**OCCUPATIONAL HYGIENE TRAINING ASSOCIATION
REPORT OF THE TRUSTEES**

For the period ended 30 September 2022

The Trustees have pleasure in presenting their report and accounts for the period ended 30 September 2022.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

Incorporated on 24 September 2009 as a limited company by guarantee, the Occupational Hygiene Training Association (OHTA) was registered as a charity on 11 August 2016. The Trustees are governed by the Articles of Association incorporated 12 January 2015 as amended by special resolution dated 23 May 2016, and the Byelaws adopted on 2 March 2015.

Member Associations

According to the Articles of Association, membership is open to any organisation which is a member of the International Occupational Hygiene Association (IOHA) or is an awarding body under the National Accreditation Recognition (NAR) scheme or is otherwise granted membership by the Board. IOHA member associations are encouraged to join OHTA. Membership entitles the associations to vote at general meetings (including in the election of Directors of OHTA), and to contribute to the future direction of OHTA. In return the associations commit to support and promote the development and implementation of the OHTA international training and qualifications framework and encourage, promote and support the use of OHTA modules and qualifications within their area(s) of operation.

There were 33 member associations during the period with The Industrial Toxicology and Hygiene Association (Turkey) (ETOK), The Polish Association of Industrial Hygienists (PTHP), Asociacion Guatemalteca De Saalud Y Seguridad Ocupacional (AGSSO) and The Colombian Association of Occupational Hygiene (ACHO) joining between 1 October 2021 and 30 September 2022.

The 2022 AGM was conducted as an online meeting on 22 June 2022 with votes cast in advance. All Member Associations registered prior to the AGM were invited to vote on the resolutions presented.

We thank each of our Member Associations for their involvement during the reporting period and look forward to continuing to develop our relationship as we move forward with OHTA's strategic aims.

Organisational Management

OHTA has a Board of up to 12 directors who are also the Charity Trustees. They manage the Charity through regular Board meetings and are responsible for strategic direction and policy. During the financial year the Board had up to 11 directors at any one time.

The Board is assisted by several committees as follows:

- 1) Established according to the Byelaws, the Advisory Committee provides constructive challenge to the Board as well as functioning in an advisory and support role. Michael Connor and Albert Tien were co-chairs of this committee for the period. The co-chairs are invited to attend Board meetings.
- 2) The Awards & Qualifications Committee advises the Board on matters relating to awards and qualifications and acts as the liaison between the NAR Awarding Bodies and OHTA. Each NAR Awarding Body was invited to nominate one person to represent them on the committee. Lynn O'Donnell is both chair of this committee and a director of OHTA.

**OCCUPATIONAL HYGIENE TRAINING ASSOCIATION
REPORT OF THE TRUSTEES
For the period ended 30 September 2022**

- 1) The Editorial Committee was led by Sven Hoffmann as Chief Editor during the reporting period. Sven Hoffmann stepped down in September 2022, but a number of editorial working groups are actively involved in developing new training materials and revising existing ones, led by the Board and the Advisory Committee.
- 2) The Online Training Delivery Task Group, chaired by David O'Malley continued throughout the period, with David O'Malley independently reviewing and approving all applications from existing ATP's to extend their delivery remit to online training.

Within these committees, OHTA benefits from the commitment and support of many hardworking people who give their time and expertise voluntarily.

Secretariat support services were provided for the period by MCI UK Ltd, managed on a day to basis by Vicky Upstell (Senior Association Manager) and Laura Beard (Content Marketing Manager). Other members of the MCI team were also on hand to assist as and when required.

Director Recruitment and Training

Directors are either nominated by the Member Associations or co-opted for their specific skills or knowledge. Appointments are approved by the Member Associations at OHTA's Annual General Meeting. In addition, IOHA appoints a representative to be a director on the Board.

Under the requirements of the Articles of Association, at each AGM the three directors who have been longest in office since their last appointment must retire but can stand for re-election at the same meeting if they wish. If more than three directors were appointed (or re-appointed) on the same day, they must decide amongst themselves, or draw lots as to who should retire and/or stand for re-election. The IOHA representative on the Board is exempt from the retirement requirements.

