assured that One Ummah Charity exercises diligence in how funds are handled and spent in accordance with how they are donated.

One Ummah raises funds for its administration costs in the following ways:

Admin Fund: A specific fund where donations can be made directly towards the administration costs.

Gift Aid: Any gift aid claimed on donations will be used for the administration costs.

Textile Recycling: One Ummah Charity operates clothing banks where textiles are collected and sold to exporters to generate income.

Sponsors and Donations: Business sponsorships are sought for brand awareness on our website, digital and social media platforms.

Reporting public benefit

The Trustees confirm that they have read the Commission's Guidance on Public Benefit (including PB1, PB2, PB3). One Ummah is compliant with the public benefit requirement under the Charities Act 2011. Our work only involves activities that advance our charitable objects and benefit the public. This can be seen in the many humanitarian activities highlighted in this report such as emergency aid or education support, which benefits the public by saving lives and reducing poverty among populations in need.

Reserve Policy

One Ummah has a policy that sets the level of general reserves such that it meets our operating expenses in the event of a sudden drop in income or the incurring of unexpected expenditure. This policy is regularly reviewed, assessing risks and reflecting changes in factors such as income and also our financial obligations and commitments. Such a review was undertaken in 2021, and the current target level of reserves of six months' of the core operational budget was deemed to be sufficient at the time. These funds are held in current and medium-term cash forms.

Trustees' responsibilities in relation to the financial statements

The Trustees are responsible for preparing an Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of One Ummah Charity and of the incoming resources and application of resources of One Ummah Charity for that period.

In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently;
- Observe the methods and principles in the Charities SORP;
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of One Ummah Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed.

They are also responsible for safeguarding the assets of One Ummah and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on One Ummah's website.

Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The Trustees declare that they have read, understood and approved the report.

Signed on behalf of the trustees

Message from the Chair of the Board of Trustees

Naquash Rashid

Assalamu'alaikum Wa-rahmatullah

Peace be upon you all.

I would like to begin by thanking all the donors. It is through your donations that we have been able to save many lives and ease the suffering of countless families around the world.

I would also like to extend my thanks to the staff, who ensure day-to-day activities run smoothly, and who have been at the forefront of delivering vital lifesaving aid on the ground.

Finally, I would like to recognise the volunteers. The difficulties imposed on us and many other organisations due to Covid-19 restrictions forced us to adapt. However, it was the volunteers who were the backbone that propped us up by persevering in fundraising activities, organising community events and being engaged day to day with One Ummah. Alhamdulillah, we are proud to say that our volunteers are the heart and soul of our communities, and I would like to thank them all for their dedication to the cause.

Despite the difficulties One Ummah has experienced, our team was able to keep the various appeals going in several needy countries including Yemen, Syria, Gaza, Uganda, Pakistan, India, Somalia, and many more.

Having strategically hired and more than doubling the team, the compounding growth of One Ummah has paved the way for the implementation of numerous campaigns including emergency disaster appeals, food distribution programmes, sponsorship of orphans, water projects and distribution of lifesaving winter aid, education and medical services.

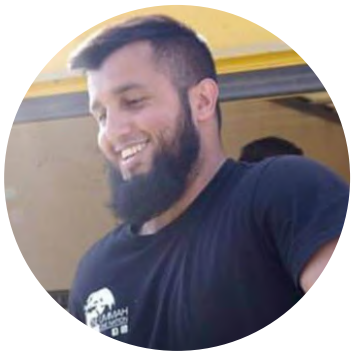
As a board, we are constantly strategising to maintain our 100% donation policy. We continue to value your trust very highly and guarantee that every penny you donate will be spent to support the cause/ project towards which you have generously contributed.

I would like to again express my sincere gratitude to all of you for giving us this opportunity to serve humanity. May Allah accept all of our efforts.

Naquash Rashid
Chairperson of the Board

Message from the Chief Executive Officer

Riszwan Rehman



Bismillah as-salaatu wassalamu 'ala Rasool-Allah, Firstly, with the will and permission of Allah, in whose hands One Ummah's success rests, we are pleased to present to you the 2021/2022 annual report. It is with His generosity and mercy that One Ummah is able to assist/support those in need around the world.

Societies worldwide have seen a great deal of suffering and poverty over the past year. One Ummah has actively responded to a number of these crises, including natural disasters, ongoing conflicts and the global Covid-19 pandemic. One Ummah has now expanded into over 16 countries, offering a more diverse range of programmes while strengthening its global footprint.

One Ummah was able to facilitate multiple programmes all over the world, including food packs, hot meals, water and sanitation, hygiene kits, winter packs, mosque builds, orphan sponsorships, sustainable projects and zakat distributions. One Ummah has further solidified its presence in Africa and with the will of Allah, has benefitted hundreds of thousands of individuals and spent millions of pounds within the African continent alone. In addition, One Ummah always strives to provide aid for beneficiaries in the hardest to reach places, including Yemen, Gaza, Lebanon and Syria.

By the permission of Allah, One Ummah continues to sustain its financial growth and is going from strength to strength, year upon year. As a result, millions were able to benefit from your generosity, with a countless number of lives being saved. To sustain this growth, One Ummah continues to recruit individuals who add value to their respective departments while maintaining our robust systems and procedures and preserving our 100% donation policy.

Finally, as our beloved Prophet (peace be upon him) said: *"Charity extinguishes sins like water extinguishes fire"* [Ibn Majah].

We at One Ummah pray that it be an expiation of sins for those generous individuals who donated for the sake of Allah, and may it weigh heavily on their scale of good deeds. Without our beloved donors, sponsors, partners, and those who provided kind words, advice, and valuable feedback, the success of One Ummah would not have been possible and more importantly, those in need around the world would not have benefited.

It is our deepest gratitude to you for being an instrumental part of the growth of One Ummah and being generous with your time, talent, and resources.

As One Ummah, we cannot thank you enough. We testify that the millions of people around the world who benefit annually from your contributions are also making sincere du'as for you. May Allah accept their and our supplications across all the countries in which we operate, you have truly made a difference.

We thank Allah for making us a vehicle to serve those in need and for the blessings He has bestowed upon us. We pray He keeps us sincere and accepts the work we have done in the past, are doing in the present and will do in the future,

Ameen.

Activities

With the **help of our donors**, we were able to reach over 1,987,802 beneficiaries, in 16 different countries with over 12 different programmes.

Despite the challenges of the global Covid-19 pandemic, our partners around the world rose to the challenge to ensure that the work continues.

Our teams excelled in delivering vital aid and reaching the neediest beneficiaries around the world.

Throughout the year, we delivered aid and development programmes to the following countries:

- Pakistan
- Bangladesh
- India
- Myanmar
- Turkey
- Syria
- Occupied Palestinian Territories
- Lebanon
- Yemen
- Mauritania
- Tanzania
- Kenya
- Uganda
- Sierra Leone
- Somalia

Our work focuses on providing emergency humanitarian aid to some of the poorest communities in the world with an emphasis on internally displaced people (IDP) and other refugees.

Our programmes include:

- Food aid
- Orphan sponsorship
- Emergency relief
- Winter packs
- Installation of water systems
- Temporary shelters and home builds
- Construction of Masajid and schools
- Hygiene packs
- Family support
- Medical aid
- Education and hifz programmes
- Seasonal aid (Ramadan iftar, Qurbani, Zakat ul fitr, Eid gifts for children, etc)

ONE UMMAH

SYRIA
10 YEARS OF PAIN

20,200 people benefited from our **winter packs**

Humanitarian aid is the only source of survival for millions of Syrians and those on the Syrian border after almost 10 years of hardship, suffering and persecution.

One Ummah is **working tirelessly on the ground** during this challenging situation **to save as many lives as possible.**

Syria is in a dire situation. The death toll is rising every day as people struggle for food, water, shelter, medication and blankets.

One Ummah Charity has been **providing aid** in Syria **for over 9 years**, both within the country and at the borders. This is because more than 3 million Syrians have fled persecution, suffering and torture.

Insha'Allah, with the support of our generous donors, we hope to continue to assist Syrians in their many hardships.

GAZA
THE CONFLICT CONTINUES

21,000 beneficiaries were provided with **clean water**

Gaza is one of the most densely populated cities in the world, with more than 2 million people living there. Most of the population lives below the poverty line and depend on your donations to stay alive. In Gaza, One Ummah Charity team is working tirelessly to save as many lives as possible.

In violation of international law, the Gaza blockade (which affects all three spheres of the Gaza Strip) violates fundamental human rights. Agricultural land and fishing waters are restricted, as are imports and exports, as well as the movement of people in and out of Gaza.

