Fit and Proper Persons

It is considered that the Trustees and any others who could be understood as managers in the activities and affairs of the Ridgeway Community Church are considered to be 'fit and proper' persons under the terms of the Finance Act 2010 and have completed declarations confirming this. Newly appointed Trustees and any others re-appointed as Trustees after a period of absence are given the opportunity to be thoroughly briefed as to the present position of the Ridgeway Community Church and its future plans on taking up their appointment. Trustee training is available as and when required.

TRUSTEES' REPORT

The Trustees present their annual report together with the financial statements of Ridgeway Community Church (the charity) for the year ended 31 August 2024. The Trustees confirm that the annual report and financial statements of the charity comply with the current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP). The charity has opted to report under the provisions of the Financial Reporting Standard for Smaller Entities (FRSSE).

Structure, governance and management

a. CONSTITUTION

The charity is a CIO (Charity Incorporated Organisation).

b. METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Constitution. This year we have seen one trustee resign and two appointed.

c. ORGANISATIONAL STRUCTURE AND DECISION MAKING

The charity is administered by the church Elders. All the Trustees (excluding the Treasurer) are Elders. The Elders meet monthly with additional meetings being arranged as and when required. The Treasurer is responsible for administering the financial resources of the charity on a day to day basis. In this task he is assisted by two Assistant Treasurers, one for each church within the charity. The Assistant Treasurers are not Trustees of the charity.

d. EMPLOYEES

The church employed 9 people at the balance sheet date (prior year 8), three full-time, the rest part-time. Two Trustees are also employees, these are the pastors responsible for each church (Wallingford and Didcot). Employed trustees work as pastors and are paid for that service. This is permitted under the CIO governing document. The salaries paid to the two pastors are only for their pastoral duties and do not include any payments in respect of their being trustees of the Ridgeway Community Church charity. Three part-time employees are the wives of trustees. It is confirmed that no employee received a salary in excess of £60,000 for the year.

The church has a remuneration committee, made up of finance and trustee members. This committee meets annually to set church employee remuneration and when required to discuss and approve any interim pay changes or the pay levels for new roles.

The charity relies heavily on volunteers who do much of the work in supporting both the church and our work with the community. The trustees gratefully acknowledge this, without our volunteers the charity would not be able to function.

Objectives and Activities

a. OBJECTIVES

The principal object of the charity is the advancement of the Christian religion and the relief of those in need, in accordance with the teachings of Jesus Christ. The Trustees declare that they have had regard to the guidance issued by the Charity Commission on public benefit and are satisfied that the charity fulfils the criteria. This is considered in more detail in the next section.

b. ACTIVITIES FOR ACHIEVING OBJECTIVES
(including consideration of public benefit)

The charity functions as two churches, one based in Wallingford and one in Didcot. These hold services each Sunday (open to all) and serve the local community. Community engagement is via the Fountain Community Hub, Beacon Youth Project, the Community Fridge and various community groups that use our facilities. In addition we support Wallingford Street Pastors, the CAP Debt Centre (Wallingford and Didcot), and the Wallingford Food Bank.

The Community Hub

As outlined in previous reports, the charity converted what was previously a bookshop into a Coffee Shop and Community hub in 2021. The Hub is run by a committee with four members, including one trustee. It employs two part-time staff with the remainder of the work being covered by volunteers. The Cafe attracts a broad range of local groups and individuals, some with significant needs. Staff have undergone training in dealing with vulnerable adults and first aid in addition to Food Hygiene and Food Safety. The cafe holds a 5 star hygiene rating from the local inspector. The local school continues to send pupils with behavioral or education issues to the Community Hub for work experience. There, they are able to work as part of a team learning valuable employment skills. The Community Fridge also operates from the Community Hub premises. The coffee shop element of the Hub makes a net loss (£16k in 2023/24) which is covered by the charity. We see this as money well spent on supporting the local community.

Grants paid

The charity continues to support various overseas charities both financially and with leadership guidance. These include Pastors in India, Jews for Jesus (Germany), Open Doors, and the Message Trust (South Africa). The charity also supports CAP (Christians Against Poverty debt service), both financially and with volunteer staff. A full list of external giving is provided within the accounts.

Kinetic Network

Seeking to work more closely with other similar churches, we have partnered with a group of like minded churches to form the Kinetic Network. This is a loose association, where best practise can be disseminated and expert resources shared. Our Senior Pastor and Trustee - Gareth Lloyd-Jones is planning to move to part-time working with Ridgeway Community Church and part-time with Kinetic. To replace his input we are looking to employ a full time Associate Pastor to work in the Wallingford Church.

c. RISK ASSESSMENT AND POLICIES

The charity maintains written policies on:

- | | |
|----------------------|------------------------------|
| - Risk Management | - Health and Safety |
| - Safeguarding | - Volunteers |
| - Financial Controls | - Serious incident reporting |
| - Expenses | - Conflicts of Interest |
| - Reserves | - Data Protection |

Risk assessments are carried out on both the church building owned in Wallingford and the facilities we rent for the Didcot congregation. An Accident Book is maintained and health and safety issues are timetabled for discussion at Trustees meetings.

