Vision & Objectives

The Apostolic Church (Lawna) Manchester is an assembly of The Apostolic Church, an organisation with presence across the world.

The charity's main objectives are:

- The advancement of the Christian religion in the UK and worldwide for the benefit of the general public and alleviation of poverty.
- The teaching of faith in accordance with the bible
- The promotion of religious harmony
- Promoting true information, mutual understanding and respect of the belief in practice of different faith.

Activities for the Year

In pursuit of these overall objectives, the charity operates a Centre for Christian worship located at 172 Gainsborough Avenue Oldham. In addition, we engage in other community-based activities, with all our programmes and meetings are open to our immediate community and the public at large. As an assembly, our motto is One-fold and One shepherd. This expressly encapsulates our focus that we as a people believe in oneness and equality being the basis of spiritual and societal relationship as creation of God. We also believe everyone must be valued and shown compassion so they can be enabled to live life to the fullest. Through the promotion of Christian values and ethics, we focus on the family, young, old, elderly, children and all disadvantaged members of the society. It is our strong belief that the family unit is a microcosm of the society and thus we seek to ensure Christian family values so that all members within the unit is assisted to be each other's keeper as Christianity teaches. We seek to encourage this strong family and societal values by encouraging the Christian culture of faith, prayers and other spiritual support at our daily prayer meetings, Sunday services, Tuesday bible study, several other programmes and Christian festivals.

Achievement and Performances for the Year

In September 2020, we had a virtual annual anniversary and thanksgiving of the church with invited ministers of God from outside the country and music ministers within the UK. The 3-day programme was a virtual event and opened to people from outside the church and

many lives were blessed.

We also organised a face-to-face event in April 2021, where COVID-19 Sensitization Awareness was discussed with the invited church members and the Black community of Oldham. The event was a success and believed the right message was passed to the guests to combat the disease.

There was an open Soup Kitchen event that was organised in the church premises while the lock down was eased in Feb. 2021 to reach out to the poor and needy in the Oldham community where we had foods and drinks available and had competent ministers to help the people with any advice or prayers.

In June 2021, Home Kit for lateral flow COVID-19 testing training was held in the church premise to highlight the importance of continue self - testing with the home kit made available to the people free of charge. The event was a great success as we had a reasonable number of attendees.

The church continued to hold a virtual church services where intercessory prayers for the United Kingdom was raised and teachings on staying home and safe was highlighted.

Plans for the Future

We are looking into how to sustain and expand our community action activities with the Police, Old People's Homes, Hospitals and other charitable organisations in and around Manchester. We plan to continue ongoing plan on our place of worship with the installation of modern communication and computer equipment's for training purposes, which will be open to community at large. We plan to procure better children-friendly play and education materials for the children church.

We plan to continue holding faith and religious meetings, youth games and services, distribution of faith literature and expanding faith educational facilities for all age