The infrastructure and vital services in Gaza have deteriorated and **Gazans are unable to provide for their families**.

Measures were taken in June 2010 to ease the blockade, but the humanitarian situation remains extremely fragile. Although imports have increased, they are still less than 40% of pre-2007 levels.

The Gazan economy is **unable to access its traditional markets** in Israel and the West Bank because exports are tightly controlled and restricted to agricultural products in Europe.

Land and sea access remain severely restricted.

YEMEN
ON THE BRINK OF FAMINE

Yemen's civil war has disrupted the majority of the country, leaving 24.1 million people in need of humanitarian assistance.

Yemen is suffering **"the biggest famine in modern history"** as children are dying at a rate of one every 75 seconds, the head of the UN food agency warned. A total of 85,000 children have already died as a result of malnutrition and millions more are at risk.

It is One Ummah Charity's mission to save as many lives as possible in dozens of war-torn areas throughout Yemen.

As far as humanitarian crises and aid operations are concerned, Yemen remains the largest in the world. This crisis is the result of an escalating armed conflict six years ago. Tens of thousands of civilians have been killed and injured, and the Yemeni people have suffered greatly as a result.

Without life-saving aid, the ongoing violence and lack of access to food and medicine threaten thousands of lives.

Relief from hardship for orphans, displaced families, and widows remains a monumental challenge.

ROHINGYA
1 MILLION REFUGEES

4,560 families benefited from our **food packs**

Approximately one million Rohingya Muslims have fled persecution, torture, rape and death in Myanmar.

Thousands of Muslims lost their lives during the brutal crackdown and many were forced to cross the border with nothing but their clothes.

One Ummah Charity is **supporting Rohingya refugees in Myanmar and Bangladesh**, where many live in squalor.

A number of UK teams have been sent to meet with the Rohingya and provide them with food, water, medication, shelter, blankets, clothing, bedding and education.

It is **our prayer that Allah will deliver our Rohingya brothers and sisters** from the radical regime under which they are confined.

LEBANON
RISING POVERTY & HUNGER

Lebanon has not been the same since the Beirut disaster. Lebanon has been suffering from a compounded crisis for nearly two years now, starting with the economic and financial crisis, followed by COVID-19 and then the August 2020 explosion in the port of Beirut

One Ummah Charity has been **assisting Syrian refugees alongside Palestinian refugees on the ground for five years.** Syrian, Palestinian and Lebanese beneficiaries have been helped by many of our UK teams in Lebanon.

We are currently handing out food packs, winter packs, hot meals and sponsoring orphans in Lebanon.

One Ummah Charity has worked tirelessly to support our brothers and sisters in Lebanon.

UGANDA

In Uganda there are refugees from these eight African countries: South Sudan, Burundi, Democratic Republic of the Congo, Somalia, Rwanda, Eritrea, Sudan and Ethiopia.

Each of these countries has suffered a civil war within the past 30 years, and most have suffered one within the last two decades. However, many of those who lived through those trying times are still alive today.

Through water wells, masjids, Zakat, Qurbani, orphan sponsorship, medical aid and emergency food aid, One Ummah continues to support the people of Uganda. Alhamdulillah, **One Ummah has provided aid to approximately 40,100 beneficiaries through the unwavering support of its donors.**

ONE UMMAH

FEEDING THE NEEDY

Food is a basic human right of which no individual should be deprived. The sad reality is that we live in a world where many have no access to food or water. However, we can go a long way in reducing world hunger.

Every Ramadan, millions of men, women and children around the world go hungry and are unable to fast simply because they cannot afford to eat. **One Ummah Charity organises community iftars for hundreds of thousands of people across several countries.**

ZAKAT
THE THIRD PILLAR

8,006 people **in 8 countries** benefited from our **Zakat programme**

Zakat is 2.5% of a Muslim's income and savings after they have provided for their families. As with the five daily prayers, it is an obligation, not a choice.

One Ummah Charity distributed your Zakat to those **who needed it most** during a year **filled with hardships.**

Across 8 disaster-affected countries, your Zakat contributions have been used to provide people with food, money and emergency aid.

The Zakat contributions you have made have answered the prayers of many thousands of destitute families. Throughout the year, these **vital donations** have kept them fed, nourished and sustained as they rely solely on humanitarian aid to survive. In our capacity as Muslims, this is the least we can do.

Allah says in the Qur'an:
"And establish prayer and give Zakat, and whatever good you put forward for yourselves – you will find it with Allah."
[2:110]

ORPHANS
THEY'RE OUR CHILDREN

As a result of your generous support, One Ummah is caring for orphans around the world in Syria, Yemen, Uganda and ten other calamity-stricken countries.

Just imagine sitting in Jannah and drinking water from Rasulullah's hands at Al-Kauthar's basin! These rewards belong to those who take care of precious orphans!

Our hearts are full of love for our orphans. A tragic fact is that millions of orphans around the world are suffering as a result of natural disasters, war and poverty.

Our future depends upon these children. **Thanks to the generosity of our donors, One Ummah has been able to care for 3,200 orphans.**

We provide food, water, shelter, medicine and education through our orphan programmes for these innocent children.

It is critical for orphans to grow up in a safe environment. Taking care of the children and providing them with clean clothes, food, shelter and education ensures they are more likely to become valuable members of their community and to choose a positive career path when these factors are present.

One Ummah Charity is taking that extra step by:

- Providing the orphans with school supplies and uniform;
- Providing general clothes and shoes for the comfort of travel;
- Providing Eid gifts and arranging activities to put the orphans' mind at ease;
- Providing mattresses and cushions so the child can have a good night's sleep; and
- Providing medication to enable the children to be healthy.

One Ummah believes **every orphan deserves a good life.** Today, many orphaned children are left without the essentials to survive and lack the support they need. With the intensification of war, natural disasters and pandemics more and more children are left without fathers. The number of children under the age of five **suffering from acute malnutrition in Yemen alone is estimated to be 2.3 million.** Over the last decade, **two million Ugandan children have become orphans**. There has been a large increase in the number of orphans due to HIV/AIDS and financial difficulties facing families.

Over the past year, **One Ummah provided one-to-one care to 3,200 orphans** by providing them with food, shelter, education, medical treatment and clothing. 200 orphaned children have been helped by One Ummah in Uganda, while 400 children have been helped in Burma.

Without your support, globally **thousands of orphans are at risk** of becoming victims of trafficking, gangs and house slavery. In addition to helping more orphaned children, One Ummah hopes to provide them with the care they need.

> The Prophet Muhammad ﷺ said, "I and the one who takes care of an orphan will be together like this in Paradise" holding his two fingers together.
> Sahih Al-Bukhari

MASAJID

7,800 beneficiaries had been given access to a **masjid in their area**

We at One Ummah Charity are working continuously to complete mosques in countries where Muslims have no place to pray.

Over the past 12 months, we have constructed masajid in Sierra Leone, Tanzania, Syria and Uganda. Alhamdulillah

Besides the prayer area and the wudu area in the masajid we build, there is also an area designated specifically for women.

Not only do these Houses of Allah **uphold the communal obligations of Islam**, but they also ensure that the **next generation of Muslims can learn and practice Islam the way it should be.**

55 masajid were built in 2021/22

The Messenger of Allah ﷺ said,"Whoever builds a Masjid for Allah, Allah will build for him likewise in Paradise." Sahih Al-Bukhari

DROPS OF MERCY

210,574 people benefited from One Ummah's **water projects**

There are millions of people without access to clean water and thousands of children die from water-related diseases each year.

Families and communities are adversely affected by water scarcity. The struggle for a living forces parents to take their children out of school.

Getting water for their families often requires women to travel miles.

One Ummah has been working hard to ensure those in need of water have access to it, **over 200,000 people have received water relief from One Ummah in the past year alone,** Alhamdulillah. One hundred and fifty water tanks were provided to Yemen, providing clean water to 37,500 people and relieving pressure on many families to find water.

One Ummah's bore wells in Sierra Leone have provided abundant **access to clean drinking water for over 4,987 people.** In addition to not having to trek long distances to find water, women can now spend more time on other development activities. As a result, illness and disease caused by inadequate water or sanitation have been dramatically reduced, Alhamdulillah.

Sa'd ibn Ubadah reported that he asked the Prophet Muhammad ﷺ, "O Messenger of Allah, my mother has died. Shall I give charity on her behalf? The Prophet ﷺ said, "Yes." I said, "Which charity is best?" The Prophet ﷺ said, "A drink of water."
Sunan al-Nasa'i 3664

GIVE CHILDREN A BETTER FUTURE

2,000 children were given
access to educational resources

Families are anchored by their parents, and children look up to them throughout their lives. Do you know about the millions of children without parents and the 124 million who cannot afford an adequate education around the world?

