Achievements and Performance

Activities also promote social good, for example through the organisation of the Fun Run promoting sport and healthy exercise, or the organisation of second-hand uniform sales, promoting sustainability in the community. Events also promote local volunteerism, with numerous parent volunteers involved across the year at various events.

School Fairs held in summer and winter and the outdoor cinema are also open to the wider local community, offering a chance for them to engage with and support the school.

Spending of funds has gone towards advancing the education of the pupils through the enhancement of the school environment, facilities and the experience of all pupils.

The charity has also aimed to define and promote its values through its ethical policy. This is shared on the school website. Ethical values are promoted in all aspects of fundraising activities. This year, this included an emphasis on environmental protection through organisation of multiple second-hand uniform sales. This year, 81% of the charity's commercial expenditure was with local or independent businesses, a 5 percentage point (pp) improvement on the previous financial year and a 12pp improvement on 2021/22.

All activities have been in accordance with the charity's purposes.</p> <p>Social and fundraising events have been open to all members of the school community, and in some cases the wider local community. The charity also conducted fundraising and made donations to two local educational charities that support disadvantaged children in the wider Peckham community and the Unicef appeal supporting children in Ukraine. For all three charities, participants were made aware in advance that their donations or profits from the relevant events would be used for this purpose.</p> <p>Expenditure of funds has been for the benefit of all pupils at the school. There has been no personal benefit to the trustees.</p>
<p>Contribution made by volunteers</p>	<p>Friends of Belham is entirely reliant on the contribution of volunteers, mostly parents and carers of children at the school. All the trustees are volunteers. Class representatives volunteer their time to help coordinate communication and activities in their respective classes, and often attend and contribute to committee meetings.</p> <p>Many volunteers help with the running of events.</p>

Achievements and Performance

<p>Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.</p>	<p>The social events held by Friends of Belham have enhanced the school community, giving parents, carers, pupils and their siblings a chance to meet and socialise. Activities also promote social good, for example through the organisation of the Fun Run promoting sport and healthy exercise. This year extra events were also open to the wider Peckham community by hosting a 'Belham Lates' talk and a guided walking tour of the area. Events also promote local volunteerism, for example the organisation of a gardening day and the Reception playground refurbishment.</p> <p>School Fairs held in summer and winter are also open to the wider local community, offering a chance for them to engage with and support the school.</p> <p>Spending of funds has gone towards advancing the education of the pupils through the enhancement of the school environment, facilities and the experience of all pupils; with a minority of funds allocated to charities aligned with FoB's core purpose (see above).</p> <p>The charity has also aimed to define and promote its values through the creation of an ethical policy. This is now shared on the school website. Ethical values are promoted in all aspects of fundraising activities. This year, this included an emphasis on environmental protection through organisation of multiple second-hand uniform sales. The funding of the Belham Bees has also led to bee-related activities and events, including the Year 4/5 bee art prints with a local artist, which promoted environmental protection.</p> <p>An emphasis has been made on ensuring events are accessible to low-income families by keeping entry fees low or zero. Donations made to the school also subsidise free equipment or activities for pupil premium families (hoodies, yearbooks, Year 6 performance tickets, leavers' prom).</p> <p>Over two-thirds of FoB's commercial expenditure was with local and/or independent businesses.</p>
