

Trustees' Report year ending 31st December 2020

Despite the restrictions on everyone and everything this past year and that we have been unable to arrange any fundraising events, we have finished the year in a much better financial position than we thought possible. A huge thank you to all our donors and subscribers.

Also many thanks to those who have managed to organise some fundraising income.

We hope that 2021 will allow some fund- raising activity and as noted we hope the Blade Sharpening event will take place one way or another!!