Since 2013, One Ummah Charity has provided food, medicine, water and, most importantly, education to people in 16 crisis-hit Muslim nations, including Pakistan, Somalia and Gaza.

In the absence of education, these children will have a bleak future ahead of them.

The Prophet Muhammad ﷺ said, "The best gift a father can provide for their child is an education." Tirmidhi

QURBANI

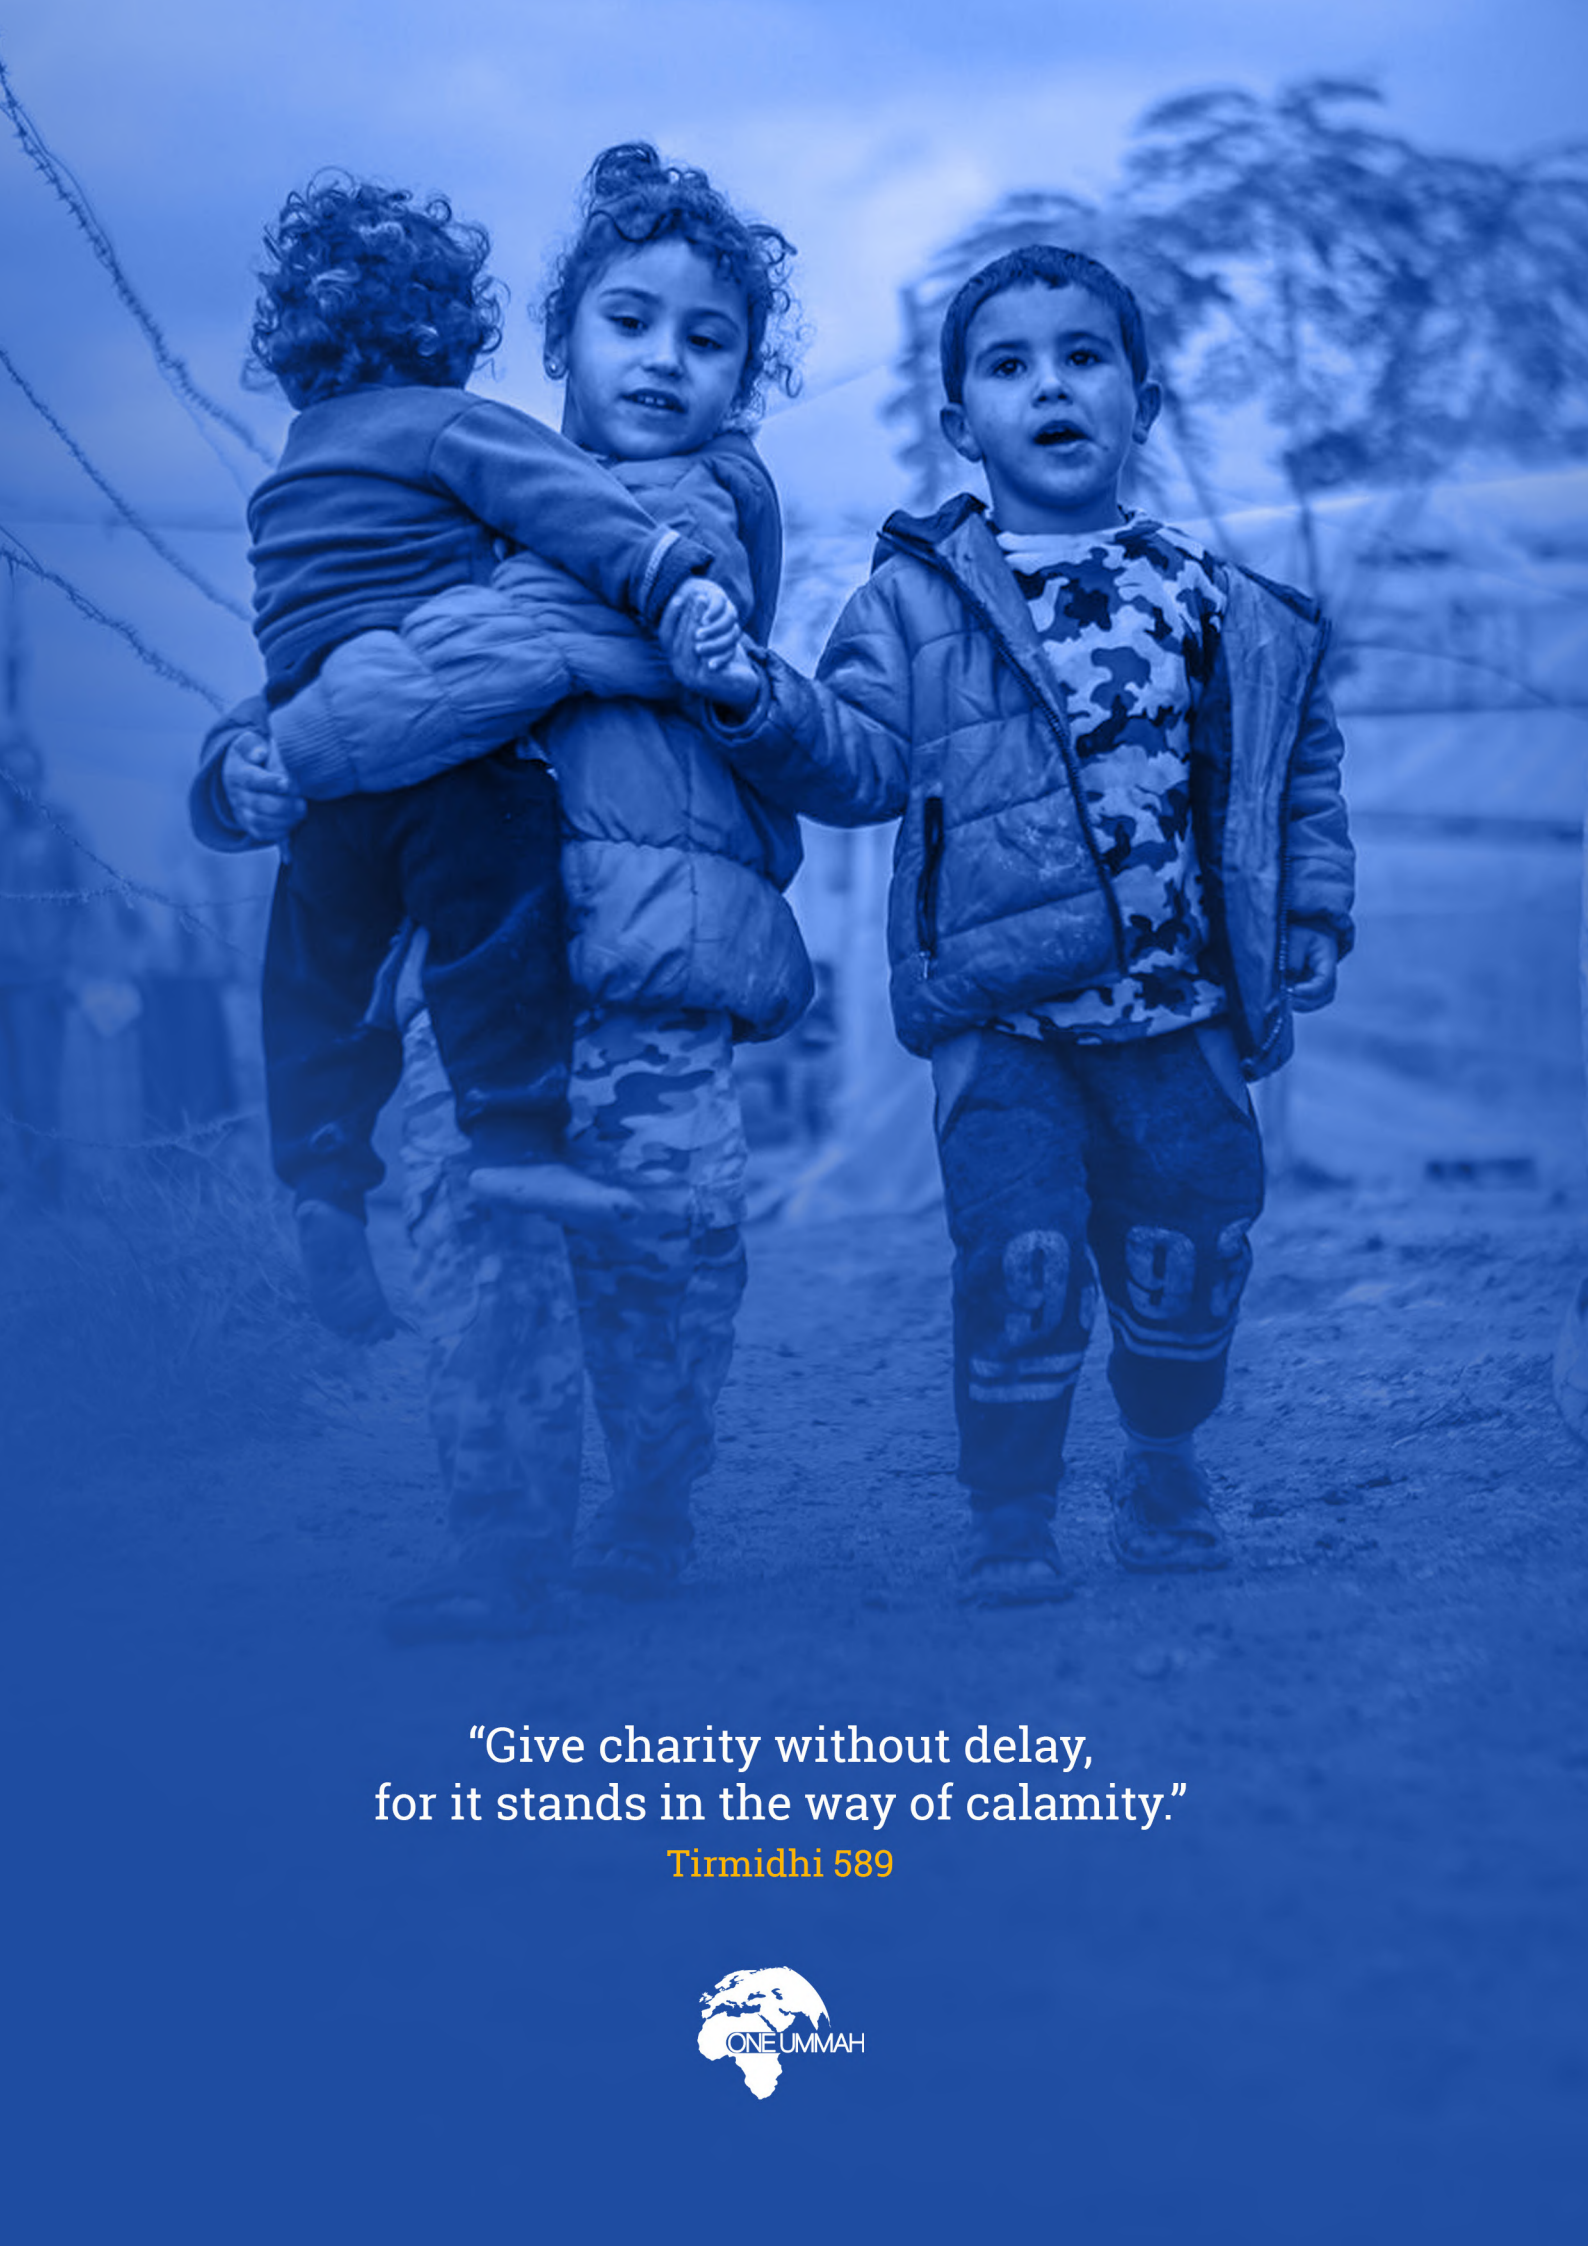
149,625 beneficiaries were **provided with Qurbani meat** thanks to our amazing donors

