**OBJECTIVES AND ACTIVITIES**

**Objectives and aims**

The objectives of the British Boer Goat Society (hereafter referred to as BBGS) are as follows:-

The promotion of agriculture for the public benefit by the encouragement, promotion and improvement of the British Boer Goat, and encouraging the breeding of British Boer Goats.

To support breeders and prioritise breed promotion through education, outreach and the development of best practice in management, welfare and marketing.

To support members by providing resources and opportunities to improve breeding standards in order to protect the Breed Standard and safeguard the interests of Society members.

**ACHIEVEMENT AND PERFORMANCE**

**Charitable activities**

BBGS took part in three major events in 2024, namely the The Royal Three Counties Show, Staffordshire Agricultural Show and Hanbury and District Countryside Show. All shows drew strong public interest and high exhibitor turnout, offering excellent visibility for the breed.

A leading international judge, from South Africa, judged the National Breed Competition at Royal Three Counties Show and provided insightful and educational talks to both members and the public.

Members were offered a reduction in entrance fees to the above shows too as part of the educational programme. This benefit will be extended into the 2025 show season.

The Society has continued to expand its digital engagement, with regular updates to the BBGS website, including show results and photo galleries. Public and members only Facebook pages are active. Competition results and photos are posted in real time.

A new set of promotional banners was created and distributed, including banners sent to the North and featured at three prestigious shows, attracting considerable attention.

Members were given access to a training PowerPoint presentation developed by Pacifica Stud Australia, a leading name in Boer goat breeding.

An updated, illustrated Breed Standard booklet was published and made available to all members.

Monthly newsletters continued to be issued, providing updates, resources and guidance to all BBGS members.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF BRITISH BOER GOAT SOCIETY**

**Independent examiner's report to the trustees of British Boer Goat Society**

I report to the charity trustees on my examination of the accounts of British Boer Goat Society (the Trust) for the year ended 31 March 2025.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
