Structure, governance and management

The charity is a company limited by guarantee and is governed by the Articles of Association set up on 20 June 2016.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Miss E M O'Callaghan OBE
Mr P E Collins
Mr L J Howell

Trustees shall be appointed by the Board by resolution of the trustees. The trustees may from time to time at their discretion determine any criteria for appointment as a trustee.

None of the trustees (or any persons connected with them) received any remuneration during the year. None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The Board of Trustees is ultimately responsible for the decision making of the charity and also its day to day operations.

There were no employees during the year. There were no employees whose annual remuneration was £60,000 or more.

Objectives and activities

The charity's objectives are to advance the education and relieve the poverty, financial hardship and unemployment of young people, in particular (but without limitation) by developing their skills, education, capacities and capabilities to enable them to participate in society as mature and responsible individuals and by providing them with mentoring, advice and guidance. The policies adopted in furtherance of these objectives are to make grants to organisations, to provide services, to sponsor or undertake research and to act as an umbrella or resource body and investment into high performing youth employment programmes that help meet our core mission and are in accordance with our Articles.

Our Mission

Ending systemic and structural youth unemployment.

How we measure success

By the number of young people our funding supports to find, gain and stay in work.

What we do:

Summary of main activities

- Research and development about the effects of covid-19 on young people furthest from the labour market and how to bridge the increasing gap between education and employment for this age group.
- Development of a fundraising strategy that aligns with our objects (as above) to develop a programme that enables free access for significantly disadvantaged young people (16-24) to online skills based learning programmes that enable them to transition more successfully into work with a focus on digital and green skills development as a priority area.

Public Benefit Statement

During the Covid-19 pandemic, 16-24 year olds lost their jobs at 3-5x the rate of every other age group. There is unprecedented growing demand for digital skills leaving young people from significantly disadvantaged backgrounds as in an increasingly tech-enabled work environment, they are at even higher risk of being left behind.

Volunteers

The Foundation is run by volunteers who do not receive remuneration for this work.

Achievements and performance

New charity name to align with our target beneficiary group.

Development of a new donor programme for companies and individuals to support our target beneficiary group.

Financial review

The decision to make a modest investment with unrestricted funds into a Social Impact Company building a tech solution to the issue of youth unemployment was made on the basis that significantly more young people could be supported into employment in the near-term, while providing the potential for a good future return to the Foundation. This was considered to be a more effective use of the funds that were available rather than them remaining unused.

The charity continues its operations with income from grants and donations of £30,816 (2023: £87,084). Expenditure on charitable activities amounted to £79,355 (2023: £18,037). Included in charitable expenditure are grants totalling £76,400 (2023: £2,250).

For the current year the charity's primary focus is on the development of our original bursary programme.

At the year end, the charity had reserves of £73,990 (2023: £122,529). It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to three month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

Small company provisions

Independent Examiner's Report to the Directors of Hundo Foundation Ltd

Year ended 30 June 2024

I report to the directors on my examination of the financial statements of Hundo Foundation Ltd ('the charity') for the year ended 30 June 2024.

Responsibilities and basis of report

As the directors of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements
Year ended 30 June 2024

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Camburgh House, 27 New Dover Road, Canterbury, Kent, CT1 3DN, England.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the directors for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Hundo Foundation Ltd
Company Limited by Guarantee
Notes to the Financial Statements *(continued)*
Year ended 30 June 2024

3. Accounting policies *(continued)*

Investments in associates

Investments in associates accounted for in accordance with the cost model are recorded at cost less any accumulated impairment losses.

Investments in associates accounted for in accordance with the fair value model are initially recorded at the transaction price. At each reporting date, the investments are measured at fair value, with changes in fair value taken through income or expenditure. Where it is impracticable to measure fair value reliably the cost model will be adopted.

Dividends and other distributions received from the investment are recognised as income without regard to whether the distributions are from accumulated profits of the associate arising before or after the date of acquisition.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into.

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other administrative expenses.

Loans and borrowings are initially recognised at the transaction price including transaction costs. Subsequently, they are measured at amortised cost using the effective interest rate method, less impairment. If an arrangement constitutes a finance transaction it is measured at present value.

The decision to make a modest investment with unrestricted funds into a Social Impact Company building a tech solution to the issue of youth unemployment was made on the basis that significantly more young people could be supported into employment in the near-term, while providing the potential for a good future return to the Foundation. This was considered to be a more effective use of the funds that were available rather than them remaining unused.

The charity continues its operations with income from grants and donations of £87,084 (2022: £11,304). Expenditure on charitable activities amounted to £15,787 (2022: £3,957). Included in charitable expenditure are grants totalling £2,250 (2022: £2,750).

For the current year the charity's primary focus is on the development of our original bursary programme.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to three month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

Independent Examiner's Report to the Directors of Hundo Foundation Ltd

Year ended 30 June 2023

I report to the directors on my examination of the financial statements of Hundo Foundation Ltd ('the charity') for the year ended 30 June 2023.

Responsibilities and basis of report

As the directors of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements
Year ended 30 June 2023

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is Camburgh House, 27 New Dover Road, Canterbury, Kent, CT1 3DN, England.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the directors for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Investments

Unlisted equity investments are initially recorded at cost, and subsequently measured at fair value. If fair value cannot be reliably measured, assets are measured at cost less impairment.

Listed investments are measured at fair value with changes in fair value being recognised in income or expenditure.

