Activities

Objects: The charity's objectives ('the objectives') are for the public benefit of the inhabitants of Bingley, West Yorkshire, and other visitors, and to promote the conservation, protection, and improvement of the physical and natural environment of the Prince of Wales Park. Through these activities the public shall be better informed regarding the history, conservation and protection of wildlife within the park.

Activities: We hold work sessions for volunteers on Saturday and Wednesday mornings to improve facilities, involving gardening, woodland management, drainage work and path clearing. We organise walks led by experts e.g. Butterflies, Bats, Fossils, Birds, Horticulture and History together with Easter egg, Snowman and Halloween trails for children in school holidays plus 'carol and cakes' and other events.
