DEARNE VALLEY BULLDOGS ARLFC COMMUNITY ASSOCIATION

TRUSTEES' REPORT

YEAR ENDED 31 MARCH 2023

The Trustees present their annual report and financial statements for the period 01/04/2022 to 31/03/2023.

Structure, governance and management

Dearne Valley Bulldogs ARLFC Community Association is a registered charity with the Charity Commission and a company limited by guarantee. The charity is governed by its Memorandum and Articles of Association, dated January 2013 and most recently amended March 2015. The company has no share capital and the liability of each member in the event of winding up is limited to a sum not exceeding £1. The organisation was registered as a charity on 15 August 2016.

The charity is affiliated to the Rugby Football League (RFL), Yorkshire Juniors League, Pennine League and the British Amateur Rugby League Association (BARLA).

Membership of the charity is open to any person interested in furthering the objects and approved by the trustees. The trustees may establish different classes of membership and subscriptions, on a non-discriminatory and fair basis. The trustees will keep subscriptions at a level that will not pose significant obstacle to the people participating.

The charity is managed on a day-to-day basis by the trustees who have control of the charity, its property and funds.

Appointment of trustees

The trustees are also directors of the company for the purpose of company law. The trustees are elected by the members at the Annual General Meeting (AGM). The trustees may co-opt any individual who is eligible to act as a trustee to fill a vacancy in number but the co-opted trustee holds office only until the next AGM.

Trustees have all been recruited in line with the governing document policies and all have voluntarily donated time towards the charity's objectives. The trustees who served during the year, to the date of signing this report, are listed on page 3.

Organisational Management

Management comprises of President, Chairperson, Vice Chairperson, Secretary and Treasury roles along with a Welfare Officer role. Frequent committee meetings are held and all points raised are noted and minutes published to committee members.

Related parties

The trustees consider that there are no related parties to the charity.

Risk Management

Risk is managed continuously by all trustees and committee members on an ongoing basis, through regular face to face meetings. We have done this by implementing a rigid financial structure that allows us to monitor our financial risk continuously.

Charitable Aims and Objectives

The objects of the charity, as set out in the Articles of Association, are:

- The promotion of community participation in healthy recreation for the benefit of the inhabitants of the Dearne and the neighbourhood, by the provision of facilities for playing amateur rugby league football.
- To further or benefit the residents of the Dearne and the neighbourhood, without distinction of sex, sexual orientation, race or of political, religious or other opinions, by associating together the said residents and the local authorities, voluntary and other organisations in a common effort to advance education and to provide facilities in the interests of social welfare for recreation and leisure time occupation with the objective of improving the conditions of life for the residents.

We are also keen to ensure that everyone is given equal opportunity to participate in amateur rugby league football.

Public Benefit

In shaping the objectives for the year, the trustees have paid due regard to the public benefit guidance published by the Charity Commission.

Our club has public benefit at the core of its objectives. We work constantly to engage with the local community and beyond in order to provide facilities for playing amateur rugby league football. We also provide all of our volunteers with the necessary training, in respect of coaching, safeguarding of children, first aid and other applicable training to ensure we provide a safe and happy environment for everyone involved with the organisation.

Review of Achievements and Performance for the Year

Operational Performance

There was a restructure towards the end of 2017, which has now been further embedded during 2022/23, and has enabled the club to streamline the operations of the charity to allow trustees and committee members to concentrate their efforts to the progression and growth of the charity. We currently have active teams at Men's Open age, under 16's, under 15's, under 13's, under 12's and a pup's section (3-6 age group), and we are hoping to add an under 8's team during 2023/24.

On the field, we continue to see huge developments of our Youth Players. Our under 13's reached the quarter finals of the Continuation Cup and had a strong finish to the season where they finished 3rd in their division. Their main success story however was strengthening their side by the recruitment of new players. Our under 15's, who won the league in 2021/22 and gained promotion, managed to finish this year in 3rd place, a massive achievement for a newly promoted team and they also saw numbers increase for their team. Our Under 16's have seen 5 players progress to academy contracts at professional clubs, which we are extremely proud of and have been building towards for several years. Jamie Gill and Conlan Mawson at Bradford Bulls, Andrew Gill and Luke Breedon at Huddersfield Giants, and Jack Easton at Wakefield Trinity. All of these boys have played for Dearne Valley Bulldogs from our under 6's all the way through our system, which is testament to the club and coaches and is a great example of what talent we have in the Dearne Valley area, if given the opportunity.

