**REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31ST AUGUST 2025**

The Trustees of the Equalities Work are pleased to present their report and financial statements for the year ended 31st August 2025.

1. Organisational Structure and Management

Equalities Work is registered as charitable incorporated organisation (CIO) number 1168738. The object of the CIO is the promotion of equality and diversity for the public benefit by:

- a) Advancing education and raising awareness of equality and diversity
- b) Promoting activities to foster understanding between people from diverse backgrounds

All members of the Board of Trustees give their time voluntarily and received no benefits from the charity. Any expenses reclaimed from the charity are set out in note 2 to the accounts.

1.1 Governance and decision-making

The Board of Trustees governs Equality Work and meets at least 6 times a year to discuss and review strategy, planning, development and financial matters. Additional working groups and committees are convened for specific purposes between meetings. Day-to-day management of the organisation is delegated to the staff.

1.2 Recruitment, appointment, induction and training of trustees

Skills audits of the existing Trustees are undertaken to identify whether there are any skill gaps. When vacancies arise, the Trustees look to individuals who have expressed an interest in our work.

1.3 Public Benefit

In shaping our objectives and planning our activities for the year, the Trustees have considered the duties set out in section 4 of the Charities Act 2006 to have due regard to public benefit. In particular the trustees have considered how the planned activities will contribute to the overall aims and objectives that they have set.

REPORT OF THE TRUSTEES (Continued)
FOR THE YEAR ENDED 31ST AUGUST 2025

2. Main activities

Equalities Work delivers a range of arts and education activities through the Foundry social justice centre in Vauxhall, London. The Foundry houses many progressive human rights and social justice organisations. Equalities Work engages the public with projects, film nights, talks and other events. We do this by working with campaigning, advocacy, education, advice and arts organisations.

3. Achievements and Performance in 2024/25

Over the year, Equalities Work delivered a number of innovative projects including Rights, Camera, Action! – a visual arts project engaging young people in Lambeth around human rights issues and providing routes into the creative sector. The In The Mix project includes workshops designed to promote access and participation to the visual arts for disabled people living in south London. It combines arts workshops, mentoring and seminars designed to break down the barriers to inclusion for disabled artists. For the second year Equalities Work funded the Radical Film School supports social justice filmmaking. The School provided free training in film direction for 16 Londoners from under-represented backgrounds in the film industry including those on low incomes and people of colour.

We also continued to provide capacity building for local voluntary groups with support around fundraising and business planning. Equalities Work has provided support to Block336 - a creative space in Brixton located in the largest disability hub in London. We have raised funds to transform the space including new accessible artists' studios and training room. Block336 is where we deliver much of our In The Mix project offering long term mentoring opportunities for disabled artists.

Our exhibitions programme over the year included a linking with Neon Performing Arts on a show called 'Selfhood' and another - 'Accelerate Action' which brought together a number of women sculptors, painters and film. Our exhibitions include workshops and events engaging schools and the general public to discuss the issues raised.

Our work was supported over the year by a core grant from the Social Justice and Human Rights Centre and grants from the London Borough of Lambeth trusts including the City Bridge Foundation.

4. Financial Review

The accounts declared in this report have been prepared in accordance with Statement of Recommended Practice: Accounting for Charities (SORP,2005) and with relevant companies and charities legislation and regulations. The Statement of Financial Activities on page 11 shows Equalities Work's income from all sources and how this was expended, and the split of activity between restricted and unrestricted funds.

4.1 Overview

The year ended 31st August 2025 ended with a surplus of £7,422. Reserves stood at £24,145 of total funds.

Total incoming resources for 2024/25 amounted to £44,728 compared to £28,100 in the previous year. Total expenditure for 2024/25 was £37,306 compared to £36,739 in 2023/24.

In line with SORP 2005, expenditure is analysed into three main categories; charitable activities, governance of the charity and costs of generating funds. Charitable activities comprise the main work of the charity. Expenditure on charitable activities was £35,120 compared to £33,496 in 2023/24.

(A CHARITABLE INCORPORATED ORGANISATION)**

**REPORT OF THE TRUSTEES (Continued)
FOR THE YEAR ENDED 31ST AUGUST 2025**

4.2 Reserves Policy

Equalities Work is committed to using its resources in pursuit of its charitable objectives. It is also committed however to maintaining a level of reserves that is prudent to meeting ongoing liabilities, sufficient to ensure that all delivery commitments can be met and to protect the long-term future of Equalities Work's operations. Equalities Work's policy seeks to balance these priorities by holding a level of reserves, which equate to three months expenditure of the charity.

The Board of Trustees continues to monitor the level of reserves quarterly and takes appropriate action if reserves fall outside the desired range.

5. Plans for the future

Equalities Work continues to operate in a challenging funding environment with the cost of living crisis making it difficult to secure donations and grants.

11. PAYMENTS TO TRUSTEES & RELATED PARTIES

No payments were made to Trustees or any persons connected with them during this financial period. No material transaction took place between the charity and the Trustees or any person connected with them.

