FOR ENGLAND AND WALES

## Trustees' Annual Report for the period

From 01/07/23 To 30/06/24

Charity name: The Power Station

Charity registration number: 1169226

## Objectives and Activities

	SORP reference	
Summary of the purposes of the charity as set out in its governing document	Para 1.17	To advance the Christian faith for the benefit of the public mainly but not exclusively, through broadcasting contemporary Christian music and positive messages consistent with mainstream Christian beliefs, on internet radio and associated social media.
Summary of the main activities in relation to those purposes for the public benefit, in particular, the activities, projects or services identified in the accounts.	Para 1.17 and 1.19	<p>The Power Station is committed to enabling as many people as possible in the UK and beyond to hear the Christian message and contemporary Christian music without charge. The trustees maintain an overview of the programmes broadcast throughout the weekly schedule to ensure we meet the objective of serving our listeners through Christian music, scripture, testimonies and worship. We strive to maintain a balance of music, scripture and inspirational stories which reflect what Jesus is doing in peoples' lives today.</p> <p>We want to enable ordinary people to easily access our radio programmes in everyday life, whether that is at home or at work through a variety of mechanisms such as our website, smart speakers and phone apps.</p>
Statement confirming whether the trustees have had regard to the guidance issued by the Charity Commission on public benefit	Para 1.18	When planning our activities for the year, the trustees have considered the Commission's guidance on public benefit and, in particular, the specific guidance on charities for the advancement of religion. This is especially evident in our careful selection of programmes which balance music with content to instruct and encourage listeners in their faith. There is a recognisable, identifiable benefit to the public through hearing music with a positive Christian message, communicating what the Bible teaches and in allowing the

		opportunity for members of the public to be involved in worship and praise.

## Achievements and Performance

	SORP reference	
Summary of the main achievements of the charity, identifying the difference the charity's work has made to the circumstances of its beneficiaries and any wider benefits to society as a whole.	Para 1.20	<p><b>Content</b></p> <p>We remain committed to our mission of providing uplifting and inspiring Christian music and programming to our listeners across the UK. We have continued to focus on maintaining the quality of our programming and building relationships with our listeners, donors, and partners. We continue to have engagement with listeners on our regular morning show which remains popular with our UK listeners. We reviewed the artists we play to ensure they reflect the ethos of the station, with a balance between newer artists and those more established. Much of our music comes from the worship teams of major churches and from selected independent artists.</p> <p><b>Fundraising</b></p> <p>During this year we have been more reliant on regular monthly donations than specific fundraising campaigns. We promote our</p>

		<p>regular donations through our weekly newsletter to subscribers. We remain thankful for the support of listeners, some of whom shared personal testimonies of how the charity has impacted their lives for the better. A significant amount of fundraising goes on our radio licences, which continue to rise in cost as listener numbers grow. Funds went mainly towards ongoing running costs.</p> <p><b>Infrastructure</b></p> <p>During this last year, we continued to work with West Wilts DAB about joining a small-scale DAB multiplex near where our studio is based in Wiltshire. WWDAB is the organisation setup by a group of people from the local community radio stations in Wiltshire. We have been unable to continue any further with joining the DAB multiplex, because we are waiting for WWDAB to build the infrastructure for the transmitters. We have been told WWDAB the process is taking longer than expected, due to complications with find suitable locations for the DAB transmitters. We also recognise that this move will require additional funding and resources. We will need to carefully consider our options as we move forward with this initiative. We continued to explore various funding options and partnerships to help us make this a reality.</p>