Alhamdulillah, One Ummah Charity performed Qurbani in 16 countries this year.

Besides bringing smiles and happiness to over a million people in 16 countries, **your Qurbani made Eid that much more memorable.**

On this special day, the Sunnah of Qurbani was upheld, and meat was made available to poor and forgotten Muslims.

> The Prophet Muhammad ﷺ said, "Whoever offers a sacrifice after (Eid) prayer, has completed his rituals (of Qurbani) and has succeeded in following the ways of the Muslims."
> Sahih Al-Bukhari



"Give charity without delay,
for it stands in the way of calamity."

Independent Auditors' Report to the Trustees for the Year Ended 31 March 2022

We have audited the financial statements of One Ummah for the year ended 31 March 2022 on 'pages 40 to 49. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the charity's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Statement of Trustees Responsibilities set out on page 6, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. They are also responsible for assessing the charity's ability to continue as a going concern.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition we read all the financial and non-financial information in the Trustees Report to identify material inconsistencies with the audited financial statements. If we become aware of any a pparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2022 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Opinion on other matter prescribed by the Charities Act 2011

In our opinion the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect to the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- the information given in the financial statements is inconsistent in any material respect with the Trustees Report; or - we have not received all the information and explanations we require for our audit;

1 Accounting policies

Basis of accounting

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 ' The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover represents all income to the charity, the majority of which is donations but also from the sale of works.

Incoming resources

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Gift aid

Gift aid is recognised in the accounts when it is received by the charity.

Resources expended

Expenditure is accounted for on an accrual basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Motor vehicles	25% p.a on reducing balance
Fixtures and fittings	25% p.a on reducing balance

Intangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Lease premium	Over 7 years on straight line basis

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funds can be only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

100% DONATION POLICY

One Ummah Charity operates a strict 100% donation policy meaning all of your funds will be used to help the needy.

We take the trust of people very seriously and guarantee that every penny we receive from you is spent supporting the cause or project to which you have donated. Meaning, if you donated for a water well, your money will only be spent on the delivery, construction, labour, contractors and materials required to build that well. Not a single penny will go towards administration, marketing or generating further funds, Alhamdulillah.

JAZAKALLAH KHAYR AND THANK YOU

Alhamdulillah, it has been an amazing 8 years since One Ummah was established and we cannot thank you all enough - the donors, volunteers, staff and businesses who have helped us on our journey which has led us to where we are today.

May Allah reward you all immensely.

Without your support, fundraising, help and advice, we wouldn't have been able to make that same difference across the world. With your backing, we will continue to strive and reach more people, expanding our operations across the globe insha Allah. Barak Allah Feekum.

Introduction

One Ummah Charity is an award-winning, humanitarian and disaster relief aid organisation based in the UK. We currently provide and facilitate aid across 16 calamity-stricken countries worldwide. We aim to alleviate suffering, and ultimately, save the lives of our brothers and sisters across the world.

Not only do we aim to provide immediate relief to those in need; we also focus on empowerment projects that give beneficiaries the opportunity to transform theirs and their families lives for the better.

With our assistance, beneficiaries are given the skills and tools to craft a better life, away from the misery of poverty.

After eight years of life-saving work, we have expanded greatly, with the recruitment of volunteers, employment of staff, and establishing offices across the UK and abroad. All thanks to the blessings of the Almighty Allah.

Without the mercy of Allah first and foremost, and then the generosity of our amazing donors, we would not be in a position where we are able to benefit millions around the world every year.

May Allah reward and accept the deeds of every single person who was a part of our journey and continues to support our work.

“Whoever saves one life, it is as if he has saved all of mankind”

(Qur’an 5:32)

ONE UMMAH

Objects, Structure, Governance and Management

Our legal objects

One Ummah Charity is an international humanitarian aid and development organisation.

In its previous incarnation, One Ummah Charity was established in 2013, and registered on 20th December 2013. It was governed by a constitution as an unincorporated association.

The charity was incorporated into a new Charitable Incorporated Organisation ('the new CIO'). The assets and liabilities belonging to the charity were transferred to the new CIO (effective from 2nd August 2016) and the charity formerly known as "One Ummah" was renamed "One Ummah Charity. The charity ceased to operate from 31st December 2016 and was subsequently removed from the Register of Charities ('the Register'). Since its registration, the new CIO has been known as "One Ummah Charity" (1168565).

The Constitution defines One Ummah Charity's objects as being:

a) The objects of the CIO are to assist in the prevention or relief of poverty anywhere around the world by providing grants, items, and services to individuals in need and or charities, or other organisations working to prevent or relieve poverty.

b) The advancement of the Islamic religion for the benefit of the public in areas of poverty and hardship.

c) To advance education by the provision of financial or other assistance, for the benefit of the public in areas of poverty and hardship.

d) To advance health by the provision of financial or other assistance, including medicines, hospitals, and other means, in each case for the public benefit anywhere in the world

Trustees and organisational structure

The Board of Trustees (herein also called "Trustees" or "The Trustees") direct and oversee One Ummah Charity in accordance with its statutory obligations and policies. Focusing on strategic planning and governance, the Board also sets out strategic priorities and objectives, with the goal of alleviating poverty and its underlying causes.