The Board requires breadth and depth of experience to carry out its duties effectively and efficiently. When recruiting new directors the important attributes are an interest in the objectives and work of OHTA, knowledge and experience in IH/OH work globally, demonstrable leadership in a country specific organisation or association, and geographical and cultural diversity.

All new directors receive information about their responsibilities as company director and trustee, including the Charity Commission Guidance 'The Essential Trustee' and 'Charities and Public Benefit'. They have access to all previous Board paperwork and documents outlining the practices and procedures used by the Board for its operation and governance.

All directors give their time voluntarily and received no benefits from OHTA.

**OCCUPATIONAL HYGIENE TRAINING ASSOCIATION
REPORT OF THE TRUSTEES
For the period ended 30 September 2022**

CHARITABLE OBJECTS AND PUBLIC BENEFIT

OHTA's purpose as set out in the Object contained in the company's Articles of Association is *to protect and promote the health of the public by advancing the study and science of Occupational/Industrial Hygiene for the public benefit through the provision of training and education.*

For the purposes of the Object, Occupational/Industrial Hygiene means *the discipline of anticipating, recognising, evaluating and controlling health hazards in the working environment with the objective of protecting worker health and well-being and safeguarding the community at large.*

OHTA's aims are:

- developing educational and training materials
- promoting good standards of training to ensure effective health protection
- creating a sustainable model for worldwide training delivery
- developing a qualifications framework that permits international transferability of skills

The promotion of occupational/industrial health and hygiene is for the direct benefit of the working population worldwide and the indirect benefit of the whole population. OHTA's charitable activities focus on the provision of training and education in occupational/industrial hygiene with the aim of protecting worker health and well-being and safeguarding the community at large. OHTA raises awareness of the issues and helps to train people in occupational hygiene, equipping individuals with the skills necessary to control or prevent the exposures that lead to illness and death, thereby delivering an improved public benefit in reducing the incidence of ill-health caused or made worse by work.

OHTA has developed an international qualifications framework aimed at promoting good, consistent quality of training, encouraging international transferability of skills and qualifications, building capability close to the point of need, and creating a sustainable business model. The training and qualification scheme has no formal entry requirements and provides a modular way of building skills to match local needs. By promoting good standards of training and building capability close to the local point of need, OHTA provides access to occupational hygiene training for nations without a framework for training already in place. Some of the people trained will go on to obtain higher professional qualifications in occupational hygiene.

OHTA has developed educational and training materials which are available on OHTA's website, www.ohatrain.org, and may be downloaded and used free of charge by students, employers and training providers. OHTA modules have been taught in over 50 countries. By ensuring there are no financial barriers to accessing the educational materials, OHTA's purpose is beneficial to all the public and particularly to those in poor and developing countries.

**OCCUPATIONAL HYGIENE TRAINING ASSOCIATION
REPORT OF THE TRUSTEES
For the period ended 30 September 2022**

OBJECTIVES, STRATEGY AND ACTIVITIES

OHTA's main objectives for the period were:

- continue to approve and support training providers in order to develop good standards of occupational hygiene training and increase access to such training across the world
- proactively support training providers and their students by introducing protocols for online (remote) training
- continue the editorial review of the modules to improve quality and relevance
- continue the development of new modules to expand training content across a broader range of occupational hygiene and other risk-related disciplines
- explore new methods of course delivery such as online, asynchronous, interactive self-study
- make translated course materials publicly available to increase worldwide accessibility
- communicate regularly with stakeholders* to advocate take-up of the training and qualifications scheme, as well as to encourage donations/sponsorship
- develop collaborative relationships with like-minded organisations in pursuit of the shared goal of global prevention of worker illness and injury
- To build relationships with Member Associations new to IOHA, and thus to OHTA
- To increase marketing efforts to highlight the work of OHTA across the world

**Stakeholders included Member Associations, professional and governmental organisations, training providers, employers and students.*

Strategic Plan

Beginning in May 2022, OHTA embarked on a total strategic review with their partners, MCI UK Ltd. A number of areas were identified for potential development and were currently being reviewed. Any agreed actions arising from this would be reported to the key stakeholders in due course in 2023.