TRUSTEES' REPORT continued

YEAR ENDED 31 MARCH 2023

In addition, Jamie Gill has represented Ireland u19's at the recent championships, which is a massive step up, and Andrew Gill and Jamie Gill have both made their debuts for the reserves, which is a great achievement. Both Jack and Luke have played regularly for the academy sides, which is fantastic for them, and everyone at the club is very proud of all the boys. We are looking at building an u18's team for next season to create a pathway from junior rugby to our first team, which is really important for the club's future success and continued player development. All of our under 16's boys have gone on to do great things since completing their GCSE's, which as a club we supported them through this stressful time and it is really rewarding to see these lads in further education, work placements and still enjoying their rugby. This under 16's team always played at the highest level of Yorkshire rugby league with some fantastic personal and team achievements, which the club will always be proud of. We wish all the boys every success for their futures and we hope to see some of these players making their 1st team professional debuts very soon.

We will continue to strive for quality coaching in the hope of more players progressing within the game. We have demonstrated we have high coaching standards in place, which helps our players to develop and provides a platform to progress further in the game.

It is good to see our pups section growing and loving their rugby. It is good to nurture them and see them progress. After all, they are the future of our club and we look forward to seeing them grow into well-rounded, respectful and happy young individuals.

The Open age men's team continue to see participation increase. A programme is now well established to facilitate a smooth transition from youth to men's rugby, which is key to maintaining player development and player retention.

The new building facilities are near completion and should be fully operational by next season. Thanks go out to all our volunteers, along with some fantastic sponsors and donors that have helped so much to make this happen. As a club, we are so excited about the prospect of having our own facilities both for our players and volunteers, as well as for the wider community, with which we intend to develop our relationships further next season.

In 2018/19, we introduced a player registration fee that was agreed at our Trustee and Committee meetings and approved at our Annual General Meeting on the 4th June 2017. It was agreed to maintain the same level of fees for the 2023/24 season with a review to take place for the 2024/25 season.

Fundraising Performance

The current year's fundraising performance has shown an increase on last year's performance, an amazing achievement by our volunteers. We are committed to the maintenance of the finances of the charity whilst putting plans in place for larger future projects.

Plans for the future

- To have the build of the new changing facilities fully operational during 2023/24.
- To increase the number of teams participating in structured games.
- To continue the growth of our youngest participants (3-6 years old) which ensures future participation.
- To oversee a successful transition from our under 17/18's players to an open age team.
- To see the launch of a new Dearne Valley Bulldogs Men's Rugby Union side.
- To play a greater role in the Community.

DEARNE VALLEY BULLDOGS ARLFC COMMUNITY ASSOCIATION

TRUSTEES' REPORT continued

YEAR ENDED 31 MARCH 2023

The charity's policy on reserves

The trustees adopt a strict reserves policy whereby any funding received is specifically ring fenced for charitable activities. The Trustees and Committee members review our policy on reserves annually. It has been agreed that we should aim to maintain approximately £7,000 in general reserves which ensures that the charity can operate as a going concern.

At the year end, the actual level of the general reserve was £8,472 which is in line with the reserves policy. There was £1,364 ring-fenced for individual teams, and a further £12,767 designated towards the building project for spend in 2023-24.

Statement of trustees' responsibilities

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the company at the end of the year and of the surplus or deficiency for the year then ended.

In preparing those financial statements, the trustees are required to: select suitable accounting policies and then apply them on a consistent basis, making judgements and estimates that are prudent and reasonable. The trustees must also prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose, with reasonable accuracy at any time, the financial position of the company, and enable them to ensure that the financial statements comply with the Companies Act 2006 and the Statement of Recommended Practice, Accounting and Reporting by Charities (SORP 2019). The trustees are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud or other irregularities.

Exemptions

The directors have taken advantage of the exemptions available to small companies, including the audit exemption.

Financial Position

The financial statements are set out in pages 10 to 17. The Income and Expenditure Account shows a surplus for the year of £28,589 (2022: £472). Total funds at the year-end stand at £148,621 (2022: £120,032).