The Board of Trustees appraises the performance of the Senior Management Team (SMT) against both strategic and operational objectives through reports, meetings and other interventions as required. The Trustees also approve new policies and procedures.

When new trustees are appointed, they are given a formal induction to the work of One Ummah Charity and provided with the information they need to fulfil their roles, which includes information about the role of trustees and charity law. New trustees are nominated by members of the Board of Trustees, interviewed by a panel of three Trustees and appointed where they have the necessary skills to contribute to One Ummah Charity management and development.

Chief Executive Officer

The Chief Executive Officer is responsible for the day-to-day operation of One Ummah Charity including staff management on behalf of the Trustees.

The Senior Management Team (SMT) headed by the Chief Executive Officer is responsible for the implementation of the strategic and operational plan and the day-to-day management of One Ummah Charity.

Risk management

All significant activities undertaken are subject to a risk assessment as part of the initial activity evaluation and implementation. Major risks are identified and ranked in terms of their potential impact and likelihood of occurring.

Major risks, for this purpose, are those that may have a significant effect on:

- Operational performance, including risks to our personnel and volunteers.
- Financial sustainability, including stability and security of income.
- Achievement of our aims and objectives; or
- Meeting the expectations of our beneficiaries or supporters

The Trustees review these risks on an ongoing basis to satisfy themselves that adequate systems and procedures are in place to manage the risks identified. Where appropriate, risks are covered by insurance.

The following framework is central to ensuring adequate risk assurance:

- Regular monitoring of major risks and development of action plans.
- Embedding risk identification and assessment within operating procedures.
- A clear structure of delegated authority and control.
- Review of key systems and procedures through internal audit arrangements.
- Income and profit targets for our trading and fundraising activities.
- Maintaining reserves in line with set policies; and
- Regular summary reports on risk management to the Board of Trustees.

100% Donation Policy

One Ummah Charity operates a 100% donation policy. This means that every penny received by us is spent on the specified cause - with no deductions taken for administration, such as overheads and advertising. This does not include online transaction charges by third party payment gateways that are deducted before a donation is received by us.

For example, if we receive £30 towards a food pack, then the entire £30 donation will go towards the food pack and in ensuring it reaches the beneficiary. Our donors can be assured that One Ummah Charity exercises diligence in how funds are handled and spent in accordance with how they are donated.

One Ummah Charity raises funds for the administration costs of One Ummah Charity in the following ways:

Admin Fund: A specific fund where donations can be made directly towards the administration costs.

Gift Aid: Any gift aid claimed on donations will be used for the administration costs.

Textile Recycling: One Ummah Charity operates clothing banks where textiles are collected and sold to exporters to generate income.

Sponsors and Donations: Business sponsorships are sought for brand awareness on our website, digital and social media platforms.

Reporting public benefit

The Trustees confirm that they have read the Commission's Guidance on Public Benefit (including PB1, PB2, PB3). One Ummah Charity is compliant with the public benefit requirement under the Charities Act 2011. Our work only involves activities that advance our charitable objects and benefit the public. This can be seen in the many humanitarian activities highlighted in this report such as emergency aid or education support, which benefits the public by saving lives, and reducing poverty among populations in need.

Reserve Policy

One Ummah Charity has a policy that sets the level of general reserves such that it meets our operating expenses in the event of a sudden drop in income or the incurring of unexpected expenditure. This policy is regularly reviewed, assessing risks and reflecting on changes in factors such as income and also our financial obligations and commitments. Such a review was undertaken in 2021, and the current target level of reserves of six months' of the core operational budget was deemed to be sufficient at the time. These funds are held in current and medium-term cash forms.

Trustees' responsibilities in relation to the financial statements

The Trustees are responsible for preparing an Annual Report and financial statements in accordance with applicable law and United Kingdom Accounting Standards including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of One Ummah Charity and of the incoming resources and application of resources of One Ummah Charity for that period.

In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and apply them consistently.
- Observe the methods and principles in the Charities SORP.
- Make judgements and estimates that are reasonable and prudent.
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements, and
- Prepare the financial statements on a going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of One Ummah Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of One UmmahCharity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities. The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on One Ummah Charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

The Trustees declare that they have read, understand and approved the report.

Message from the Chair of the Board of Trustees

Assalamu'alaikum Wa-rahmatullah
Peace be upon you all

It is my pleasure to introduce our annual report for 2020.

I would first like to thank all our donors. Without your donations, we would never be able to carry out the important work which has saved so many lives around the world and has helped ease the pain of those families affected.

I would like to pay tribute to our staff who have dedicated many hours to ensure One Ummah Charity activities run smoothly and have also been at the forefront in delivering vital lifesaving aid.

It was a difficult year due to restrictions. Nevertheless, our volunteers continued to fundraise and get communities involved raising huge amounts of money. **I'd like to thank all of our volunteers who are the core of our communities.**

For One Ummah Charity, it has been a huge year with Covid-19 causing heartbreak around the world. Despite the pandemic causing many issues, our team stepped up in making sure all our appeals kept going in countries like Yemen, Syria, Gaza, Uganda, Pakistan, India, Somalia and many more.

One Ummah Charity has grown rapidly which has helped us carry out campaigns such as emergency disaster appeals, food distribution programs, orphan sponsorship, water projects, lifesaving winter aid distribution, education, medical plus more. Due to our rapid growth, we've recruited some key new staff members to ensure our charity operations continue with efficiency.

As a board we continue to strategize to maintain our 100% donation policy. We take the trust of people very seriously and guarantee that every penny we receive from you is spent supporting the cause/project you have donated to.

I thank you all for giving us the opportunity to serve humanity and may Allah accept it from us all.

Naquash Rashid
Chairperson of the Board

Message from the Chief Executive Officer

Bismillah as-salaatu wassalamu ‘ala Rasool-Allah,

All praise and thanks are to Allah, the most generous, the most merciful, in whose hands lies the success of One Ummah Charity. Through His will, we are able to support those in need around the world.

It is my pleasure to present to you the One Ummah Charity 2020/2021 annual report. During the past year, we have seen suffering and destitution around the world increase manyfold. From natural disasters, on-going conflicts and, the global Covid-19 pandemic, to name a few we at One Ummah Charity have risen to the occasion and actively responded to numerous crises across the globe. Through the course of the year, One Ummah Charity has grasped opportunities to increase its global footprint and has expanded into over 16 countries, while offering a wider variety of programmes.

Programmes have included global food aid, water and sanitation, hygiene kits, winter packs, masajid, orphan sponsorships, Zakat and much more. Beyond the multitude of programmes we offer and with the permission of Allah, **we have been able to deliver aid in some of the most notoriously hard to reach areas around the world such as Yemen, Gaza, Lebanon and Syria.** One Ummah Charity has strived to make a concerted impact in these countries and regions which specifically which have been most affected by conflict, drought, and sudden poverty. In addition, One Ummah Charity has also increased its efforts in the African peninsula with particular emphasis on expanding its construction of water wells and mosques initiatives.

Despite the many challenges facing charities, the exponential growth One Ummah Charity has experienced this year has been nothing short of extraordinary. We have significantly increased our income and expenditure which ultimately allows us to help more beneficiaries.

To cater for this growth, the One Ummah Charity team has expanded its capacity across all departments and has brought together key individuals with decades of experience to ensure we continue to manage and sustain the rapid growth One Ummah Charity is experiencing.

Finally, as the beloved Prophet ﷺ said: ***“He who does not thank the people is not thankful to Allah.”*** [Abu Dawud]. Therefore, it is incumbent on One Ummah Charity to recognise that without the donors, sponsors, partners, those that offered kind words, advice, and valuable feedback, we would not have been able to benefit so many people around the world. **One Ummah Charity is eternally indebted to you for your generosity and involvement with making One Ummah Charity what it is today and being instrumental in its growth.**

We cannot supplicate enough for you as One Ummah Charity. However, we are certain that millions around the world who benefit each year from your contributions are also making sincere du’a for you. May Allah accept all our supplications. You have truly changed the lives of our brothers and sisters in all the countries we operate in.

We thank Allah for making us a vehicle to serve those in need and for the blessings He has bestowed upon us. We pray He keeps us sincere and accepts the work we do, Ameen.

ONE UMMAH

SYRIA
10 YEARS OF PAIN

After almost 10 years of hardship, suffering and persecution, millions of people in Syria and on the border of Syria rely solely on humanitarian aid to survive.

The One Ummah Charity team are working tirelessly on the ground to save as many lives as possible in this difficult situation.

The situation in Syria is dire. People are struggling for food, water, shelter, medication and blankets whilst the death toll is rising every single day.

