THE MULLION CHARITABLE TRUST
TRUSTEES REPORT
FOR THE YEAR ENDED 31 MARCH 2025

The trustees present their annual report for the year ended 31 March 2025.

The accounts comply with the Charities Act 2011, Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) and with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015).

Objectives and Activities

The Trust was established to apply income and capital to make grants to organisations that further science education, medical research and the arts; or to charities that benefit the homeless and operate to provide safety to those at sea.

In the Trust's ninth year, the Trustees awarded grants of £48,598 to Centrepont, £10,000 to the Epilepsy Research Institute and £5,000 to The Open Door. The Centrepont grant was decided and notified before the year end, but not paid until after, so has been recognised as a grant creditor.

The Trustees pay due regard to the Charity Commission's guidance on public benefit.

Achievements and Performance

The Trustees have used the returns from the capital invested to award grants for charitable purposes in light of the objectives set out in the trust deed, as follows:

- The grant awarded to Centrepont was to support homeless young people and help them live independently and to campaign to end youth homelessness.
- The grant awarded and paid to the Epilepsy Research Institute was to develop joint working between academia, the NHS, industry, funders, patient groups and people affected by epilepsy.
- The grant awarded and paid to Open Door was to improve the wellbeing and mental health of people and adults, using innovation, arts, and culture as catalysts for change

Trustees anticipate the charity will continue to award grants to charitable organisations from its investment income for the foreseeable future.

Financial Review

As at 31 March 2025 the fund held net assets of £1,124,855, principally investments in charitable unit trusts valued at £1,071,585 at the year end. The valuation resulted in unrealised losses of £14,284 for the year, resulting from renewed global instability of markets.

Trustees reviewed the performance of the investments against relevant benchmarks and determined to remain invested in the fund.

These investments generated income of £45,309 that was used to fund the grants paid in the year, along with surplus unrestricted funds from the previous year.

At the year end unrestricted funds totalled £67,162, represented by monies in its CAF bank account and investments.

Structure, governance and management

The Trust Deed was signed on 7 April 2016 and established the objectives and powers of the Trust.

The Trust is an unincorporated charitable Trust, registered and operating in England.

The Trustees identify organisations they believe may be appropriate to support, in light of the charity's objectives, to identify projects in need of funding. Those organisations are invited to apply for grant funding and any bids received are evaluated in terms of cost, the nature and scale of benefit, the relevance to the Charitable Objects and the likely impact of the project.

The Trustees were appointed by the Trust deed and can appoint new Trustees should the need arise. They undertake training as needed to ensure they understand and act in accordance with laws and regulations.

THE MULLION CHARITABLE TRUST

TRUSTEES REPORT (continued)

FOR THE YEAR ENDED 31 MARCH 2025

Reserves policy

The trustees' policy is to spend substantially all the annual income, after payment of administrative expenses, to award grants. Surplus income is retained in cash or reinvested. The charity does not hold any free reserves.

Risk factors

The trustees have reviewed the risks to the assets of the charity and are satisfied that sufficient controls are in place which are reviewed at regular intervals.

Trustees' responsibilities

The trustees are responsible for preparing the trustees' report and the accounts in accordance with applicable law and regulations. The law applicable to charities in England and Wales requires the trustees to prepare accounts for each financial year in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable regulations). Under that law the trustees must not approve the accounts unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that year.

In preparing these accounts, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed; and
- prepare the accounts on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping adequate accounting records which are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the accounts comply with the Charities Act 2011, the Charities (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Signed on behalf of the Trustees

Tom Bradfield

ACCOUNTS FOR THE YEAR ENDED 31 MARCH 2025
INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
THE MULLION CHARITABLE TRUST

I report on the accounts of the Trust for the year ended 31 March 2025, which are set out on pages 4 to 8.

Respective responsibilities of the trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The trustees consider that an audit is not required this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed. It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- state whether particular matters have come to my attention

Basis of Independent Examiner's Report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the Charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In the course of my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that, in any material respect, the requirements:
- * to keep accounting records in accordance with section 130 of the 2011 Act; and
 - * to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act;

have not been met:
or

- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

THE MULLION CHARITABLE TRUST
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2025

1. ACCOUNTING POLICIES

a. Basis of accounting

The financial statements are prepared in accordance with the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard (FRS102) and the Charities Act 2011 and applicable regulations. These financial statements are drawn up on the historical cost accounting basis except that investment assets are carried at market value.

The financial statements are prepared in sterling, which is the functional currency of the charity.

The charity meets the definition of a public benefit entity under FRS 102

The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern, based on a review of the balance sheet assets and liabilities, and future plans.

b. Income

Income is accounted for in the period in which the charity is entitled to the income, it is probable that the income will be received and the amount of income can be measured reliably. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due.

c. Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably. Expenditure is included on an accruals basis.

Grants are included in the statement of financial activities when a legal or constructive obligation to pay them comes into existence.

Charitable expenditure includes all grants made to other charities and includes governance costs.

Governance costs comprise the independent examiner's fee, secretarial fees, and postage & stationery.

d. Investments

Investments are a form of basic financial instrument and are initially recognised at their transaction value and subsequently are measured at their fair value as at the balance sheet date using the closing quoted market price. The statement of financial activities includes the net gains and losses arising on revaluation and disposals throughout the year.

Realised gains and losses on investments represent the difference between the sale proceeds and opening market value (or purchase date if later). Unrealised gains and losses are the difference between the market value at the year end and opening market value (or purchase date if later).

e. Debtors

Debtors are measured at the amounts the charity anticipates it will receive from a debt or the amount it has paid in advance for goods or services.

f. Cash at bank and in hand

Cash at bank and in hand includes cash and cash on deposit, other short term liquid investments with original maturities of three month or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

g. Creditors

Creditors are measured at the amounts the charity anticipates it will pay to settle a debt or the amount it has received as an advance payment for goods or services it must provide.

h. Charitable Funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objects.

j. Financial Instruments

The charity only has financial assets and liabilities of a kind that qualify as basic financial instruments. They are initially recognised at transaction value and subsequently measured at their settlement value.