12. RISK ASSESSMENT

The Trustees actively review the major risks which the charity faces on a regular basis and believe that maintaining the free reserves stated combined with the annual review of the controls over key financial systems carried out on an annual basis will provide sufficient resources in the event of adverse conditions. The Trustees have also examined other operational and business risks which they face and confirm that they have established systems to mitigate the significant risks.

13. RESERVES POLICY

Equalities Work is committed to using its resources in pursuit of its charitable objectives. It is also committed however to maintaining a level of reserves that is prudent to meeting ongoing liabilities, sufficient to ensure that all delivery commitments can be met and to protect the long-term future of Equalities Work's operations. Equality Work's policy seeks to balance these priorities by holding a level of reserves which equate to three months expenditure of the charity.

14. PUBLIC BENEFIT

The Charity acknowledges its requirement to demonstrate clearly that it must have charitable purposes or 'aims' that are for the public benefit. Details of how the charity has achieved this are provided in the Trustees report. The Trustees confirm that they have paid due regard to the Charity Commission guidance on public benefit before deciding what activities the charity should undertake.

INDEPENDENT EXAMINERS REPORT ON THE ACCOUNTS
EQUALITIES WORK
(A CHARITABLE INCORPORATED ORGANISATION)
FOR THE YEAR ENDED 31ST AUGUST 2025

Report to the trustees/ members of Equalities Work on the accounts for the year ended 31st August 2025 set out on pages 9 to 15.

Respective responsibilities of trustees and examiner

The Charity's trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the financial statements. The trustees are satisfied that the audit requirement of Section 144(1) of the Charities Act 2011 (the Act) does not apply, and that there is no requirement in the governing document or constitution of the Charity for the conducting of an audit. As a consequence, the trustees have elected that the financial statements be subject to independent examination.

Having satisfied myself that the charity is not subject to audit, and is eligible for independent examination, it is my responsibility to:-

- a) examine the accounts under section 145 of the Act;
- b) to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the Act; and;
- c) to state whether particular matters have come to my attention.

Basis of independent examiner's statement

I conducted my examination in accordance with the General Directions given by the Charity Commissioners for England & Wales in relation to the conducting of an independent examination, referred to above. An independent examination includes a review of the accounting records kept by the Charity and of the accounting systems employed by the Charity and a comparison of the financial statements presented with those records. It also includes consideration of any unusual items or disclosures in the financial statements, and seeking explanations from you as trustees concerning such matters. The purpose of the examination is to establish as far as possible that there have been no breaches of the Charities legislation and that the financial statements comply with the SORP, on a test basis, of evidence relevant to the amounts and disclosures in the financial statements.

The procedures undertaken do not provide all the evidence that would be required in an audit, and information supplied by the trustees in the course of the examination is not subjected to audit tests or enquiries, and consequently I do not express an audit opinion on the view given by the financial statements, and in particular, I express no opinion as to whether the financial statements give a true and fair view of the affairs of the charity, and my report is limited to the matters set out in the statement below.

I planned and performed my examination so as to satisfy myself that the objectives of the independent examination are achieved and before finalising the report I obtain written assurances from the trustees of all material matters.

Independent examiner's statement

In the course of my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in, any material respect, the trustees requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of recommended Practice: Accounting and Reporting by Charities.have not been met; or
2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Trustees' Report

The Directors present their report and accounts for the year ended 31 August 2024

Organisation

Equalities Work is registered as charitable incorporated organisation (CIO) number 1168738. The object of the CIO is the promotion of equality and diversity for the public benefit by:

- (A) Advancing education and raising awareness of equality and diversity.
- (B) Promoting activities to foster understanding between people from diverse backgrounds.

Principal Activities

Equalities Work has been established to make the most of the opportunities presented by the creation of the Foundry in Vauxhall, south London. This has brought together some of London's most progressive human rights and social justice organisations under one roof. A key objective is to engage the public with education and arts focused projects as well as talks, film nights and a range of other events. We do this by working closely with campaigning, advocacy, education, advice and arts organisations.

Over the year, Equalities Work took forward innovative projects including Rights, Camera, Action! This visual arts project engages young people in Lambeth about human rights issues and provides routes into the creative sector. Our 'In The Mix' project includes workshops designed to promote access and participation to the visual arts for disabled people living in south London. It combines arts workshops, mentoring and seminars designed to break down the barriers to inclusion for disabled artists. Equalities Work funded the Radical Film School which is designed to encourage social justice filmmaking. The school provided free training in film direction for 16 residents who were all Londoners from under-represented backgrounds in the film industry including those on low incomes and people of colour.

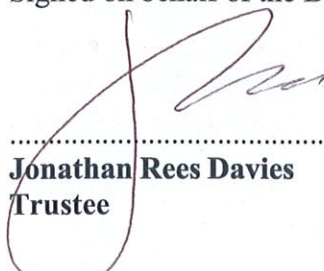

We also continued to provide essential capacity building for local voluntary groups with support around fundraising and business planning. In recent years Equalities Work has worked closely with Block336 - a creative space in Brixton located in the largest disability hub in London. Over the 12 months we have supported the charity through a major transition which has involved the recruitment of a new Board of Trustees and funding bids.