One Ummah Charity have been on the ground for over 8 years both within Syria where 13.1 million people are in need of aid and at the borders where a further 3 million Syrians are residing having fled from suffering, torture and persecution.

Through the support of our generous donors we hope to continue to aid those in Syria providing ease to their many hardships insha'Allah.

GAZA

THE CONFLICT CONTINUES

More than 2 million people are crammed into Gaza, one of the most densely populated cities on earth. The majority live below the poverty line and rely on your donations to survive. The One Ummah Charity team are working tirelessly on the ground to save as many lives as possible in Gaza.

The Gaza blockade (through the land, air and sea) is a denial of basic human rights in contravention of international law and amounts to collective punishment. It severely restricts imports and exports, as well as the movement of people in and out of Gaza, and access to agricultural land and fishing waters. Gazans are unable to provide for their families and the quality of infrastructure and vital services has deteriorated.

Despite measures taken to ease the blockade in June 2010, the humanitarian situation remains extremely fragile. While imports have increased, they are still at less than 40% of the pre-2007 levels. Exports remain tightly restricted and are limited to agricultural produce to Europe, and Gazan businesses cannot access their traditional markets in Israel and the West Bank. Access to land and sea remains highly restricted.

YEMEN
ON THE BRINK OF FAMINE

22.2 million Yemenis are now in need of urgent humanitarian assistance after a ruthless civil war disrupted the majority of Yemen. 85,000 children have already died and millions more are at risk of losing their lives because of malnutrition.

The One Ummah Charity team are working tirelessly **on the ground** to save as many lives as possible in dozens of areas across war-torn Yemen.

Yemen remains the world's largest humanitarian crisis and aid operation. The crisis is the result of a brutal armed conflict that escalated six years ago. It has killed and injured tens of thousands of civilians and caused immense suffering to the Yemeni people.

Without life-saving aid in the coming months, **thousands of lives are at risk** due to the ongoing violence and lack of access to food and medicine.

The challenge of relieving the many orphaned children, displaced families, and widows from their hardship remains monumental.

ROHINGYA
1 MILLION REFUGEES

More than 1 million Rohingya Muslims have escaped persecution, torture, rape and killing in Myanmar. The brutal crackdown on Muslims sadly took the lives of thousands and left many with no choice but to cross the border with only the clothes on their back.

The One Ummah Charity team are **helping both the Rohingya in Myanmar and in Bangladesh** where many are living in squalid refugee camps.

One Ummah Charity have sent many UK teams to meet the Rohingya and provide them with food, water, medication, shelter, blankets, clothing, bedding and education.

One Ummah Charity prays to Allah ﷻ to relieve our Rohingya brothers and sisters from the radical regime they are confined within.

LEBANON

After the Beirut disaster, Lebanon has not been the same again. For nearly 18 months now, Lebanon has been assailed by a compounded crisis, specifically an economic and financial crisis followed by COVID-19 and lastly by the explosion at the port of Beirut in August 2020.

One Ummah Charity have been on the ground for 4 years and have been **assisting the Syrian refugees alongside the Palestinian refugees there.** Many UK teams have travelled to Lebanon to distribute aid to beneficiaries - Syrian, Palestinian and Lebanese.

Currently we are handing out food packs, winter packs, hot meals and sponsoring orphans in Lebanon.

One Ummah Charity has worked tirelessly for our brothers and sisters in Lebanon to provide support.

UGANDA

The refugees currently in Uganda come from eight countries in Africa including South Sudan, Burundi, the Democratic Republic of the Congo, Somalia, Rwanda, Eritrea, Sudan and Ethiopia.

Each of these countries has experienced a civil war in the past 30 years and most have suffered one in the past two decades. That being said, many of the individuals who experienced those trying times are still alive. When new violence occurs, many decide to leave earlier versus later because they remember the atrocities from just 20 to 30 years prior.

One Ummah Charity continued to support the people of Uganda through water wells, masjids, Zakat, Qurbani, orphan sponsorship, medical aid, and emergency food aid. Through the unwavering support of One Ummah Charity's donors, we have provided aid to approximately 114,860 beneficiaries, Alhamdulillah.

ONE UMMAH

FEEDING THE NEEDY

Food is a basic human right that no individual should be deprived of. The sad reality is that we live in a world where many have no access to food or water. However, we can go a long way in reducing world hunger.

Every Ramadan, millions of men, women, and children around the world go hungry and are unable to fast, simply because they cannot afford to eat. **One Ummah Charity organises community iftars for hundreds of thousands of people across several countries.**

104,140

Iftar Packs were given **in Ramadan**

ZAKAH
THE THIRD PILLAR

Zakah is 2.5% of a Muslim's income and savings after they have taken care of their families. It is an obligation like the five daily prayers, and is not a voluntary act of worship.

During a year filled with all manner of tribulations, **One Ummah Charity was on the ground** distributing your Zakat to the neediest of people.

Your Zakah donations were used across 16 calamity-stricken countries to provide those who are eligible with life-saving food, monetary contributions and emergency aid.

For many thousands of destitute families in need, your Zakah contributions have been the answer to their duas. As they rely solely on humanitarian aid to survive, rest assured these vital donations kept them fed, nourished and sustained throughout the year. This is the least we can do as a Muslim ummah.

Allah ﷻ says in the Qur'an: *"And establish prayer and give Zakat, and whatever good you put forward for yourselves – you will find it with Allah."* [2:110]

37,316

Zakah envelopes was distributed to families in **16 countries**

ORPHANS
THEY'RE OUR CHILDREN

With your generous support, One Ummah Charity are looking after orphans across the world in Syria, Yemen, Uganda and another 10 calamity-stricken countries where children have been left with no hope.

> The Prophet Muhammad ﷺ said *"I and the one who looks after an orphan will be together like this in paradise"*, and he held his two fingers together.
> **Sahih Al-Bukhari**

Just imagine sitting in Jannah, drinking water from the hands of Rasulullah ﷺ at the basin of Al-Kauthar! **The ones who take care of precious orphans are the ones who deserve this reward!**

Our orphans are dear to our hearts. Sadly, many millions of orphans are suffering worldwide, **due to war, natural disasters and poverty.**

These **children are our future** and thanks to our amazing donors, One Ummah Charity has been able to look after nearly **5,000 orphans** across several countries that have been hit by various disasters.

Our orphan programmes provide food, water, shelter, medicine and education to these innocent children.

2,400

Orphans were **taken care of** by One Ummah

Orphans need a safe place to grow. Caring for the children and cherishing them with the basics like clean clothes, food, shelter and education. These factors increase the likelihood of them becoming a positive member of their community and enables them choose a positive career path.

One Ummah Charity is taking that extra step by:

- Providing the orphans with school supplies and uniform
- Providing general clothes and shoes for the comfort of travel
- Providing Eid gifts and arranging activities to put the orphans' mind at ease
- Providing mattresses and cushions so the child can have a good nights sleep
- Providing medication to enable the children to be healthy

At One Ummah Charity, we believe every orphaned child has the right to a good life. Sadly, many orphaned children today are left without the essentials to survive and lack the support they deserve. As the intensity of war, natural disasters, and the pandemic rage on, many more children are left without their fathers. It is estimated 2.3 million children under the age of five suffer from acute malnutrition in Yemen alone. In Uganda, in the last decade, two million children have become orphans. The large rise in the number of orphans can be attributed to children being born with HIV/AIDS and families who face financial difficulty.

One Ummah Charity have provided one-to-one care for 2,400 orphans in the past year by giving them food, shelter, education, medical care, and clothing, Alhamdulillah. In Uganda, One Ummah Charity has uplifted 600 orphaned children, and in Burma 400 children have received vital support.

There are thousands of orphans globally who without our support can be taken into gangs, used as house slaves, and become victims of trafficking. **Through continued support, One Ummah Charity hopes to free more orphaned children providing them with the care they deserve.**

10,950
Beneficiaries had **access to a masjid** in their area.

MASAJID

The Messenger of Allah ﷺ said, *"Whoever builds a Masjid for Allah, Allah will build for him likewise in Paradise."* **Bukhari**

One Ummah Charity have been working tirelessly to complete masajid in areas of countries where our brothers and sisters in Islam have nowhere to pray.

Alhamdulillah over the past **12 months** we have built masajid in **Sierra Leone, Tanzania, Syria and Uganda.**

The masjid that we build contains a prayer area, wudu area and also an extra women's area. In some masajid we also provide an extra area for the imam of the masjid.