Hundo Foundation Ltd

Company Limited by Guarantee

Notes to the Financial Statements *(continued)*

Year ended 30 June 2023

3. Accounting policies *(continued)*

Investments in associates

Investments in associates accounted for in accordance with the cost model are recorded at cost less any accumulated impairment losses.

Investments in associates accounted for in accordance with the fair value model are initially recorded at the transaction price. At each reporting date, the investments are measured at fair value, with changes in fair value taken through income or expenditure. Where it is impracticable to measure fair value reliably without undue cost or effort, the cost model will be adopted.

Dividends and other distributions received from the investment are recognised as income without regard to whether the distributions are from accumulated profits of the associate arising before or after the date of acquisition.

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

Financial instruments

Financial liabilities and equity instruments are classified according to the substance of the contractual arrangements entered into.

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in the profit and loss account in other administrative expenses.

Loans and borrowings are initially recognised at the transaction price including transaction costs. Subsequently, they are measured at amortised cost using the effective interest rate method, less impairment. If an arrangement constitutes a finance transaction it is measured at present value.

HUNDO FOUNDATION LTD
FORMERLY THRIVE YOUTH TRUST LIMITED
TRUSTEES' REPORT (INCLUDING DIRECTORS' REPORT)
FOR THE YEAR ENDED 30 JUNE 2021

The trustees present their report and financial statements for the year ended 30 June 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's governing document, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016).

The charity changed its name on 17 February 2022 from Thrive Youth Trust Ltd to Hundo Foundation Ltd.

Objectives and activities

The charity's objects are to advance the education and relieve the poverty, financial hardship and unemployment of young people, in particular (but without limitation) by developing their skills, education, capacities and capabilities to enable them to participate in society as mature and responsible individuals and by providing them with mentoring, advice and guidance. The policies adopted in furtherance of these objects are to make grants to organisations, to provide services, to sponsor or undertake research and to act as an umbrella or resource body and investment into high performing youth employment programmes that help meet our core mission and are in accordance with our Articles.

Our Mission

To give young people and their employers the best possible chance of success and in doing so, empower young people to transform their lives.

How we measure success

By the number of young people our funding supports to find, gain and stay in work.

What we do:

Hundo Foundation Bursaries

The provision of small bursaries for young people who are work ready but are struggling to access employment because of practical and financial hurdles. From something as simple as a copy Birth Certificate, a pair of shoes or tools and equipment, these bursaries are an essential component for disadvantaged young people who have clearly demonstrated a willingness to work by engaging in an employability programme or course with one of our partners.

Funding

We provide funding and investment into high performing youth employment programmes and organisations that help meet our core mission and are in accordance with our Articles.

Thrive in Work CIC

We remain the asset lock body for our partner social enterprise, however, the CIC has also been materially impacted by the pandemic. Thrive in Work CIC is in the process of being dissolved.

The trustees have paid due regard to guidance issued by the Charity Commission on Public Benefit in deciding what activities the charity should undertake.

Achievements and performance

Covid19 is an unprecedented situation and the Trustees took the decision to suspend direct activities as an organisation until such time as the situation is clearer.

Financial review

The decision to make an investment into a Social Impact Company building a tech solution to the issue of youth unemployment was made on the basis that the potential for a good return to the Trust was a more effective use of funds as it offers the potential to support exponentially more young people than the Trust can achieve through bursaries alone.

The charity continues its operations with income from grants and donations of £27,286 (2020: £29,066). Expenditure on charitable activities amounted to £2,761 (2020: £26,150). Included in charitable expenditure are grants totalling £569 (2020: £22,358).

For the current year the charity's primary focus is on the Hundo Fund activity.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to three month's expenditure. The trustees consider that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Structure, governance and management

The charity is a company limited by guarantee and is governed by the Articles of Association set up on 20 June 2016.

The trustees, who are also the directors for the purpose of company law, and who served during the year and up to the date of signature of the financial statements were:

Miss E M O'Callaghan OBE

Mr L Naidu

(Resigned 21 July 2021)

Mr P E Collins

Trustees shall be appointed by the Board by resolution of the trustees. The trustees may from time to time at their discretion determine any criteria for appointment as a trustee.

None of the trustees has any beneficial interest in the company. All of the trustees are members of the company and guarantee to contribute £1 in the event of a winding up.

The Board of Trustees is ultimately responsible for the decision making of the charity and also its day to day operations.

The trustees' report was approved by the Board of Trustees.

INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF HUNDO FOUNDATION LTD**

I report to the trustees on my examination of the financial statements of Hundo Foundation Ltd (the charity) for the year ended 30 June 2021.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the financial statements of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's financial statements carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

FOR THE YEAR ENDED 30 JUNE 2021

1 Accounting policies

Charity information

Hundo Foundation Ltd is a private company limited by guarantee incorporated in England and Wales. The registered office is International House, 24 Holborn Viaduct, London, EC1A 2BN, United Kingdom.

1.1 Accounting convention

The accounts have been prepared in accordance with the charity's Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016). The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the trustees in furtherance of their charitable objectives.

1.4 Income

Income is recognised when the charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount.

1.5 Expenditure

Expenses are included in the financial statements as they become due and are stated inclusive of irrecoverable VAT.

1.6 Fixed asset investments

Fixed asset investments are initially measured at transaction price excluding transaction costs, and are subsequently measured at fair value at each reporting date. Changes in fair value are recognised in net income/(expenditure) for the year. Transaction costs are expensed as incurred.

1.7 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Derecognition of financial liabilities

Financial liabilities are derecognised when the charity's contractual obligations expire or are discharged or cancelled.