Our exhibitions programme over the year included a collaboration with Transform Trade and another with local artist Agata Nowak called 'Rough Sleeping – A Lifestyle Choice'. An exhibition of works produced by local young people called 'Selfhood' was created through a partnership with Neon Performing Arts. All our exhibitions include workshops and events engaging schools and the general public to discuss the issues raised.

Our work is supported by a core grant from the Social Justice and Human Rights Centre and grants from trusts including the City Bridge Foundation.

Our exhibitions programme over the year included New Union Flag, a collaboration with Gil Mualem-Doron re-imagining the Union Jack by celebrating the communities that have contributed to the UK's cultural legacy. Another exhibition by Michelle Baharier, How Do I Make You Feel explored the activism and prejudices experienced by disabled people alongside portraits of human rights activists. All of our exhibitions include workshops and events engaging schools and the general public to discuss the issues raised.

Our work is supported by a core grant from the Social Justice and Human Rights Centre and grants from trusts including the City Bridge Foundation.

Funded by Awards for All and working with Creative Sparkworks, the visual arts including photography and film engaged young people in Lambeth about human rights issues. Our In The Mix project included workshops designed to promote access and participation to the visual arts for disabled people living in Lambeth and surrounding boroughs

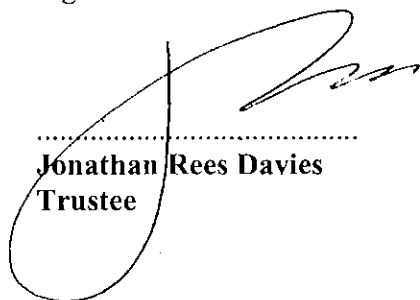

Our exhibitions programme restarted following the Covid lockdowns with an exhibition of images and short films by the participants of the Rights, Camera, Action! project.

Thanks to a core grant from the Human Rights and Social Justice Centre we provided capacity building support to a range of local voluntary sector organisations to adapt their funding and business plans in the light of the pandemic. This also led to a collaboration with Resource for London and London Plus on developing a new website for voluntary sector training events and funding opportunities.

www.equalitieswork.org

Equalities Work operates as a fully independent body responsible for generating its own funds to take forward its activities. The Foundry has continued to provide financial support in the form of a grant to meet the core costs of the CIO. Equalities Work's activities include an education and community arts focused programme engaging local residents and many other individuals and organisations from across London and beyond.

In total we worked with seven schools and over 100 young people. Another project that commenced in the year was In The Mix which has been designed to promote access and participation to the visual arts for disabled people living in Lambeth and surrounding boroughs

Our exhibitions programme at the Foundry was curtailed by repeated Covid lockdowns. However, Equalities Work worked with PhotoVoice on an exhibition called 'Pitch' which also involved a collaboration with Frontline Aids.

Thanks to a core grant from the Human Rights and Social Justice Centre we provided support to a range of local voluntary sector organisations to adapt their funding and business plans in the light of the pandemic. This included working closely with London Borough of Lambeth on the launch and development of the Lambeth Youth Opportunity Fund which has been set up to benefit a wide range of youthwork initiatives.

Notes to the Statement of financial activities For the year ended 31 August 2021

1. Accounting policies

1.1. Basis of accounting

These accounts have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant notes to these accounts.

The accounts have been prepared in accordance with the Statement of Recommended Accounting Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014.

1.2. Incoming Resources

Incoming resources represent amounts receivable during the year. Grants and donations for specific purposes are treated as income in the year in which received. Amounts received during the year relating to specific periods are spread over the periods to which they relate. Income received during the year for future periods is treated as deferred income.

1.3. Outgoing Resources

These are resources expended in order to deliver services. They are included in the Statement of Financial Activities (SOFA) on accruals basis, inclusive of any VAT paid. VAT cannot be recovered. Expenditure is charged to activities on a direct allocation and / or a suitable apportionment basis, in a manner consistently applied.

1.4. Fund Accounting

Restricted and unrestricted funds are separately disclosed, as set out in the SOFA. The different funds held are defined as follows:-

*Restricted funds are subject to the specific purposes for which the funds were raised;

*Designated and unrestricted funds are available to spend at the discretion of the Trustees in furtherance of the charitable objectives of the charity.

2. Taxation

No taxation has been provided for in the financial statements because, as a registered charity, the income is exempt in accordance with section 505 of the Income and Corporation Taxes Act 1988.

3. Going Concern

The accounts are prepared on a 'going concern' basis. The Trustees still consider that 'going concern' is the correct basis to prepare the accounts on the grounds that they have concluded an alternative funding arrangement and that grant funds will, in their view, be sourced to carry out the new activities. The Trustees will not undertake commitments until new funding has been secured.