These Houses of Allah are not only ensuring that the communal obligations of Islam are upheld, but that **the next generation of Muslims can learn and implement the faith as it deserves to be implemented.**

52 Masajid were built in 2020/2021

DROPS OF MERCY

396,000

People benefitted from **One Ummah's water projects**

Millions of people lack access to clean water and thousands of children die every year from water-related diseases. The impact of water scarcity is catastrophic for many communities and families. Children are forced to leave school as parents struggle to earn a living. Many women have to travel miles to collect water for their families.

One Ummah Charity have been working hard to ensure those in need of water have access. One Ummah Charity has provided water relief to almost 400,000 people in the past year alone, Alhamdulillah. In Yemen, 70 water tanks were provided supplying 70,000 people with clean water, relieving many families of the pressures of finding water for themselves.

In Sierra Leone, an estimated 8,000 people now enjoy abundant clean water for their daily consumption through the bore wells One Ummah Charity provided. **Women can now spend more of their time in other developmental activities such as farming instead of trekking long distances in search of water.** Furthermore, sickness and diseases caused by inadequate water or sanitation have been drastically reduced, Alhamdulillah.

> Sa'd ibn Ubadah reported that he asked the Prophet Muhammad ﷺ, *"O Messenger of Allah, my mother has died. Shall I give charity on her behalf?"* The Prophet ﷺ, said, ***"Yes."***
> I said, *"Which charity is best?"*
> The Prophet ﷺ said, ***"A drink of water."***

GIVE CHILDREN A BETTER FUTURE

Parents are the backbone of many families, and the ones children turn to throughout their life. What about the millions of children around the world without parents and the 124 million who can't afford an adequate education?

One Ummah Charity have been **working in 16 crisis-hit Muslim countries** including Pakistan, Somalia and Gaza and with the people of Syria to provide them with food, medicine, water and most importantly, education.

These beloved children are the future, without an education, they will have a bleak future ahead of them.

> The Prophet Muhammad ﷺ said: *"The best gift a father can provide for their child is an education."* **(Tirmidhi)**

3,930
Children were given **access to education**

Qurbani

Follow the Sunnah of Ibrahim عليه السلام

One Ummah Charity carried out Qurbani in 16 countries this year, Alhamdulillah.

Your qurbani not only brought smiles and happiness to over a million people in the 16 countries but it made their Eid that extra special.

The Sunnah of Qurbani was upheld, but ensured that poor and forgotten Muslims could eat and have meat on this special day.

> The Prophet ﷺ said:
> *"Whoever offers a sacrifice after (Eid) prayer, has completed his rituals (of Qurbani) and has succeeded in following the ways of the Muslims."*
> **Sahih Al-Bukhari**

110,072

Beneficiaries were provided with **Qurbani meat** thanks to **our amazing donors**

They ask you, [O Muḥammad], what they should spend. Say, “Whatever you spend of good is [to be] for parents and relatives and orphans and the needy and the traveler. And whatever you do of good - indeed, Allah is Knowing of it.”

Independent Auditors' Report To The Trustees For The Year Ended 31 March 2021

We have audited the financial statements of One Ummah Charity for the year ended 31 March 2021 on 'pages 42 to 49. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice applicable to Smaller Entities).

This report is made solely to the charity's trustees, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and forno other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditors

As explained more fully in the Statement of Trustees Responsibilities set out on page 6, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view. They are also responsible for assessing the charity's ability to continue as a going concern.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition we read all the financial and non-financial information in the Trustees Report to identify material inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2021 and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;

- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and

- have been prepared in accordance with the requirements of the Charities Act 2011.

Opinion on other matter prescribed by the Charities Act 2011

In our opinion the information given in the Report of the Trustees for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) **Regulations 2008 requires us to report to you if, in our opinion:**

- adequate accounting records have not been kept

- the financial statements are not in agreement with the accounting records and returns; or

- the information given in the financial statements is inconsistent in any material respect with the Trustees Report; or - we have not received all the information and explanations we require for our audit;

1 Accounting policies

Basis of accounting

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015)', Financial Reporting Standard 102 ' The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Turnover

Turnover represents all income to the charity, the majority of which is donations but also from the sale of works.

Incoming resources

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Gift aid

Gift aid is recognised in the accounts when it is received by the charity.

Resources expended

Expenditure is accounted for on an accrual basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Motor vehicles	25% p.a on reducing balance
Fixtures and fittings	25% p.a on reducing balance

Intangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Lease premium	Over 7 years on straight line basis

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees. Restricted funds can be only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

100% Donation Policy

One Ummah Charity operates a strict 100% donation policy meaning all of your funds will be used to help the needy.

