Year ended 31 July 2021

The Trustees present their annual report together with the financial statements of the Charity for the year ended 31 July 2021. The Shepherdess is a charitable incorporated organisation and a registered charity governed by its memorandum and articles of association. Charity number: 1169273. Company number: CE007889.

STATEMENT OF TRUSTEES RESPONSIBILITIES

Company law requires the trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the charitable company as at the balance sheet date and of its incoming resources and application of resources, including income and expenditure, for the financial year.

In preparing those financial statements, the trustees are required to:-

- Select suitable accounting policies and then apply them consistently;
- Make judgments and estimates that are reasonable and prudent
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the company will continue in operation.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the organisation to ensure that the financial statements comply with the Companies Act 2006.

The Trustees are also responsible for safeguarding the assets of the organization and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent Examiner's Report on the unaudited Accounts of The Shepherdess Year ended 31 July 2021

We report on the accounts of the charitable company for the year ended 31 July 2021 which are set out on pages 4 to 10.

Respective responsibilities of trustees and examiner.

The trustees who are also the directors of the company for the purposes of company law are responsible for the preparation of the accounts. The trustees consider that an audit is not required for this year under section 43(2) of the Charities Act 1993 (the 1993 Act) and that an independent examination is needed. Having satisfied ourselves that the charity is not subject to an audit under company law and is eligible for independent examination, it is our responsibility to:

- examine the accounts under section 43 of the 1993 Act;
- follow the procedures laid down in the general Directions given by the Charity Commission (under section 43(7) (b) of the Act, as amended); and
- state whether particular matters have come to our attention

Basis of independent examiner's statement

Our examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with our examination, no matter has come to our attention:

1. which gives us reasonable cause to believe that, in any material respect, the requirements:
 - to keep accounting records in accordance with section 386 of the Companies Act 2006 and
 - to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 of the Companies Act 2006 and with the methods and principles of the Statement of Recommended Practice: Account and Reporting by Charities have not been met; or
2. to which in our opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached

Notes to the Financial Statements

Year ended 31 July 2021

1 Accounting Policies

a) Accounting convention

The financial statements have been prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective 2008), the Companies Act 2006 and the Statement of Recommended Practice, Accounting and Reporting by Charities (SORP 2005) issued in March 2005. No separate income and expenditure account has been included because the company has no endowment funds.

b) Donations and grants

Income from donations and grants, including capital grants, is included in incoming resources when these are receivable, except as follows:

- When donors specify that donations and grants given to the charity must be used in future accounting periods, the income is deferred until those periods
- When donors impose conditions, which have to be fulfilled, before the charity becomes entitled to use such income, the income is deferred and not included in incoming resources until the pre-conditions for use have been met.

When donors specify that donations and grants, including capital grants, are for particular restricted purposes, which do not amount to pre-conditions regarding entitlement, this income is included in incoming resources of restricted funds when receivable.

c) Income

Income is accounted of on accrual basis. The Charity's income is mainly from grants and donations.

2 Resources expended

Expenditure is recognized on an accrual basis as a liability is incurred. Expenditure includes VAT as the Charity is not registered for VAT and therefore is reported as part of the expenditure to which it relates

- Costs of generating funds comprise the costs associated with attracting grant income. No such cost has been recognized in the year.
- Charitable expenditure comprises those costs incurred by the Charity in the delivery of its charitable activities of Advocacy and Support, Children and Family Services and Respite & Support. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them. Support costs are therefore not shown separately in the statement of financial activities.
- Governance costs include those costs associated with meeting the constitutional and statutory requirements of the Charity and include accountancy fees and costs linked to the strategic management of the Charity.
- All costs are allocated between the expenditure categories of the SOFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly; others are apportioned on an appropriate basis e.g., time based and used.

3 Taxation

There is no liability to any UK Tax arising neither from the results nor from any activity of the Charity