The Trustees confirm that they have referred to the information contained in the Charity Commission's general guidance on public benefit when reviewing OHTA's aims and objectives and in planning its future activities, and have complied with their duties under the Charities Act 2011. The Trustees regularly consider how planned activities will contribute to the aims and objectives they have set.

ACHIEVEMENTS AND PERFORMANCE

Training Activity

Despite the easing of the Covid-19 pandemic during the reporting period, the demand for online training remained and has become a core offering from OHTA and its Approved Training Providers (ATP's).

For the period 1 October 2021 to 30 September 2022 a total of 37 ATP's delivered 372 courses (figures taken from BOHS data provided to OHTA). The geographical spread of these providers included 8 in Australia and 8 in the UK and Ireland. The rest of the ATP's making up this number were in Canada, Ghana, India, Malaysia, New Zealand, Singapore, South Africa, Sri Lanka, Switzerland and the US (the country is identified by the office location of the ATP).

BOHS data showed that 330 students took the W201 examination between 1 October 2021 and 3 September 2022, compared to 247 in the previous year. In the same period, 1,107 students sat W500 series examinations with BOHS, up from 909 in the previous year. BOHS reported that 1,285 examinations were taken online (89%) compared to just 152 in person (11%).

**OCCUPATIONAL HYGIENE TRAINING ASSOCIATION
REPORT OF THE TRUSTEES
For the period ended 30 September 2022**

In the same reporting period, WHWB did not deliver any W201 examinations but did develop and launch the WHWB Basic OHS Awareness Course. 26 students sat this examination between 1 October 2021 and 30 September 2022.

SAIOH, who are also permitted to run W201 examinations, reported 59 candidates for the reporting period.

An indeterminate number of our course materials are also downloaded by organizations and used internally to deliver training, without taking the exams.

MARKETING AND COMMUNICATIONS

OHTA Newsletter

OHTA worked hard to develop the Global Link e-Newsletter during the reporting period and released 6 editions from 1 October 2021 to 30 September 2022, all of which are available to view on the OHTA website [here](#). The newsletters covered a wide range of topics including the OHTA Awareness Level Course, Thermal Environment and the American Industrial Hygiene Conference (AIHCE) 2022, alongside some focus editions on the Middle East, Singapore and Belgium.

Social Media and Outreach

During this period, OHTA increased its online presence and social media output to enhance the profile of the organisation. OHTA emails saw an average open rate of 34.49% and an average click through rate of 40.75%. Average tweet impressions on Twitter (the amount of times a user has been shown a piece of content, not necessarily interacted with it) stood at 1203.6 and new Twitter followers totalled 57. LinkedIn has proved popular for content with an average post impressions at 4,680.3, and average clicks at 267.3 per month. Also during this period the number of followers grew by 866.

On the website, OHTA saw an average of 2,849 users per month with an average session duration of just under 2 and a half minutes. The top pages viewed were the homepage, 'find training materials/courses' and 'what is Occupational Hygiene?'.

Video Testimonials

In a bid to promote the great work of OHTA and the value of OHTA training to those in the industry, OHTA launched a campaign to collect and publish video testimonials from our Board, Stakeholders and students. The videos (available [here](#)) proved extremely popular on social media and on the website and as a result, efforts are now being made to obtain videos in various languages to truly highlight the global nature of the organisation.

PARTNERSHIPS AND COLLABORATION

BOHS remained the awarding body for OHTA modules, continuing to offer assessment for students undertaking the W201 and W500 series modules. Relationships continued with SAIOH and WHWB who were also authorised to offer W201 examinations.

In association with the Phylmar Academy, a number of courses were designed collaboratively, to be delivered by Phylmar, with promotion on both websites. Between the reporting dates, 147 people completed 'Fundamentals of Industrial Hygiene' and 31 people completed the 'Occupational Health and Safety Overview'.

An MoU was reinstated with The National Institute for Occupational Safety and Health (NIOSH) in June 2022, following a series of delays due to the Covid-19 Pandemic. This would open up opportunities to collaborate on training courses, learning webinars, conference presenting opportunities to promote OHTA and the sharing of resources.