If any conflicts of interest arise, the impacted Trustee leaves the meeting while the subject is discussed and decisions are reached, being informed of the outcome on returning, but not the details of the discussion.

The contents and obligations of the Equality Act 2010 and the 2018 General Data Protection Regulation are known and complied with to the best of the charity's ability. The charity is aware of its responsibilities in respect of the Regulatory Reform (Fire Safety) Order 2005 in its requirement to carry out a fire assessment to identify any possible dangers and risks, to take action to minimise the risks and to create a plan to deal with any emergencies, and also to write up and keep a record of its findings and to review its assessment annually. The fire detection systems in the Wallingford building were recently fully updated and upgraded to meet new standards. The charity has appointed Timothy Sugar (Centre Manager) to be the responsible person to put these things into operation. There is a Safeguarding Policy in place in respect of children and vulnerable adults. Checks have been and are made with the Disclosure and Barring Service in respect of persons dealing regularly with young people and vulnerable adults. The appointed officer for this is Grant Mottram (who is based in Wallingford), assisted by Amy Ogle (who is based in Didcot). All those who work with children are required to attend local Authority Safeguarding training. Whilst it is impossible to eliminate all risks and their consequences, efforts are constantly made to minimise such occurrences.

d. Financial Review

The accounts of the charity are presented in the following pages.

Income

Income was similar to the previous year (£305k vs £304k), with a similar makeup.

Expenses

Expenses increased considerably on the prior year (+14%). Much of this is costs returning to normal after savings in 23/24 due to staffing gaps which are now filled. Other cost increase drivers were:

Utility costs - our very favourable utility supply contracts ended and were replaced with new ones at higher prices.

Maintenance and Equipment - building maintenance and replacing AV equipment that was worn out. The charity also invested in better furniture for the Community Hub as its success had worn out the initial set-up furniture.

Net Income

After a £27k surplus in 23/24, the charity posted a deficit of £12k for 23/24 reflecting higher spend against a flat income. See looking ahead below for more on this.

TRUSTEES' REPORT (continued)

Balance Sheet

Cash held fell by £7k. Some costs are non-cash (depreciation of the community hub refurbishment) reconciling this lower cash impact to the year's deficit. The closing cash balance (£103k) is comfortably ahead of our reserves policy and the trustees are looking to make strategic investments next year utilising some of this surplus.

Looking ahead

As noted in the Activities section, we are releasing our senior pastor part-time and looking to employ a full-time Associate Pastor. This has a net financial impact which the church members are content to supply. There may be some short-term impact on our finances due to this investment, but the underlying finances remain strong and well within our policies. We are expecting this investment will allow us to expand the work of the charity locally, while also contributing to other churches and receiving their input via the Kinetic Network.

b. GOING CONCERN

The trustees have confidence in classifying the charity as a going concern. We have a robust balance sheet and a committed membership.

c. INVESTMENT POLICY AND PERFORMANCE

No investments are held by the charity at the reporting date.

d. RESERVES POLICY

The charity reserves policy is to aim to maintain reserves at around 3 months worth of spending. Currently this would amount to about £79k. At year end the total bank balance is £104k. The charity plans to use this excess of reserves to invest in community support as outlined above

FUTURE DEVELOPMENTS

The succession planning at Wallingford outlined in last years report is coming together with our membership of Kinetic and plans for an Associate Pastor.

In Didcot we have had some leadership changes. New leaders are being developed and they may in time become Trustees of the charity.

The trustees are grateful that due to the on-going support of the church members, we are in a position to invest in additional staff time and activity to support those in need, both in our church membership and the local community.

2.4 ASSETS

These are capitalised if they can be used for more than one year, and cost at least

£5,000

[Note, Church building valued at insurance valuation, other fixed assets at cost]

The depreciation rates and methods used are disclosed in note 2.4 bottom of this page.

Note 23 Contingent liabilities and contingent assets**23.1 Contingent liabilities**

Where the charity has contingent liabilities, please complete the following section unless the possibility of their existence is remote.

Description of item including its legal nature. Please describe any security provided in connection to the liability.	Estimate of financial effect
The charity entered into a partnership with Wallingford Emergency Foodbank (WEF), UK charity 1169402. This was to convert the existing bookshop area in the charity's freehold building into a Community Hub, consisting of a kitchen and café area. WEF agreed to contribute £35,000 to the cost (just under half the expected total) in exchange for shared use of the kitchen area for client training and home skills development. If the charity fails to provide access to the kitchen a reducing balance of the grant paid would be refundable to WEF depending on time elapsed up to 10 years maximum. The trustees consider this an extremely unlikely scenario, however the possibility of this liability is disclosed here.	£24,500 Being 7/10 of the initial potential liability of £35,000. This will continue to reduce by 1/10 of £35,000 each year until exhausted.

Notes:

Beacon Youth Project income fell due to long term sickness of our Wallingford Youth Worker. Costs remained static leading to a significant deficit on this work (£8.3k). This was covered by a transfer from general funds.

The English Lessons for Ukrainians work was closed down due to demand having been fulfilled. Most of our clients having found work in the UK.

The charity will look for an appropriate use for the remaining funds (£2.7k) for work amongst UK based Ukrainians or donated to a charity working in Ukraine.