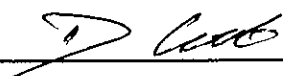

Total funds are made up of Fixed Assets to the value of £123,855, balances remaining on restricted funding of £2,163, designated funds of £12,767, funds ring-fenced for individual teams of £1,364 and a general reserve of £8,472.

Small company provisions:

This report has been prepared in accordance with the special provisions for small companies under Part 15 of the Companies Act 2006.

The trustees declare that they have approved the report above.
Signed on behalf of the company's directors:

Dean Cook, Trustee/Director

**REPORT OF THE INDEPENDENT EXAMINER TO THE TRUSTEES OF
DEARNE VALLEY BULLDOGS ARLFC COMMUNITY ASSOCIATION
YEAR ENDED 31 MARCH 2023**

I report on the accounts of the charity, which are set out on pages 9 to 16.

Respective responsibilities of trustees and examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act,
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act, and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no material matters have come to my attention which gives me cause to believe that in, any material respect:

- accounting records were not kept in accordance with section 386 of the Companies Act 2006; or
- the accounts do not accord with such records; or
- the accounts do not comply with relevant accounting requirements under section 396 of the Companies Act 2006 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS102).

I have no concerns and I have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Exemption from audit

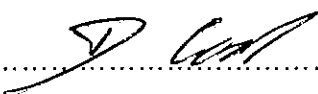

For the period ending 31 March 2023 the company was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- *The members have not required the company to obtain an audit of its accounts for the year in question in accordance with section 476;*
- *The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of accounts.*

These accounts have been prepared in accordance with the provisions applicable to companies subject to the small company's regime.

The financial statements were approved by the Board of Trustees and signed on its behalf by:

.....

Date: 1st November 2023

Dean Cook, Trustee/Director

1. Accounting policies

Basis of the preparation of the accounts

The financial statements have been prepared in accordance with Accounting and Reporting by Charities - Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) – ((Charities SORP (FRS102)) and the Companies Act 2006. The charity meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value, unless otherwise stated in the relevant accounting policy note(s).

Income and expenditure have been analysed in the accounts using natural classification, in accordance with the provisions of Section 4.6, SORP 2019 (smaller charities). The charity also meets the requirements for exemption from preparing a statement of cash flows.

Going Concern Note

After reviewing the charity's forecasts and projections and its reserves, the trustees have reasonable expectation that the charity has adequate resources to continue in operation for the foreseeable future. No material uncertainties exist in the 12 month period following the signing of these accounts. The trustees therefore continue to adopt the going concern basis in preparing the financial statements.

Incoming resources

All material incoming resources have been included in the Statement of Financial Activities when the charity is entitled to the income, when any performance conditions attached are met, when it is probable that the income will be received and when the amount can be measured reliably.

Donated goods and services

Donated facilities and services are recognised in the accounts, at the amount the charity would pay in the open market for a service equivalent to that being donated, when the charity would otherwise have purchased them and the value can be measured reliably.

Donated goods for the charity's own use are recognised as income, at their fair value.

The contribution of general volunteers is not recognised as income in the charity accounts.

Resources Expended

All expenditure is included on an accruals basis and is recognised as a liability is incurred.

The charity is not registered for VAT and accordingly resources expended are shown gross of irrecoverable VAT.

Taxation

As a registered charity, Dearne Valley Bulldogs ARLFC Community Association is exempt from UK corporation tax on income from its charitable activities.

Tangible Fixed Assets

Tangible Fixed Assets with a cost exceeding £1,000 are capitalised and depreciated over their expected useful lives. The rates applicable are:

- Computer Equipment - 33.3333% on a straight line basis
- Fixture, Fittings & Equipment - 20% on a straight line basis
- Property Improvements - 5 % on a straight line basis

In the year of acquisition, assets are depreciated for the full year.

Funds Structure

The charity maintains a general unrestricted fund which represents funds which are expendable at the discretion of the trustees in furtherance of the objects of the charity.

Restricted funds have been provided to the charity for particular purposes and may only be spent for the purposes for which they were given. Any balance remaining outstanding on a restricted fund at the end of the year is carried forward as a balance on the fund, unless permission has been given by the funder to remove the restriction on the balance outstanding.

Funds relating to capital expenditure are transferred to a designated fund against which depreciation is charged. Other designated funds are established by the trustees, as appropriate, for specific projects.