**OCCUPATIONAL HYGIENE TRAINING ASSOCIATION
REPORT OF THE TRUSTEES
For the period ended 30 September 2022**

Debbie Dietrich attended the AIHce (AIHA's annual conference) in May 2022, in Nashville, USA to represent and promote OHTA and used the opportunity to obtain a number of testimonial videos for our spotlight campaign.

FINANCIAL REVIEW

The statement of financial activities shows unrestricted funds for the period of £105,680 (previous period £109,334). The deficit for the period is £3,654 (previous period profit of £6,385). OHTA received four donations, as well as additional income from the examining body levy. The main expenditure for the period was the professional support services contract and fees for the strategic review and business development plan.

The Trustees consider the overall financial situation of the charity to be satisfactory.

RESERVES POLICY

OHTA maintains reserves, which are unrestricted, as part of its risk strategy. The level of reserves will be determined by the Board as part of the budget setting process. The minimum level of reserves will be determined by an assessment of risk, a review of contractual obligations, and a review of future income and expenditure.

The level of reserves will be maintained at a level which can cover the following commitments in the event of financial crisis or insolvency. This is considered to be:

- a) Funds to cover the remainder of payments (or notice period) of the professional support services contract.
- b) Funds to cover the remainder (or notice period) of any other contractual agreements.

PLANS FOR THE FUTURE

During the financial year ending 30 September 2023, the OHTA trustees will be focusing fully on the development of actions from the strategic review, in order to secure the financial future of the organisation and the efficiency of its Board and Committees. A number of options are currently being discussed and will be shared with the stakeholders in due course.

Efforts will continue with regards to marketing, increasing the online presence of OHTA and highlighting the benefits of the OHTA courses via the website, social media and eNews. The newsletters will continue to focus on hot topics in the industry and Occupational Hygiene in focus countries.

The Trustees will continue to seek donations on behalf of OHTA from existing partnerships and new opportunities, whilst looking at other ways to generate additional funds to help the organisation continue to deliver its charitable aims.

**OCCUPATIONAL HYGIENE TRAINING ASSOCIATION
REPORT OF THE TRUSTEES
For the period ended 30 September 2022**

TRUSTEES' RESPONSIBILITIES IN RELATION TO THE FINANCIAL STATEMENTS

Law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the Charity's financial activities during the year and of its financial position at the end of the year. In preparing those financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**OCCUPATIONAL HYGIENE TRAINING ASSOCIATION
REPORT OF THE TRUSTEES
For the period ended 30 September 2022**

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF OCCUPATIONAL HYGIENE TRAINING
ASSOCIATION**

Year ended 30 September 2022

I report on the accounts of the Trust for the year ended 30 September 2022 which are set out on pages 13 to 17.

Responsibilities and basis of report

As the charity trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your company's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as Trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

REPORT OF THE TRUSTEES
For the period ended 30 September 2022**

NOTES RELATING TO THE ACCOUNTS

Year ended 30 September 2022

1. Basis of preparation

Basis of accounting

The accounts have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard for Smaller Entities published on 16 July 2014, the Financial Reporting Standard for Smaller Entities (FRSSE), and the Charities Act 2011 and applicable regulations.

The accounts have been prepared under the historical cost convention, with the exception that investments are valued at market value.

Consolidated accounts have not been prepared as the Charity qualifies for small accounts and the subsidiary is dormant.

2. Accounting policies

Income

All income is accounted for gross and when receivable.

Expenditure and Liabilities

Liability Recognition

Liabilities are recognised as soon as there is a legal or constructive obligation committing the Charity to pay out resources.

Governance Costs

Include costs of the preparation and examination of statutory accounts, the costs of Trustee meetings and cost of any legal advice to Trustees on governance or constitutional matters.

Grants payable without performance conditions

These are only recognised in the accounts when a commitment has been made and there are no conditions to be met relating to the grant which remain in the control of the Charity.

Support Costs

Support costs have been allocated to the activity based on staff time.