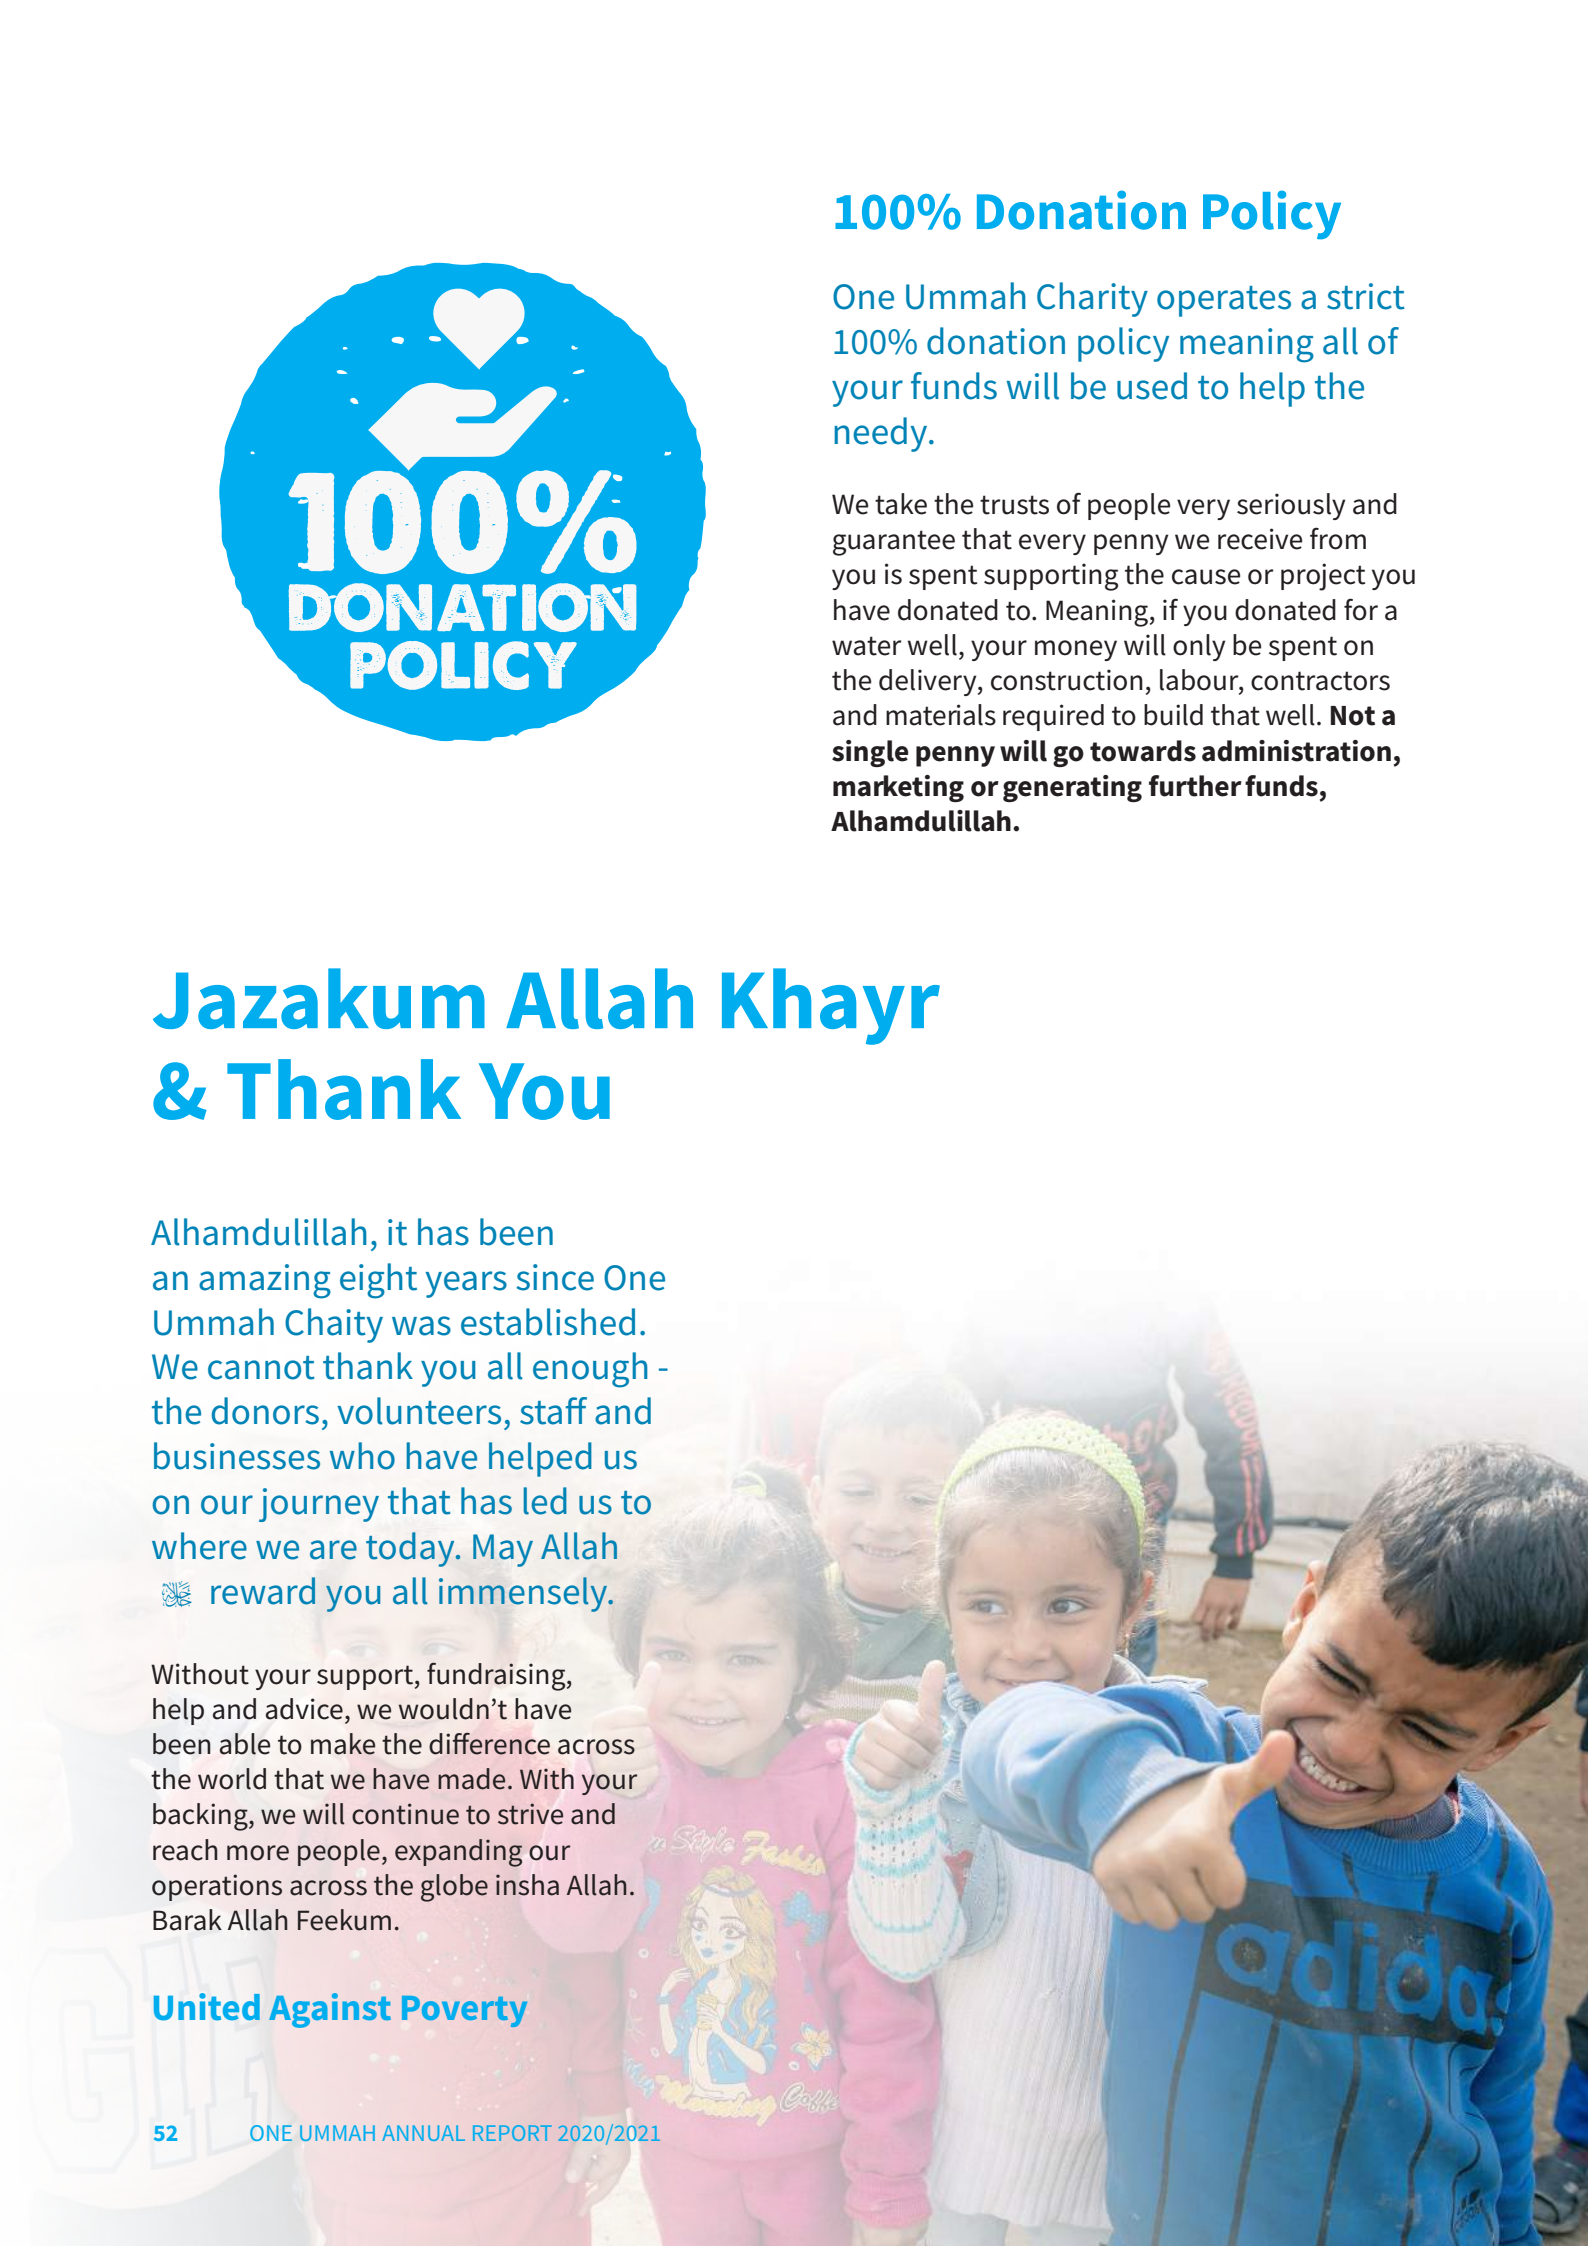
We take the trusts of people very seriously and guarantee that every penny we receive from you is spent supporting the cause or project you have donated to. Meaning, if you donated for a water well, your money will only be spent on the delivery, construction, labour, contractors and materials required to build that well. **Not a single penny will go towards administration, marketing or generating further funds, Alhamdulillah.**

Jazakum Allah Khayr & Thank You

Alhamdulillah, it has been an amazing eight years since One Ummah Chaity was established. We cannot thank you all enough - the donors, volunteers, staff and businesses who have helped us on our journey that has led us to where we are today. May Allah ﷻ reward you all immensely.

Without your support, fundraising, help and advice, we wouldn't have been able to make the difference across the world that we have made. With your backing, we will continue to strive and reach more people, expanding our operations across the globe insha Allah. Barak Allah Feekum.

United Against Poverty



Volunteering With One Ummah Charity

Here at One Ummah Charity, we are always looking for special individuals who are passionate about helping those around the world who are less fortunate. We owe our successes to our amazing volunteers who have been so active throughout the years in helping to raise millions of pounds for worldwide projects that have saved countless lives.

Our volunteers have been active in cake baking campaigns, homeless soup kitchens, charity challenges, organising and running inspiring talks and lectures, bazaars, charity fun days, eids in the park and many more activities.

If you would like to get involved with One Ummah Charity and sacrifice your time and effort for the sake of Allah ﷻ to help the needy people around the world.
