

CHARITY COMMISSION
FOR ENGLAND AND WALES

Trustees' Annual Report for the period from 01/07/22 (Period start date) to 30/06/23 (Period end date)

Charity name and registration number: The Power Station - 1169226

Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance the Christian faith for the benefit of the public mainly but not exclusively, through broadcasting contemporary Christian music and positive messages consistent with mainstream Christian beliefs, on internet radio and associated social media.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The Power Station is committed to enabling as many people as possible in the UK and beyond to hear the Christian message and contemporary Christian music without charge. The trustees maintain an overview of the programmes broadcast throughout the weekly schedule to ensure we meet the objective of serving our listeners through Christian music, scripture, testimonies and worship. We strive to maintain a balance of music, scripture and inspirational stories which reflect what Jesus is doing in peoples' lives today.</p> <p>We want to enable ordinary people to easily access our radio programmes in everyday life, whether that is at home or at work through a variety of mechanisms such as our website, smart speakers and phone apps. To facilitate this work it is important that we maintain the infrastructure of the radio and this year has seen changes to our broadcast server to provide increased reliability and the redevelopment of our website to serve listeners directly. This is covered in more details in our Achievements and performance section below.</p>

Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	When planning our activities for the year, the trustees have considered the Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. This is especially evident in our careful selection of programmes which balance music with content to instruct and encourage listeners in their faith. There is a recognisable, identifiable benefit to the public through hearing music with a positive Christian message, communicating what the Bible teaches and in allowing the opportunity for members of the public to be involved in worship and praise.

Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p>Content</p> <p>We remain committed to our mission of providing uplifting and inspiring Christian music and programming to our listeners across the UK. We have continued to focus on maintaining the quality of our programming and building relationships with our listeners, donors, and partners. We continue to have engagement with listeners on our regular morning show which remains popular with our UK listeners. We reviewed the artists we play to ensure they reflect the ethos of the station, with a balance between newer artists and those more established. Much of our music comes from the worship teams of major churches and from selected independent artists.</p> <p>Fundraising</p> <p>During this year we have been more reliant on regular monthly donations than specific fundraising campaigns. We promote our regular donations through our weekly newsletter to subscribers. We remain thankful for the support of listeners, some of whom shared personal testimonies of how the charity has impacted their lives for the better. A significant amount of fundraising goes on our radio licences, which continue to rise in cost as listener numbers grow. Funds went mainly towards ongoing running costs.</p> <p>Infrastructure</p> <p>During this last year, we continued to work with West Wilts DAB about joining a small-scale DAB multiplex near where our studio is based in Wiltshire. WWDAB is the organisation setup by a group of people from the local community radio stations in Wiltshire. During the year our trustee Simon Cook attended various meetings to discuss the location for the DAB transmitters, and other equipment needed to broadcast The Power Station on the DAB multiplex. This is an exciting opportunity for us, as it would allow us to reach a wider audience in the area where we are based. We believe that this move would significantly expand our reach and enable us to provide even more people with our uplifting and inspiring content. However, we recognise that this move will require additional funding and resources. We will need to carefully consider our options as we move forward with this initiative. We continued to explore various funding options and partnerships to help us make this a reality.</p>

Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Total receipts on unrestricted funds were £6161 which came from regular and one-off donations, and gift aid throughout the year. There were no Restricted donations. The planned giving through regular donations was more than in the previous year and shows signs of returning to levels being achieved before the pandemic. The total income went up by 13% with the balance made up through claiming gift aid. The net result for the year was an excess of receipts over payments of £590.00 on unrestricted. Adding bank and deposit balances brought forward at the beginning of the year, the balances carried forward on 30th June 2023 on unrestricted funds totalled £2006.00.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	It is the Trustees' policy to maintain a balance on unrestricted funds (if possible), of £250.00 to cover emergencies that may arise such as equipment failure. The balance of £2006.00 held on unrestricted funds at the year-end met this target and was kept as cash at bank.
Amount of reserves held	Para 1.22	The reserve held in unrestricted funds is £2006.00.
Reasons for holding zero reserves	Para 1.22	Not applicable.
Details of fund materially in deficit	Para 1.24	Not applicable.
